Re: **Wabana (Bell Island Tickle) - Temporary Infilling**

The original Permit dated JANUARY 17, 2017 is amended as follows:

The first paragraph of Page 1 of the Permit shall read: Permission is hereby given for: the temporary infilling of approximately 800 cubic meters of rock fill material and subsequent removal of such a material from the waters of Bell Island Tickle to allow for access to the Bell Island Portugal Cove Ferry wharf in the Town of Wabana as indicated in the revised Appendices A and D of this Permit (attached), in reference to the application received January 16, 2017 and further information provided on or before January 19, 2016.

Clause #37 shall read: The Permit Holder is fully responsible to install and maintain effective measures that prevent siltation occurrences into Bell Island Tickle or any nearby body of water.

All other terms and conditions of the original Permit will apply and failure to comply with the terms and conditions of this amendment and the original Permit will render this Permit null and void, place the Permit Holder and their agent(s) in violation of the *Water Resources Act* and make the Permit Holder responsible for taking any remedial measures as may be prescribed by this Department.
