Attention: 

Re: **Water Withdrawal and Use from Unnamed Body of Water near Grand Falls-Windsor**

The Minister of Environment and Conservation (the "Minister") hereby grants a non-exclusive water right to: **Pennecon Heavy Civil Limited** (the "Licensee") to withdraw water from an unnamed body of water near Grand Falls-Windsor (48°46'39"N, 55°51'50"W), as indicated in Schedule A (attached) and use it for the purpose of washing rocks in reference to the application received on August 14, 2015 and further information received on August 19, 2015.

This Licence is subject to the terms and conditions, reservations, exceptions, and provisions stated herein and the *Water Resources Act* and regulations thereunder. Appendices A, B and Schedule A (attached) form part and parcel of this Licence.

This Licence does not release the Licensee from the obligation to obtain appropriate approvals, permits or licences from other concerned municipal, provincial and federal agencies.

The Licensee shall complete and return the attached Notification of Acceptance of Water Use Licence to the Water Rights and Investigations Section of the Department of Environment and Conservation within thirty (30) days of receipt of this Licence.

Failure to comply with the terms and conditions, reservations, exceptions, and provisions set out herein will render this Licence null and void, place the Licensee and/or its agents in violation of the *Water Resources Act*, and cause the Licensee to be responsible for any and all remedial measures which may be prescribed by the Department of Environment and Conservation.

APPENDIX A
TERMS AND CONDITIONS FOR WATER USE LICENCE

The Minister of Environment and Conservation (the "Minister") hereby grants a non-exclusive water right to **Pennecon Heavy Civil Limited** (the "Licensee") to withdraw water from an unnamed body of water near Grand Falls-Windsor (48°46'39"N, 55°51'50"W), as indicated in Schedule A (attached) and use it for the purpose of washing rocks in reference to the application received on August 14, 2015 and further information received on August 19, 2015.

1. Ownership of water rights remains with the Crown and is not transferred. This Water Use Licence only provides permission for the Licensee to withdraw and use water for the designated purpose indicated in this Licence.
2. The non-exclusive rights and privileges hereby demised by this Licence shall not be sold, assigned, transferred, leased, mortgaged, sublet or otherwise alienated by the Licensee.
3. The Licensee acknowledges and agrees that this Licence does not grant any interest in land.
4. This Licence shall expire on December 31, 2015 or earlier if suspended or modified or cancelled by the Minister due to reasons that include, but is not limited to, non-compliance with the Water Resources Act, 2002 and terms and conditions, reservations, exceptions, and provisions, lack of utilization of approved water for the designated purpose and prompt reporting pursuant to this Licence. Also, this Licence may be renewed by the Minister for such renewal term as the Minister deems appropriate, on such terms and conditions as the Minister considers appropriate and in the public interest, provided the Licensee applies for an extension at least 90 days before the expiry of this Licence.
5. The designated purpose of the water use is Industrial.
6. The maximum water withdrawal and use from the said body of water shall not exceed 800 gallons per day subject to water availability. The Licensee shall not use amounts of water in excess of the need for the Licensee, irrespective of the amount of water authorized herein. All necessary measures must be taken during water withdrawal to avoid any negative impact on the said body of water or any nearby body of water, fish and fish habitat and the environment.
7. The Licensee shall not at any time impair, pollute or cause to be polluted the quality of water in the said body of water or any nearby body of water. Also, this Licence shall not be interpreted as granting any rights to cause adverse effect(s) on other water user(s). The Water Resources Management Division of the Department of Environment and Conservation must be informed if this activity or any ongoing activity has a potential to impair water quality of the said body of water or any nearby body of water. In addition, any and all waste material that may result from this activity must be removed and disposed at a site approved by the regional Government Service Centre of the Department of Service NL. The Departments of Environment and Conservation and Service NL may require samples to be submitted for testing and analysis.
8. The Licensee shall prudently maintain in good faith records, accounts and statements of the rates and amounts of water withdrew and used and any other information that the Minister may require in whatever form, manner and time. Copies of such records, accounts, statements, all information required to exercise the non-exclusive rights and privileges demised under this Licence, and a form following the format of Appendix B shall be submitted to the Water Rights and Investigations Section of the Department of Environment and Conservation upon the completion of water withdrawal and use activities or as required at any time during the term created by this Licence.
9. The Licensee shall keep all systems and works in good condition and repair, and shall notify the Minister immediately if any problem arises which may adversely affect public safety or other water users. Also, the Licensee shall restore all area(s) that may be affected to a state that resembles local natural conditions. Further remedial measures to mitigate environmental impacts on water resources can and will be specified, if necessary in the opinion of this Department.
10. The Licensee shall not make changes in the purpose, plans and rates and amounts of water specified in this Licence or construct any systems or works or divert the course or alter the physical features of the said body of water or any nearby body of water without the prior written approval from the Minister.
11. The employees of the Department of Environment and Conservation, authorized by the Minister, may at all reasonable times during the term created by this Licence enter into the Licensee's designated place(s) of business to inspect all associated systems or works, records, statements, and accounts, and shall be entitled to copy such information as may be required by the Minister in relation to this Licence and may exercise all other powers of inspection as provided for in the Water Resources Act.

12. The Licensee shall pay the applicable charges or royalties for the use of water, if imposed under the Water Resources Act, 2002 during the term of this Licence. Once imposed, the Licensee shall, upon receipt of an invoice stating the amount owing for annual charges or royalties for water use, pay to the Minister the full amount within thirty (30) days of the receipt of the said invoice.
13. The Licensee and its agent(s), subcontractor(s), and consultant(s) indemnify and hold the Government and the Minister harmless against any and all liabilities, losses, claims, demands, damages or expenses including legal expenses of any nature whatsoever whether arising in tort, contract, statute, trust or otherwise resulting directly or indirectly from the non-exclusive rights granted under this Licence, all associated systems or works, or any act or omission of the Licensee or its agent(s), subcontractor(s), or consultant(s) in or outside all areas of associated systems or works, or arising out of a breach or non-performance of any of the terms and conditions, and provisions of this Licence by the Licensee or its agent(s), subcontractor(s), or consultant(s).
14. If the Licensee or its agent(s), subcontractor(s), or consultant(s) fails to perform, fulfil, or observe any of the terms and conditions, or provisions of this Licence and or Ministerial orders and guidelines, as determined by this Department, the Minister may, after providing ten (10) day notice to the Proponent, amend, modify, suspend or cancel this Licence in accordance with the Water Resources Act.
15. Should any provision of this Licence be unenforceable, it shall be considered separate and severable from the remaining provisions of this Licence which shall remain in force and be binding as though the provision had not been included.
16. This Licence is subject to all provisions of the Water Resources Act and any regulations in effect either at the date of this Licence or hereafter made pursuant thereto or any other relevant legislation enacted by the Province of Newfoundland and Labrador in the future.
17. This Licence shall be construed and interpreted in accordance with the laws of the Province of Newfoundland and Labrador.

All notices to be given pursuant to the terms and conditions of this Licence shall be given in writing and delivered by facsimile with auto confirmation or registered mail. If a notice is delivered by facsimile, it is deemed to have been received on the day it was sent if that day is a normal business day, if not, it is deemed to have been received on the next normal business day. If a notice is sent by registered mail, it is deemed to have been received three days after the day it was mailed. The address of the Licensee is:
