Attention: Mr. Sheldon George

Re: Water Use for Freshwater Aquaculture Facility (Overwintering) in Long Pond

The original Licence dated NOVEMBER 20, 2015 is amended as follows:

Clause # 11 shall read "The total number of fish introduced into Long Pond in the month of November at the location of the cages approved by this Licence, shall not at any time exceed 700,000 during the term created by this Licence" in reference to the request received on October 7, 2016 and further information provided on or before October 26, 2016 by the Department of Fisheries, Forestry and Agrifoods.

All other terms and conditions, reservations, exceptions, and provisions indicated in the Licence shall remain in force. Failure to comply with the terms and conditions, reservations, exceptions, and provisions set out in the Licence, this amendment and the *Water Resources Act* and regulations thereunder will render the Licence and this amendment null and void, place the Licensee and/or their agent(s) in violation of the *Water Resources Act* and regulations thereunder and cause the Licensee to be responsible for any and all remedial measures which may be prescribed by the Department of Environment and Climate.
