

Closing Remarks

Real-Time Water Quality
Monitoring Workshop 2009

Renée Paterson
NL Department of Environment
and Conservation

Thank you all so much for attending!!!

Thanks to all the presenters!!!

Thanks to all the exhibitors!!!

Field visit was informative!!!

Lots of opportunity for networking!!!

The image features six 3D question marks arranged in a circular pattern around the central text. Each question mark is rendered in a vibrant red-to-orange gradient with a glossy, metallic finish and a subtle shadow beneath it, giving it a three-dimensional appearance. The background is a dark, rich red with vertical stripes, and the overall composition is framed by a dark, wavy border at the bottom.

Many questions
answered.....and many
questions raised!!!!

- Opportunities for partnerships
- Interesting and innovative work being conducted
- Need to stay connected and informed
- Need for standardization

Thanks for all the help!!!

Hope you enjoyed your stay in
Newfoundland and Labrador!!!
