Re: **NL Hydro (Soldier's Pond) - Water Intake**

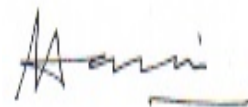

---

**The original Permit dated AUGUST 29, 2025 is amended as follows:**

the permit is being amended to account for the following changes to the design of the proposed project:

1. The access road to the end of the intake will be left in place as opposed to being removed as originally proposed.
2. Trenching will be dug along the side of the access road as opposed to through the middle of the access road as originally proposed.

**All other terms and conditions of the original Permit will apply and failure to comply with the terms and conditions of this amendment and the original Permit will render this Permit null and void, place the Permit Holder and their agent(s) in violation of the *Water Resources Act* and make the Permit Holder responsible for taking any remedial measures as may be prescribed by this Department.**
