Re: **Labrador (Multiple Waterbodies) - Fording**

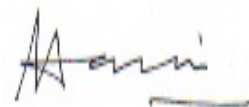

---

**The original Permit dated JANUARY 21, 2026 is amended as follows:**

the project description is being changed to the following:

"the installation of eight (8) fording sites in Northern Labrador, to perform exploratory drilling as approved under the Mineral Act and Mineral Regulations, in relation to the application received on November 10, 2025"

**All other terms and conditions of the original Permit will apply and failure to comply with the terms and conditions of this amendment and the original Permit will render this Permit null and void, place the Permit Holder and their agent(s) in violation of the *Water Resources Act* and make the Permit Holder responsible for taking any remedial measures as may be prescribed by this Department.**
