Dear Jamie Hewlitt and Megan MacIsaac:

RE: Nain Wind Power Micro-Grid Review of Conditions of Release

On September 15, 2021, Nunatsiavut Government and Natural Forces Development Limited Partnership were advised that the Nain Wind Power Micro-Grid (the Project) was released from environmental assessment, subject to conditions, which included the submission and approval of the following plans prior to Project commencement:

- Women's Employment Plan
- Environmental Management and Protection Plan
- Environmental Effects Monitoring Plan.

These plans were presented for Indigenous consultation in accordance with the provincial Aboriginal Consultation Policy. Please be advised these conditions of release have been met.

You must abide by all commitments made in the above-noted plans and in all environmental assessment submissions. Any significant change to these plans or to the Project must be submitted to this department prior to construction to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division at (709) 729-0673 or via e-mail at joannesweeney@gov.nl.ca.

Sincerely,

A handwritten signature in blue ink that reads "Andrea Barbour".

HON. ANDREA BARBOUR, MHA
