Dear Dr. Williams:

RE: Deer Lake Residential and Commercial Subdivisions (the Project) Condition of Release

On December 5, 2024, the Project was released from environmental assessment subject to conditions, one of which required the submission of a Stormwater Drainage Plan (the Plan) prior to Project commencement.

The Plan, submitted on September 2, 2026, was reviewed by the Water Resources Management Division of this department and the Department of Transportation and Infrastructure. This condition of release for the Project has now been met.

You must abide by all commitments made in the Plan and in all environmental assessment submissions. Any significant change to the Plan or to the Project must be submitted to this department prior to construction to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or e-mail at joannesweeney@gov.nl.ca.

Sincerely,

HON. ANDREA BARBOUR, MHA
District of St. Barbe – L'Anse aux Meadows
Minister
