Reg. # 2328

Ian Colbourne
West Coast Cycling Association Inc.
28 Silver Street, Corner Brook, NL A2H 7J6
Via E-mail: info@wccanl.ca

Dear Ian Colbourne:

RE: Corner Brook and Massey Drive Multi-use Trail (the Project) Waste Management Plan

On November 20, 2024, the Project was released from environmental assessment, subject to conditions. One of the conditions required West Coast Cycling Association Inc. to submit a Waste Management Plan (the Plan) prior to commencing Project construction.

On December 18, 2025, West Coast Cycling Association Inc. submitted the Plan to the Pollution Prevention Division of this department. This Plan has now been reviewed and accepted.

You must abide by all commitments made in the Plan and in all environmental assessment submissions. Please note that you must also comply with all terms and conditions of the November 20, 2024, decision letter including the requirement to submit a Black Ash Survey to the Wildlife Division of the Department of Forestry, Agriculture and Lands prior to commencing Project construction. Any significant change to the Plan or to the Project must be submitted to this department prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or via e-mail at joannesweeney@gov.nl.ca.

Sincerely,

HON. CHRIS TIBBS, MHA
District of Grand Falls - Windsor - Buchans
