Dear Kimberly Childs:

**RE: CBPPL Zone 5, District 10 Five-Year Forestry Operating Plan (2026-2030) (the Project) Greenhouse Gas Management Plan**

---

On September 8, 2025, the Project was released from environmental assessment, subject to conditions. One of the conditions required Corner Brook Pulp and Paper Limited to submit a Greenhouse Gas Management Plan (the Plan), with a draft of the Plan to be submitted within one year of the date of release of the Project and an update on the progress of the Plan to be submitted within 6 months.

On March 3, 2026, Corner Brook Pulp and Paper Limited submitted the Plan to the Climate Change Branch of this department. This Plan has now been reviewed and accepted.

You must abide by all commitments made in the Plan and in all environmental assessment submissions. I remind you that you must also comply with all terms and conditions of the September 8, 2025, decision letter. Any significant change to the Plan or to the Project must be submitted to this department prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or via e-mail at [joannesweeney@gov.nl.ca](mailto:joannesweeney@gov.nl.ca).

Sincerely,

**HON. CHRIS TIBBS, MHA**
