Dear Dave Butt:

RE: Glover Island ATV Trail (the Project)

Enclosed are guidelines for the preparation of an environmental preview report (EPR) for the Glover Island ATV Trail (the Project). The guidelines were developed in consultation with the Environmental Assessment Committee that was appointed to the Project.

You may now proceed with the preparation of the EPR. The EPR must be submitted for approval, and the Project must be released from further environmental assessment prior to the start of Project construction, including land clearing. In accordance with Section 17 of the Environmental Assessment Regulations under the **Environmental Protection Act**, you must submit an acceptable EPR within three years of the date of decision on June 19, 2026, to require an EPR for the Project. You may apply to extend the term of decision for a maximum of three periods of one year.

If you have any questions regarding the preparation of the EPR, please contact Santiago Buitrón, Chairperson of the Environmental Assessment Committee at (709) 729-5765 or via e-mail at santiagobuitron@gov.nl.ca.

Sincerely,

HON. CHRIS TIBBS, MHA
District of Grand Falls – Windsor - Buchans
Minister
