Dear Keith Boyle:

RE: Queensway Gold Project (the Project)

Enclosed are guidelines for the preparation of an environmental preview report (EPR) for the Queensway Gold Project (the Project). The guidelines were developed in consultation with the environmental assessment committee (EAC) appointed to the Project.

You may now proceed with the preparation of the EPR. The EPR shall be submitted for approval, and you shall not proceed with the undertaking unless the undertaking has been released from environmental assessment. In accordance with Section 17 of the Environmental Assessment Regulations under the **Environmental Protection Act**, you shall submit an acceptable EPR within three years of the date of the decision on July 3, 2026, to require an EPR for the Project. You may apply to extend the term of the decision for a maximum of three periods of one year.

If you have any questions regarding the preparation of the EPR, please contact the Environmental Assessment Committee Co-chairs, Tahazzud Hossain at TahazzudHossain@gov.nl.ca and Lucie Vezina at LucieVezina@gov.nl.ca.

Sincerely,

HON. ANDREA BARBOUR, MHA
