Terrain Conditions: Predominately gentle terrain in combination with rolling hill top conditions, interspersed with rivers, ponds, streams and bogs.

Other Considerations and Mitigations:

- Private land, and LTO cottages in the area.
- There is a scheduled salmon river within the 5YP boundary. Regulated buffers will be reviewed with contractors and field flagged.

Corner Brook Pulp and Paper Woodlands is currently certified to an Environmental Management System standard and a Forest Management and Fibre Sourcing standard. For further information on the SFM plan visit our website at www.cbpplwoodlands.com
