Call for Submissions

Date **July 11, 2023**

Reference Number **2023-4**

The Department of Education (Programs and Services) is conducting a call for submissions to identify learning resources that may be useful to support the following courses:

Courses: **Health 4, 5 and 6**

Vendors who have materials currently available for purchase are invited to make submissions.

Vendors **MUST** comply with the ***Resource Submission Procedures*** in order to be eligible for inclusion in the environmental scan.

All submissions must be received by:
4:00 PM (Newfoundland Time Zone) Wednesday, August 16th, 2023

Resource Submission Procedures

1. Review **Appendix 1** and **Appendix 2** of this document. Vendors will confirm that the resource submitted
 - a. aligns the intent of the course/program description provided, and
 - b. addresses at least one stated curriculum outcome.
2. Complete all sections of the **Resource Summary Form**.
3. Email the **Resource Summary Form** to:

To: toddwoodland@gov.nl.ca
Subject: Resource Submission - Reference Number 2023-4

4. Ship **eight physical copies** of each resource to:

**Learning Resources Distribution Centre
Building 909, Pleasantville
St. John's, NL
A1A 1R1**

- Clearly label the package(s)

Resource Submission - Reference Number 2023-4

Digital submissions will be considered, however, if available, at least one physical copy should be shipped to the mailing address above by the submission deadline.

- Digital submissions should be e-mailed to toddwoodland@gov.nl.ca with the subject line:

Resource Submission - Reference Number 2023-4

5. If additional information is required, send an email request to:

Todd Woodland

**Manager
Division of Programs and Services
Department of Education
toddwoodland@gov.nl.ca**

Appendix 1: Resource Requirements

Requirements

- English and French language **Children's literature** (print or digital, however, print is preferred) appropriate for Grades 4-6.
- Children's literature available in both languages is preferred; however, English-only and French-only titles are acceptable. Translated titles should be of high-quality translation.
- Picture books are preferred, however, short chapter books, graphic novels, magazines, and informational and narrative texts will be considered.
- Evidence-based resources that align with the Health/Social Emotional Learning outcomes and are engaging, current, and age- and developmentally-appropriate for a diversity of learners.
- Highlight a diversity of representations such as multicultural, indigenous, and gender.

NOTE: An accessible digital pdf version of successful titles will be requested for alternate format materials (AFM) purposes.
