Hello, my name is \_\_\_\_\_. I am with a company called Goss Gilroy. We are doing some work for the Department of Education. We have been told by %PROGRAM% that you participated in their program.

The questions will take about 20 minutes. Your participation in this interview is voluntary. It will not affect any program in which you are involved in or plan to be involved in. Your responses will be kept confidential. You will not be identified in any reports we prepare.

Would you mind talking to me about your experience with this %PROGRAM%? Would now be a good time for you?

*Notes:*

*If he/she did not attend any literacy program, thank them and end the call.*
