# Overview

The Private Training Corporation was created to ensure that students attending private training institutions are protected in the event of a school closure. To achieve this, the Corporation monitors the fiscal health of institutions and manages a Train Out Fund established under the Private Training Institutions Act. The purpose of the Train Out Fund is to ensure that, in the unfortunate event a private training institution closes, appropriate financial resources are available to enable affected students to complete their course of study.

## Mandate

The Private Training Corporation was established in 1999 and, pursuant to Section 5.1 of the Private Training Institutions Act, has the mandate to:

- Administer the Train Out Fund established under the Private Training Institutions Act;
- Make recommendations to the Minister with respect to:
  - the operation of the Private Training Institutions Act and the Regulations,
  - the financial stability of a private training institution based upon a review of annual audited financial statements of that institution as required by the Minister,
  - any other issues that the Minister may require to be reviewed;
- Perform other duties as required by the Minister.

## Private Training Institutions

Twenty-one registered private training institutions operated in the province as of December 31, 2017. All institutions are required to register and fully comply with the Private Training Institutions Act and Regulations. A complete listing of the registered private training institutions can be found in Annex 1.

## Membership

Section 4(3) of the Private Training Institutions Act provides for the membership of the Private Training Corporation Board of Directors to be appointed by the Lieutenant-Governor in Council. Section 3(1) of the Private Training Institutions Regulations specifies the Board's composition.

As of December 31, 2017, the membership of the Board was:

- Representative of the Department of Advanced Education, Skills and Labour, Mr. Brendan Hanlon;
- Representative of the Department of Finance, Ms. Sharlene Jones;
- Representative of the Newfoundland and Labrador Association of Career Colleges, Mr. Ian Stokes;

## Employees and Location

Necessary analysis undertaken on the Corporation's behalf is conducted by the Division of Literacy and Institutional Services, in consultation with other divisions within the Department of Advanced Education, Skills and Labour. The billing and collection of fees, as well as the preparation of correspondence, is completed on a contractual basis. Office expenses, while reflected separately on the audited financial statement, are included as part of that contract.

The Corporation leases no premises and usually meets at the Confederation Building in St. John's. Correspondence may be forwarded to:

Ms. Beverly Moore

Attention: Ms. Lynette Hann, Manager of Operations, Private Training

## Revenues and Expenditures

Pursuant to the Private Training Institutions Act, institutions must remit one per cent of collected tuition revenue to the Private Training Corporation for the Train Out Fund. The Corporation collected contributions from the private training institutions and recorded revenues of \$244,803 in 2017, down from 2016 (\$260,598) due to lower tuition revenues at a number of private training institutions. Expenditures for the Private Training Corporation in 2017 were on par with 2016 (\$11,632 in 2017 compared to \$11,552 in 2016).

Corporation members are not remunerated. Eligible meeting expenses are paid out of the Train Out Fund. This is permitted by the legislation which specifies that the Train Out Fund may be utilized to pay expenses incurred by board members to carry out work of the Board.

There were no claims made on the Train Out Fund during 2017. As of December 31, 2017, the total value of the Train Out Fund was \$5,304,033.

## Highlights and Partnerships

The Corporation achieves its mandate in partnership with the Department of Advanced Education, Skills and Labour to ensure compliance with regulatory requirements related to the work of the Corporation.

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Private Training Corporation

We have audited the accompanying financial statements of Private Training Corporation, which comprise the statement of financial position as at December 31, 2017 and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Private Training Corporation as at December 31, 2017 and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## PRIVATE TRAINING CORPORATION

### Notes to Financial Statements

Year Ended December 31, 2017

---

#### 1. PURPOSE OF THE ORGANIZATION

Private Training Corporation (the "organization") is incorporated without share capital under the Private Training Institutions Act of Newfoundland and Labrador. The purpose of the organization is to operate a Train Out Fund to provide compensation to students to complete their training where a private training institution fails to fulfill its training to students due to closure and to monitor the financial operations of all private training institutions. Private training institutions make contributions to the Fund based on a percentage of student tuition.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

##### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

##### Revenue recognition

The organization follows the deferral method of accounting for contributions.

Contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest income is recognized on the accrual basis as earned.

##### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.
