  
**GOVERNMENT OF  
NEWFOUNDLAND AND LABRADOR**  
**DEPARTMENT OF MINES AND ENERGY**  
**GEOLOGICAL SURVEY**  
**INDEX TO THE MOST  
RECENT GEOLOGICAL  
MAPS FOR LABRADOR**

Compiled by S. P. Colman-Sadd  
 and L.V.J. Crisby-Whittle  
 Map 2004-03 November 4, 2004  
**LAB/1255 VERSION 7.0**

**Bold type** indicates that map accompanies a full length report  
*Italic type* indicates maps and reports produced by agencies other than the Newfoundland Department of Mines and Energy  
 Green type indicates maps and reports that are not available for sale at the Newfoundland Department of Mines and Energy  
 Full references for publications shown on this map are listed in an accompanying report  
 References are only shown in NTS areas where they provide the most recent map coverage. Consult the accompanying report or Crisby-Whittle (1996) to determine the full coverage for a particular reference
