

2026 Atlantic Canada Mining Investment Program

Expression of Interest – Newfoundland and Labrador Companies

The **Atlantic Canada Trade and Investment Agreement (ATIGA) Mining Sector Team** is seeking Expressions of Interest from Newfoundland and Labrador mineral exploration and development firms interested in participating in our upcoming **investment promotion program in London, United Kingdom**.

The program is targeted to **investment-ready Newfoundland and Labrador mineral exploration and development firms** seeking to connect with international investors, financiers, strategic partners and other industry decision-makers to advance their projects.

Participating Events

The Northern Miner International Symposium

November 29–30, 2026

- One complimentary delegate pass per company
- Full access to event programming and networking
- Access to the shared Atlantic Canada lobby area

Resourcing Tomorrow

December 1–3, 2026

- One complimentary delegate pass per company
- One **10-minute speaking opportunity** in the Mining Investment Theatre
- Access to the shared **Atlantic Canada Pavilion**
- Access to **Resourcing Tomorrow Connect** for advance meeting scheduling
- Dedicated company and delegate profiles on the connect platform
- Access to networking lounges, events and meeting areas
- Company visibility through the Atlantic Canada booth, event website/platform and event signage
- Preferred rate for additional delegate passes, approximately **US\$1,360**

Participating companies are responsible for their own travel and related expenses, including airfare, accommodations, meals, and local transportation.

Eligibility

Companies must:

- Have an **active, advanced-stage mineral exploration project in Newfoundland and Labrador with, at a minimum, a current NI 43-101 compliant mineral resource estimate**
- Projects of **any mineral commodity** are eligible
- Commit to attending and participating in **both events**

Selection

Three Newfoundland and Labrador company spaces are available. Eligible applicants will be assessed based on project stage, investment readiness, and objectives for participation.

Expression of Interest

Interested companies are asked to submit a brief Expression of Interest outlining all the eligibility and selection requirements above and listing the following:

Company & Project | Commodity | Project Stage | 2026–27 Plans | Investment/Partnership Objectives

Deadline: October 21, 2026

Submit to: cvalverdecardenas@gov.nl.ca

All applicants will be notified following the selection process.
