

JEA Final Report Form

GENERAL INSTRUCTIONS

- This Form must adhere to the [Junior Exploration Assistance \(JEA\) 2026 Program Guidelines](#), and be completed following the [JEA 2026 Final Report Guide](#). Review both the Guidelines and Final Report Guide before filling out this form.
- Complete all sections in this form. Incomplete forms will not be processed.
- Email the completed JEA Final Report (Final Report Form, JEA Expenses Spreadsheet, and Final Technical Report) to: MineralIncentive@gov.nl.ca. If you do not receive an email confirming receipt of your JEA Final Report from the Mineral Incentive Program (MIP) within two business days of your submission, contact the MIP immediately using the above email address.
- An internal review committee will assess the JEA Final Report for completeness and to insure it reflects the company's approved Letter of Intent (LOI). The Department of Energy and Mines (EM) reserves the right to request clarification of any item submitted. Information addressing the request for clarification must be emailed to: MineralIncentive@gov.nl.ca within five business days of being notified.
- If a company that has submitted a LOI and Final Report for Critical Mineral Assistance (CMA) and/or Provincial Critical Mineral Assistance (PCMA) does not agree with EM's assessment of the JEA Final Report, the company will be granted one period of up to five business days to provide additional information to address the deficiency or issue. EM will then reassess the Final Report with the additional information. This will be followed by a final decision by EM.
