

Fun. Nostalgic. Seemingly innocent questions.

Stop and Think

In the digital world, not everyone is your friend.
Don't take the bait of these phishing schemes.
Never use the same security questions and passwords
for your government and personal online activities.

Cyber Security is **EVERYONE's** responsibility.

Stay cyber aware. Visit gov.nl.ca/ocio | For more information, contact OCIOInfoProtection@gov.nl.ca.
