COMBINING OF BARGAINING UNITS

The Labrador West Bargaining Unit agrees to, and supports, an application to combine the Labrador West and Provincial bargaining units of the NLTA. Upon ratification of the Labrador West Collective Agreement, the NLTA agrees to pursue with applicable parties, including the Provincial bargaining unit, the making of a joint (employer/union) application to the Labour Relations Board (within 90 days of the ratification) for combining the Labrador West and Provincial bargaining units of the Newfoundland and Labrador Teachers' Association. Government, the Newfoundland and Labrador School Boards Association, and the NLTA Provincial Executive Council agree to support the making of said application, subject to the following:

1. The NLTA shall conduct a process to seek the support of the Provincial bargaining unit for the application. In the event that the Provincial bargaining unit does not support the application, the Labrador West bargaining unit will support an application made by Government and the Newfoundland and Labrador School Boards Association to combine the two bargaining units.
2. All articles under the NLTA Labrador West Collective Agreement that differ from the articles of the NLTA Provincial Collective Agreement shall remain in effect for all teachers covered by the Labrador West Collective Agreement as of the date of signing for as long as they are members of the NLTA or until they commence working in a permanent position that was not previously covered by the Labrador West Collective Agreement. These teachers shall be listed in an LOU, on file with the parties, which will also outline the applicability of specific provisions and benefits that are unique to the Labrador West Collective Agreement.
3. Changes negotiated to clauses 29.03 (a), 29.03 (b), 29.03 (c), 41.08 (b)(i) and Letter #9 in the Labrador West Collective Agreement during this round shall automatically apply to NLTA members who are currently covered by the Provincial Collective Agreement if and when the Labrador West and Provincial bargaining units are combined.
4. In consideration of and conditional on the Labrador West and Provincial bargaining units being combined and not until that criterion has been satisfied, all NLTA members who are currently covered by the Labrador West Collective Agreement shall receive a one-time non-pensionable payment of \$1,000, pro-rated based on the number of days of service credited for the 2021-2022 school year.

56.04 (a) An allowance paid to a principal, vice-principal, program specialist, educational psychologist or guidance counsellor shall be calculated on the enrolment for the current school year, except where it is to the advantage of such teacher to use the previous year's enrolment; in which case, if any decrease in enrolment is the result of natural causes and not administrative changes such allowance may be calculated on the enrolment for the previous year as reported in part one of the Annual General Return.

ARTICLE 57 - DEFERRED SALARY LEAVE PLAN

57.01 Eligibility

Any teacher having tenure with a School Board is eligible to participate in the plan.

57.02 Application

- (a) A teacher must make written application to the School Board Director on or before April 30 requesting permission to participate in the plan.
- (b) Written acceptance, or denial, of the teacher's request, with explanation, will be forwarded to the teacher by June 15 in the school year the original request is made.
- (c) Approval of individual requests to participate in the plan shall rest solely with the School Board.
- (d) In the event that a teacher while on Deferred Salary Leave enters into employment with another School Board, there shall be no duplication of benefits, as outlined in Clause 57.04 (b) accruing to the teacher as a result of that employment.

57.03 Payment Formula and Leave of Absence

The payment of salary, fringe benefits and the timing of one year leave of absence shall be as follows:

- (a) (i) During each school year in which the teacher has participated in the plan prior to the one year leave of absence, up to a maximum of four (4) such school years (depending upon whether the teacher selects the three, four or five year option) the teacher will receive two-thirds (2/3), three-quarters (3/4) or four-fifths (4/5) of their annual salary consisting of their proper grid salary and applicable allowances. The remaining one-third (1/3), one-quarter (1/4) or one-fifth (1/5) of the annual salary will be accumulated and retained by the Employer, which amount, with interest earned thereon, shall be paid to the teacher during the year of leave.
- (ii) The monies retained by the Employer in accordance with Clause 57.03(a)(i) together with all monies retained by the Employer for other teachers who are participating in the plan shall be deposited in an account with the Newfoundland and Labrador Credit Union, any Canadian chartered bank, or any trust company authorized to do business in the province of Newfoundland and Labrador. The interest so earned on monies retained by the Employer in accordance with Clause 57.03(a)(i) on behalf of the participating teacher shall augment such monies.

Each year a Deferred Salary Leave Plan Committee, an equal number of representatives of the Employer and the Association, shall direct the manner in which the monies are to be invested. In making such determination, the Employer, the Association, and the members of the Committees shall not be liable to any participating teacher for the investments so specified so long as they are authorized by this Clause.
- (iii) The Committees shall make an annual report to each participating teacher under this plan as to the amount of deferred salary together with interest accrued to date. The annual report shall be made no later than June 30 of any given year under the plan.
- (iv) The Board will bear the administrative expenses of the plan.

- (b) While a teacher is enrolled in the plan, and not on leave, any benefits tied to salary level shall be structured according to the salary the teacher would have received had they not been enrolled in the plan. While on leave, any benefits tied to salary level shall be structured according to the salary the teacher would have received in the year prior to taking the leave had they not been enrolled in the plan.
- (c) The leave of absence may be taken in accordance with the Memorandum of Agreement between the teacher and the School Board.

57.04 Terms of Reference

- (a) (i) Subject to Articles 47 and 17, on return from leave, a teacher shall be given the same position or comparable position in the same school, unless it is mutually agreed between the teacher and the School Board that the teacher return to a particular position.
- (ii) Notwithstanding Clause 57.04(a)(i), on return from leave, a teacher employed in a teaching and learning assistant position shall only return to a teaching and learning assistant position.
- (b) Leave under this plan shall be credited as teaching experience for purposes of (i) seniority, (ii) sick leave, (iii) increment, (iv) pension, (v) severance pay.
- (c) In the event that a suitable replacement cannot be hired for a teacher who has been granted a leave, the board may defer the year of leave. In this instance, a teacher may choose to remain in the plan or may withdraw and receive any monies and interest accumulated to date of withdrawal. In the latter case, repayment shall be made within sixty (60) days of the date of withdrawal.
- (d) Teachers who have their contracts terminated in accordance with Article 48 or who are laid off in accordance with Article 47 will be paid a lump sum adjustment for any monies deferred to the date of withdrawal, plus any interest earned; repayment shall be made within sixty (60) days of withdrawal from the plan.
- (e) (i) For those teachers who enrolled in the plan following the signing date of this Agreement, pension premiums shall be paid on the salary the teacher would have received had the teacher not entered the plan or gone on leave. These payments will be made during each year of enrolment including the year of leave and will be the normal contribution rate as required under the *Newfoundland Teachers' Pension Act*. The teacher shall receive pension credits for each year including the year of leave and where applicable the payment of pension benefits shall be based upon the salary the teacher would have received had the teacher not been enrolled in the plan.
- (ii) Notwithstanding (i) above, for those teachers who enrolled in the plan prior to the signing date of this Agreement, the teacher shall continue to pay pension premiums based upon the option previously selected. Those teachers shall receive pension credits for each year enrolled in the plan, including the year of leave. Where applicable, the payment of pension benefits shall be based upon the salary the teacher would have received had the teacher not been enrolled in the plan, including the year of leave.
- (f) A teacher may withdraw from the plan any time prior to April 15 of the calendar year in which the leave is to be taken.
- (g) Should a teacher die while participating in the plan, any monies accumulated, plus interest owed at the time of death, will be paid to the teacher's estate.
- (h) All teachers wishing to participate in the plan shall be required to sign a Memorandum of Agreement as prescribed in Schedule D before final approval for participation will be granted.
- (i) A teacher participating in the plan who is subsequently employed by another School Board, shall make the employing School Board aware of their participation in the plan, otherwise the leave shall not be binding on the employing School Board.

- (j) Notwithstanding the initial arrangements undertaken by the teacher and the employer in accordance with Clause 57.03(a) (i), the teacher shall have the right to postpone the taking of the year of leave, subject to the provisions of the *Income Tax Act* and regulations, by notifying the employer not later than April 15 of the calendar year in which the leave is to be taken.

ARTICLE 58 - RELOCATION EXPENSES

58.01 A teacher who is required by the Employer to relocate from one geographic location to another as a result of a consolidation of School Boards or reassignment due to redundancy shall, on the submission of a certified statement of expenses, be compensated as follows:

- (b) Reimbursement of reasonable and necessary legal fees encumbered upon the teacher because of the sale of their house and the purchase of a new dwelling at their place of relocation; and
- (c) Where a teacher is required to relocate from one geographic location to another, they shall be reimbursed for the following expenses:
 - (i) carting, packing and unpacking, cartage insurance and transportation of their and their dependents' personal effects;
 - (ii) hotel accommodations and meals approved in advance by the School Board for a teacher and their dependents for a consecutive period not exceeding fourteen (14) calendar days. With respect to claims for meals, a teacher may be reimbursed as follows:
 - (iii) Claims for items (i) and (ii) of Clause 58.01(c) are to be accompanied by receipts or other satisfactory proof of purchase.

58.02 This Article shall apply only where the distance from the teacher's residence to the new school exceeds the distance from the teacher's residence and the old school by more than 40 kilometres, or where the teacher is required to relocate to or from an isolated settlement.

ARTICLE 59 - HARASSMENT

59.01 The Boards and the Association recognize the right of all teachers to work in an environment free from harassment and shall work together to ensure that harassment is actively discouraged. All reported incidents of harassment shall be thoroughly investigated as quickly and as confidentially as possible. The Employer agrees to take reasonable steps to ensure that the harassment stops and that individuals who engage in such behaviour are dealt with appropriately and/or disciplined. The Employer and the Association agree that victims of harassment shall be supported, and protected, where possible, from the repercussions which may result from a complaint.

59.02 For the purpose of this Article, harassment shall be defined as follows:

Harassment of a sexual nature is unsolicited, one-sided and/or coercive behaviour which is comprised of sexual comments, gestures or physical contact that the individual knows, or ought reasonably to know, to be unwelcome, objectionable or offensive. The behaviour may be on a one-time basis or a series of incidents, however minor. A person of any gender identity may be a victim. Harassment of a personal nature is any behaviour that endangers an employee's job, undermines performance, or threatens the economic livelihood of the employee, and may be based on race, colour, nationality, ethnic origin, social origin, religious creed, religion, age, disability, disfigurement, sex, sexual orientation, gender identity, gender expression, marital status, family status, source of income and political opinion or Association status.

ARTICLE 60 - DISCRIMINATION AND INTIMIDATION

- 60.01 Neither the School Board nor any person acting on behalf of the School Board shall refuse to employ or to continue to employ any teacher or otherwise discriminate against any teacher in regard to employment or any term or condition of employment because the teacher is or was a member of the Newfoundland and Labrador Teachers' Association or is or was exercising any right under this Agreement or the *Teachers' Collective Bargaining Act*.
- 60.02 Neither the School Board nor any person acting on behalf of the School Board shall seek by intimidation, by threat of dismissal, or any other kind of threat, by the imposition of a pecuniary or other penalty or by any other means to compel a teacher to refrain from exercising any right under this Agreement or the *Teachers' Collective Bargaining Act*.
- 60.03 The School Board agrees that there will be no discrimination or coercion exercised or practised by it with respect to any employee by reason of race, colour, nationality, ethnic origin, social origin, religious creed, religion, age, disability, disfigurement, sex, sexual orientation, gender identity, gender expression, marital status, family status, source of income and political opinion or by reason of their membership in the Association.
- 60.04 The School Board shall maintain a policy to ensure that the employees have a work environment which is free from sexual harassment.

ARTICLE 61 - REDUNDANCY PROVISIONS

- 61.01 All teachers who are declared redundant and who are not reassigned in accordance with Article 47 shall be eligible for a redundancy benefit as outlined in the table below.
- 61.02 If, subsequent to receiving the redundancy benefit, the person is reassigned or attains a teaching position, the teacher shall repay the difference between the benefit received and the amount of benefit equivalent to lost salary as a result of being declared redundant and being without a teaching position.
- 61.03 A teacher who is in receipt of a redundancy benefit cannot, in addition, be entitled to severance pay in accordance with Article 33.
- 61.04 (a) Teachers who are employed in the position of program specialist, principal, vice-principal, department head, educational psychologist or guidance counsellor in a continuing contract and who are reassigned, because of redundancy, to a position that does not have an allowance payable in respect thereof, shall have the allowance reduced annually in equal amounts such that the allowance is eliminated by the end of five (5) years. Teachers who are reassigned to a position with a lower allowance shall have the difference between the higher and lower allowance reduced in the same manner.
- (b) In accordance with (a), teachers who are within four (4) years of normal retirement age shall have their allowance red-circled until they reach the age of normal retirement. In the event that the teacher elects to continue to teach beyond the normal retirement age, the allowance shall revert to that applicable to that position.
- (c) During the period of phase-out, a teacher who declines an offer of employment in a position comparable to that from which they were laid off, shall forfeit the balance of the allowance payable.
- (d) Notwithstanding (a) above, a department head will not be entitled to benefits under this provision if their allowance was or would have been eliminated by virtue of the application of Clause 56.02.
- 61.05 The redundancy provision shall not apply to the local differential component of Schedule A.
- 61.06 The redundancy provision shall be effective April 30, 1996.

RE: LABRADOR BENEFITS AGREEMENT - INTERPRETATION

In an effort to clarify the interpretation of certain items contained in the Labrador Benefits Agreement the parties agree to the following:

- 1) Article 4.2(b) refers to employees who terminate employment, (i.e. are not on layoff status and do not have recall rights). These employees have their Travel Allowance paid out based on the hours worked in the current year and it shall be paid out at the rate in effect on the date employment is terminated.
- 2) For the purposes of Article 4.4 it is agreed that an employee may refuse to claim the employee benefit if it is to their benefit to have their spouse claim them as a dependant. Employees who exercise this option will not be entitled to any portion of the Employee Travel Allowance. It is incumbent on the employee to communicate this choice to their respective Employer(s).
- 3) Notwithstanding Schedule A, the following employee shall be entitled, on a without prejudice basis, to the rates applicable to Mud Lake as long as they remain within the employ of their current Employer and continue to permanently reside in Mud Lake:

Vyann Kerby, Health Labrador Corporation

This agreement is effective from April 1, 2013 and shall expire upon the renewal of the Labrador Benefits Agreement expiring March 31, 2016.

- 4) For the purposes of clarification and in accordance with Article 3.1 (Labrador Allowance), Article 4.1 (Travel Allowance) and Article 9.1 (Definitions), benefits are applicable for the fiscal year (April 1 to March 31) in which a dependent reaches 18 years of age or 24 years of age, if the dependent is in full time attendance at a school or post- secondary institution. Full time attendance shall be determined by the educational institution in which a dependent is registered.

For example:

SCHEDULE J
GOVERNMENT OF NEWFOUNDLAND & LABRADOR
NEWFOUNDLAND AND LABRADOR TEACHERS' ASSOCIATION
ANNUAL PREMIUM RATE SETTING PROCESS

Each year, both Government and NLTA will use this Premium Rate Setting Process to determine the required premium rates under their Group Insurance programs. For the Government program, this process will be used to calculate the contribution rate to the NLTA program, subject to Clause 8 below. For the NLTA program, this process will be used to compare against the Government premium rate for determining Government's contribution, subject to Clause 8 below. In both cases the rates are exclusive of all surplus, deficit or other cash adjustments.

The Basis of this Premium Rate Setting Process follows:

- 1. The Accidental Death and Dismemberment rate is determined by the insurers and the rate is negotiated with the Insurer and accepted by each plan sponsor.
- 2. The Basic and Dependent Life rates will be the rates determined by the rate setting mechanism for each of the NLTA and Government plans as outlined below:

5 Year Experience Rating		
1	Projected Annual Premium	\$
2	Adjusted Premium (5 years)	\$
3	Paid Claims (5 Years)	\$
4	Demographic Factor	%
5	Total Projected Claims	(3 X 4)
6	Claim Ratio	5 / 2
7	Projected Annual Claims	1 X 6
8	Retention Charges	\$
9	Required Premium	7 + 8
10	Projected Premium	1
11	Required Rate Action	9 / 1

Note: For purposes of this calculation, under the Government plan, paid claims are reduced by any post age 65 life claims.

3. The health premium rates will be determined by the rate setting mechanism for each of the NLTA and Government plans as outlined below.

Health Premium Rate Setting Formula		
1	Projected Annual Premium	\$
2	Paid Claims from Previous Period	\$
3	Claims Adjustments	\$
4	IBNR Adjustment	\$
5	Total Paid Claims	(2+3+4)
6	Trend/Inflationary Factor	%
7	Amendment Factor	\$
8	Total Projected Paid Claims	(5+7)X6
9	Retention Charges	\$
10	Total Projected Claims & Retention	(8+9)
11	Projected Loss Ratio	10 / 1
12	Rate Action Required	11 - 100

Process

4. Upon receipt of the renewal information from the insurer, confirmation of the financial information, review of all claims and trend information, Government and the NLTA will submit the foregoing information to an agreed upon group insurance consultant for the purpose of producing a premium rate adjustment schedule as noted in numbers 2 and 3 above.
5. The group insurance consultant will:
- Request and liaise with the plan sponsors and the insurers to ensure the necessary information is received in a timely fashion.
 - Review and confirm the reasonableness of any assumptions made.
 - Review and confirm that the information contained in the information pertaining to each plan is correct and reasonable.
 - Prepare a brief summary to each of the parties outlining the premium rates calculated using this premium rate setting process, including a summary of all calculations, indications that all documents have been reviewed and confirmation that the premium rates have been calculated using the agreed upon process.
 - Meet with both plan sponsors, if necessary, to address any issue that may arise.
6. Each party shall be responsible for expenses associated with the provision of its plan renewal information from the insurer, confirmation of the financial information, review of all claims and trend information, to the group insurance consultant. The parties shall pay equally the expenses and remuneration of the group insurance consultant.
7. Once the rate has been determined using the prescribed calculation and using the required supporting documentation, the rates calculated using this method will be used to determine the Government contribution to the NLTA plan.

8.
 - a. For employees, and retirees who were hired by March 31, 2020, the Government contribution to the NLTA required premium rate will be 50% of the lowest premium rate obtained for each Group Insurance plan option (identified in Items 1, 2, and 3 above) as determined by the calculation contained in Item 4. For example, where the Government required premium rate for Basic Health is greater than the NLTA required premium rate for Basic Health, Government will contribute 50% of the NLTA required premium rate. Conversely, where the Government required premium rate is less than the NLTA required premium rate, Government will contribute 50% of the Government required premium rate. Under no circumstances will the Government contribution to the NLTA for employees, and retirees who were hired by March 31, 2020 exceed 50% of the NLTA rate calculated under this schedule.
 - b. For employees hired after March 31, 2020 ("Newly Hired Employees" as defined in Letter #8), the employer's share of the cost of post-employment NLTA group insurance premiums will be 40% of the lowest premium rate obtained for each Group Insurance plan option (identified in Items 1, 2, and 3 above) as determined by the calculation contained in Item 4. For example, where the Government required premium rate for Basic Health is greater than the NLTA required premium rate for Basic Health, Government will contribute 40% of the NLTA required premium rate. Conversely, where the Government required premium rate is less than the NLTA required premium rate, Government will contribute 40% of the Government required premium rate. Under no circumstances will the Government contribution to the post-employment NLTA group insurance premiums for Newly Hired Employees exceed 40% of the NLTA rate calculated under this schedule.
9. Inflation/Trend factors will be negotiated and agreed to with each Insurer independently by Government and NLTA. As both plans are insured, the Insurer(s) will have a vested interest in ensuring that the appropriate/ reasonable factor is used.
10. After these premium rates have been calculated, both Government and NLTA have the option of using any surplus funds they have available to offset the respective rates in their own plans.
11. The components of the premium rate setting mechanism are as follows:
 - Projected Annual Premium – Projection of premium derived solely from the monthly premium rates and number of employees covered under the program. The rates and volumes are those in force in the most recent month available for the premium rate setting.
 - Paid Claims – Total Cash Claims paid through the period.
 - IBNR Adjustment – Any adjustment to the Incurred But Not Reported Reserve.
 - Inflation/Trend Factor – The negotiated inflation/trend factor agreed to by the insurer and the plan sponsor.
 - Amendment Factor – Estimated claims adjustment due to a benefit level change.
 - Claim Adjustments – Credits or charges for items such as non-recurring claims.
 - Retention Charges – Projected Charges outlined in the underwriting agreement between the insurer and Government including General administration, claims administration and processing, Risk Charges, Premium Tax, out of scope expenses (i.e.: mail outs, Amendments), Consulting fees and Pooling Charges.
 - Projected annual premium is reduced by any third party administration fees, however these fees are added to the total rate to determine the final contribution rate.
 - Paid claims exclude all new ex gratia claims.
 - The demographic factor refers to the insurers adjustment for the change in the composition of the insured group, in terms of age, sex, etc.

LETTER # 2 - PENSIONABLE SERVICE DURING A LEGAL WORK STOPPAGE

Month Day, Year

Mr. Trent Langdon
President
Newfoundland and Labrador Teachers' Association
3 Kenmount Road
St. John's, NL
A1B 1W1

Reference: Pensions

Dear Mr. Langdon:

In any case where pensionable service is lost due to a legal work stoppage, regulations will be passed to allow a teacher so affected to purchase an amount of pensionable service equal to the amount so lost. Such service shall be purchased at twice the normal contribution rates at the salary in effect at the time of the work stoppage and within three months of the termination of the work stoppage.

Where the loss of salary during a work stoppage would normally affect a teacher's pensionable salary, the teacher's pensionable salary shall be calculated as if there were no loss of salary.

This policy will be effective from September 1, 1985.

Further, effective January 30, 2020, it is agreed that all teachers who have lost pensionable service due to a past legal work stoppage will be allowed an opportunity to purchase an amount of pensionable service equal to the amount so lost. Such service shall be purchased in accordance with the provisions of this letter and not later than April 30, 2020.

Yours truly,

Mr. Steve Brooks
Executive Director
Newfoundland and Labrador Teachers' Association
3 Kenmount Road
St. John's, NL

Dear Mr. Brooks:

I wish to confirm to you the procedure which the Department will follow in the granting of permission for School Boards to use uncertified teachers by way of emergency supply when fully qualified teachers are not available.

These are as follows:

- (1) When general approval is sought and given for Boards to use emergency supply teachers as substitutes, our letter of approval to the Boards will contain clear instructions as to the manner in which the authority may be actioned. Specifically, we will make sure that Boards clearly understand that they must in each hiring situation ensure that a certified teacher capable of fulfilling the job function is not available for employment before they enter into a contractual arrangement with an emergency supply teacher.
- (2) The Department will forward copies of requests for emergency supply teachers to the Newfoundland and Labrador Teachers' Association.

Yours truly,

Robert Gardiner

LETTER #4 - INTERPRETATION OF ARTICLES 44 AND 47

MEMORANDUM

TO: ALL BOARD CHAIRPERSONS

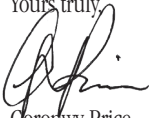

RE: INTERPRETATION OF ARTICLES 44 AND 47 OF THE LABRADOR WEST COLLECTIVE AGREEMENT

FROM: GORONWY PRICE, PRESIDENT, NLSBA

DATE: JANUARY 30, 2020

It has come to my attention that there may be some confusion regarding the interpretation placed on the above referred Articles. In situations where redundancies occur, it is my interpretation that Article 47 – Layoffs, should be used to effect any reassignments. Article 44 – Transfer of Teachers, should be utilized in other situations where transfers are required.

Yours truly,
