

# Smoke-Free Workplace Policy

Effective September 27, 2023, as part of the Government of Newfoundland and Labrador's commitment to improving the well-being of residents, smoking/vaping is not permitted on government property including buildings, grounds, vehicles and parking lots.

## Help to Quit Smoking/Vaping

Employees who want to quit smoking/vaping are encouraged to contact the **Newfoundland and Labrador Smokers' Helpline**.

Financial assistance will be available to employees who take part in a recognized smoking cessation program.
