Additionally, the arbitrator may act as a mediator prior to commencing a hearing with the agreement of the parties. Both parties will equally share the cost of the mediator. Both parties retain access to the complete arbitration process as described in Article 12 of the Agreement where either party does not agree to mediation.

Article 13 - Probation, Discharge, Suspension and Discipline

13.01 Probationary Period

The probationary period will be six hundred and fifty (650) hours in all institutions. The probationary period for part-time and temporary employees shall be equivalent to that of a full-time employee. If an employee has not completed six hundred and fifty (650) hours of work during this period, their probationary period may be extended until they actually complete six hundred and fifty (650) hours of work. A temporary employee shall be allowed to accumulate periods of employment in order to complete a probationary period. For the purpose of this clause, time off with pay, excluding workers' compensation and sick leave, approved by the Employer, shall be considered as time worked.

13.02 Discipline

(a) Suspension or Discharge

An employee who has completed their probationary period may be dismissed, but only for just cause. When an employee is discharged or suspended, such employee shall be advised within seven (7) calendar days in writing by the Employer of the reason for such discharge or suspension.

(b) Unjust Suspension or Discharge

Should it be found upon investigation that an employee has been unjustly suspended or discharged, the employee shall be immediately reinstated in their former position, without loss of seniority and shall be compensated for all time lost in an amount equal to their normal earnings during the pay period next preceding such discharge or suspension, or by any other arrangement as to compensation which is just and equitable in the opinion of the parties or in the opinion of the Board of Arbitration if the matter is referred to such a Board.

(c) Termination of Probationary Employees

The termination of a probationary employee is not subject to the grievance procedure unless discrimination is alleged.

(d) Warnings

Whenever the Employer deems it necessary to censure an employee, in a manner indicating that dismissal may follow any further infraction, or may follow if such employee fails to bring their work up to a required standard by a given date, the Employer shall, within seven (7) calendar days thereafter, give written particulars of such censure to the employee involved.

(e) Adverse Report

The Employer shall notify an employee in writing of any dissatisfaction concerning their work within seven (7) calendar days of the event of the complaint. This notification shall include particulars of the work performance which led to such dissatisfaction. If this procedure is not followed, such expression of dissatisfaction

shall not become a part of their record for use against them at any time. The report of an employee shall not be used against them after eighteen (18) months have elapsed, providing another warning or reprimand relating to the same or similar offence has not been given within that period. The employee's written reply to such notification of dissatisfaction shall become part of their record. This article shall apply in respect of any expression of dissatisfaction relating to their work or otherwise which may be detrimental to an employee's advancement or standing with the Employer.

All correspondence pertaining to the adverse report, including the report itself, shall be disregarded and subsequently removed from the personal file after eighteen (18) months. The employee shall be responsible to see that any such documents are removed.

(f) The time limits outlined in (a) to (e) above, may be extended with mutual consent between the Employer and the Union.

(g) Performance evaluations shall not be considered an Adverse Report.

13.03 Personal File

(a) There shall be one (1) official recognized personal file which shall be maintained by the Human Resources/Administration Department. An employee shall, after making an appointment, be allowed to inspect their personal file during working hours and they may be accompanied by a representative of the Union if they so desire.

(b) The employee shall sign the file copy to acknowledge receipt of any disciplinary document; the employee's signature does not necessarily mean agreement with the contents of the documents.

13.04 Right to Union Representation

Where an employee is required to attend a meeting with the Employer which concerns a reprimand, written warnings, suspension, or discharge, the Employer shall advise the employee that they have the right to be accompanied by a shop steward or an executive member.

13.05 Justice and Dignity Provisions

If, upon investigation, the Employer feels that disciplinary action is necessary, such action shall be taken based on the Collective Agreement. In situations where the Employer is unable to investigate the matter to its satisfaction, but feels the employee should be removed from their place of employment, it shall be with pay.

Article 14 – Seniority

NOTE: The respective transition agreements should be referenced when interpreting this clause.

14.01 Seniority Defined

- (d) The parties agree that seniority shall be based on a number seniority system.

14.02 Seniority Lists

The Employer shall maintain a seniority list showing the date upon which each employee's service commenced and the actual seniority earned by the employee expressed in total hours, years, months, and days. When applying the seniority provisions of the Agreement, date of birth – year, month, day (earliest) will be used to determine preference where seniority entitlements are equal. An up-to-date seniority list based on the number seniority system shall be sent to the Union and posted on all bulletin boards in January of each year. An up-to-date seniority list for temporary employees shall be sent to the Union and posted on all bulletin boards in January and July of each year.

1. they are discharged for just cause and not reinstated;
- *2. they resign in writing and do not withdraw their resignation within seven (7) calendar days of its submission, provided the employee gave notice in accordance with article 21.04 (b).

4. they are a permanent or part-time employee who fails to return to work within fourteen (14) calendar days following a layoff and having been notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of all employees to keep the Employer informed in writing or e-mail of their current address and telephone number. A permanent or part-time employee recalled for employment of short duration at a time when they are employed elsewhere, shall not lose their recall rights for their refusal to return to work;
5. they are laid off for a period longer than two (2) years; or
6. they are a temporary employee and refused recall on three (3) occasions in an eighteen (18) month period to a position of the same pay range level or a higher pay range level if the employee is qualified unless through sickness or just cause. The current practice at each institution will be maintained.

14.05 (a) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without their consent. If an employee is transferred to a position outside the bargaining unit, they shall maintain their seniority number while outside the unit.

(b) Transfers Back into the Bargaining Unit

No bargaining unit employee shall be laid off as a direct result of a non-bargaining unit employee being placed back into the bargaining unit by the Employer.

14.06 Entry Into Permanent Employment by Temporary Employees

14.08 Seniority for Paid Leave

Employees on any form of paid leave shall be eligible to accumulate service credits for seniority purposes.

14.09 Seniority for Unpaid Leave

Employees on periods of unpaid leave will retain seniority, provided the employee would not have been laid off during the period of unpaid leave. No retroactive application.

Article 15 - Promotions and Staff Changes

NOTE: The respective transition agreements should be referenced when interpreting this clause.

*15.01 Job Postings

When a vacancy occurs or a new position is created, including temporary vacancies covering periods in excess of thirteen (13) continuous weeks either inside or outside the bargaining unit, the Employer shall post notices of the positions electronically for a period of not less than (7) calendar days. Copies of all postings are to be supplied concurrently to the Local Union Secretary.

15.02 Information on Postings

- (a) Notices of new postings or of vacancies within the facility shall contain the following: Title of position; qualifications; required knowledge and education; skills; wage or salary rate or range; and whether shift work could be involved. Such qualifications may not be established in an arbitrary or discriminatory manner. All job postings shall state, "This position is open to all applicants".
- (b) Notwithstanding clause 4.01 (a) and 15.02 (a), the Employer shall be permitted to hire employees on the basis of a bona fide occupational qualification if first mutually agreed by the Union. 15.03 Procedure for Filling Vacancies

- (a) No position will be filled from outside the bargaining unit until the applications of the present employees have been fully processed. All union members with more seniority than the successful applicant who apply for such positions and are unsuccessful shall be provided in writing, upon written request by the union member, with the reasons for the applicant's failure to acquire the position(s). No position of a permanent nature will be filled by keeping temporary employees on in excess of thirteen (13) weeks without posting the position.

- (b) Where, in the Employer's opinion, a temporary position is expected to exceed a period of thirteen (13) continuous weeks, or where a position exceeds thirteen (13) continuous weeks, such position shall be posted in accordance with clause 15.01.

***15.04 Role of Seniority in Promotion and Transfers**

- (a) Both parties recognize;
 - (1) the principle of promotion within the service of the Employer;
 - (2) that job opportunity should increase in proportion to the length of service. Therefore, when a vacancy occurs in an established position within the bargaining unit, or when a new position is created within the bargaining unit, employees who apply for the position on promotion or transfer shall be given preference on a total seniority basis whether temporary or permanent seniority for filling such vacancy, provided that the applicant's qualifications meet the required standards for the new position. The successful applicant from within the bargaining unit shall be notified within four (4) weeks of posting.

Any experience gained by a temporary employee while working in a temporary position immediately before that position is posted as a permanent position shall not be the deciding factor in that job competition.

***(b) Permanent Employees to Temporary Positions**

Subject to the approval of the Employer, a permanent employee who applies for and is accepted for a temporary position in accordance with clause 15.04 (a) may revert to their former position upon completion of the temporary work. The Employer shall notify the employee of its decision before the permanent employee commences the temporary work. Such employee shall maintain their permanent status. Such approval shall not be unreasonably denied.

Employees accepting temporary positions will not be able to accept other temporary positions until two (2) months prior to the end date specified in their initial letter of appointment to the temporary position unless the employee is accepting a position:

- a) with a higher rate of pay; or
- b) with an increased number of bi-weekly hours; or
- c) without a scheduled night shift; or
- d) greater than 50 km distance from current work site; or
- e) with a longer end date than their current position.

15.05 Trial Period

- (i) The successful applicant shall be placed on trial for a period of four hundred and eighty seven point five (487.5) working hours, exclusive of the orientation period. Conditional on satisfactory service, the Employer shall confirm the employee's appointment after the period of four hundred and eighty seven point five (487.5)

working hours, exclusive of the orientation period. In the event that the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, they shall be returned to their former position, wage or salary rate and without loss of seniority. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position, wage or salary rate without loss of seniority.

(ii) Twelve Hour Shift

The successful applicant shall be placed on trial for a period of four hundred and eighty seven point five (487.5) working hours, exclusive of the orientation period. Conditional on satisfactory service, the Employer shall confirm the employee's appointment after the period of three hundred and twenty-five (325) working hours. In the event that the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, they shall be returned to their former position, wage or salary rate and without loss of seniority. Any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to their former position, wage or salary rate without loss of seniority.

15.06 Promotions Requiring Higher Qualifications

Consideration for promotion will be given to the senior applicant who does not possess the required qualifications but is preparing for such qualifications prior to filling of a vacancy, and indicates so on their application. Such employee will be given an opportunity to qualify within a reasonable length of time not exceeding four hundred and eighty seven point five (487.5) working hours and to revert to their former position if required qualifications are not met within such time.

15.07 Notification of Successful Applicant

Within thirty (30) calendar days of the notification of the successful applicant to a vacant position, the name of the successful applicant shall be posted on all bulletin boards provided for job competitions. The Employer and Union Local may agree to the use of an electronic medium for notification of successful applicants, in which case the notification shall be within fourteen (14) calendar days.

15.08 Incapacitated Worker Provision

- (a) An employee who has been incapacitated by illness, injury, compensable occupational disablement, temporary disablement or through advancing years is unable to perform the regular duties of their position, they will displace another employee commencing with the most junior employee of all the positions in their classification or another classification in the bargaining unit provided that they have sufficient qualifications to perform the work required and provided that the employee being displaced is less senior.

- (b) An employee who is displaced shall displace the most junior employee in the same classification or another classification provided that they have sufficient qualifications to do the work required, provided that their hours of work are not changed unless mutually agreed, and provided that the employee being displaced is less senior.
- (c) Any employee who may have their hours of work changed because of this clause shall have the option of taking the change in hours or going on lay off.
- (d) A permanent employee may displace a permanent or temporary employee.
- (e) A temporary employee may displace another temporary employee.
- (f) A permanent employee displacing into a lower paying position shall be “red-circled”. Red-circling shall only apply to a temporary employee who is in a posted position for a minimum of twenty-four (24) consecutive months. Red-circling shall remain in effect for the duration of the posted position.
- (g) For all displacements under this clause, there shall be a trial period as outlined in clause 15.05.

15.09 On the Job Training

The Employer recognizes the desirability of on-the-job training opportunities for employees and agrees to inaugurate and maintain a program that will provide such training opportunities. Employees participating in such training will maintain their present salary during such periods of training.

15.10 Training Courses

The Employer shall bulletin all in-service training courses for a period of not less than fourteen (14) calendar days. The bulletin shall contain the name and date of the course and where further information can be obtained. In the process of selection of employees of the bargaining unit, the senior permanent employee for whom the course is required shall be given preference provided they meet the required qualifications for admission to the course. Seniority shall prevail for any other opening for the course provided the applicants meet the required qualifications for admission to the course.

15.11 Pay During Upgrading

When an employee wishes to upgrade themselves through an Employer approved training course, then with the prior approval of the Employer, education leave may be awarded for such attendance. The duration of and rate of pay or bursary for such leave shall be in accordance with the terms and conditions established by the Employer.

15.12 Assistance for Training

The Employer agrees to give as much assistance as practical to employees who desire further training.

15.13 Changes in pay on Promotion

Changes in pay rates as a result of promotion shall be effective from the date of promotion as specified in the letter of appointment.

Article 16 - Layoff and Recall

NOTE: The respective transition agreements should be referenced when interpreting this clause.

16.01 Role of Seniority in Layoff

Both parties recognize that job security shall increase in proportion to the length of service. Therefore, in the event of a layoff, the following provisions shall apply:

- (a) Temporary employees shall be laid off before any permanent employees are laid off provided that the permanent employees being retained have sufficient qualifications to perform the work required.
- (b) Temporary employees shall be laid off in the reverse order of seniority in their respective departments provided that those temporary employees being retained have sufficient qualifications to do the work required.
- (c) Permanent employees shall be laid off in the reverse order of seniority provided that those permanent employees being retained have sufficient qualifications to do the work required.
- (d) A permanent employee whose position is affected by the Employer's decision to layoff shall either accept layoff or displace the most junior permanent employee in their classification or another classification provided that their hours of work are not changed unless mutually agreed. A displaced employee shall displace the most junior permanent employee in another classification provided that they have sufficient qualifications to do the work required and provided that their hours of work are not changed unless mutually agreed. An employee displacing into a lower paying position shall maintain their rate of pay and be "red circled".
- (e) Any employee who may have their hours changed because of the layoff procedure shall have the option of taking the change in hours or going on layoff.
- (f) For all displacements under this clause, there shall be a trial period of four hundred and eighty seven point five (487.5) working hours, exclusive of the orientation period in accordance with clause 15.05.
- (g) A permanent employee who bumps into a temporary position shall retain their permanent status. A permanent employee who has the option to bump into a permanent position upon layoff and chooses to bump into a temporary position forfeits their ability to bump into a permanent position in future. A permanent

employee may displace a permanent or temporary employee. A temporary employee may only displace another temporary employee.

- (h) Notwithstanding Clause 16.01 (c), and with effect from July 25, 1994, permanent employees whose positions are declared redundant and are unable to bump into another position, or permanent employees who are displaced as a result of bumping and who are unable to bump or unable to be placed in other employment shall be given notice of termination or pay in lieu of notice of termination. If such an employee wishes to retain seniority and recall rights instead of termination, they shall be given notice in accordance with 16.04(b).

The period of notice shall depend upon the employee's age and completed years of continuous service since the last date of employment as per the attached chart in Schedule H. Where an earlier effective date is required, employees shall receive redundancy pay in lieu of notice. The employee affected by notice of termination shall not be subject to the notice period under Article 16.04(a).

Where an employee is eligible to receive severance pay, the notice period and/or the amount of pay in lieu of notice shall be reduced accordingly. Employees who are reemployed with any Employer covered by the coalition negotiations shall be required to pay back part of any severance pay/pay in lieu notice they received. The amount they have to pay back shall be based on the length of time they have been out of the employment from the Employer covered by the coalition negotiations. The amount repaid will be based on the net amount received by the employee or the amount paid to a financial institution on behalf of an employee.

16.02 Recall Procedure

For the recall of employees, the following procedure shall apply:

- (a) Permanent employees shall be recalled before temporary employees provided that the permanent employees being recalled have sufficient qualifications to do the work required.
- (b) Permanent employees shall be recalled in order of seniority provided that those permanent employees being recalled have sufficient qualifications to perform the work required.
- (c) Temporary employees, including those on a probationary period, shall be recalled in order of seniority in their respective Departments providing those temporary employees being recalled have sufficient qualifications to do the work required.
- (d) A permanent employee shall be recalled for temporary employment if the permanent employee indicates that they are willing to work periods of temporary employment. In such cases, the permanent employee will be required to report for work as needed by the Employer; their refusal unless for illness or other just cause will mean a loss of recall rights for temporary employment but they will maintain their seniority. For

such periods of temporary employment, they shall earn seniority on a permanent basis. The refusal to return to work is subject to the same understanding as in clause 14.04 (6).

- (e) It is the responsibility of the employee to keep the Employer informed of their current address and telephone number.
- (f) Temporary employees being recalled to a position with a lower pay range level than previously employed in and who refuse to return to work shall not lose their seniority but they will forfeit their right to future recall in a position at that lower pay range level.
- (g) Where the Employer has offered a temporary employee a period of employment less than the normal hours of work for the areas and, either prior to or during the period of employment, the Employer offers additional hours up to the hours normally worked in the area, this shall not be considered as a change of shift as per 17.03(d). The temporary employee shall have the option to decline the additional hours above those initially offered, subject to the availability of qualified replacement staff and provided the Employer does not incur any additional cost.

16.03 No New Employees

No new employees shall be hired until those laid off have been given an opportunity of recall provided that those recalled have sufficient qualifications to perform the work required.

16.04 Notice of Layoff

- (a) Subject to clause 16.04 (b), (c) and (d), unless legislation is more favourable to the employee, the Employer shall notify permanent employees who are to be laid off thirty (30) calendar days prior to the date of layoff and temporary employees' fourteen (14) calendar days prior to the date of layoff. If the employee has not had an opportunity to work the days as provided in this clause, they shall be paid for the days for which work was not made available. Permanent employees with five (5) years of service and beyond shall receive an additional one (1) week's notice for each year of service.
- (b) Permanent employees whose positions are declared redundant, or permanent employees who are displaced as a result of bumping and who are unable to bump or unable to be placed in other employment and wish to retain recall and seniority rights shall be given notice of layoff as follows: the period of notice shall be the greater of the notice under 16.04(a) or the notice as per Schedule H.
- (c) A temporary employee being displaced by a more senior temporary employee within the department shall be deemed to have been given notice of layoff by the exercising of the bumping rights by the more senior temporary employee.

- (d) The Employer and the Union may agree upon a time frame for the completion of layoffs. If the Employer and the Union cannot agree, then the following shall apply:
 - (i) A permanent employee who has been given notice of layoff in accordance with clause 16.04(a), shall notify the Employer of their intention within forty-eight (48) hours of receiving such notice.
 - (ii) After the Employer receives the employee's decision under clause 16.04(c) (i), the Employer shall notify the other affected permanent employee who then shall be deemed to have been given notice of layoff at the same date that the notice was given to the senior permanent employee.
 - (iii) Notwithstanding the above, no permanent employee shall be laid off by virtue of being displaced by a more senior permanent employee without at least forty-eight (48) hours notice.

16.05 Property Destroyed or Damaged

In the event that the Employer's property is damaged or destroyed so that the employees cannot perform their regular work, the Union and the Employer shall agree upon a method to layoff the employees of that particular area. If no agreement can be reached, the general layoff provision of Article 16 shall apply.

16.06 Return to Former Classification

- (a) A permanent employee who bumps out of their classification as a result of a layoff shall be given the opportunity, prior to the posting of the position, to return to that classification should a position become available in the classification within twenty four (24) months of the date of the initial bump. Should the employee refuse this offer, the Employer shall have no further obligation to offer a position to the employee in the same classification.
- (b) No employee shall be permitted to access such a position should the bi-weekly hours of work exceed those of the employee's original position.

16.07 Permanent Employees Reduction in Hours of Work

Permanent employees who have a reduction in their hours of work shall have access to the layoff provisions of clause 16.01.

If the part-time employee in the position is unsuccessful in obtaining the full-time position, they may be laid off in accordance with Article 16.

17.02 Normal or Average Days Per Week

- (a) The normal days of work shall be either five (5) days per week, or four (4) days in one week and six (6) days in the alternate week, or three (3) days in one week and seven (7) days in the alternate weeks.

When an employee's day(s) off are changed or rescheduled within forty-eight (48) hours of the originally scheduled day(s) off, they shall be paid double time for hours worked on the originally scheduled day(s) off. This clause shall not apply if the day (s) off are changed at the request of the employee.

(d) Change of Shift

Should the required notice not be given in accordance with this Article, the employee shall be paid at the rate of time and one half (1 1/2) their regular hourly rate for the shift worked. In cases where the employee's regularly scheduled shift is changed, it is the responsibility of the Employer to directly notify the employee affected by the change before they report to work. This clause shall not apply if the change of shift was made at the request of the employee.

(e) Daylight Saving Time

The changing of Daylight Saving Time to Standard Time, or vice versa, shall not result in employees being paid less than normal scheduled daily hours and no overtime shall accrue.

SUMMARY OF GROUP INSURANCE BENEFITS FOR MEMBERS OF THE GOVERNMENT OF NEWFOUNDLAND AND LABRADOR PLAN

The online “Employee/Retiree Benefits” booklet contains a more detailed description of the benefits and the member’s responsibilities under the Plan. The following summary has been prepared to outline the basic content of the Plan only, as contractual provisions specified within the group insurance policies prevail. You may also refer to the Government website at http://www.exec.gov.nl.ca/exec/tbs/working_with_us/employee_benefits.html for further information.

BENEFITS

BASIC GROUP LIFE INSURANCE

You are insured for a life insurance benefit equal to two times your current annual salary rounded to the next higher \$1,000, if not already a multiple thereof, subject to a minimum of \$10,000 and a maximum of \$1,000,000.

If your insurance ceases on or prior to age 65, you may be entitled to convert the cancelled amount of basic group life insurance to an individual policy of the type then being offered by the insurer to conversion applicants **within 31 days** of the termination and no medical evidence of insurability would be required. The premium rate would be based on your age and class of risk at that time.

DEPENDENT LIFE INSURANCE

In the event of the death of your spouse or dependent child from any cause whatsoever, while you and your dependents are insured under the plan, the insurance company will pay you \$10,000 in respect of your spouse and \$5,000 in respect of each insured dependent child. This applies to those employees with family health coverage only.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

The plan provides accidental death and dismemberment insurance coverage in an amount equal to your basic group life insurance (two times your current annual salary). Coverage is provided 24 hours per day, anywhere in the world, for any accident resulting in death, dismemberment, paralysis, loss of use, or loss of speech or hearing.

If you sustain an injury caused by an accident occurring while the policy is in force which results in one of the following losses, within 365 days of the accident, the benefit shown will be paid to you. In the case of accidental death, the benefit will be paid to the beneficiary you have named to receive your group life insurance benefits. Benefits are payable in accordance with the following schedule:

"Loss of use" means total loss of ability to perform every action and service the arm, hand or leg was able to perform before the accident.

No more than the principal sum will be paid for all losses resulting from one accident.

If an insured member becomes totally disabled before age 65, the group life, dependent life, accidental death and dismemberment, voluntary accidental death and dismemberment, voluntary term life insurance, and critical illness may be continued to age 65 without payment of premiums. To have premiums waived, claims forms must be submitted with 10 months from date of disability and the employee must be totally disabled for at least 119 calendar days.

HEALTH INSURANCE BENEFITS FOR MEMBERS AND DEPENDENTS

Hospital Benefit

If you or any of your insured dependents are confined in a hospital coverage is provided at 100% to a covered maximum of \$85 per day.

Prescription Drug Benefit

The program will pay the ingredient cost of eligible drugs (including oral contraceptives and insulin), you are responsible to pay the co-pay, which will be the equivalent of the pharmacist's dispensing fee plus any applicable surcharge over the ingredient cost. The drug plan provides coverage for most drugs which require a prescription by law, however, but does not provide coverage for over-the-counter drugs, cough or cold preparations or nicotine products. The Government of Newfoundland and Labrador, through a consultation process with the insurer and drug experts, determines the drugs that are covered under the plan, and typically follows the recommendations of The Canadian Expert Drug Advisory Committee. There is no guarantee or obligation expressed or implied that all drugs recommended by physicians will be covered by the plan. Some drugs may require special authorization, details of the special authorization process are outlined in the online "Employee/Retiree Benefits" booklet.

Vision Care Benefit

You and your insured dependents are covered for the following vision care expenses:

- a) Charges for eye examinations performed by an Ophthalmologist or Optometrist where the Medicare plan does not cover such services, limited to one such expense in a calendar year for dependent children under age 18, and once in two calendar years for all other insured persons. Coverage is provided at 80% to a covered maximum of \$70.

- b) 100% of the maximum covered expense of \$150 for single vision lenses and frames, \$200 for bifocal lenses and frames and \$250 for trifocal and progressive adaptive lenses and frames every three calendar years. **For dependent children under age 18 expenses are eligible once in a calendar year provided there is a change in the strength of their prescription.** Please note that expenses for contact lenses will be reimbursed at the same level as for eyeglasses. Coverage is not provided for sunglasses, safety glasses, or repairs and maintenance.
- c) 100% of the maximum covered expense of \$250 every two calendar years for the purchase of contact lenses when prescribed for severe corneal scarring, keratoconus or aphakia and if the cornea is impaired so that visual acuity cannot be improved to at least to 20/40 level in the better eye with eyeglasses.
- d) one pair of eyeglasses when prescribed by an Ophthalmologist following non-refractive eye surgery, to 100% of a lifetime covered eligible expense of \$200; and
- e) 50% of the cost of visual training or remedial therapy.

When submitting your claims for reimbursement, please ensure your receipt clearly indicates whether your glasses are single vision, bifocal, trifocal or progressive adaptive lenses so that accurate reimbursement can be made. Also, your receipt indicating that the expense has been paid in full must accompany the Claim Submission Form. Records indicate that costs vary amongst dispensaries throughout the province; therefore, it is suggested that you check with several optical dispensaries before finalizing your purchase.

Extended Health Benefit

Reimbursement is provided for many types of services, such as registered nurse, physiotherapist, wheelchairs, braces, crutches, ambulance service, chiropractors, to name a few. Pre-authorization is required for the rental and/or purchase of all durable equipment and all Nursing Care/Home Care benefits. Certain dollar amounts or time period maximums apply. It is important to note that reimbursement under the extended health care benefit is made at 80% of covered eligible expenses up to \$5,000; expenses over \$5,000 and less than \$10,000 are reimbursed at 90%, and expenses over \$10,000 are reimbursed at 100% in any calendar year. Where no maximum eligible expense is noted, reasonable and customary rates will apply. Please consult your online employee benefit booklet for details.

- To register overage student dependents between age 21 and 25 at the beginning of each school year. Failure to do so may impact coverage.

- Providing proof of the purchase of pension service that may reduce LTD premiums. Premiums will only be adjusted when the plan administrator has been notified and received verification despite the date the purchase may have occurred.

(b) Former NAPE Permanent employees hired after 1986 but before October 18, 2008.

These employees will be inserted into the list based on their date of hire.

- (i) In cases where one or more NAPE members were hired on the same day, the ties will be broken by using the NAPE seniority hours as of October 18, 2008 with the greater seniority hours being given preference. In cases where the seniority hours were the same, the ties will be broken using the Social Insurance Number with the lower Social Insurance Number being given preference.
- (ii) In cases where both NAPE and CUPE (from the original CUPE list) employees were hired on the same day, the ties will be broken using Social Insurance Number with the lower Social Insurance Number being given preference.

(c) Former NAPE Temporary employees hired after 1986 but before October 18, 2008.

These employees will be inserted into the list based on their date of hire.

- (i) In cases where one or more NAPE members were hired on the same day, the ties will be broken by using the Social Insurance Number with the lower Social Insurance Number being given preference.
- (ii) In cases where both NAPE and CUPE (from the original CUPE list) employees were hired on the same day, the ties will be broken using Social Insurance Number with the lower Social Insurance Number being given preference.

(d) For all employees hired after October 17, 2008.

These employees were assigned a number based on their date of hire. In cases where employees were hired on the same day, the ties will be broken using the Social Insurance Number with the lower Social Insurance Number being given preference.

Dear Ms. Ryan:

Re: Public Health Emergency

The Employer recognizes that public health emergencies may have an impact on overall government operations and service delivery, individual employees, and the residents of Newfoundland and Labrador.

The Employer further recognizes that not all public health emergencies will require the same emergency response requirements and/or public health directives and will require an evaluation of such response based on the nature of the emergency. Notwithstanding the foregoing, general principles will apply to impacted employees in the event of a public health emergency.

- 1) Self-Isolation – employees directed by their Employer or Public Health – Department of Health and Community Services to self-isolate, and who are asymptomatic of a public health illness may (where applicable - this may be dependent on vaccination or other considerations deemed appropriate by the Employer) be placed on special leave with pay for the hours in which they are unable to report to work up to the maximum of their regular bi-weekly hours. Employees who work less than full time hours will receive the benefit on a pro-rata basis. Temporary call-in employees who are not prescheduled, will be permitted to take special leave with pay on shifts they would have received in normal circumstances (compared to next junior temporary call-in).

Employees will not be required to provide medical documentation for this period of hours, unless there is sufficient reason on the part of the Employer to request such documentation. All other absences require employees to utilize their leave entitlements until they return to work.

- 2) Remote Work - employees may be required to work remotely where the capability exists and it is operationally feasible. Special leave with pay shall only be utilized in instances where remote work is not an option.
- 3) Use of Sick Leave - employees who exhibit symptoms of a public health illness and who cannot work remotely, are required to use their sick leave entitlement until they return to work. Functional Abilities Information related to accommodation requests, extensions, illness unrelated to the current public health emergency, use of long-term sick leave and attendance support planning may still be required.

- 4) Re-Deployment - the Parties recognize that the Employer may be required to redeploy human resources to ensure adequate and safe staffing levels, and such re-deployment shall be done in consultation with the Union.

The parties further agree to enter into agreements as necessary to address other issues arising from a public health emergency that may not be covered by this letter.

Sincerely,

Dear Ms. Ryan:

***Re: Statutory Holiday Replacement**

Each year, an employee shall be entitled to designate replacement statutory holiday(s) that are days of cultural or religious significance to the employee in place of any or all of the statutory holidays outlined in the collective agreement. The Employer will endeavor to accommodate such requests and such requests shall not be unreasonably denied.

For the purposes of this letter, cultural or religious significance shall be defined as:

A day in which a religious observation is held or a day that celebrates the culture of a particular nation, people, or other social group.

The Employee shall inform the Employer of their choice(s), in writing, prior to November 15 in the calendar year before the new designations take effect. Such notice shall state clearly which statutory holiday(s) the employee is replacing and which day(s) of cultural or religious significance, including the dates on which they occur, that they are designating in the stead of the replaced statutory holiday(s).

Where the specific date(s) of cultural or religious significance are not yet confirmed on or before November 15 in the calendar year before the new designations take effect, the Employee will notify the Employer of the day(s) of significance and will provide date(s) as soon as they become available. The Employer will endeavor to accommodate such requests received after November 15 in the calendar year before the new designations take effect, subject to operational requirements and availability of replacement staff. Requests will not be unreasonably be denied.

Such statutory holiday replacement, once designated, will not be amendable for the applicable calendar year. The Employer will grant the newly designated holiday(s) as paid day(s) off. Once designated per the above process, the newly named holiday(s) shall be the day(s) to which all rights which are normally associated with the specific statutory holiday being replaced are now applied:

- (a) The newly designated holiday days will attract all benefits of the collective agreement as if that day were the actual statutory holiday that they are designated to replace.

- (b) The replaced statutory holiday(s) will become a regular day, whether it be a workday or a day of rest, and will not attract any additional benefit previously attributable to it as a statutory holiday: all such benefits will have transferred to the designated replacement day(s).
- (c) Where the Employer does not provide service on a day described under b) above, and where the employee is scheduled to work on that day of the week, the Employer will make reasonable efforts to provide meaningful work, including work from home arrangements, to the employee on that day.
- (d) Where the employer has determined it is unable to provide meaningful work on that day, the Employer, the Employee, and a representative of the Union will meet as soon as possible to discuss alternate work arrangements. If no resolution is still possible, the employee may access banked overtime and other like paid banks, or in a last resort, vacation leave to cover the missed day of work.

Sincerely,

Fiona Ellis
Director of Collective Bargaining

Anniversary Date: October 1, 2002 and every October 1 thereafter.

2. Government will pay \$982 Million into the Public Service Pension Plan (PSPP), with \$400 Million being paid on March 15, 2007 and the remaining balance of \$582 Million will be paid by June 30, 2007.
3. This Memorandum of Agreement will not take effect unless all participants, the Canadian Union of Public Employees, the Newfoundland and Labrador Association of Public and Private Employees, the Newfoundland and Labrador Nurses' Union, the Association of Allied Health Professionals, the Canadian Merchant Service Guild, the International Brotherhood of Electrical Workers, and Her Majesty the Queen in Right of Newfoundland (represented by the Treasury Board) agree to its terms.
4. MEMORANDUM OF UNDERSTANDING

CLASSIFICATION PLAN

It is agreed that a new classification system would be implemented and that the plan used would be gender neutral. It is also agreed that CUPE would have input into the selection and implementation of the system. This will be accomplished through a joint steering committee which would be advisory to Government in nature. It is also agreed that the current classification plan would continue until the new plan is established.

It is agreed that the new plan began implementation on April 1, 2008. However, any wage adjustments necessary for implementation of this plan will not accrue on April 1, 2008. The total cost and the timing of any wage adjustments are to be included in negotiations to commence on Government's finalization of the new classification system.

The Unions require that a Job Evaluation Consultant (as selected by the Unions) would have direct contact with the Plan's consultant and have full access to all relevant information. This individual would also communicate with and have access to all meetings of the Steering Committee. The salary and the expenses of the Advisor would be borne by the Unions.

The ratings of the positions will be conducted by the staff of the Classification, Organization and Management Division of Treasury Board. There will be a Benchmark Committee composed of two-thirds management and one-third union representatives who will review the sampling of the ratings as they are done. The Benchmark Committee would have the authority to refer results back to the raters should they be deemed inconsistent. The final decision making authority rests with Treasury Board.

While the new Job Evaluation system is being implemented, all employees can proceed with individual reviews and appeals under the current plan. However, there will be no further occupational reviews.
