Appointments from within the bargaining unit shall be made within four (4) weeks of posting.

15.05 Trial Period

The successful applicant shall be placed on trial for a period of 325 working hours. Conditional on satisfactory service, the Employer shall confirm the employee's appointment after the period of 325 working hours. In the event that the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job, they shall be returned to their former position, wage, or salary rate and without loss of seniority. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position, wage, or salary rate, without loss of seniority. length of time. If the employee has commenced working in the position, they shall have the opportunity to revert to their former position if the required qualifications are not met within such time.

15.07 Notification of Successful Applicant

Within seven (7) days of the date of the appointment to a vacant position, the name of the successful applicant shall be sent to each applicant and a copy posted on the bulletin board(s) for the Union notices. - (a) For the purpose of layoff, temporary employees shall be less senior than any permanent employees, subject to 16.01(d).

required.

- (ii) Subject to clause 17.10, temporary employees who obtained positions of less than thirteen (13) weeks shall revert to the recall list upon layoff.
- (iii) For Employers with more than one (1) facility, in the event of a closure of one of these facilities, temporary employees who are laid off as a result shall be entitled to displace less senior temporary employees within their respective department in another facility operated by the Employer. If the temporary employee does not have enough seniority to displace another temporary employee, their name shall be placed on the temporary seniority list in their respective department or another facility of their choice with the Employer.
- (c) A permanent employee whose position is affected by the Employer's decision to layoff shall have the right to either accept layoff or to displace the most junior employee in a bargaining classification in the facility provided that they are qualified to perform the work required, provided that their hours of work are not changed unless mutually agreed and provided the most junior employee is less senior. An employee displacing into a lower paying position shall maintain their rate of pay and be "red circled".

For Employers with more than one (1) facility with employees represented by NAPE, a permanent employee who has received notice of layoff shall be entitled to displace the most junior employee in a bargaining unit classification at another facility of their choice operated by the Employer, only where the employee who has received notice of layoff does not have sufficient seniority to displace the most junior employee in the designated classification within their own facility. In any event, the foregoing provisions as they relate to changes in hours of work, qualifications and rate of pay shall still be applicable.

- (d) Any permanent employee who is given notice of layoff can either accept layoff or displace a permanent full-time, permanent part-time or temporary employee, provided that the employee being displaced is less senior and that they are qualified to perform the work required. A permanent employee who displaces a temporary employee shall maintain their permanent status. If a permanent employee displaces onto a temporary employee recall list, then they will be placed on the respective list in accordance with their seniority.
- (e) For all displacements under this clause, there shall be a two (2) month trial period in accordance with clause 15.05.
- (f) Notwithstanding clause 16.01 (c), and with effect from July 25, 1994, permanent employees whose positions are declared redundant and are unable to bump into another position, or permanent employees who are displaced as a result of bumping and who are unable to bump or unable to be placed in other employment shall be given notice of termination or pay in lieu of notice of termination. If

such an employee wishes to retain seniority and recall rights instead of termination, they shall be given notice in accordance with 16.04(b).

The period of notice of termination shall depend upon the employee's age and completed years of continuous service since the last date of employment as per the attached chart in Schedule H. Where an earlier effective date is required employees shall receive redundancy pay in lieu of notice.

Employees who are reemployed with any Employer covered by the coalition negotiations shall be required to pay back part of any pay in lieu notice they received. The amount they have to pay back shall be based on the length of time they have been out of the employment from the Employer covered by the coalition negotiations. The amount repaid will be based on the net amount received by the employee or the amount paid to a financial institution on behalf of an employee.

16.02 Recall Procedure

- (a) Employees shall be recalled in order of seniority provided that the employees being recalled are qualified to do the work required.
- (b) For Employers with more than one facility with employees represented by NAPE, permanent employees shall be recalled in order of seniority with the Employer provided that they notify the Employer in writing upon layoff that they are willing to be recalled for work with the Employer at another facility. This will not be considered a change in shift as per 17.03(d).
- (d) Permanent employees shall be recalled for temporary employment with the Employer if the permanent employee indicates when they are laid off that they are willing to work periods of temporary employment. In such cases, the permanent employee will be required to return to work as needed by the Employer, their refusal, unless for illness or other just cause, will mean a loss of recall rights for temporary employment with that facility. For such periods of temporary employment, they shall earn seniority on a permanent basis.
- (e) Employees being recalled to a position with a lower pay range level than

previously employed in and who refuse to work shall not lose their seniority but they will forfeit their right to future recall in a position at the same pay range level.

- (f) Where the Employer has offered a temporary employee a period of employment less than the normal hours of work for the area and, either prior to or during the period of employment, the Employer offers additional hours up to the hours normally worked in the area, this shall not be considered as a change of shift as per 17.03(d). The temporary employee shall have the option to decline the additional hours above those initially offered, subject to the availability of qualified replacement staff and provided the Employer does not incur any additional cost.
- (g) Temporary employees shall be provided facility orientation prior to being recalled to that facility. Where facility orientation has not been provided, the temporary employee shall have the right to refuse.

16.03 No New Employees

- (a) No new employees shall be hired until employees who have completed the probationary period, who are on layoff status or under notice of layoff, have been given an opportunity of recall or reassignment, provided that employees on layoff status or notice of layoff have sufficient qualifications to perform the work.

Permanent employees with five (5) years of service and beyond shall receive an additional one (1) week's notice for each year of service. Temporary employees shall receive fourteen (14) calendar days notice prior to the date of layoff. If the employee has not had an opportunity to work the days as provided in this clause, they shall be paid for the days for which work was not made available.

- (b) Permanent employees whose positions are declared redundant, and who are unable to bump into another position or permanent employees who are displaced as a result of bumping and who are unable to bump or unable to be placed in other employment and wish to retain recall and seniority rights shall be given notice of layoff as follows. The period of notice shall be the greater of the notice

under 16.04(a) or the notice as per Schedule H.

- (c) An employee being displaced by a more senior employee shall be deemed to have been given a notice of layoff at the same date that the notice was given to the senior employee.
- (d) A temporary employee being displaced by a more senior temporary employee within the department shall be deemed to have been given notice of layoff by the exercising of the bumping rights by the more senior temporary employee.
- (e) No permanent employee shall be laid off by virtue of being displaced by a more senior permanent employee without receiving at least forty-eight (48) hours notice.

16.05 Super Seniority

Temporary employees who are shop stewards shall be granted super seniority within their department in the case of layoff only. Super seniority shall not apply to a layoff which occurs in the ordinary course of operations.

In the event of a closure of a facility due to the opening of a regional facility or where the facility has a significant reduction in staff due to the opening of a regional facility, Government agrees to consult with the Union.

16.07 Separation Slips

Employees who are laid off shall be issued separation slips within five (5) days from their last day of work.

16.08 Recall to the Same Classification

- (a) Notwithstanding clause 15.01, no position from the required classification shall be posted while a permanent employee is on layoff from that classification. An employee can only be recalled under this clause to a permanent position that has the same hours or less and should the hours be less than when they were laid off, such refusal shall not prevent the employee from recall to the same hours. Laid off employees shall be recalled in accordance with clause 16.02.
- (b) A permanent employee shall not lose their recall rights if the position to which they are being recalled is in another community, but shall retain recall rights as per (a).
- (c) When a permanent employee is recalled to work in the same classification or position, they will be placed on their respective salary scales on a step not lower than the step that they were on at the date of layoff, except where the layoff

exceeds two (2) years.

Both (b) and (c) would be exclusive of the transition agreements.

16.09 Return to Former Classification

- (a) When a permanent employee bumps out of their classification because of a layoff and if a position in the same classification becomes available within twenty-four (24) months then the employee shall be offered the opportunity to return to their classification prior to the available position being posted. If the employee refuses to accept this offer, the Employer has no further obligation to offer a position to the employee in the same classification.
- (b) Subject to (c) below, when a permanent employee bumps into a temporary position or onto the temporary recall list for their Department because of layoff and a permanent position in the same classification becomes available within twenty-four (24) months, the employee shall be offered the opportunity to return to their classification prior to the position being posted, provided the hours are the same or less than the position from which the employee bumped. If the employee refuses to accept recall to their original classification and bi-weekly hours of work, the Employer has no further obligation to offer a position to the employee in the same classification. The employee shall not be required to accept hours that are less than those of the original position. However, if the employee accepts a position with fewer hours of work, the Employer has no further obligation to offer a position to the employee in the same classification.
- (c) A permanent employee, who at the time of the initial layoff, opts to bump into a temporary position or onto the temporary recall list, forfeits their right to displace a permanent employee in the future.

16.10 Permanent Employees Reduction in Hours of Work

Permanent employees who have a reduction in their hours of work shall have access to the layoff provisions of clause 16.01.

16.11 Resignation

SCHEDULE D**SUMMARY OF GROUP INSURANCE BENEFITS
FOR MEMBERS OF THE
GOVERNMENT OF NEWFOUNDLAND AND LABRADOR PLAN**

The online “Employee/Retiree Benefits” booklet contains a more detailed description of the benefits and the member’s responsibilities under the Plan. The following summary has been prepared to outline the basic content of the Plan only, as contractual provisions specified within the group insurance policies prevail. You may also refer to the Government website at http://www.exec.gov.nl.ca/exec/tbs/working_with_us/employee_benefits.html for further information.

BENEFITS**BASIC GROUP LIFE INSURANCE**

You are insured for a life insurance benefit equal to two times your current annual salary rounded to the next higher \$1,000, if not already a multiple thereof, subject to a minimum of \$10,000 and a maximum of \$1,000,000.

If your insurance ceases on or prior to age 65, you may be entitled to convert the cancelled amount of basic group life insurance to an individual policy of the type then being offered by the insurer to conversion applicants **within 31 days** of the termination and no medical evidence of insurability would be required. The premium rate would be based on your age and class of risk at that time.

DEPENDENT LIFE INSURANCE

In the event of the death of your spouse or dependent child from any cause whatsoever, while you and your dependents are insured under the plan, the insurance company will pay you \$10,000 in respect of your spouse and \$5,000 in respect of each insured dependent child. This applies to those employees with family health coverage only.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

The plan provides accidental death and dismemberment insurance coverage in an amount equal to your basic group life insurance (two times your current annual salary). Coverage is provided 24 hours per day, anywhere in the world, for any accident resulting in death, dismemberment, paralysis, loss of use, or loss of speech or hearing.

If you sustain an injury caused by an accident occurring while the policy is in force which results in one of the following losses, within 365 days of the accident, the benefit shown will be paid to you. In the case of accidental death, the benefit will be paid to the beneficiary you have named to receive your group life insurance benefits. Benefits are payable in accordance with the following schedule:

To have premiums waived, claims forms must be submitted with 10 months from date of disability and the employee must be totally disabled for at least 119 calendar days.

HEALTH INSURANCE BENEFITS FOR MEMBERS AND DEPENDENTS

Hospital Benefit

If you or any of your insured dependents are confined in a hospital coverage is provided at 100% to a covered maximum of \$85 per day.

Prescription Drug Benefit

The program will pay the ingredient cost of eligible drugs (including oral contraceptives and insulin), you are responsible to pay the co-pay, which will be the equivalent of the pharmacists dispensing fee plus any applicable surcharge over the ingredient cost. The drug plan provides coverage for most drugs which require a prescription by law, however, but does not provide coverage for over-the-counter drugs, cough or cold preparations or nicotine products. The Government of Newfoundland and Labrador, through a consultation process with the insurer and drug experts, determines the drugs that are covered under the plan, and typically follows the recommendations of The Canadian Expert Drug Advisory Committee. There is no guarantee or obligation expressed or implied that all drugs recommended by physicians will be covered by the plan. Some drugs may require special authorization, details of the special authorization process are outlined in the online “Employee/Retiree Benefits” booklet.

Vision Care Benefit

You and your insured dependents are covered for the following vision care expenses:

- a) Charges for eye examinations performed by an Ophthalmologist or Optometrist where the Medicare plan does not cover such services, limited to one such expense in a calendar year for dependent children under age 18, and once in two calendar years for all other insured persons. Coverage is provided at 80% to a covered maximum of \$70.

- b) 100% of the maximum covered expense of \$150 for single vision lenses and frames, \$200 for bifocal lenses and frames and \$250 for trifocal and progressive adaptive lenses and frames every three calendar years. **For dependent children under age 18 expenses are eligible once in a calendar year provided there is a change in the strength of their prescription.** Please note that expenses for contact lenses will be reimbursed at the same level as for eyeglasses. Coverage is not provided for sunglasses, safety glasses, or repairs and maintenance.
- c) 100% of the maximum covered expense of \$250 every two calendar years for the purchase of contact lenses when prescribed for severe corneal scarring, keratoconus or aphakia and if the cornea is impaired so that visual acuity cannot be improved to at least to 20/40 level in the better eye with eyeglasses.
- d) one pair of eyeglasses when prescribed by an Ophthalmologist following non-refractive eye surgery, to 100% of a lifetime covered eligible expense of \$200; and
- e) 50% of the cost of visual training or remedial therapy.

When submitting your claims for reimbursement, please ensure your receipt clearly indicates whether your glasses are single vision, bifocal, trifocal or progressive adaptive lenses so that accurate reimbursement can be made. Also, your receipt indicating that the expense has been paid in full must accompany the Claim Submission Form. Records indicate that costs vary amongst dispensaries throughout the province; therefore, it is suggested that you check with several optical dispensaries before finalizing your purchase.

Extended Health Benefit

Reimbursement is provided for many types of services, such as registered nurse, physiotherapist, wheelchairs, braces, crutches, ambulance service, chiropractors, to name a few. Pre-authorization is required for the rental and/or purchase of all durable equipment and all Nursing Care/Home Care benefits. Certain dollar amounts or time period maximums apply. It is important to note that reimbursement under the extended health care benefit is made at 80% of covered eligible expenses up to \$5,000; expenses over \$5,000 and less than \$10,000 are reimbursed at 90%, and expenses over \$10,000 are reimbursed at 100% in any calendar year. Where no maximum eligible expense is noted, reasonable and customary rates will apply. Please consult your online employee benefit booklet for details.

Coverage under Group Travel Insurance is limited to a maximum of ninety (90) days per trip for travel within Canada. Coverage commences from the actual date of departure from your province of residence. Coverage under Group Travel Insurance is limited to thirty (30) days per trip for travel outside Canada. Coverage commences from the actual date of departure from Canada.

A person with an existing medical condition must be stable for 3 months prior to travelling. Stable means there has been no period of hospitalization, no increase or modification in treatment or prescribed medication, or no symptom for which a reasonably prudent person would consult a physician. Stable dosage does not apply to diabetics.

Additional coverage is available from Great-West Life on an optional pay all basis.

- For ensuring that you have applied for the coverage you wish to have for yourself on your enrolment forms and your dependents within the appropriate time frames.
- To change your coverage from single to family within the appropriate time frame. If the coverage is not changed within 31 days of acquiring your first eligible dependent an Evidence of Insurability on Dependents is required for approval.
- To add a spouse to this plan in the event that they lose coverage under another plan within a 31 day period following the loss of coverage to avoid having to provide medical evidence.

- For examining payroll deductions for each pay period for all group insurance benefits. Examples would include family versus single coverage and optional benefit premiums particularly when you have requested changes in coverage and at the annual renewal date when the premiums are adjusted. This will ensure accuracy and allow for corrections on a timely basis. Coverage details can be confirmed through pay stubs, your plan administrator, employers online benefit statements (where available), and the insurance carrier (their website and their toll free number)
- For amending your coverage to delete any coverage you no longer require. Contributions which you have paid are not refundable if they were consistent with the application on file.
- For effecting conversion of the coverage eligible to be converted upon the earlier of termination of employment or at age 65.
- For accurately completing the necessary forms required for continuing benefits while on maternity leave, sick leave, special leave without pay, retirement, etc. It is extremely important these arrangements be made prior to commencing eligible leave. For continuation of group life and health insurance while on temporary lay-off or on unpaid leave you are responsible for the payment of the full premium amount (employer/employee contributions) and failure to remit will result in termination of coverage. You are also responsible for the payment of the full premium amount (employer/employee contributions) if you are a casual/hourly employee and you maintain benefits during a pay period when you have not worked and have not received pay. Failure to remit premiums will result in the termination of coverage.
- For providing appropriate claim information necessary to process LTD and/or Waiver of Premium claims as well as to ensure notice of claim/proof of claim where necessary has been provided within appropriate time frames as required under the contract.
- For providing appropriate medical information necessary to add a dependant as functionally impaired to continue their coverage beyond the age a dependant would otherwise terminate based on contract guidelines
- For completing the appropriate forms accurately, completely, and within applicable timeframes for such things as change of address, addition or deletion of a dependent, and other significant matters that can change or otherwise affect your coverage.
- To register overage student dependents between age 21 and 25 at the beginning of each school year. Failure to do so may impact coverage.
- Reviewing the online employee benefit booklet, contacting the insurance carrier and/or your organization's plan administrator to ensure you have a sound knowledge of the benefits available, extent of coverage, eligibility criteria, exclusions, restrictions, medical underwriting requirements, conversion options, continuation of benefits, predeterminations and other important requirements of the program.

- Providing proof of the purchase of pension service that may reduce LTD premiums. Premiums will only be adjusted when the plan administrator has been notified and received verification despite the date the purchase may have occurred.
- For notifying your plan administrator if the deletion of an overage dependant requires a change in your premiums from family to single coverage.

17. Where not all appellants agree to consolidation, the Classification Appeal Adjudicator will first decide on a consolidated basis the appeals of those appellants who are in agreement with consolidation. Those appellants not in agreement shall be provided an opportunity for individual review, as soon as practical following the determination of a consolidated appeal.
18. When the Classification Appeal Adjudicator renders a decision on those factors challenged on the basis of the written documentation, notification of such decision on those factors challenged shall be forwarded to the Classification & Organizational Design Division. The Classification & Organizational Design Division will notify and provide the necessary authority to the employing agency as well as provide a copy of the Classification Appeal Adjudicator's decision and the impact, if any, on the position to the appellant and their designate.
19. If a hearing is warranted, the appellant, a permanent head or management designate and a representative of Classification & Organizational Design Division may be requested to appear before the Classification Appeal Adjudicator.

20. Appellants are to be given two opportunities to postpone appeal hearings after which appeals will then be withdrawn by the Classification Appeal Adjudicator.
21. The hearing will be presided over by the Classification Appeal Adjudicator who will retain control over the conduct of the hearing and who will rule on the relevancy of any questions raised by any of the parties.
22. The Classification Appeal Adjudicator may adjourn the hearing and order the appearance of any person or party who, at the Classification Appeal Adjudicator's discretion, it deems necessary to appear to give information or to clarify any issue raised during the hearing.
23. Following the conclusion of the hearing, the Classification Appeal Adjudicator will deliberate on and consider all relevant evidence and supporting information. Within fifteen (15) working days of reaching a decision, the Classification Appeal Adjudicator shall inform the Classification & Organizational Design Division in writing over the signature of the Classification Appeal Adjudicator of their decision on those factors challenged and a detailed explanation of the rationale of any change from the Classification & Organizational Design Division's original determination. The Classification & Organizational Design Division will notify and provide the necessary authority to the employing agency as well as provide a copy of the Classification Appeal Adjudicator's decision and the impact, if any, on the position to the appellant and their designate.
24. The Classification Appeal Adjudicator is required to submit written reasons to the Classification & Organizational Design Division for those decisions that result in changes in the factors challenged.
25. The impacts of changes in ratings arising from decisions of the Classification Appeal Adjudicator shall be processed by the Classification & Organizational Design Division in accordance with the Treasury Board Secretariat's compensation policies.
26. The decision of the Classification Appeal Adjudicator on an appeal is final and binding on the parties to the appeal.
27. An appeal shall be regarded as closed:
 - when a decision is rendered thereon by the Classification Appeal Adjudicator;

MEMORANDUM OF UNDERSTANDING**Re: Nurses Committee**

The parties acknowledge that the Registered Nurses' Union Newfoundland and Labrador (RNUNL) have indicated that they have issues of concern unique to Nurses who live and work in Labrador and that the RNUNL will attempt to address these concerns through a committee which will be established subsequent to these negotiations.

MEMORANDUM OF UNDERSTANDING**Re: Labrador Benefits Agreement - Interpretation**

In an effort to clarify the interpretation of certain items contained in the Labrador Benefits Agreement the parties agree to the following:

- 1) Article 4.2(b) refers to employees who terminate employment, (i.e. are not on layoff status and do not have recall rights). These employees have their Travel Allowance paid out based on the hours worked in the current year and it shall be paid out at the rate in effect on the date employment is terminated.
- 2) For the purposes of Article 4.4 it is agreed that an employee may refuse to claim the employee benefit if it is to their benefit to have their spouse claim them as a dependant. Employees who exercise this option will not be entitled to any portion of the Employee Travel Allowance. It is incumbent on the employee to communicate this choice to their respective Employer(s).
- 3) Notwithstanding Schedule A, the following employee shall be entitled, on a without prejudice basis, to the rates applicable to Mud Lake as long as they remain within the employ of their current Employer and continue to permanently reside in Mud Lake:
Vyann Kerby, Health Labrador Corporation

This agreement is effective from April 1, 2013 and shall expire upon the renewal of the Labrador Benefits Agreement expiring March 31, 2016.

- 4) For the purposes of clarification and in accordance with Article 3.1 (Labrador Allowance), Article 4.1 (Travel Allowance) and Article 9.1 (Definitions), benefits are applicable for the fiscal year (April 1 to March 31) in which a dependent reaches 18 years of age or 24 years of age, if the dependent is in full time attendance at a school or post-secondary institution. Full time attendance shall be determined by the educational institution in which a dependent is registered.

For example:

If a dependent reaches 18 years of age on January 1, 2011 and is no longer enrolled as a full time student in a post secondary institution, they would be eligible for the travel benefit payable April 15, 2011.

MEMORANDUM OF AGREEMENT

BETWEEN

HER MAJESTY THE QUEEN IN RIGHT OF NEWFOUNDLAND
(represented herein by the Treasury Board)

AND

THE NEWFOUNDLAND AND LABRADOR HEALTH CARE ASSOCIATION
REPRESENTING THE AVALON HEALTH CARE INSTITUTIONS BOARD
(herein after referred to as the Employer)

AND

THE NEWFOUNDLAND ASSOCIATION OF PUBLIC EMPLOYEES
HOSPITAL SUPPORT STAFF
(herein after referred to as the Union)

August 31, 1998

This agreement made this 28th day of Oct. one thousand nine hundred and ninety eight in accordance with clause 35.02 of the NAPE Hospital Support Staff Collective Agreement signed between the parties on November 14, 1990, herein after referred to as the Collective Agreement and in accordance with the Master Memorandum of Agreement signed July 25, 1994.

This Agreement supercedes all prior transition agreements that may have been negotiated with former employers that now fall under the jurisdiction of the Avalon Health Care Institutions Board.

1. Bargaining Unit Structure

The Avalon Health Care Institutions Board refers to one (1) Employer operating six facilities at different sites. The operating facilities with employees represented by NAPE HS include:

- Carbonear General Hospital
- Harbour Lodge Nursing Home
- Dr. A.A. Wilkinson Memorial Hospital
- Dr. Wm. Newhook Community Health Centre
- Inter Faith Citizens' Home
- Placentia Health Centre

The reference throughout the Collective Agreement to bargaining units refers to NAPE HS employees as defined by the Collective Agreement at all facilities operated by the Employer as one (1) bargaining unit. Pursuant to the Labour Relations Board Order dated January 4, 1996, there is one seniority list for permanent employees, and one seniority list for temporary employees subject to Section 6.

2. Transfer of Service

As of April 1, 1995, the employees of the six facilities were transferred to the Board. The Board recognizes the service of each of the employees as it was recognized by the previous Employer prior to the new Board assuming governance.

3. Collective Agreement

Effective date of signing of this transition agreement between the parties and pursuant to the Labour Relations Board Order dated January 4, 1996, the NAPE (HS) Collective Agreement will be the recognized collective agreement to be applied to all HS employees of the Avalon Health Care Institutions Board.

4. Job Postings

- a) Job postings will be posted as per Article 15 of the NAPE HS Collective Agreement.
- b) Permanent positions shall be posted throughout all facilities in the region.

Clauses c) (i), (ii), and (iii) will apply to job postings only

- c)
 - i) For any temporary positions, if the temporary position at a particular facility is less than 16 weeks, the Employer shall select the most senior employee at that particular facility who is qualified to do the work required (orientation will be based on need as determined by Employer); if the particular temporary position is expected to be greater than 16 weeks, it shall be posted in all facilities. Employees working full-time hours in a temporary position at a second facility shall not have recall rights to their initial facility.
 - ii) Subject to 5(c), where the employee is working less than full-time hours, the employee may have recall rights to the initial facility during the period of employment at the second facility. The employee's seniority accrued at the initial facility at the time of appointment shall be maintained at the initial facility while working at the second facility. Seniority accrued while working at the second facility will be maintained at the second facility during the period of temporary employment.
 - iii) Upon completion of the temporary employment of greater than sixteen (16) weeks, the employee shall advise the Employer in writing of whether he will take the seniority accumulated while working at the second facility with him back to the initial facility, or whether the accumulated seniority while working at the second facility shall be retained at that facility for the purpose of future recall to the facility.
- d) For the purpose of Article 15, total bargaining unit seniority of a temporary employee shall apply.

5. Recall

- a) Permanent employees shall be recalled as per the Collective Agreement on a Board-wide basis.

If his/her name is removed, the temporary employee will not be recalled for that facility. Any of these temporary employees who have his/her names removed may have his/her name put back on the recall list for those facilities by writing the Employer by March 15 of each year (to be effective April 1 of each year) provided that they have not lost his/her recall rights to that facility. Memorandum of Agreement

Between

Newfoundland Association of Public and Private Employees

And

Health and Community Services – St. John's Region

And

Newfoundland and Labrador Health Boards Association

And

Treasury Board

January 2002

This Agreement, effective date of signing, is made pursuant to Clause 35.02 of the NAPE Hospital Support Staff Collective Agreement. It addresses the terms and conditions of employment with respect to support staff employees of Health and Community Services – St. John's Region who are members of the Hospital Services Bargaining Unit, pursuant to the Labour Relations Board ruling dated December 4, 2000, and covered by the NAPE-HS Collective Agreement. The previous bargaining unit(s) encompassing employees of the former Community Health - St. John's Region, including the bargaining unit encompassing employees of the Recovery Centre (formerly Talbot House) will no longer be recognized.

The parties agree that the NAPE (HS) Agreement shall apply with the following exceptions:

1. Health and Community Services – St. John's Region will be a separate bargaining unit under the NAPE (HS) Collective Agreement.
2. For the purposes of this agreement, “transferring GS employees” shall mean employees under the NAPE GS bargaining unit who at the date of signing of this agreement shall be transferred to the NAPE HS bargaining unit of Health and Community Services – St. John's Region. (Transferring GS employees are identified in Appendix A)
3. For the purposes of this agreement, “transferring Recovery Centre employees” shall mean employees under the NAPE HS bargaining unit of the Recovery Centre, Mental Health and Addictions Services Program, formerly known as Talbot House who, effective date of signing, shall be transferred to the NAPE-HS bargaining unit of Health and Community Services – St. John's Region. (Transferring Recovery Centre employees are identified in Appendix B)
4. Transferring GS employees will be maintained at their current GS salary scale until such time as the pay equity adjustments are included in the base salaries of the HS pay scales. Effective the date of the inclusion of the pay equity adjustments into the base salaries of the HS pay scales, transferring GS employees will be placed on the same step of the applicable pay scale of the HS classification for their position.

Transferring GS employees currently paid on the basis of 1820 hours annually shall continue to work and be paid on the basis of 1820 hours, however, shall earn seniority on the basis of 1950 hours, until such time as the pay equity adjustments are included in the base salaries of the HS pay scales. Effective the date of the inclusion of pay equity adjustments in the base salaries of the HS pay scales, transferring GS employees will be placed on the same step of the applicable pay scale for the HS classification for their position, in accordance with Treasury Board Pay Administration Procedures, and will work, be paid, and earn seniority on the basis of 1950 hours annually.

The parties agree to explore options for dealing with pay issues arising out of the original implementation of pay equity within NAPE-GS versus NAPE-HS classes until March 31, 2002. Should no acceptable option be identified and agreed upon by the March 31, 2002 deadline, GS employees of all classifications will transfer in accordance with the parameters outlined in the two preceding paragraphs of this article.

5. Seniority lists, with respect to the transferring GS employees and existing HS employees, will be combined, effective date of signing, with GS employees being given full credit for their total seniority converted from 1820 hours annually to 1950 annually. Additionally, the seniority list will be adjusted to reflect conversion of seniority from 1820 annually to 1950 annually for current HS employees who transferred from GS in 1997 and those employees of the former St. John's Home Care Program who worked and earned seniority at 1820 annually prior to the 1997 agreement.

The Union will have thirty (30) days from the date of receipt of the finalized seniority list to review the list with bargaining unit members and bring forward any discrepancies to the attention of the employer for adjustment. (See Appendix A)

6. Transferring GS employees who have not completed his/her probationary period effective the date of signing shall complete his/her probationary period under the terms of the NAPE (HS) Collective Agreement.
7. The letter in the back of the NAPE (HS) Collective Agreement addressing "Summer Scheduling" will not apply to transferring GS employees.
8. Transferring GS employees will not have the right to bump employees outside this bargaining unit or within the bargaining unit encompassing the GS Collective Agreement.
9. Transferring GS employees on layoff will not have recall rights beyond those outline under NAPE (HS) Collective Agreement.
10. The parties agree to meet within 90 days of the effective date of this agreement to discuss and explore mutually beneficial options with respect to bumping temporary employees upon lay off. Such discussions will be held on a "without prejudice" basis for both parties but may form the basis for a private agreement between the parties.

TRANSITION AGREEMENT

BETWEEN

HER MAJESTY THE QUEEN IN RIGHT OF NEWFOUNDLAND
(represented herein by the Treasury Board)

AND

THE NEWFOUNDLAND AND LABRADOR HEALTH CARE ASSOCIATION

REPRESENTING THE HEALTH CARE CORPORATION OF ST. JOHN'S
(herein after referred to as the Employer)

AND

THE NEWFOUNDLAND ASSOCIATION OF PUBLIC EMPLOYEES
(herein after referred to as the Association)

This agreement made this 20th day of March, one thousand nine hundred and ninety-six in accordance with clause 35.02 of the NAPE Hospital Support Collective Agreement signed between the parties on November 14, 1990, herein after referred to as the Collective Agreement. Any disputes arising out of the application of this Transition Agreement are subject to the grievance and arbitration process of the applicable Collective Agreement.

1. Bargaining Unit Structure

It is recognized that the Health Care Corporation of St. John's refers to one (1) Employer operating at the following sites:

- Dr. Charles A. Janeway Child Health Centre
- Dr. Leonard A. Miller Centre, St. John's (including the Public Health Laboratories)
- Dr. Walter Templeman Hospital
- General Hospital (HSC)
- St. Clare's Mercy Hospital
- Salvation Army Grace General Hospital
- Waterford Hospital (including Community Care, Terrace Clinic and Mill Lane)
- Central Laundry
- Children's Rehabilitation Centre

The NAPE Hospital Support Staff Province-wide Collective Agreement (hereafter referred to as the Collective Agreement) shall prevail with the exception of existing services currently located at the Waterford Hospital and Central Laundry. Within these existing services the Waterford Hospital and Central Laundry Collective Agreements shall remain in effect with the exception that Articles 3, 11, 14, 15, 16, 28 of the NAPE Hospital Support Staff Province-wide Collective Agreement will apply subject to the letter of understanding on Page 7. Employees previously covered by the CUPE Collective Agreements will now be subject to the NAPE Province-wide Collective Agreement subject to the letter of understanding on Page 7 and Item 12 of this transition Agreement. The reference throughout the Collective Agreements to bargaining units refers to employees who are Hospital Support staff as defined by the Collective Agreements at all sites operated by the employer as **one** single bargaining unit. It is understood by the parties that any language with respect to transfer of services, promotions, lay-offs, recall or other staffing issues are subject to the current Collective Agreements language and the Master Agreement unless altered by this Transition Agreement.

2. Transfer of Services

- (a) It is recognized that the Employer reserves the right to transfer employees between sites as a result of service transfers.

Transition Agreement
Newfoundland Association of Public Employees
Hospital Support Staff

3

- (b) All employees will be assigned a primary site of work. It is recognized that certain employees may be required to work on a multi-site basis or have Corporate-wide responsibilities. These individuals will be given as much advance notice as possible. Such a requirement could occur as a result of an increased or decreased workload; unexpected absence resulting in an urgent or imperative need for staff elsewhere in the organization; or emergencies.
- (c) If no downsizing occurs as a result of a transfer of services, employees who remain in the same classification with no change or reduction in hours of work or compensation reduction will transfer with the service and have no access to lay-off or any negotiated displacement procedure.
- (d)
 - i. If a transfer of service to another site occurs where the combined service cannot accommodate all employees, then the affected employee(s) from the transferring service/site will have access to the applicable provisions of the Collective Agreement (i.e., layoff/displacement). Employees who are permanently employed in a classification within the affected service shall be offered transfers within their classification, on the basis of seniority provided the employees' qualifications meet the required standards for the position.
 - ii. If a consolidation of service occurs where the new service cannot accommodate all employees, each position will be offered by seniority to those employees currently permanently employed in that classification in the service within the Corporation.
 - iii. Employees within their classification shall have the right to refuse such transfers/positions and access the displacement procedure as outlined in the NAPE Province-wide Hospital Support Staff Collective Agreement. In the event that an insufficient number of employees agree to work in a particular classification, the junior employees shall be required to accept the transfers/positions.
- (e) In the event that a service is transferred, employees affected by downsizing within 24 months after the transfer shall have the right to exercise their displacement/bumping rights as if they were not transferred.
- (f) Employees who are assigned/transferred to the Waterford Hospital or Central Laundry with a new/consolidated service (i.e., Finance Department, Adult Acute Care Psychiatry) shall be covered by the NAPE Hospital Support Staff Province-Wide Collective Agreement. Employees who are assigned/transferred to an

existing service at the Waterford Hospital/Central Laundry shall be covered by the Waterford Hospital Support Staff/Central Laundry Collective Agreements.

- (g) Employees who are involuntarily (i.e., bumped) moved out of the Waterford Hospital/Central Laundry will be subject to the NAPE Hospital Support Staff Province-wide Collective Agreement and will have their salary (inclusive of contact allowance) red-circled, but not their hours of work. In case of the latter, the individual will be required to work based on a 7.5 hour day with his/her hourly rate red-circled if necessary.
- (h) The Corporation will provide an orientation period to employees who are transferred with a service or are required to work in more than one site to acquaint them with essential information such as policies and procedures, routines, location of supplies and equipment, fire and disaster plans, etc.

3. **Staff Changes**

- (a) **Job Postings**
Permanent employees may apply for both temporary and permanent positions on a Corporate-wide basis. Temporary employees may apply for permanent Corporation-wide postings. For any temporary positions, if the temporary position at a particular site is expected to be less than sixteen (16) weeks, the Employer shall recall a temporary employee at the particular site; if the temporary position exceeds sixteen (16) weeks, it shall be posted in all applicable sites.
- (b) **Recall**
 - Temporary employees to be recalled by site/department (as per current practice). For the purposes of recall under this section, the General Hospital and Leonard A. Miller Centre shall be considered one site. Should a temporary recall list be exhausted at one site the Corporation agrees to utilize other temporary lists within the particular site or at other sites prior to hiring any employees from the outside.
 - Permanent recalls to be corporate-wide.
 - Where the parties agree that a particular site or service has a significant reduction in permanent staffing, the parties shall agree to allow temporary employees at that site to use their seniority for recall at another site. A temporary employee can only be considered associated with a particular service if more than fifty percent (50%) of their hours have been worked with that service in the most recent six (6) months.

4. **Displacements**

Both parties recognize that job security shall increase in proportion to the length of service. Therefore, in the event of layoff, (including permanent employee reduction in hours of work) the NAPE Province Wide Hospital Support Staff Collective Agreement shall apply.

The "Red Circling" provision as provided in the NAPE Province Wide Hospital Support Staff Collective Agreement shall apply to employees currently covered by the CUPE Hospital Support Staff and Waterford Hospital Support Staff Collective Agreements.

5. **Grievance Procedure**

Current agreement.

6. **Seniority List**

Employees will have sixty (60) days to protest seniority from the date the combined list is posted at all sites. The protest shall be submitted in writing, stating reasons, to the site Human Resources Department.

The Human Resources Department will deal with protests on a first come, first service basis and attempt to resolve protests as expeditiously as possible. In the event that an individual is involved in a situation (i.e., bumping, job posting, etc.) where seniority is a critical aspect, that individual's seniority will be checked on a priority basis prior to the finalization of the situation in question. All protests will be handled within seven (7) days of the closing of the protest period.

7. **Equal Seniority**

If the situation should develop whereby two (2) or more employees have the same seniority, the seniority shall be broken by random draw, i.e., drawing names from a hat. A Union representative, together with the individuals whose names are in the hat, or their designates, are entitled to be present with management when the draw takes place.

8. **Seniority Defined**

Seniority for full time employees is defined as 37.5 hours per week, effective date of hire.

Transition Agreement
Newfoundland Association of Public Employees
Hospital Support Staff

6

9. **Workers' Compensation**

The Employer will review all long-term recipients of Workers' Compensation benefits to ascertain if suitable employment is available in the newly formed larger bargaining unit.

10. **Mutual Agreement**

All amendments to the Collective Agreements will be tabled and only those amendments which the parties agree to continue will form part of the Collective Agreement.

11. **Labour Management**

Site Labour Management Committees shall continue to meet and a Corporate-wide Labour Management Committee will be established.

12. **Former Cupe Contracted Services Salaries**

Former CUPE employees of the previously contracted services (i.e., Nova, Marriott, etc.) shall have their salaries red-circled until the applicable NAPE Hospital Support Staff salaries reach the red-circled level.

13. **Statutory Holidays**

Employees covered by the NAPE Hospital Support Staff Collective Agreement shall observe Thanksgiving Day as the ninth statutory holiday (i.e., one additional holiday).

Employees covered by the Waterford Hospital (HS) Collective Agreement shall observe Armistice Day as the ninth statutory holiday (i.e., one additional holiday).

It is the responsibility of an employee to provide verification of such leave to the Employer by means of affidavit or other verification satisfactory to the Employer within a maximum of ninety (90) days from date of signing of agreement.

It is agreed by the parties that there shall be no adjustments to any staffing decisions made by the Employer prior to signing this memorandum of agreement, as a result of comprising the above noted seniority list.

**An Agreement Covering the Transition of Hospital Support
Staff from the Regional Health Authorities to the New
Department of Child, Youth, and Family Services**
July 4, 2012

An Agreement Between:

Her Majesty the Queen in Right of Newfoundland & Labrador
(represented therein by Treasury Board and referred herein as "the Government of
Newfoundland and Labrador" or "the Employer")

and

The Newfoundland and Labrador Association of Public and Private Employees
(hereinafter referred to as "NAPE" or "the Union"), representing Hospital Support Staff

(Collectively "the parties")

.....

Whereas a new government department, the Department of Child, Youth & Family Services, has been established to oversee the provision of services relating to the protection of children in Newfoundland and Labrador and whereas the transition of employees from Regional Health Authorities to this new department is required, the parties hereby agree that the clauses set out in this agreement either replace the current corresponding clauses in the Hospital Support Staff Collective Agreement which expires March 31, 2012 or in the case of new clauses, supplement said Collective Agreement. In the event of a discrepancy between this transition agreement and a pre-existing NAPE HS transition agreement and insofar as such discrepancy affects employees who transitioned to the Government of Newfoundland and Labrador from a Regional Health Authority as a result of the movement of Child, Youth, and Family Services, this transition agreement shall prevail.

The parties agree that this Transition Agreement will become effective the date of signing of this agreement. Further, NAPE and the Government of Newfoundland and Labrador agree that this Transition Agreement pertains only to Hospital Support Staff bargaining unit members employed by the Government of Newfoundland and Labrador except to the extent as modified herein. Both parties recognize that the clauses of the current Hospital Support Staff Collective Agreement not specifically modified by this collective agreement continue to be in full force and effect.

The parties agree as follows:

1. Bargaining Unit Structure

- (a) All employees of the Government of Newfoundland and Labrador who are governed by the Hospital Support Staff Collective Agreement shall be recognized as one bargaining unit. Specifically, this bargaining unit includes the following individuals:
 - I. all NAPE Hospital Support Staff employees who transitioned to the Department of Child, Youth and Family Services from the Regional Health Authorities as a

result of the movement of Child, Youth and Family Services back to the Government of Newfoundland and Labrador;

- II. any/ all individuals thereafter who accept positions designated as part of the Hospital Support Staff bargaining unit under the direct employ of the Government of Newfoundland and Labrador;
- III. all employees of the Government of Newfoundland and Labrador directly employed by a Government Department and currently covered by the NAPE Hospital Support Staff Collective Agreement.

- (b) All existing and new employees will be assigned to a facility for the purposes of layoff, bumping, and recall.

2. Article 16: Layoff and Recall

16.12 Seniority Lists for Employees of the Department of CYFS

It is agreed by both parties that the seniority lists of permanent and temporary employees will be merged into one list for permanent employees and one list for temporary employees, subject to the applicable provisions of this Transition Agreement.

Employees will have thirty (30) days to review the merged list once finalized and submit any concerns. Any concerns must be in writing stating reasons and submitted to the Director of Human Resources. The Employer will work to resolve all written concerns put forth within sixty (60) days of being received.

3. Job Postings

Job postings shall be posted in accordance with Article 15 of the NAPE HS Collective Agreement.

4. Recognition

3:08 Agreement Overrides Employer Policy

The provisions of this Collective Agreement shall take precedence over any and all policies, rules, and regulations made by the Employer concerning wages, benefits or working conditions affecting members of the Union covered by this Collective Agreement. Any disputes arising out of the application of this Transition Agreement are subject to the grievance and arbitration provisions of the NAPE-HS Collective Agreement.

5. Article 9 - Labour Management Committee

- (i) Layoff and recall provisions of the NAPE-HS Collective Agreement shall apply, except as specifically abridged. Upon layoff, the employer shall advise the employee that he/ she should provide the employer with an updated résumé if the employee's qualifications have changed since his/ her latest date of hire.
 - (ii) Where a layoff results as per Article 16 and the permanent employee has no bumping option within their community, then the permanent employee can accept layoff and be subject to the applicable recall provisions of the NAPE-HS Collective Agreement or choose to bump within another community, subject to Clause 16:01 (d).
- (b) Recall of permanent employees shall be in accordance with the NAPE-HS Collective Agreement.

Dear Mr. Earle:

Re: Internal Candidate Status with the Government of Newfoundland and Labrador

This will confirm that all Hospital Support Staff (HSS) employees under the direct employ of a Government Department, including those who transitioned as a result of the movement of Child, Youth, and Family Services back to Government, who apply on non-HSS positions with the Government of Newfoundland and Labrador shall be considered internal applicants. Similarly, non-HSS employees under the direct employ of a Government Department shall be considered internal candidates when applying on HSS positions with the Government of Newfoundland and Labrador.

Notwithstanding the above, employees shall not be permitted to carry seniority from one bargaining unit to another and seniority in one bargaining unit cannot be used to apply on a position in another bargaining unit.

SCHEDULE J

FLEXIBLE HOURS OF WORK **(HEALTH AND COMMUNITY SERVICES BOARDS)**

Preamble: All provisions of the Collective Agreement shall apply unless specifically amended in the Flextime Agreement Arrangement in Articles 17A and 18A below:

Articles 17A and 18A apply for the Health and Community Services Boards when a flextime arrangement schedule is agreed by the employee, employer, and the union.

ARTICLE 17A HOURS OF WORK (HEALTH AND COMMUNITY SERVICES)

17.01A Recognizing the particular and unique needs of clients dealing with Health and Community Services Boards and that the very nature of this work dictates that such services cannot always be predicted in advance, the parties, therefore, agree that work schedules for employees may be scheduled on a flexible basis in the interest of client care and/or efficiency of the overall operation. A Flextime Arrangement Agreement shall be by mutual agreement between employer, employee, and union.

Flextime is when an employee and employer agree that the employee work beyond regular working hours and/or adjust their own schedule within 150 hours for two pay periods. Such time worked or adjustment of the schedule will be at straight time.

- (i) The normal hours of work shall be thirty-seven and one-half (37.5) hours per week divided into five (5) seven and one-half (7.5) hour days excluding a one-half (1/2) hour unpaid meal period but including a rest period of fifteen (15) consecutive minutes in the first half and second half of the day.
- (ii) Employees shall not be required to work a split shift without the consent of the employee.
- (iii) Time worked in excess of seven and one-half (7.5) hours per day by reason of a flexible working arrangement shall be taken off by the employee at regular hourly rates. Prior notification of the intention to take time off must be provided to the manager and approval for such time should not be unreasonably denied. Such time off shall be taken on a timely basis and at no time shall an employee have in excess of thirty-seven point five (37.5) hours of flextime banked. At the end of the one hundred and fifty (150) hours period, any flextime left shall be placed in a compensation time bank.
- (iv) The seven and one-half (7.5) hour work day may be altered in the interest of client care and/or efficiency or to complete work due to exceptional circumstances. Such a schedule will ensure the work day does not exceed ten (10) hours per day between the hours of 0700 and 2100 hours unless otherwise mutually agreed between the employer

and the employee. The rests between shifts will be twelve (12) hours unless otherwise mutually agreed between the employee and the employer.

- (v) Subject to the operational requirements of the employer, the employer agrees to maintain scheduling consistency whenever practical in order to minimize irregular patterns of days of work and days of rest.
- (vi) In order to provide the flexibility necessary to enable the completion of the required hours of work in each four (4) week period, it is agreed that no premiums or overtime shall apply where it results from a flexible work arrangement as outlined in this Clause.
- (vii) Days off shall be allocated at the rate of the minimum of two (2) consecutive days off except where mutually agreed between the employee and employer.
- (viii) The employer shall make every reasonable effort to notify an employee of any anticipated changes to the length of their work day.
- (ix) Either the employer or employee shall have the right to terminate a flextime arrangement by providing twenty-one (21) days written notice to the other party.

17.02A Meal Periods

Employees shall schedule their own meal periods depending on the work load. In the event an employee is required to work through their meal period, they shall be paid the applicable overtime rate for the period worked.

17.03A Client Schedule

Employees shall keep an accurate record of the actual hours worked and the clients visited. These records shall be submitted to the employer on a regular basis.

17.04A Exchanging Days Off

Employees may exchange their days off with the approval of the employer.

ARTICLE 18A - OVERTIME (HEALTH AND COMMUNITY SERVICE(S))

- 18.01A (i) When an employee is required to work beyond one hundred and fifty (150) hours for two (2) pay periods or beyond ten (10) hours per day, they shall be granted, at their option, compensatory time off at the rate of time and one-half (1 1/2) for the overtime hours worked or overtime pay at the rate of time and one half (1 1/2) for the overtime hours worked.

(ii) Approval of Overtime

All overtime is subject to the prior approval of the employer.

SCHEDULE K

CENTRAL LAUNDRY SCHEDULE

The parties agree to the implementation of a twelve (12) hour shift schedule based on the following:

- (i) The permanent employees at Central Laundry will vote as to their Agreement.
- (ii) There shall be a three (3) month trial period, following which either party may opt out thus converting to current practice.
- (iii) The schedule shall be based on weekends being Saturday, Sunday, Monday.
- (iv) Providing there isn't a reduction in the number of permanent full-time employees as a result of the twelve (12) hour schedule.

SCHEDULE L

JOB SHARING GUIDELINES

The following are guidelines to assist Employers and members of N.A.P.E. in job sharing arrangements. The guidelines in no way obligate either party to enter into a job sharing arrangement, but rather provide guidance where the parties mutually agree to enter into such an arrangement. Nothing in these guidelines shall be interpreted to limit the right of any Employer and the Union to mutually agree to vary these guidelines, and nothing shall be interpreted so as to alter any existing job sharing agreements between the Union and any Employer. It is hoped that job sharing will improve the quality of life for employees who wish to avail of it.

The suggested guidelines are as follows:

- (1) that job sharing be a voluntary employee initiated arrangement;
- (2) that a job sharing arrangement be defined as one normal full-time position shared by two employees, each working 50% of the position;
- (3) that the employees have the ability to self-schedule based on one normal full-time position;
- (4) that all the benefits of the Collective Agreement be shared equally between the employees. These benefits not be any less than the part-time benefits currently outlined in the Collective Agreement, (i.e., all benefits applicable to part-time be extended to job sharing as well).

Employees who occupy a full-time position would initiate a potential job sharing arrangement and would enter into discussion with the Employer to establish the arrangement. Such an arrangement would have to be agreeable to the Employer and the Union, and the Employer would be permitted to limit the number of full-time positions available for job sharing.

Once the job sharing arrangement has been approved by the Employer for a particular full-time position, a job sharing partner would have to be located for the initial incumbent. The selection of a job sharing partner would have to be conducted via an agreed upon mechanism with the Union. Such a mechanism could include job posting as per the Collective Agreement.

Once a job sharing partner has been selected, the full-time position would be shared between the two employees on a 50-50 basis. The employees shall work 50% of the normal regular hours over a 4 to 6 week period. The employee shall be paid each pay period as if they worked 50% of the normal regular hours in that pay period regardless that the employees' self-scheduling may result in one job sharing partner working greater than 50% of the normal regular hours in the pay period being paid. This will ensure consistency for payroll and benefits. Benefits would be applied as would be for a part-time employee (ie., on a pro-rated basis).

Employees engaged in a job sharing arrangement would be permitted to engage in self-scheduling. The Employer would post the applicable work schedule as they would for a full-time employee, however, the job sharing employees would decide amongst themselves who shall work which particular shifts on a 50-50 basis. Once the work schedule has been decided upon, the employees would seek the approval of the Employer one week in advance of the commencement date of the work outlined, provided the schedule is posted two (2) weeks in advance. Shifts shall be equitably shared, unless mutually agreed (i.e., days/nights).

The employees engaged in a job sharing arrangement may be permitted to have a trial period. The trial period would be a specified period of time agreed upon between the Employer and the employees engaged in the arrangement. For reasons other than an unsuccessful trial period, should the regular incumbent of the position leave, the job should be posted in accordance with the Collective Agreement. If the employee other than the regular incumbent leaves, the regular incumbent in the position will revert back to the full-time position.

NOTE: A notice period to the Employer for the discontinuance of a job sharing arrangement should also be predetermined.

Should there be a need for leave replacement for either of the employees engaged in the job sharing arrangement, the other job sharing partner may be given the first opportunity to fill in as a replacement.

SCHEDULE M

GRIEVANCE RESOLUTION TRIBUNAL

To facilitate the resolution of outstanding grievances, the parties agree to participate in a Grievance Resolution Tribunal (the Tribunal) process on a trial basis. In order to evaluate the benefit of this process, the trial will be limited to one Health Care Board. This Tribunal process will be completed by September 30, 2002. Upon completion of the project/trial, the parties may mutually agree to apply the Grievance Resolution Tribunal process to all Health Care Boards on a continuing basis.

Should the parties complete the trial period by an earlier date, and it is mutually agreed to be successful, then the parties may commence the process in other Health Care Boards on a continuing basis.

1. The parties will mutually agree to the selection of a Chairperson for the Grievance Resolution Tribunal.
2. The Employer will select an employer representative from another Health Care Board.
3. The Union will select a union representative from another Health Care Board.
4. Grievances selected for this process shall be by mutual agreement between the Union and the Employer.
5. The Chairperson shall be responsible for the scheduling, location, and protocol of the hearings.
6. The Tribunal shall not have the power to change the collective agreement or to alter, modify, or amend any of its provisions but shall dispose of a grievance by any arrangement which they deem just and equitable.
7. Each party will have a total of one hour to present its argument and evidence to the Tribunal:
 - (a) The one hour deadline should not be rigidly applied to discussions that may lead to a satisfactory resolution of the dispute.
 - (b) Each party will make a brief opening statement followed by a rebuttal.
 - (c) The parties will be directed to focus discussions on the merits of the case.
 - (d) The calling of witnesses will be limited. However, the Union may call the grievor or representative, but not both, and the Employer may call one witness.

8. The Tribunal will adjourn immediately following the presentation of arguments. Tribunal deliberations will include discussion of the merits of the case.
9. Decisions of the tribunal must be unanimous and will be final and binding on both parties. Grievances not resolved by the Tribunal will revert back to the parties for further action.
10. Decisions of the Tribunal will be rendered as bench decisions and there will be no written record of decisions or considerations.
11. Decisions of the Tribunal will not be presented or referred to in any subsequent arbitration or tribunal process.
12. Decisions of the Tribunal are not reviewable by judicial review or otherwise.

Dear Mr. King:

***Re: Statutory Holiday Replacement**

Each year, an employee shall be entitled to designate replacement statutory holiday(s) that are days of cultural or religious significance to the employee in place of any or all of the statutory holidays outlined in the collective agreement. The Employer will endeavor to accommodate such requests and such requests shall not be unreasonably denied.

For the purposes of this letter, cultural or religious significance shall be defined as: *A day in which a religious observation is held or a day that celebrates the culture of a particular nation, people, or other social group.*

The Employee shall inform the Employer of their choice(s), in writing, prior to November 15 in the calendar year before the new designations take effect. Such notice shall state clearly which statutory holiday(s) the employee is replacing and which day(s) of cultural or religious significance, including the dates on which they occur, that they are designating in the stead of the replaced statutory holiday(s).

Where the specific date(s) of cultural or religious significance are not yet confirmed on or before November 15th in the calendar year before the new designations take effect, the Employee will notify the Employer of the day(s) of significance and will provide date(s) as soon as they become available. The Employer will endeavor to accommodate such requests received after November 15th in the calendar year before the new designations take effect, subject to operational requirements and availability of replacement staff. Requests will not be unreasonably be denied.

Such statutory holiday replacement, once designated, will not be amendable for the applicable calendar year. The Employer will grant the newly designated holiday(s) as paid day(s) off. Once designated per the above process, the newly named holiday(s) shall be the day(s) to which all rights which are normally associated with the specific statutory holiday being replaced are now applied:

- (a) The newly designated holiday days will attract all benefits of the collective agreement as if that day were the actual statutory holiday that they are designated to replace.

- (b) The replaced statutory holiday(s) will become a regular day, whether it be a workday or a day of rest, and will not attract any additional benefit previously attributable to it as a statutory holiday: all such benefits will have transferred to the designated replacement day(s).
- (c) Where the Employer does not provide service on a day described under (b) above, and where the employee is scheduled to work on that day of the week, the Employer will make reasonable efforts to provide meaningful work to the employee on that day.
- (d) Where the employer is unable to provide meaningful work on that day, the employee may access vacation, banked overtime, or other like paid banks to cover the missed day of work.

Dear Mr. King:

***Re: Public Health Emergency**

The Employer recognizes that public health emergencies may have an impact on overall government operations and service delivery, individual employees, and the residents of Newfoundland and Labrador.

The Employer further recognizes that not all public health emergencies will require the same emergency response requirements and/or public health directives and will require an evaluation of such response based on the nature of the emergency. Notwithstanding the foregoing, general principles will apply to impacted employees in the event of a public health emergency.

1) Self-Isolation

Employees directed by their Employer or Public Health – Department of Health and Community Services to self-isolate, and who are asymptomatic of a public health illness may (where applicable - this may be dependent on vaccination or other considerations deemed appropriate by the Employer) be placed on special leave with pay for the hours in which they are unable to report to work up to a **maximum of seventy- five (75) hours per year**. Employees who work less than full time hours will receive the benefit on a pro-rata basis. Temporary call-in employees who are not prescheduled, will be permitted to take special leave with pay on shifts they would have received in normal circumstances (compared to next junior temporary call-in).

Employees will not be required to provide medical documentation for this period of hours, unless there is sufficient reason on the part of the Employer to request such documentation. All other absences require employees to utilize their leave entitlements until they return to work.

2) Remote Work

Employees may be required to work remotely where the capability exists and it is operationally feasible. Special leave with pay shall only be utilized in instances where remote work is not an option.

3) Use of Sick Leave

Employees who exhibit symptoms of a public health illness and who cannot work remotely, are required to use their sick leave entitlement until they return to work. Functional Abilities Information related to accommodation requests, extensions, illness unrelated to the current public health emergency, use of long-term sick leave and attendance support planning may still be required.

4) Re-Deployment

The Parties recognize that the Employer may be required to redeploy human resources to ensure adequate and safe staffing levels, and such re-deployment shall be done in consultation with the Union.

The parties further agree to enter into agreements as necessary to address other issues arising from a public health emergency that may not be covered by this letter.

It is also agreed that the current classification plan would continue until the new plan is established.

It is agreed that the new plan began implementation on April 1, 2008. However, any wage adjustments necessary for implementation of this plan will not accrue on April 1, 2008. The total cost and the timing of any wage adjustments are to be included in negotiations to commence on Government's finalization of the new classification system.

The Unions require that a Job Evaluation Consultant (as selected by the Unions) would have direct contact with the Plan's consultant and have full access to all relevant information. This individual would also communicate with and have access to all meetings of the Steering Committee. The salary and the expenses of the Advisor would be borne by the Unions.

The ratings of the positions will be conducted by the staff of the Classification, Organization and Management Division of Treasury Board. There will be a Benchmark Committee composed of two-thirds management and one-third union representatives who will review the sampling of the ratings as they are done. The Benchmark Committee would have the authority to refer results back to the raters should they be deemed inconsistent. The final decision making authority rests with Treasury Board.

While the new Job Evaluation system is being implemented, all employees can proceed with individual reviews and appeals under the current plan. However, there will be no further occupational reviews.

Pilot Project - Daily Recall Process

The employer agrees to pilot the following within each Regional Health Authority for an eighteen (18) month period following the date of signing of this collective agreement. Either party can terminate the pilot project by giving thirty (30) days written notice to the other party. This process will replace 16.02 (c) of the NAPE HS Collective Agreement. When fulfilling the requests for temporary staff, the recall process will depend on the time available to fill the request:

- (i) Temporary employees shall provide the Employer with a primary contact phone number and may provide the Employer with one alternate contact number.
- (ii) For shifts that must be filled within one hour of commencement of the shift, or in cases where the shift is already commenced, the Employer will contact employees as per Clause 16.02 using only the priority phone numbers on file; pagers and message managers will not be utilized. No response time is allowed. The Employer will continue to attempt to fill the shift by contacting temporary employees in descending order of seniority. The Employer will exhaust the recall list before returning to contact the most senior Employee.
- (iii) Shifts that the Employer has greater than one hour but less than four hours notice prior to the commencement of the shift, the Employer will contact employees as per Clause 16.02. A 10-minute response time will be allowed, i.e. use of pager and/or message manager is allowed. The Employer will continue to attempt to fill the shift by contacting temporary employees in descending order of seniority. The Employer will exhaust the recall list before returning to contact the most senior Employee. The 10-minute response time will only exist between 0830 hours and 1630 hours.
- (iv) Shifts that the Employer has greater than four hours but less than eight hours notice prior to the commencement of the shift, the Employer will contact employees as per Clause 16.02. A 20-minute response time is allowed. The Employer will continue to attempt to fill the shift by contacting temporary employees in descending order of seniority. The Employer will exhaust the recall list before returning to contact the most senior Employee. The 20-minute response time will only exist between 0830 hours and 1630 hours.
- (v) Where the Employer requires coverage for a night shift and the next available, qualified, senior temporary employee has just worked a night shift, no call will be placed to temporary employees prior to 1400 hours. Available shifts will be held until the employees are contacted at 1400 hours.
- (vi) No calls will be placed between 2400 and 0500 hours unless an emergency situation exists.

***PILOT PROJECT – Article 15**

The parties agree that the following pilot project will be implemented between NAPE HS and three Regional Health Authorities (“the Employer”) within 3 Regional Health Authorities (“the employer”) namely Eastern Health, Central Health and Labrador Grenfell Health. The effective date of the pilot projects will be the effective date of the collective agreement.

The parties agree that the following clauses shall be used, on a without prejudice and without precedent basis, to determine the interpretation and application of Articles 15.04, 15.13 and any other relevant Articles of the NAPE HS Collective Agreement between NAPE and the Employers as it relates to the issue of start dates for HS employees whom are appointed and work in posted HS positions:

An employee offered a position shall immediately advise the Employer of their decision to accept the appointment, unless exceptional circumstances exist.

The start date for the appointment shall not exceed sixty (60) days from the date the employee accepts the position. If, for operational reasons, the start date exceeds sixty (60) days, the employee shall be paid, upon successful completion of the trial period, the applicable rate of pay and any lost hours incurred for the position effective after the sixty (60) day period.

If an employee accepts a position but subsequently accepts another position the employer will go back to the original competition file and the selection process will be restarted. In that respect, as it relates to the subsequent employee, the sixty (60) day time period will commence from the date the employee accepts the position.

The parties agree that when an employee indicates that they are preparing qualifications in accordance in clause 15.06 of the NAPE HS Collective Agreement or when accommodation needs are identified requiring a job match, the sixty (60) day time period outlined above shall be extended.

This pilot project shall be in effect one year from date of signing. One month prior to the expiry of the pilot project the parties agree to meet to discuss the effect of this interpretation and application of Articles 15.04, 15.13 and any other relevant Articles of the HS Agreement

This pilot project is subject to Clause 15.14 of the NAPE HS Collective Agreement.

The parties agree that this document does not in any manner reflect nor represent either of the parties interpretation of the relevant Articles of the HS Agreement and that upon conclusion of this Agreement, it is agreed by the parties that this Agreement shall not be used by either party to suggest same.
