Consolidated financial statements June 30, 2021

Statement of responsibility

The accompanying consolidated financial statements of the Newfoundland and Labrador English School District (the "District") are the responsibility of management and have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

The Board of Trustees [the "Board"] met with management and its external auditors to review a draft of the consolidated financial statements and to discuss any significant financial reporting or internal control matters prior to their approval of the finalized consolidated financial statements.

Ernst & Young LLP, Chartered Professional Accountants, as the Board's appointed external auditor, has audited the consolidated financial statements. The auditor's report is addressed to the members of the Board and appears on the following page. The auditor's opinion is based upon an examination conducted in accordance with Canadian generally accepted accounting standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the consolidated financial statements are free from material misstatement and present fairly the consolidated financial position and consolidated results of the District in accordance with Canadian public sector accounting standards.

Chairperson Treasurer

Independent auditor's report

To the Board of Trustees of the **Newfoundland and Labrador English School District**

Opinion

We have audited the consolidated financial statements of the **Newfoundland and Labrador English School District** [the "District"], which comprise the consolidated statement of financial position as at June 30, 2021, and the consolidated statement of operations, consolidated statement of changes in net debt and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the District as at June 30, 2021, and its consolidated financial performance, its consolidated net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the District in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the District's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the
 disclosures, and whether the consolidated financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the District to express an opinion on the consolidated financial statements. We are responsible
 for the direction, supervision and performance of the District audit. We remain solely responsible for our audit
 opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

December 17, 2021 St. John's, Canada

Notes to consolidated financial statements

June 30, 2020

1. Nature of operations

The Newfoundland and Labrador English School District [the "District"] is responsible for the operations and maintenance of all English-speaking schools in the Province of Newfoundland and Labrador. The District was formed September 1, 2013 after the Government of Newfoundland and Labrador [the "Province"] amalgamated four previous boards known as Eastern School District, Western School District, Nova Central School District and Labrador School District.

2. Summary of significant accounting policies

These consolidated financial statements are prepared in accordance with Canadian public sector accounting standards, which for purposes of the District's consolidated financial statements are represented by accounting recommendations of the Public Sector Accounting Board of CPA Canada.

These consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of accounting policies summarized below:

Basis of presentation

These consolidated financial statements reflect the assets, liabilities, revenues and expenditures of the District. This reporting entity comprises all organizations controlled by the District and accountable to the District for the administration of their own financial affairs and resources. These organizations are the corporations known as Newfoundland and Labrador Education Foundation Inc. and Newfoundland and Labrador International Student Education Inc. and the schools for which the District is accountable.

Revenue

The District's main source of funding is derived from the Government of Newfoundland and Labrador Department of Education [the "Department"]. The Department provides funding for operations, transportation, teacher salaries and severance pay. Funding for capital expenditures and major alterations and improvements is provided by the Department of Transportation and Works. Government transfers with stipulations restricting their use are recognized as revenue when the transfer is authorized, and the eligibility criteria are met. When the transfer gives rise to an obligation that constitutes a liability, the transfer is recognized in revenue when the liability is settled. Interest income is recognized as it is earned.

Expenses

Expenses are recorded on an accrual basis as they are incurred and measurable based on receipt of goods and services.

Restricted surplus

Certain operating revenues including gains on sales of tangible capital assets, which do not meet the criteria for deferred revenue, are internally restricted by the Board of Trustees [the "Board"]. Restricted funds have been recorded as revenue and transferred to restricted surplus.

Notes to consolidated financial statements

June 30, 2020

Leases

Leases that transfer to the District, substantially all of the risks and rewards incidental to ownership of the leased items are accounted for as capital leases. Assets acquired under a capital lease result in a tangible capital asset and an obligation being recorded equal to the lesser of the present value of the minimum lease payments and the property's fair value at the inception of the lease.

All other leases are accounted for as operating leases and the related payments are expensed as incurred.

Tangible capital assets

Tangible capital assets assumed by the District on September 1, 2013, as a result of legislation passed pursuant to the *Schools Act*, 1997 and the *Education Act*, were recorded based on the carrying values shown on the audited financial statements of the predecessor entities.

Tangible capital assets are amortized using the straight-line basis over their estimated useful lives, using the following rates:

Buildings	25–50 years
Furniture and equipment	5-10 years
Service vehicles	5 years
Buses	12 years
Miscellaneous	5 years

The District capitalizes items purchased during the year that are in the excess of \$15,000 and have useful economic lives extending beyond the current accounting period.

Teachers' and student assistants' payroll

The Province processes the payrolls and remits the source deductions directly to the appropriate agencies. The amounts recorded in the consolidated financial statements represent gross salaries and employee benefits as reported by the Department for the year.

Pension costs

All permanent employees of the District are covered by pension plans administered by the Province. Contributions to these plans are required from both the employee and the District. Post-retirement obligations to employees are the responsibility of the Province and, as such, the employer contributions for pensions are recognized in the accounts.

Notes to consolidated financial statements

June 30, 2020

Employee future benefits

The District's employee future benefits include accrued sick leave and other employee benefits.

Accrued sick leave

The District provides certain employees with sick leave benefits that accumulate but do not vest. The benefits provided to employees vary based upon classification within the various negotiated agreements. An actuarially determined accrued liability has been recorded in the consolidated financial statements for non-vesting sick leave benefits. The cost of non-vesting sick leave benefits is actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, long-term inflation rates and discount rates.

Accrued severance

The District had in effect severance pay policies whereby certain employees were entitled to a severance payment upon leaving employment with the District. Based on collective agreements and changes that were introduced to the severance benefit for non-union employees, employees with at least one year of eligible service were entitled to a lump sum payout of their accrued severance benefit based on pay and service.

While these scheduled payouts have been made, the eligible employees also had the option to defer their severance payouts to retirement, leaving a severance liability balance. This remaining severance liability is no longer actuarially determined at the end of each period. Instead, it is accrued based on the actual remaining payouts due.

Use of accounting estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the consolidated financial statements and the reported amounts of revenues and expenditures during the reporting periods. Areas requiring the use of management's estimates include the allowance for doubtful accounts, employee future benefits, environmental remediation costs and amortization of tangible capital assets. Actual results could differ from those estimates.

Long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the service potential may not be recoverable.

Contaminated sites

A liability for remediation of contaminated sites is recognized when an environmental standard exists, contamination exceeds the environmental standard, the District is directly responsible or accepts responsibility, it is expected that future economic benefits will be given up and a reasonable estimate of the amount can be made. An obligation is not recognized unless all criteria above are satisfied.

Notes to consolidated financial statements

June 30, 2020

3. Bond coverage

As at the consolidated statement of financial position date, the Insurance Division of Treasury Board carried fidelity bond coverage covering District employees in the amount of \$300,000 per occurrence.

4. Short-term investments

Short-term investments consist of the following:

	2021 \$	2020 \$
Term deposits and GICs	2,446,827	2,492,514
Marketable securities	276,454	215,774
School investments	11,710	49,968
	2,734,991	2,758,256

Term deposits relate to funds specifically allocated for educational purposes within the Province. These amounts are not intended for general operations of the District. Marketable securities are recorded at fair value.

5. Due from government entities

Due from government entities consists of the following:

	2021	2020
	\$	\$
Government of Newfoundland and Labrador - Operating	6,270,267	966,866
Government of Newfoundland and Labrador – HST from schools	75,852	160,875
Government of Canada – HST	808,543	603,479
	7,154,662	1,731,220

6. Prepaid expenses

Prepaid expenses consist of the following:

	\$	2020 \$
Municipal service fees	729,890	947,953
Software support and licensing	1,640,770	1,785,889
Insurance	96,106	85,568
	2,466,766	2,819,410

Notes to consolidated financial statements

June 30, 2020

7. Bank indebtedness

The District had an authorized operating demand loan of \$4,000,000, bearing interest at Royal Bank prime, less 0.65%, which was unused as at June 30, 2021 and 2020. In accordance with the *Schools Act, 1997*, the operating demand loan was supported by a letter of approval to borrow provided by the Minister of Education.

8. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities consist of the following:

	2021 \$	2020 \$
Trade payables	3,665,051	5,377,465
Accrued wages	1,426,694	2,715,534
Accrued payroll deductions	2,983,127	1,474,178
Accrued liabilities	2,620,802	1,189,203
Accrued environmental remediation	135,000	34,055
Scholarship funds	801,497	820,270
	11,632,171	11,610,705

Accrued environmental remediation costs comprise estimated site restoration and remediation costs for contaminated sites associated with school properties under the District. The liability relates to one site and is estimated at \$135,000.

9. Due to government entities

Due to government entities consists of the following:

	2021 \$	2020 \$
Government of Newfoundland and Labrador – Transportation	1,889,890	631,343

10. Due from/to related parties

The District's related party transactions occur with the Province. Transactions between the District and related parties are conducted as arm's-length transactions.

Amounts receivable and payable from/to the Province are disclosed in notes 5 and 9, respectively. Certain tangible capital assets, such as the Avalon Regional office in St. John's, are utilized by the District and are not reflected in these consolidated financial statements as legal title is held by the Province. The Province does not charge the District any amounts for the use of such assets; however, operating costs and minor alterations and improvements are the responsibility of the District.

Notes to consolidated financial statements

June 30, 2020

11. Accrued severance pay

The District provides a severance payment to employees upon retirement, resignation or termination.

Due to changes in the Newfoundland and Labrador Association of Public and Private Employees ["NAPE"] and the Canadian Union of Public Employees ["CUPE"] Collective Agreements effective March 31, 2018, severance benefits accrued as at March 31, 2018 were paid out to NAPE and CUPE employees with at least one year of eligible service. Similar changes were introduced to the severance benefit for management and non-bargaining employees through the *Salary Restraint and Extinguishment of Severance Pay Act*. Severance benefits accrued as at May 31, 2018 were paid out to employees with at least one year of eligible service. The severance payout was based on one week of salary for each full year of eligible employment to a maximum of 20 weeks.

Due to changes in the Newfoundland and Labrador Teacher's Association ["NLTA"] Collective Agreement effective March 31, 2018, severance benefits accrued as at March 31, 2018 were paid out to employees with at least one year of eligible service. The severance payout was based on 2% of annual salary for each full year of employment to a maximum of 40% of annual salary.

All employees had the option to defer payment but will not accrue any further severance benefits. There will be no change to the amount payable in future years. The amount remaining in the severance liability for the current fiscal year is comprised of these deferred payouts. This severance liability is no longer actuarially determined at the end of each period. Instead, it is accrued based on the actual remaining payouts due.

	2021	2020
	\$	\$
Teachers [NLTA]	4,990,252	7,875,929
Board employees [CUPE/NAPE/management and non-bargaining]	375,021	560,423
Total accrued severance pay	5,365,273	8,436,352

Notes to consolidated financial statements

June 30, 2020

12. Accrued sick leave

The actuarial valuation date for sick leave accruals was June 30, 2021. Discount rates are based on the PS 3250/55 Discount Rate Curve [June 30, 2020 – Province's long-term borrowing rate]. Board employees include NAPE, CUPE, Management, and non-bargaining.

Interest on the accrued benefit obligation	181,927	1,968,933	2,150,860
Actuarial gains	(999,211)	(9,640,160)	(10,639,371)
Accrued benefit obligation as at June 30, 2021	4,965,273	57,366,642	62,331,915

Notes to consolidated financial statements

June 30, 2020

The significant actuarial assumptions used in measuring the accrued sick pay benefit expense and liability are as follows:

Discount rate – liability	2.75% as at June 30, 2021
	2.65% as at June 30, 2020
Discount rate – benefit expense	2.75% in fiscal 2021
	2.65% in fiscal 2020
Rate of compensation increase	3.75% for promotions and merit, and inflation as at June 30, 2021
	3.50% for promotions and merit, and inflation [6.50% for teachers with less
	than 10 years of service] as at June 30, 2020

13. Obligation under capital leases

The District has entered into capital leases with the Royal Bank of Canada for various copiers. The principal balance outstanding as at June 30, 2021, was \$1,004,772, with a purchase option of \$1. Interest has been imputed at various rates for these leases. Total interest paid on these leases for the year ended June 30, 2021 was \$25,496.

Future minimum payments under these capital leases are as follows for the years ending:

	\$
2022	315,845
2023	269,203
2024	241,669
2025	159,068
2026	66,278
Total future minimum lease payments	1,052,063
Less amount representing interest	(47,291)
	1,004,772

14. Financial instruments

The District's financial instruments consist of cash, short-term investments, accounts receivable, accounts payable and accrued liabilities, employee benefits payable and long-term obligations. It is management's opinion that the District is not exposed to significant interest rate risk, currency or credit risks arising from these financial instruments.

Notes to consolidated financial statements

June 30, 2020

15. Deferred revenue

Deferred revenue represents funding designated for specific purposes for which the revenue recognition criteria have not been met. The funding is deferred and included in revenue when authorized and all eligibility criteria have been met, provided there are no stipulations that give rise to a liability. Changes in the funding deferred to future periods are as follows:

	2021 \$	2020 \$
Balance, beginning of year	5,945,983	6,750,121
Less amounts recognized as revenue in the year	(2,733,165)	(3,066,124)
Less amounts written off or returned during the year		(18,285)
Add amounts funded during the year	2,167,811	2,280,271
Balance, end of year	5,380,629	5,945,983

Deferred revenue comprises the following:

	2021 \$	2020 \$
Operations and maintenance	1,074,457	1,074,051
Instruction	3,536,427	3,276,053
Pupil transportation	769,745	913,959
Nunatsiavut government		681,920
	5,380,629	5,945,983

16. Restricted surplus

In 2019, the Board approved up to \$2.7 million of restricted surplus for the purchase of a new financial management system, of which \$1,252,631 has been used to date.

17. Budget

The District prepares an annual budget for approval by the Board and the Minister of Education [the "original budget"]. The original budget may change throughout the year and is updated to reflect the impact of all known service and program changes. The District provides updates to the Board on a quarterly basis, explaining any changes from the original budget. The updated budget [the "final budget"] figures are reflected in the budget amounts as presented in the consolidated statement of operations.

The budget, both original and final, do not include amounts relating to certain non-cash and other items including tangible capital asset acquisition and amortization, provincial capital and special grants and certain adjustments relating to employee future benefit accruals. The District does budget for the principal repayments on long-term debt. The District does not prepare a full budget in respect to changes in net debt as the District does not include an amount for acquisition or amortization of tangible capital assets.

Notes to consolidated financial statements

June 30, 2020

For the year ended June 30, 2021, NLESD received several allocations of one-time funding to assist with additional expenses resulting from various COVID-19 precautions including devices for remote learning, additional student transportation costs, salaries and leave relief for teachers, substitutes, school custodians, student assistants and occupational health and safety staff.

For the year ended June 30, 2021, NLESD was directed by the Deputy Minister of the Department of Education to use surplus to cover any shortfall from the utilities grant provided and actual utilities expenses.

A reconciliation between the original and final budget for the year ended June 30, 2021 is presented below:

	Revenue \$	Expenditures \$
Original regular operating budget	790,073,240	792,086,240
Adjustments relating to changes in services and programs	(1,976,340)	(1,976,340)
Total original operating budget	788,096,900	790,109,900
One-time funding	48,629,500	48,629,500
Final budget	836,726,400	838,739,400

18. Comparative figures

Certain prior-year figures have been restated for comparative purposes and to conform to the current year presentation.
