INDEPENDENT AUDITORS' REPORT

To the Board of Newfoundland and Labrador Sports Centre Inc.

We have audited the accompanying financial statements of Newfoundland and Labrador Sports Centre Inc., which comprise the statement of financial position as at March 31, 2018, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Newfoundland and Labrador Sports Centre Inc. derives revenue from donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Newfoundland and Labrador Sports Centre Inc. Therefore, we were not able to determine whether any adjustments might be necessary to donation revenue, excess of revenues over expenditures, and cash flows from operations for the year ended March 31, 2018, current assets and net assets as at March 31, 2018.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Newfoundland and Labrador Sports Centre Inc. as at March 31, 2018 and the results of its operations and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Notes to the Financial Statements Year Ended March 31, 2018

1. NATURE OF OPERATIONS

Newfoundland and Labrador Sports Centre Inc. (the "organization") was incorporated under the Corporations Act of Newfoundland and Labrador on April 3, 2008. The organization is a Provincial Crown Corporation that provides a training centre for all sports available to the youth of the Province of Newfoundland and Labrador.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The organization is classified as an Other Government Organization as defined by Canadian Public Sector Accounting Standards (CPSAS). These financial statements are prepared by management in accordance with generally accepted accounting principles for provincial reporting entities established by the Canadian Public Sector Accounting Board (PSAB). The organization does not prepare a statement of re-measurement gains and losses as the organization does not enter into relevant transactions or circumstances that are addressed by that statement.

Temporary investments

Temporary investments consist of guaranteed investment certificates with maturities of less than a year.

Capital assets

Capital assets are recorded on the Statement of Financial Position at cost and are amortized as follows:

Building	40 years	straight-line method
Equipment	5 years	straight-line method

Capital assets are written down when conditions indicate that they no longer contribute to the organization's ability to provide goods and services, or when the value of future economic benefits associated with the capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Prepaid expenses

Prepaid expenses include amounts paid in advance for services, insurance, and workers compensation and are charged to expense over the periods expected to benefit from it.

Financial instruments

The organization's financial instruments recognized in the statement of financial position consist of cash, temporary investments, HST receivable, accounts receivable, payables and accruals and promissory notes payable. The organization generally recognizes a financial instrument when it enters into a contract which creates a financial asset or financial liability. Financial assets and financial liabilities are initially measured at cost, which is the fair value at the time of acquisition.

The organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost. Receivables are classified as loans and accounts payable are classified as other financial liabilities. Both are measured at amortized cost.

The organization's carrying value of cash, temporary investments, HST receivable, accounts receivable, payables and accruals and promissory notes payable approximates its fair value due to the immediate or short term maturity of these instruments.

Notes to the Financial Statements**March 31, 2018**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenues

Government transfers with stipulations restricting their use are recognized as revenue when the transfer is authorized and the eligibility criteria are met by the organization, except when and to the extent the transfer gives rise to an obligation that constitutes a liability. When the transfer gives rise to an obligation that constitutes a liability, the transfer is recognized in revenue when the liability is settled.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Rental revenue is recognized on the accrual basis in accordance with the terms of the corresponding lease agreements.

Interest revenue is recognized on the accrual basis as earned.

Donation revenue is recognized when received.

Expenditures

Expenditures are reported on an accrual basis. The costs of all goods consumed and services received during the year are expensed.

Inter-entity transactions

Inter-entity transactions are transactions between commonly controlled entities.

Inter-entity transactions are recorded at the exchange amount when they are undertaken on similar terms and conditions to those adopted if the entities were dealing at arm's length.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions that affect the reporting amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Estimates are based on the best information available at the time of preparation of the financial statements and are reviewed annually to reflect new information as it becomes available. Measurement uncertainty exists in these financial statements. Actual results could differ from these estimates.

3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of March 31, 2018.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from customers. In order to reduce its credit risk, the organization reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of customers which minimizes concentration of credit risk.

4. PAYABLES AND ACCRUALS

	2018	2017
Accounts payable	\$ 12,004	\$ 27,668
Accrued liabilities	15,790	15,260
	\$ 27,794	\$ 42,928

5. DEFERRED CONTRIBUTIONS

Deferred contributions represent government transfers received with associated stipulations relating to specific projects or programs, resulting in a liability. These transfers will be recognized as revenue in the period in which the resources are used for the purpose specified and the liability is settled.

Notes to the Financial Statements**March 31, 2018**

6. PROMISSORY NOTES PAYABLE

- I. Promissory note payable to a private individual in the amount of \$250,000 (2017 - \$300,000), bearing interest at 3.95% annually with monthly interest payments.
- II. Non-interest bearing promissory note payable to a private individual in the amount of \$Nil (2017 - \$236,000). This has been repaid during the year.

Payments will be applied first to the non-interest bearing promissory note and then to the interest bearing promissory note.

Principal repayment terms in respect of the promissory notes to a private individual are as noted below:

- Payment of the amount of funding received from the Government of Newfoundland and Labrador allocated solely for the extension to the Centre and the Benvon's Room.
- Payment of the HST rebate received on the extension to the Centre and the Benvon's Room.
- Annual payment of the income received from the rental of the Benvon's Room to a maximum of the Centre's Adjusted Annual Surplus (calculated as the annual surplus per the Statement of Operations and Accumulated Surpluses plus annual amortization expense)
- Additional principal payments at the discretion of the Board.
