Those appellants not in agreement shall be provided an opportunity for individual review, as soon as practical following the determination of a consolidated appeal.
18. When the Classification Appeal Adjudicator renders a decision on those factors challenged on the basis of the written documentation, notification of such decision on those factors challenged shall be forwarded to the Classification and Organizational Design Division. The Classification and Organizational Design Division will notify and provide the necessary authority to the employing agency as well as provide a copy of the Classification Appeal Adjudicator's decision and the impact, if any, on the position to the appellant and their designate.

HEALTH INSURANCE BENEFITS FOR MEMBERS AND DEPENDENTS

Hospital Benefit

If you or any of your insured dependents are confined in a hospital coverage is provided at 100% to a covered maximum of \$85 per day.

Prescription Drug Benefit

The program will pay the ingredient cost of eligible drugs (including oral contraceptives and insulin), you are responsible to pay the co-pay, which will be the equivalent of the pharmacists dispensing fee plus any applicable surcharge over the ingredient cost. The drug plan provides coverage for most drugs which require a prescription by law, however, but does not provide coverage for over-the-counter drugs, cough or cold preparations or nicotine products. The Government of Newfoundland and Labrador, through a consultation process with the insurer and drug experts, determines the drugs that are covered under the plan, and typically follows the recommendations of The Canadian Expert Drug Advisory Committee. There is no guarantee or obligation expressed or implied that all drugs recommended by physicians will be covered by the plan. Some drugs may require special authorization, details of the special authorization process are outlined in the online “GNL Summary of Benefits” booklet. Please see change to retirement benefits for employees hired on or after April 1, 2020.

Vision Care Benefit

You and your insured dependents are covered for the following vision care expenses:

- a. Eye examinations, including refractions, when they are performed by a licensed ophthalmologist or optometrist, and coverage is not available under your public health plan in your province of residence. The maximum covered expense is \$70 in a calendar year for a dependent child under age 18 and \$70 every 3 calendar years for any other person. Expenses for eye examinations are reimbursed at 80%.
- b. Adults (18+) one pair of glasses/contacts every 3 calendar years, reimbursed at 100% to a maximum of \$250 regardless of lens type.
- c. Dependent Children (17 and under) if there is a change in prescription, one pair of glasses/contacts every calendar year, reimbursed at 100% to a maximum of \$250 regardless of lens type.

- d. Coverage for Laser Eye Surgery when performed by a licensed ophthalmologist. Maximum covered expense is \$450 in a person's lifetime. No benefits will be paid for glasses or contact lenses purchased within 6 calendar years of the date of a claim for laser eye surgery.
- e. Up to 100% of eligible expenses to a maximum of \$250 every 2 calendar years for the purchase of contact lenses prescribed by a licensed ophthalmologist for severe corneal astigmatism, severe corneal scarring, keratoconus or aphakia, provided vision in the better eye cannot be corrected to the 20/40 level by glasses. Dependent children will be eligible for this benefit once in any calendar year, provided that a change in the strength of the prescription is required.
- f. One pair of eyeglasses when prescribed by an ophthalmologist, optometrist, or optician following non-refractive eye surgery, limited to a maximum covered expense of \$200 in a person's lifetime; and
- g. 50% of the cost of visual training or remedial therapy.

Pre-authorization is required for the rental and/or purchase of all durable equipment and all Nursing Care/Home Care benefits. Certain dollar amounts or time period maximums apply. It is important to note that reimbursement under the extended health care benefit is made at 80% of covered eligible expenses up to \$5,000; expenses over \$5,000 and less than \$10,000 are reimbursed at 90%, and expenses over \$10,000 are reimbursed at 100% in any calendar year. A person with an existing medical condition must be stable for 3 months prior to travelling. Stable means there has been no period of hospitalization, no increase or modification in treatment or prescribed medication, or no symptom for which a reasonably prudent person would consult a physician. Stable dosage does not apply to diabetics.

Children of your spouse are considered dependents only if:

- they are also your children; or
- your spouse is living with you and has custody of the children

This plan does not cover a spouse or dependent child who is not a resident in Canada nor does it cover any child who is working more than 30 hour per week, unless the child is a full-time student.

Eligibility

- all full-time permanent employees working a regular work week are required to participate on the first day of employment
- all part-time permanent employees working a minimum of 50% of the regular work week are required to participate from the first day of employment
- all full-time temporary employees, if hired for a period of more than three months, are required to participate from the first day of employment. Full-time temporary employees who are hired for a period of less than three months, who have their contract extended for an additional period of at least three months, are required to participate on the date of notification that their employment was extended.
- contractual employees, coverage subject to the insurance policy eligibility rules and the specific provisions of the employment contract.

Retiree Benefits:

- eligibility and premium share for retired employees is outlined in the Letter of Understanding “Other Post-Employment Benefits (“OPEB”) Eligibility.
- employees who elect early retirement will continue to be insured under the program as if active employees. Group life and accidental death and dismemberment insurance benefits will be calculated on the annual superannuation benefits. Optional Long Term Disability and Critical Illness will terminate. Basic Life and Basic AD&D coverage will be reduced on the first of the month following the date of retirement or age 65, whichever occurs first.
- for retirees, upon attainment of age 65, all basic life and optional life insurance policies terminate. At age 65, if you have been insured for a period of five years immediately prior to your 65th birthday, you may be eligible for a reduced paid-up life insurance policy on the first of the month following attainment of age 65, which will remain in force throughout your lifetime. You may also be eligible to continue your supplementary health and group travel insurance plans on a 50/50 cost-shared basis.
- Please note: All employees hired on or after **April 1, 2020**, upon retirement from government, will have different supplementary health coverage. Drug costs will be

reimbursed at 70 per cent on ingredient cost only, with dispensing fees paid by members, up to an out of pocket maximum of \$4,000 and reimbursed at 100 per cent thereafter. Other non-drug benefits will have a \$1,500 maximum coverage.

- Employees hired on or before March 31, 2020 will continue to have drugs covered at 100% of ingredient costs for approved drugs and will not be restricted to the \$1,500 cap on non-drug benefits in retirement.
- Notwithstanding the above, government maintains its right to administer and/or modify the post-employment group insurance programs.
- In the event of your death, your surviving spouse and any insurable dependent children, who on the date of your death was insured under the plan, may have the option of continuing in the group insurance program.

EMPLOYEE AND RETIREE RESPONSIBILITY

You should note that you have responsibilities to fulfill. Your responsibilities include, but are not limited to, the following:

- For ensuring that you have applied for the coverage you wish to have for yourself on your enrolment forms and your dependents within the appropriate time frames.
- To change your coverage from single to family within the appropriate time frame. If the coverage is not changed within 12 months of acquiring your first eligible dependent an Evidence of Insurability on Dependents is required for approval.
- To add a spouse to this plan in the event that he or she loses coverage under another plan within a 31 day period following the loss of coverage to avoid having to provide medical evidence.
- For examining payroll deductions for each pay period for all group insurance benefits. Examples would include family versus single coverage and optional benefit premiums particularly when you have requested changes in coverage and at the annual renewal date when the premiums are adjusted. This will ensure accuracy and allow for corrections on a timely basis. Coverage details can be confirmed through pay stubs, your plan administrator, Employers online benefit statements (where available), and the insurance carrier (by visiting www.canadalife.com and signing into Groupnet for plan members or by calling 1-844-349-5656).
- For amending your coverage to delete any coverage you no longer require. Contributions which you have paid are not refundable if they were consistent with the application on file.
- For effecting conversion of the coverage eligible to be converted upon the earlier of termination of employment or at age 65.

- For accurately completing the necessary forms required for continuing benefits while on maternity leave, sick leave, special leave without pay, retirement, etc. It is extremely important these arrangements be made prior to commencing eligible leave. For continuation of group life and health insurance while on temporary lay-off or on unpaid leave you are responsible for the payment of the full premium amount (Employer/employee contributions) and failure to remit will result in termination of coverage. You are also responsible for the payment of the full premium amount (Employer/employee contributions) if you are a temporary/hourly employee and you maintain benefits during a pay period when you have not worked and have not received pay. Failure to remit premiums will result in the termination of coverage.
- For providing appropriate claim information necessary to process LTD and/or Waiver of Premium claims as well as to ensure notice of claim/proof of claim where necessary has been provided within appropriate time frames as required under the contract.
- For providing appropriate medical information necessary to add a dependant as functionally impaired to continue their coverage beyond the age a dependant would otherwise terminate based on contract guidelines
- For completing the appropriate forms accurately, completely, and within applicable timeframes for such things as change of address, addition or deletion of a dependent, and other significant matters that can change or otherwise affect your coverage.
- To register overage student dependents between age 21 and 25 at the beginning of each school year. Failure to do so may impact coverage.
- Reviewing the online employee benefit booklet, contacting the insurance carrier and/or your organization's plan administrator to ensure you have a sound knowledge of the benefits available, extent of coverage, eligibility criteria, exclusions, restrictions, medical underwriting requirements, conversion options, continuation of benefits, predeterminations and other important requirements of the program.
- Providing proof of the purchase of pension service that may reduce LTD premiums. Premiums will only be adjusted when the plan administrator has been notified and received verification despite the date the purchase may have occurred.
- For notifying your plan administrator if the deletion of an overage dependant requires a change in your premiums from family to single coverage.

MEMORANDUM OF UNDERSTANDING

Re: Nurses Committee

The parties acknowledge that the Registered Nurses' Union Newfoundland and Labrador (RNUNL) have indicated that they have issues of concern unique to Nurses who live and work in Labrador and that the RNUNL will attempt to address these concerns through a committee which will be established subsequent to these negotiations.

MEMORANDUM OF UNDERSTANDING

Re: Labrador Benefits Agreement - Interpretation

In an effort to clarify the interpretation of certain items contained in the Labrador Benefits Agreement the parties agree to the following:

- 1) Article 4.2(b) refers to employees who terminate employment, (i.e. are not on layoff status and do not have recall rights). These employees have their Travel Allowance paid out based on the hours worked in the current year and it shall be paid out at the rate in effect on the date employment is terminated.
- 2) For the purposes of Article 4.4 it is agreed that an employee may refuse to claim the employee benefit if it is to their benefit to have their spouse claim them as a dependant. Employees who exercise this option will not be entitled to any portion of the Employee Travel Allowance. It is incumbent on the employee to communicate this choice to their respective Employer(s).
- 3) Notwithstanding Schedule A, the following employee shall be entitled, on a without prejudice basis, to the rates applicable to Mud Lake as long as they remain within the employ of their current Employer and continue to permanently reside in Mud Lake:
Vyann Kerby, Health Labrador Corporation

This agreement is effective from April 1, 2013 and shall expire upon the renewal of the Labrador Benefits Agreement expiring March 31, 2016.

- 4) For the purposes of clarification and in accordance with Article 3.1 (Labrador Allowance), Article 4.1 (Travel Allowance) and Article 9.1 (Definitions), benefits are applicable for the fiscal year (April 1 to March 31) in which a dependent reaches 18 years of age or 24 years of age, if the dependent is in full time attendance at a school or post-secondary institution. Full time attendance shall be determined by the educational institution in which a dependent is registered.

For example:

If a dependent reaches 18 years of age on January 1, 2011 and is no longer enrolled as a full time student in a post secondary institution, they would be eligible for the travel benefit payable April 15, 2011.

SCHEDULE I

DEFERRED SALARY LEAVE PLAN HEALTH CARE

(effective January 1, 1995)

1. Definitions
2. Introduction
3. Administration
4. Eligibility
5. Enrolment
6. Salary Benefits During Deferral and Leave Periods
7. Withdrawal from the Plan
8. Returning from Leave

DEFERRED SALARY LEAVE PLAN

It is the Employer's policy that, where possible, all employees have access to a deferred salary leave plan, designed to help plan and finance a leave of absence for periods of 6 - 12 months. The deferral period may not exceed six years.

1. Definitions

Review Committee: a committee, comprised of members representing the Employer and employee groups, which will review issues related to the Plan

Deferral period: that period of time during which participating employees defer a portion of their salary

Leave Period: that period of time, immediately following the deferral period, during which participating employees are on a leave of absence from work

Taxation year: based on a calendar year January 1 to December 31 (inclusive)

2. Introduction

The Deferred Salary Leave Plan permits employees to finance a leave of absence by deferring a maximum of 33 1/3% of their salary (before deductions) in a taxation year. The period over which employees may defer their salaries may not exceed six years.

The deferred portions of employees' salaries are deposited into an account with the Government of Newfoundland and Labrador. This account accrues interest which must be paid at the end of each calendar year. Because this interest is considered to be income from employment, it is subject to income tax for the year in which it was earned. The interest rate, on the deferred portion of employees' salaries will be the rate of interest earned by Government on its bank accounts.

The minimum leave period is six (6) months, except where the employee is attending a designated educational institution on a full time basis; in this case the minimum period of leave is three months. The maximum period of leave is twelve (12) consecutive months, starting immediately after the salary deferral period.

Revenue Canada regulates all deferred salary leave programs and has the ability to cancel any Employer plan if the regulations are violated. For taxation purposes Revenue Canada requires that at the end of the leave period, employees return to the Employer under whom they participated in the deferred salary leave program for, at least the same amount of time as the leave period. As such, the Deferred Salary Leave Plan cannot serve as an early retirement program.

3. Administration

The Deferred Salary Leave Plan will be administered by the Government Accounting Division of Treasury Board and the Personnel Department of the Employer. The Chief Executive Officer will be responsible for approving deferred salary leave for employees who wish to use the plan. Approval forms will be sent to the Payroll Department where employees will be set up on the deferred salary payroll. The system will calculate the deferred portion of employees regular pay cheques. This deferred portion will then be transferred into an interest bearing account.

Employees who wish to opt out of the plan must inform their Chief Executive Officer in writing. The Chief Executive Officer will then forward this information to the Review Committee who will review the case and decide if it can be approved. The committee will consist of representation from:

Government Accounting Division, Treasury Board
Personnel Policy Division, Treasury Board
Collective Bargaining Division, Treasury Board
Debt Management Division, Finance
The Employer
NLHBA
Union Involved

The Committee will meet on a regular basis to approve requests to withdraw from the plan and/or address any other issues that are not directly dealt with in this policy.

4. Eligibility

Permanent employees with a minimum of twelve (12) months continuous service may apply for enrolment in the Deferred Salary Leave Plan.

5. Enrolment

Employees must make written application to their Chief Executive Officer, providing as much advance notice as possible (preferably at least three (3) months).

Employees will be informed of their approval to participate in the Plan within three months of their request. Approval of requests is dependent on the operational requirements of the department during the employee's anticipated absence.

Table I demonstrates the various Plan options: the amount of salary an employee would have to defer; the period of time over which the salary is deferred; the year in which the leave of absence is to be taken; and the employee's average wage over the entire period of Plan participation.

TABLE I

PLAN OPTION	PERCENTAGE OF SALARY DEFERRED	DEFERRAL PERIOD	LEAVE PERIOD	% OF NORMAL SALARY DURING PLAN
1 over 1.5	33 1/3%	1 year	2nd year (6 months.)	66 2/3%
2 over 3	33 1/3%	2 years	3rd year	66 2/3%
3 over 4	25%	3 years	4th year	75%
4 over 5	20%	4 years	5th year	80%
5 over 6	16 2/3%	5 years	6th year	83 1/3%
6 over 7	14%	6 years	7th year	86%

Over the period of Plan participation, employees' salaries plus the percentage of salaries deferred must equal 100% of employees' pre-plan salaries. For example, employees who choose the 3 over 4 option must defer 25% of their salaries over a 3 year period resulting in a net salary, over 4 years, of 75% of their pre-plan salaries.

6. Salary And Benefits During Deferral and Leave Periods

During the deferral period, employees continue to receive their normal salary less the amount they have chosen to contribute to the Plan.

During the leave period, employees' gross annual salaries will consist of the sum of the contributions made to the Deferred Salary Leave Plan during the deferral period, plus interest. Salary will be received through the normal payroll procedures.

Income tax information slips (T4) for the completion of participating employees' tax return will reflect that portion of salary actually received in the taxation year.

The interest earned on the deferred portion of employees salaries will be considered to be employment income. This interest amount is taxable as employment income and will be included on T4 slips. Income tax information slips will be issued yearly as the interest is paid.

Employment status will be that of leave without pay. The provisions and cost-sharing arrangements for employee benefits will be consistent with the appropriate sections of the Employer policies and Collective Agreements. Appendix I outlines the effect the Deferred Salary Leave Plan will have on all benefit/deduction programs during both the deferral and leave periods.

While on leave, no payments will be made for:

- overtime;
- call back;
- stand-by;
- automobile allowance;
- Labrador allowance;
- sick leave;
- family responsibility leave;
- annual leave;
- paid leave;
- statutory holidays; or,
- any other monetary compensation provided to employees who are at work.

No annual leave, sick leave or paid leave credits will be issued by the Employer while employees are on the leave period portion of the Deferred Salary Leave Plan. This time will not be counted toward the requirements for service to achieve additional annual leave or paid leave credits. The leave period, however, will not be considered a break on service.

Employees may purchase their leave period for pension credits upon their return to work.

7. Withdrawal From The Plan

Once approved for participation in the Deferred Salary Leave Plan, employees may withdraw from the Plan, prior to the leave period, only under exceptional circumstances such as:

- extreme financial hardship;
- death;
- total and permanent disability;
- transfer to another position where Plan participation is not approved; and/or
- lay-off, termination or resignation.

Employees who withdraw from the Plan will receive a refund of their contributions plus the accrued interest on the contributions. Refunds will be made within 50 days of the approval to withdraw from the Plan.

The lump sum payment refunded to the employee is subject to Canada Pension Plan contribution (retroactive to the beginning of the deferral period).

Unless specifically requested by the employee, the Employer will apply the lump sum income tax rate to the refund amount.

8. Returning From Leave

Employees returning from their leave periods will be:

- assigned to the same or equivalent position held prior to going on leave; and
- eligible for the same step in the salary scale that they were paid prior to going on leave.

SCHEDULE J

JOB SHARING

In accordance with the letter regarding job sharing on page 136 of the RNUNL Collective Agreement signed January 13, 1995, below are guidelines to assist Employers and nurses in job sharing arrangements. The guidelines in no way obligate either party to enter into a job sharing arrangement, but rather provide guidance where the parties mutually agree to enter into such an arrangement. Nothing in these guidelines shall be interpreted to limit the right of any Employer and the union to vary these guidelines, and nothing shall be interpreted so as to alter any existing job sharing agreements between the Union and any Employer. It is hoped that job sharing will improve the quality of life for nurses who wish to avail of it.

The suggested guidelines are as follows:

- 1) that job sharing be voluntary employee initiated arrangement;
- 2) that a job sharing arrangement be defined as one normal full-time position shared by two nurses each working 50% of the position;
- 3) that the employees have the ability to self-schedule based on one normal full-time rotation;
- 4) that all the benefits of the collective agreement be shared equally between the nurses. These benefits not be any less than the part-time benefits currently outlined in the collective agreement, (ie. all benefits applicable to part-time be extended to job sharing as well).

Employees who occupy a full-time position would initiate a potential job sharing arrangement and would enter into discussion with the Employer to establish the arrangement. Such an arrangement would have to be agreeable to the Employer, and the Employer would be permitted to limit the number of full-time positions available for job sharing.

Once the job sharing arrangement has been approved by the Employer for a particular full-time position, a job sharing partner would have to be located for the initial incumbent. The selection of a job sharing partner would have to be conducted via an agreed upon mechanism. Such a mechanism could include job posting as per the collective agreement, or via a "job sharing register". The selection of a job sharing partner would be as per Article 24 of the RNUNL Collective Agreement.

Once a job sharing partner has been selected, the full-time position would be shared between the two employees on a 50-50 basis. The employees shall work 50% of the normal regular hours over a 4 to 6 week period. The employee shall receive a cheque each pay period as if they worked 50% of the normal regular hours in that pay period, regardless that the employee's self-scheduling may result in one job sharing partner working greater than 50% of the normal regular hours in the pay period being paid. This will ensure consistency for payroll and benefits. Benefits would be applied as would be for a part-time employee (ie. on a pro-rated basis).

Employees engaged in a job sharing arrangement would be permitted to engage in self-scheduling. The Employer would post the applicable work schedule as they would for a full-time employee, however, the job sharing employees would decide amongst themselves whom shall work which particular shifts on a 50-50 basis. Once the work schedule has been decided upon, the employees would notify and seek the approval of the Employer one week in advance of the commencement date of the work outlined, provided the schedule is posted two (2) weeks in advance.

The employees engaged in a job sharing arrangement would be permitted to have a trial period. The trial period would be a specified period of time agreed upon between the Employer and the employees engaged in the arrangement, during which time either employee would be permitted to revert to their former position. For reasons other than an unsuccessful trial period, should one of the employees engaged in job sharing wish to discontinue the arrangement the following options may be offered:

1. The full time position may be offered to the remaining employee.
2. The remaining employee may request to have the job sharing arrangement continued, and a new job sharing partner selected.

NOTE: These options should be discussed, between the Employer and the job sharing partners, and agreed upon prior to the approval of the job sharing arrangement. A notice period to the Employer for the discontinuance of a job sharing arrangement should also be pre-determined.

Should there be a need for annual leave or sick leave replacement for either of the employees engaged in the job sharing arrangement, there will be no requirement for the other job sharing partner to fill in as a replacement. However, the option should be given to the employees to replace one another for annual leave purposes. Should the employees agree to this practice, the Employer must be notified. In the case of sick leave replacement, the Employer would be expected to replace as normal for short term sick leave. For long term sick leave, the job sharing partner could be given the option to cover the shifts.

SCHEDULE K

SENIORITY NUMBERS

The following schedule outlines a pilot project for the development of a seniority number system for employees who are members of RNUNL.

PART A

1. In order to simplify the method of calculating seniority, each employee of each Regional Board will be assigned a “seniority number” based upon a formula outlined in this agreement. The assignment of this number in no way affects any part of the collective agreement or transition agreement(s) except as specifically outlined in this schedule. The introduction of the seniority numbering system is intended only as a means of recording seniority.
2. Each Employer agrees to post a seniority list showing seniority recorded in hours as well as dates of hire. If the employee protests their seniority, they must submit a written request for a review of their seniority within two (2) months of posting of the seniority list. This review must be completed by the Employer within six (6) months from date of posting of the seniority list. This list will show seniority up to and including September 30, 1999, (December 31st, 1996 for employees of The Western Health Care Corporation Institutions Board and Community Health Western), or the last pay day in September, 1999, depending on which date the individual Employer has traditionally used to calculate seniority for the purposes of meeting the Employer’s obligations under Clause 23.02 of the collective agreement. Seniority for all employees will be adjusted, where necessary, to ensure that no employee has an advantage by reason of different schedules/pay periods etc. as of the applicable date.
3. In addition to all permanent employees in permanent positions, for the purposes of the initial assignment of seniority numbers, “permanent employees” shall include:
 - (a) all permanent employees on layoff status who have retained recall rights;
 - (b) all permanent employees occupying temporary positions while retaining their permanent status;
 - (c) all permanent employees on approved leaves of absence;
4. As of effective date of new agreement, the seniority of all employees, excluding employees of The Western Health Care Corporation Institutions Board and Community Health Western, shall be considered capped as of September 30th, 1999, or the last pay day in September, 1999, depending on which date the individual Employer has traditionally used to calculate seniority for the purposes of meeting the Employer’s obligations under Clause 23.02 of the collective agreement. All employees other than permanent employees shall be considered to have seniority based on their respective dates of hire. All references to seniority in the collective agreement and transition agreement(s) shall be considered to be references to an employee’s seniority as of September 30th, 1999 (December 31st, 1996 for employees of the

Western Health Care Institutions Board and Community Health Western), or the last pay day in September, 1999, depending on which date the individual Employer has traditionally used to calculate seniority for the purposes of meeting the Employer's obligations under Clause 24.02 of the collective agreement, or an employee's date of hire, as applicable, until such date as seniority numbers are actually assigned by the particular Employer. The introduction of seniority numbers will not be used retroactively.

5. Following the protest period, all permanent employees will be issued a seniority number. The permanent employee with the most seniority hours will be issued number "1" and so on down the applicable seniority list. Once all permanent employees have been issued seniority numbers, employees holding casual or temporary status as of September 30th, 1999 (December 31st, 1996 for employees of The Western Health Care Institutions Board and Community Health Western), or the last pay day in September, 1999, depending on which date the individual Employer has traditionally used to calculate seniority for the purposes of meeting the Employer's obligations under Clause 24.02 of the collective agreement, will be issued a seniority number based on date of hire and will retain this number even if they eventually obtains permanent status after the applicable date. All new employees hired after the applicable date will then be issued seniority numbers based on their respective dates of hire. The lower the seniority number, the higher will be the employee's seniority.
6. Two or more Employers in a geographic region may elect to issue consecutive numbers to make provisions to accommodate existing clauses in transition agreements, or to simplify possible future amalgamations. Should two or more Employers issue consecutive numbers, separate seniority lists shall be maintained at any site where the collective agreement or transition agreement(s) require separate seniority lists. The seniority list(s) for those sites shall only reflect the names, dates of hire, seniority by classification and seniority numbers of those employees employed at that site.
7. Notwithstanding Paragraph 6 above, should the Union and the Employer make future agreement(s) to amalgamate seniority lists, the amalgamations can be accomplished by subdividing existing seniority numbers. (E.g. 16A, 16B, etc.)
8. When employees have the same number of seniority hours, or the same dates of hire, the order of seniority will be determined by drawing names from a hat based on procedures established in consultation with the union.
9. The Union agrees that after the "protest period", there will be no further requests to check seniority hours. The Union and the Employer(s) will work jointly to ensure that all employees are made aware of the importance of verifying their seniority/date of hire before the issuance of seniority numbers.
10. Issues concerning private agreements relating to seniority for leaves of absence applicable to one or more sites under a particular Employer will be discussed between the local Employer and the Union, with the intention that all Employees be treated equally.
11. This agreement may be terminated by either party with the provision of six (6) months written notice. The parties agree to meet during the first two (2) months of the notice period to attempt to resolve any differences that may arise.

12. Should the Employer or the union elect to revert to a system based upon hours:

1. All employees who held seniority as of the applicable date (December 31st, 1996 for employees of The Western Health Care Institutions Board and Community Health Western), will be credited with additional seniority based upon full time hours from the applicable date (December 31st, 1996 for employees of The Western Health Care Institutions Board and Community Health Western), for the duration of time the seniority numbering system was in effect.
2. All other employees hired after the applicable date will be credited with seniority based upon full time hours from their respective dates of hire, for the duration of time the seniority numbering system was in effect.

This will ensure that all employees who held seniority as of the applicable date (December 31st, 1996 for employees of The Western Health Care Institutions Board and Community Health Western), will be placed in the same relative positions on the seniority list(s) as they would have been in had the seniority numbering system not been introduced.

3. Subject to the provisions of Clause 10 of Appendix D, the Seniority Number Agreement in the Western Transition Agreement, employees who have accepted part-time or job sharing positions in reliance on the seniority numbering system, will be given the opportunity to revert to their previous employment status in accordance with the layoff and recall provisions in effect with their particular Employer, until June 30th, 2001.

If either party serves notice of terminating the seniority by number pilot project, the employees who wish to revert to their previous employment status shall notify the Employer in writing of their desire to do so within one (1) month of the formal notice being served. Should the Employer give notice to terminate the agreement in the 30 days prior to June 30th, 2001, employees will still have 30 days in which to give notice of their desire to revert to their previous employment status.

13. The Union and the Employer may extend this pilot project (excluding Clause 12.3) into the next collective agreement or may agree to make seniority numbering a permanent method of recording seniority.

PART B

Language will be added to the applicable clauses of the collective agreement and will supercede the existing clauses while the seniority numbering system is in effect. The new language will replace references to the word “seniority” with the words “seniority number”.

The intent is to outline both the old and the new clauses in the body of the collective agreement. This will eliminate the need to refer to the schedule to find the applicable clauses.

BETWEEN

HER MAJESTY THE QUEEN IN RIGHT OF NEWFOUNDLAND

This agreement made this 26th day of February two thousand and nine in accordance with Clause 40.02 of the Collective Agreement between Her Majesty the Queen in Right of Newfoundland and Labrador (represented herein by the Treasury Board), the Newfoundland and Labrador Health Boards Association, and the Newfoundland and Labrador Nurses' Union (NLNU), herein referred to as the Collective Agreement. It is recognized that if there is any conflict with the Collective Agreement the Transition Agreement shall apply unless otherwise specified herein. This Agreement governs all members of the NLNU who are employees of the Eastern Regional Integrated Health Authority (referred herein as the Employer).

It is further recognized that effective the date this Transition Agreement comes into effect, the three transition agreements and their associated letters of understanding with each of the Employer's Legacy Organizations, as outlined below will be repealed and replaced with this Transition Agreement:

- Transition Agreement between Avalon Health Care Institutions Board and The Newfoundland and Labrador Nurses' Union; dated May 8, 1997.
- Transition Agreement between The Health Care Corporation of St. John's and The Newfoundland and Labrador Nurses' Union; dated June 7, 1996.
- Transition Agreement between Peninsulas Health Care Corporation and The Newfoundland and Labrador Nurses' Union; dated July 2002.

1. Bargaining Unit Structure

- 1.1. As per the order of the Labour Relations Board (LRB) dated July 16, 2008 (the LRB Order), a copy of which is attached as Schedule "A", it was determined that there be established a single Nurses (NS) bargaining unit in the classifications covered by the NLNU and the St. John's Home Care Program Collective Agreements, but not including Nurses employed at the Agnes Pratt Home, Pentecostal Senior Citizens Home, St. Luke's Home, St. Patrick's Mercy Home and the Salvation Army Glenbrook Lodge; and that the seniority lists for the existing twelve (12) Nurses (NS) bargaining units be dovetailed into a single seniority list for the Nurses (NS) bargaining unit.
- 1.2. The reference throughout the Collective Agreement to bargaining units refers to employees who are NLNU members as defined by the Collective Agreement at all sites operated by the Employer as one single bargaining unit.
- 1.3. The Employer will post the new single seniority list in all work sites prior to January 1st, 2010. Subject to protests and grievances the new single seniority list will be effective January 1st, 2010.

Seniority will be transferred to the new single bargaining unit recognizing the following principles:

- a. Employees whose names appear on more than one existing seniority list may combine their seniority providing that no employee will be credited with more than equivalent full time hours in any calendar year.

- b. Article 38.04 (a) and (b) of the Collective Agreement between the parties executed June 20th, 2009 (the Collective Agreement) will be applied. Employees who dropped a Step(s) on the salary scale by reason of the resignation(s) referenced in Article 38.04(a) and (b) shall have their former step reinstated with full retroactivity.
 - c. Article 38.04 of the Collective Agreement will not apply to employees who resign after January 1st, 2010.
 - d. The parties agree that within two (2) months of the date of signing of this Transition Agreement, the Employer and the Union will review grievances related to these issues and where the only issue was the loss of seniority which is being reinstated by this agreement, the grievance(s) shall be withdrawn.
- 1.4. Employees will have two (2) months from the date the seniority list is posted to submit a protest in writing to the Human Resources Department outlining the specific reason why they feel their seniority to be incorrect. The Human Resources Department will have five (5) months from when the seniority protest was received to provide the employee with a written response outlining the outcome of their seniority protest and the detail of what adjustments, if any, were required. A copy of the response will be copied to the employees' personal file.

A revised seniority list incorporating corrections will be posted by August 31st, 2010.

Once the initial protest period has elapsed, all future protests will be completed in accordance with Article 24.03 of the Collective Agreement. Subject to the mutual agreement to the contrary, where displacement or staff changes have occurred, it will not be altered due to the discovery of errors not brought to the attention of the Employer during the protest period.

- 1.5. If the situation should develop whereby two (2) or more employees have the same seniority, the seniority shall be broken by random draw, i.e. drawing names from a hat. A Union representative, together with the individuals whose names are in the hat, or designates, may be present with management when the draw takes place.
- 1.6. As of April 1, 2005, the employees referenced in the LRB Order were transferred to the Employer. The Employer recognizes the service of each of the employees as it was recognized by the previous Employers prior to the new organization assuming governance.

2. Staff Changes

- 2.1. Effective January 1st, 2010, when filling permanent vacancies they shall be filled on the basis of one region wide bargaining unit and one single seniority list in accordance with Article 25 of the Collective Agreement.

2.2. Effective January 1st, 2010, when filling temporary vacancies which exceed or are expected to exceed 6 months they shall be filled on the basis of one region wide bargaining unit and one single seniority list in accordance with Article 25 of the Collective Agreement.

2.3. All employees will be assigned a primary site of work. It is recognized that certain employees may be required to work on a multi-site basis or have region-wide responsibilities. These individuals will be given written notification of this requirement. All other situations will be dealt with in accordance with Article 25:09 of the Collective Agreement.

2.4. Permanent Employees in Temporary Positions

Subject to the approval of the Employer, a permanent employee who applies for and is accepted for a temporary position in accordance with 2.2 above, may revert to their former position upon completion of the temporary position. When Employer approval is obtained, permanent employees obtaining temporary employment shall maintain their permanent positions. The Employer shall notify the employee in writing of its decision to grant or deny position protection before the employee accepts the temporary work.

If there is a need to fill the individual's permanent position while the employee is in the temporary position, it will be filled on a temporary basis only and the Union agrees to waive the definition of "Temporary Employee" found in Clause 2.01(w) of the Collective Agreement for this purpose only.

3. Transfer of Services Within Eastern Health

3.1. For the purpose of this Article, a service transfer is the transfer of a service from one physical location to another within Eastern Health. Service Transfer does not include a change in the management reporting structure or a location change within the same facility or site operated by the Employer.

3.2. Eastern Health reserves the right to transfer staff as a result of service transfer. Employees who are transferred shall retain seniority, service, and other recognized earned and portable benefits.

3.3. Employees who are affected by service transfer shall not have access to lay-off or displacement options unless:

3.3.1. there is an associated downsizing of positions within the service, or

3.3.2. the service is being transferred to a worksite located 85 kms (driving distance) or greater from the employee's current worksite.

3.4. Where there is an associated downsizing of positions within the service the Employer will offer nurses, on the basis of seniority, the choice of transferring within the service or accessing lay-off / displacement. If there are not enough nurses interested in transferring

with a service the Employer reserves the right to transfer nurses commencing with the most junior nurse.

Employees considering accepting layoff should fully explore the Employment Insurance implications before exercising this option.

- 3.5. Eastern Health will select employees on the basis of seniority when examining transfers to comparable positions within the service.
- 3.6. Eastern Health will provide a familiarization period up to but not exceeding two weeks, to the employees transferring with their Department / Program to a new site. This will assist them in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, fire and disaster plans, etc.
- 3.7. Subject to the bumping process, and subject to 3.3.2 above, temporary employees replacing permanent employees in a department / program that is transferred will transfer with the department / program if the permanent employee they are replacing is transferring with the department / program.
- 3.8. Subject to the bumping process, casual employees and temporary employees on lay-off will be transferred with the program / service they usually work in.
- 3.9. Subject to the bumping process, employees on layoff and employees off work on various forms of leave recognized in the collective agreement shall have the same options available to them in the event of service transfer as though they were working.

4. Grievance Management Procedure

The Proposed Western Pilot referenced on p.303 of the Collective Agreement will be expanded to include the Employer.

5. Statutory Holidays

- 5.1. Subject to Article 18.01(a), employees shall observe Thanksgiving Day and Armistice Day as the two additional statutory holidays.

6. Professional Practice/Labour Management Committees

The parties agree to the establishment of a joint committee to deal with professional practice and labour management issues functioning on local and sub-regional levels. Where there are both professional practice issues and labour management issues on the agenda, professional practice issues shall be dealt with first.

Items from the local committees unresolved after three local committee meetings will be automatically forwarded to the sub-regional committee. Urgent issues may be referred to the sub-regional committees immediately, if mutually agreed by the co-chairs.

6.2.3. Frequency of Meetings:

Re: St. John's Home Care Program Collective Agreement

Dear Mr. Vivian:

This letter will confirm our understanding that this transition agreement will also apply to those employees covered by the St. John's Home Care Program Collective Agreement.

Additionally, this letter will also confirm our understanding that once the terms of this transition agreement are implemented; a committee with the appropriate management and union representatives from the community sector will be struck to deal with the issues not dealt within this transition agreement. However, the parties also agree that this committee may be waived if a provincial process were put in place to address the same issues.

Private Agreement

This Private Agreement is made pursuant to Article 3.03 of the RNUNL Provincial Collective Agreement between Eastern Regional Integrated Health Authority ("Eastern Health"), St. Patrick's Mercy Home, The Agnes Pratt Home, Saint Luke's Home, The Salvation Army Glenbrook Lodge (together the "faith-based" homes") and the Registered Nurses' Union Newfoundland and Labrador ("Union").

This Agreement is made upon the condition and understanding that it will not affect the parties' subsequent interpretation of the terms of the Collective Agreement except as provided herein.

Whereas there is a Labour Relations Board Order between Eastern Health and the Union dated July 16, 2008;

And, whereas registered nurses represented by the Union who are employed at the faith-based homes are excluded from the Labour Relations Board Order, and are part of separate seniority lists;

And, whereas the faith-based homes, Eastern Health, and the Union wish to merge the seniority lists of the faith-based homes with the seniority list of Eastern Health, the parties hereby agree that:

1. The parties agree that the purpose of this Agreement is not meant to be interpreted in any manner whatsoever as an acknowledgement by any of the signatories as to the issue of who is the "Employer". Further, the parties agree and acknowledge that any party to this Agreement reserves the right to make representation in a formal setting at that party's sole discretion, be it through the Labour Relations Board or otherwise, as to the designation of who is the "Employer".
2. Eastern Health and the faith-based homes will merge and dovetail their respective seniority lists for the Union, effective October 25, 2015, into a single seniority list for the Union with Eastern Health.
3. All bargaining unit positions at Eastern Health and at the faith-based homes posted after October 25, 2015, shall be posted for all employees on the merged single seniority list for the Union.
4. The seniority of Union members employed at the faith-based homes will be transferred to the Eastern Health Union seniority list, and vice-a-versa, recognizing the following principles:
 - a. Employees whose names appear on more than one existing seniority list may combine their seniority providing that no employee will be credited with more than equivalent full time hours in any calendar year.
 - b. Article 38.04 (a) and (b) of the Collective Agreement between the parties signed on September 4, 2014 (the Collective Agreement), will be applied.

Private Agreement

Employees who dropped a Step(s) on the salary scale by reason of the resignation(s) referenced in Article 38.04(a) and (b) shall have their former step reinstated with full retroactivity. Employees who would have advanced on the salary scale sooner, following April 1, 2005, if there had been a merger of seniority at that time, shall have the appropriate step reinstated with full retroactivity.

- c. Article 38.04 of the Collective Agreement will not apply to employees who resign after October 25, 2015.
 - d. The parties agree that within two (2) months of the date of signing of this Agreement, Eastern Health, the faith-based homes, and the Union will review grievances related to these issues and where the only issue was the loss of seniority which is being reinstated by this agreement, the grievance(s) shall be withdrawn.
5. Subject to paragraph 6, employees will have two (2) months from the date that the merged single seniority list is posted to submit a protest in writing to the Human Resources Department outlining the specific reason why they feel their seniority to be incorrect. The Human Resources Department will have two (2) months from when the seniority protest was received to provide an employee with a written response outlining the outcome of their seniority protest and the detail of what adjustments, if any, were required. A copy of the response will be copied to the employees' personal file.

A revised seniority list incorporating corrections will be posted by January 31, 2016.

Once the initial protest period has elapsed, all future protests will be completed in accordance with Article 23.03 of the Collective Agreement. Subject to the mutual agreement of the parties to the contrary, where displacement or staff changes have occurred, it will not be altered due to the discovery of errors not brought to the attention of the Human Resources Department during the protest period.

6. The parties agree that, following the expiration of the protest period noted in paragraph 5 of this Agreement, if an employee comes forward with a request for an adjustment of seniority that has not been previously considered, the parties may consider that request and the parties may mutually agree in writing to make an appropriate adjustment of seniority.
7. If the situation should develop whereby two (2) or more employees have the same seniority, the seniority shall be broken by random draw. A Union representative, together with the individuals whose names are in the draw, or designates, are entitled to be present with management when the draw takes place.

9. Any disputes arising out of this Agreement, failing agreement by the parties, shall be determined by the Grievance and Arbitration process and/or through the Labour Relations Board process.

- 6.3.1 There is an associated downsizing of positions within the service, or
 - 6.3.2 The service is being transferred to a worksite located 80 kms (driving distance) or greater from the employee's current worksite.
- 6.4 Where there is an associated downsizing of positions within the service or the service is being transferred to a worksite located 80 kms (driving distance) or greater from the employee's current worksite, the Employer will offer nurses, on the basis of seniority, the choice of transferring within the service or accessing lay-off / displacement. If there are not enough nurses interested in transferring with a service the Employer reserves the right to temporarily transfer nurses commencing with the most junior nurse for a reasonable period of time while the employer is training replacement staff.

Employees considering accepting layoff should fully explore the Employment Insurance implications before exercising this option.

- 6.5 Western Health will provide a familiarization period up to but not exceeding two weeks, to the employees transferring with their Unit/Division to a new site. This will assist them in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, fire and disaster plans, etc.
- 6.6 Subject to the bumping process, and subject to 6.3.2 above, temporary employees replacing permanent employees in a Unit/Division that is transferred will transfer with the Unit/Division if the permanent employee they are replacing is transferring with the Unit/Division.
- 6.7 Subject to the bumping process, employees on layoff and employees off work on various forms of leave recognized in the collective agreement shall have the same options available to them in the event of service transfer as though they were working.

TRANSITION AGREEMENT

BETWEEN

HER MAJESTY THE QUEEN IN RIGHT OF NEWFOUNDLAND
(Represented herein by the Treasury Board)

AND

THE NEWFOUNDLAND AND LABRADOR HEALTH BOARDS ASSOCIATION

REPRESENTING

LABRADOR-GRENFELL REGIONAL HEALTH AUTHORITY

AND

THE NEWFOUNDLAND AND LABRADOR NURSES' UNION

This agreement made this 23rd day of August two thousand and ten in accordance with Clause 40.02 of the Collective Agreement between Her Majesty the Queen in Right of Newfoundland and Labrador (represented herein by the Treasury Board), the Newfoundland and Labrador Health Boards Association, and the Newfoundland and Labrador Nurses' Union (NLNU), herein referred to as the Collective Agreement. This Agreement governs all members of the NLNU who are employees of the Labrador-Grenfell Regional Health Authority.

It is further recognized that effective the date this Transition Agreement comes into effect, the transition agreements with each of the Employer's legacy organizations, as outlined below will be repealed and replaced with this Transition Agreement:

- Transition Agreement between Treasury Board, the Newfoundland and Labrador Health Care Association on behalf of the Health Labrador Corporation and the Newfoundland and Labrador Nurses Union dated February 11th, 1998, and
- Transition Agreement between Treasury Board, the Newfoundland and Labrador Health Care Association on behalf of the Grenfell Regional Health Services Board and the Newfoundland and Labrador Nurses Union dated March 19th, 1997.

1. Transfer of Business – Successor Rights

- 1.1 In accordance with Section 44 of the Public Service Collective Bargaining Act the parties to this agreement agree that there has been a "transfer of business" from the following health care employers:

Health Labrador Corporation

AND

Grenfell Regional Health Services Board

TO

Labrador-Grenfell Regional Health Authority

- 1.2 As per the order of the Labour Relations Board (LRB) dated July 16th, 2008 (the LRB Order), a copy of which is attached as Schedule "A", it was determined that there be established a single regional nurses (NS) bargaining unit in the classifications covered by the NLNU Collective Agreement, within the Labrador-Grenfell Regional Health Authority.

2. No Loss Of Seniority For The New NLNU Bargaining Unit

NLNU members shall not lose their seniority as a result of the transfer of business as outlined in Clause 1 of this agreement.

- 2.1 The Employer will post a new single seniority list in all work areas prior to June 1st, 2010. Subject to protests and grievances the new single seniority list will be effective May 11th, 2010. Should a new list not be posted prior to that date the Employer will calculate seniority manually for any job competitions in which seniority would be the deciding factor.
- 2.2 Employees will have two (2) months from the date the seniority list is posted to submit a protest in writing to the Human Resources department outlining the specific reason why they feel their seniority to be incorrect. The Human Resources Department will have four (4) months from when the seniority protest was received to provide the employee with a written response outlining the outcome of their seniority protest and the detail of what adjustments, if any, were required. Should the employee dispute the employer's decision the employee may file a grievance and time limits for the filing of such a grievance will not commence until the employee receives the employer's written response to their seniority protest. A copy of the response will be copied to the employee's personal file.
- 2.3 A revised seniority list incorporating corrections will be posted by January 31st, 2011.
- 2.4 Once the initial protest period has elapsed, all future protests will be completed in accordance with Article 24.03 of the Collective agreement. Subject to the mutual agreement to the contrary, where displacements or staff changes have occurred, it will not be altered due to the discovery of errors not brought to the attention of the employer during the protest period.
- 2.5 If the situation should develop whereby two (2) or more employees have the same seniority, and it becomes necessary to determine who is senior for the purposes of a job competition or layoff/displacement, the seniority shall be broken by drawing names from a hat. A union representative, together with the individuals whose names are in the hat, or designates, may be present with management when the draw takes place.

3. Transfer of Service – Effective Date

As of April 1, 2005 the employees of the two (2) former employers outlined in Clause 1 of this agreement became employees of the Labrador-Grenfell Regional Health Authority. Labrador-Grenfell Regional Health Authority recognizes the service of each of the NLNU members as it was recognized by the previous employers prior to that date. Service for seniority purposes is to be recognized on a single, regional bargaining unit basis.

4. Professional Practice Committees

One local Professional Practices Committee will be established for each of the following areas:

Labrador City/Wabush

Happy Valley-Goose Bay

St. Anthony

Health Centres (Forteau, Roddickton, Flowers Cove)

Community Clinics

It is agreed that the parties will review the committee structure after one year at which time either party may give notice to revert to the Collective Agreement

The parties further agree to the establishment of one regional professional practice committee which will meet at least twice per calendar year. At least one of these meetings shall be face to face. Additional meetings may occur as required.

The regional committee shall be comprised of representatives from the Union and the Employer and may include a Union representative and an Employer Representative from each of the local committees.

The regional committee will address issues that are regional in nature. Items from the local committees unresolved after three local committee meetings may be forwarded to the regional committee. Urgent issues may be referred to the regional committee immediately by mutual agreement between the parties.

5. Transfer of Services Within the Labrador-Grenfell Regional Health Authority

- 5.1 For the purpose of this Article, a service transfer is the transfer of a service from one physical location to another within Labrador-Grenfell Regional Health Authority.
- 5.2 Labrador-Grenfell Regional Health Authority reserves the right to transfer staff as a result of service transfer. Employees who are transferred shall retain seniority, service, and other recognized earned and portable benefits.
- 5.3 Employees who are affected by a service transfer shall have access to lay-off or displacement options if:
 - 5.3.1 There is an associated downsizing of positions within the service, or
 - 5.3.2 The service is being transferred to a worksite located 80 km (driving distance) or greater from the employee's current worksite.
 - 5.3.3 The service is being transferred to a worksite that, while located less than 80 km (driving distance) from the employee's current worksite, requires travel by air or ferry.

- 5.4 Where there is an associated downsizing of positions within the service or the service is being transferred to a worksite located 80 km (driving distance) or greater from the employee's current worksite, or the service is being transferred to a worksite that, while located less than 80 km (driving distance) from the employee's current worksite, requires travel by air or ferry, the Employer will offer nurses, on the basis of seniority, the choice of transferring with the service or accessing lay-off / displacement.
- 5.5 If there is a service transfer in circumstances where employees do not have access to lay/off or displacement options and there are not enough nurses interested in transferring with a service, the Employer reserves the right to transfer nurses commencing with the most junior nurse first.
- 5.6 Employees considering accepting layoff should fully explore the Employment Insurance implications before exercising this option.
- 5.7 Labrador-Grenfell Regional Health Authority will provide a familiarization period up to but not exceeding two weeks, to the employees transferring with their Unit/Division to a new site. This will assist them in becoming acquainted with essential information such as policies and procedures, routines, location of supplies and equipment, fire and disaster plans, etc.

***SCHEDULE M**

1. Alternative Scheduling

It is recognized that the quality of nurses' work and personal lives are affected by their requirements to work a rotational schedule. Both parties recognize the benefits of alternative scheduling models and will endeavor to explore options with respect to innovative scheduling during the term of the collective agreement.

Schedules other than those outlined in the collective agreement may be developed in order to improve quality of working life, support continuity of patient care, ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be developed locally by the Employer in consultation with the Union and subject to the following principles:

- (a) such schedules shall be established by mutual agreement of the Employer and the Union
- (b) the introduction of such schedules shall be determined by the Employer and the Local union representatives.
- (c) the parties may agree to amend provisions of the collective agreement to accommodate any innovative unit schedules.
- (d) the request to try an alternative schedule must have the support of at least seventy five (75) percent of the employees in the work area whose schedules are affected by the alternative schedule.
- (e) such schedules may be discontinued by either party giving sixty (60) days written notice.
- (f) only employees who are impacted by the alternative schedule and hold permanent positions in the work area, including those permanent employees on leaves of absence, will be eligible to vote. Casual employees, employees holding temporary positions in the work area and employees occupying permanent float positions shall not be eligible to vote.
- (g) the trial period for an alternative schedule shall not be less than twelve (12) weeks.

Jobs sharing, job sharing and/or part-time work for a full weekend and every second weekend may be considered.

The complementary weekday worker continues to work 75 hours bi-weekly but no weekend work is scheduled. All shifts are scheduled between Monday and Friday.

1. Four (4) Shift Twelve (12) Hour Schedule

- Requires a six (6) week rotational schedule
- Requires mutual agreement between the Employer and the employee
- Normally works two (2) days and two (2) nights consecutively subject to mutual agreement to the contrary

- Self-scheduling is optional with the agreement of the parties
- Normally works a maximum of 20 shifts in 42 calendar days
- Union waives 8.05 “Consecutive Shifts” and 8.09 “Weekends Off” for the employees working a four (4) shift twelve (12) hour schedule.

2. Weekend Nurse

The Employer proposes piloting this schedule at Eastern Health. Location to be determined.

1. The union will agree to exceptions to the definition of Article 2.01(y) “Temporary Employee” to permit the hiring of temporary weekend nurses for the duration of the pilot(s).
2. The following parameters shall apply:
 - (a) The weekend nurse positions shall be full time nurse positions and will be normally integrated into core staffing. The union would not be opposed to an Employer introducing the concept other than as part of core staffing.
 - (b) The rotation of a weekend nurse shall normally be comprised of two (2) shifts of 11.25 hours and one (1) shift of 7.5 hours per week. However an option to scheduling and rotations may include a six (6) week cycle of two (2) weekends of three (3) shifts of 11.25 hours and one (1) weekend of two (2) shifts of 11.25 hours. In any rotation the combination of weekend hours worked will provide an average of thirty (30) hours worked (excluding meal breaks) each weekend.
 - (c) Weekend nurses shall be scheduled to work eighty (80) percent of the hours of a full-time nurse and be paid one hundred (100) percent pay of a full-time nurse.
 - (d) Weekend nurses shall be entitled to switch shifts with other nurses including other weekend nurses to a maximum of two shifts per employee in a six week rotation.
 - (e) Weekend nurses will earn the same benefits as a full time nurse and pension contributions and group insurance premiums will be the same as those of a full time nurse.
 - (f) Although weekend nurses will accumulate leave as a full time employee, they will be deducted leave at an accelerated rate if leave is taken while working a weekend schedule. For example, a nurse who requests two (2) weeks annual leave will be deducted seventy-five (75) hours, the same amount they would have been paid to work a sixty (60) hour schedule; or if a nurse is sick on a twelve (12) hour shift, they will be deducted the eleven point two five (11.25) hours at an accelerated rate of 1.25 times equaling 14.06 hours.

- (g) Statutory holidays for weekend nurses shall be administered in the same manner as those for part time nurses including being able to bank their stats.
- (h) Compensation for extra shifts or overtime shall be on the same basis as for full time employees, after the weekend worker has worked 75 hours, including shift differential and weekend premiums where applicable.
- (i) Any remaining shifts may be filled at the discretion of the Employer.

2. Provincial Nursing Self-Scheduling Guiding Principles

The parties agree to review the self-scheduling guiding principles on an annual basis and update as required.

The Employer and unit/facility staff may enter into a self-scheduling arrangement. The following guiding principles apply:

1. Fifty (50) per cent plus one of permanent and temporary staff must agree to a self-scheduling model.
2. Self-schedules must comply with relevant collective agreements, however, exceptions may be established in unit specific guidelines acknowledging that overtime premiums are not applicable (e.g. employees may self-schedule greater than seven (7) consecutive eight (8) hour shifts or greater than three (3) consecutive twelve (12) hour shifts).
3. Existing employee accommodations will be honoured; new requests for accommodations will be assessed on an individual basis.
4. Unit-specific self-scheduling committees will be established, comprised of frontline staff members. The unit manager (or designate) will provide oversight to the committee and engage with staff, as indicated, to resolve issues that may arise, and approve the final work schedule.
5. The duration of work schedules will be determined by staff majority and operational requirements (i.e. six (6), eight (8), or twelve (12) week work schedules).
6. Staff members may choose to work outside of a regular rotation and not always follow a master rotation A or B team; however, all staff must work an equal amount of weekend shifts per work schedule, as per unit specific guidelines. Staff may choose to work additional weekend shifts per work schedule.

*Part-time employee weekend shifts are pro-rated as per letter of employment unless otherwise agreed.

7. Staffing levels per shift are based on patient/resident/client acuity, applicable standards of nursing care, and skill mix. Units will develop a process to ensure the rotation of shifts (i.e. day/nights) is equitable.
8. Staff may develop unit specific guidelines to allocate shifts on statutory holidays, including Christmas and New Year's period, and a method for selecting annual vacation dates. Otherwise, relevant Collective Agreement provisions will apply.
9. Units will determine the number of special scheduling requests per employee, per work schedule, and implement a process to equitably allocate priority for special scheduling requests among the staff. Staff submitting more than one request per work schedule will indicate the priority of requests. Unit staff will develop guidelines for special scheduling request approvals when multiple requests for the same shift are submitted.

*Note: Special scheduling request examples include preference for day of rest and preference for shift rotation.

10. The "blank" work schedule will be available in the format utilized by the clinical area (hard copy; electronic) for a minimum of two weeks to allow everyone to fill in requests. Unit staff are to determine timelines and rotation for staff to complete self-schedule per each timesheet.
11. The final approved work schedule will be posted two weeks prior to start of the work schedule term.
12. Any unfilled shifts thereafter will be filled as per the applicable collective agreement language.
13. Prior to approval and posting of the work schedule, staff may be requested to make changes to self-scheduled shifts to ensure the unit's operational staffing requirements are met.

Responsibilities of Self Scheduling Committee

- Develop and periodically review fair and equitable self-scheduling guidelines and processes with staff; provide orientation to new staff.
- Ensure staffing numbers meet core staffing requirements; develop a process to staff unfilled shifts as per the Collective Agreement prior to submitting the draft schedule to the manager.
- Act as a resource to staff and to assist with interpretation of the guidelines.
- Ensure adherence to timelines for submission of requests and posting the approved work schedule.
- Develop a process to resolve scheduling conflicts between employees including managing changes and escalating issues to manager for resolution.
- Keep manager or designate informed of any issues that arise during the self-scheduling process.
- Ensure the work schedule is posted within two weeks in advance of start date.

*All staff members will have an opportunity to serve on the self-scheduling committee on a rotational basis.

Responsibilities of Staff Member:

- Submit schedule according to the posted deadline.
- Schedule shifts according to the guidelines, i.e. indicate specific scheduling preferences, special requests.
- Follow unit-specific scheduling guidelines when indicating shifts where you prefer not to be changed.
- Ensure the number of scheduled hours per work schedule are correct as per letter of employment.
- Assist the scheduling committee in problem solving if required.

Responsibilities of Unit Manager:

- Assist in scheduling problem solving as required.
- Respond to leave requests.
- Review and approve the completed schedule prior to posting.

7) Equal Seniority

If a situation should develop whereby two (2) or more employees have the same seniority, the seniority shall be broken by random draw. A union representative, together with the individuals whose names are in the draw, or their designate, are entitled to be present with management when the draw takes place.

8) Loss of Seniority

Under Clause 23.07, an employee would lose their seniority if they are laid off for a period of two (2) years or more. The two-year period will recommence each time such an employee works a shift, regardless of whether they work that shift as a permanent, casual or temporary employee.

9) Employees Reverting Back to Previous Positions

Provided the employee is not on lay-off, if the position of the bumped employee becomes vacant within the next two (2) years of them being bumped from their position, they will be given the right to revert back to their previous position.

The Union agrees to waive posting requirements for such realignments. The two (2) year period shall run from the original date of bumping and shall only apply to the initial position the employee is bumped from and shall not be extended by reason of casual employment or recalls of any nature.

10) Recall

Upon layoff, permanent employees shall have recall rights to permanent and temporary positions for a period of two (2) years from their original date of layoff unless otherwise agreed between the Employer and Union.

Permanent employees shall have recall rights to permanent positions and temporary positions of greater than sixteen (16) weeks anticipated duration provided the position is a position that the employee would have been able to bump into had it been available at the time of layoff but no employee shall be obligated to accept recall to:

- (i) A site other than the site at which they worked prior to layoff
- (ii) A position requiring more or less hours of work than the position at which they worked prior to layoff
- (iii) A position at a lower classification level

11) Casual Employment for Permanent Employees on Layoff

Permanent employees, who are being laid off, should advise the Employer in writing of their desire to do casual work.

12) Layoff and Recall of Employees on Leave of Absence and Workers Compensation

Such employees shall be laid off and recalled in the same manner as any other employee. If they are unavailable or unable to return to work because of Workers Compensation or leave of absence, they will be reinstated as employees for the purposes of any benefits that they may be entitled to under the collective agreement as of the date of recall and the next qualified permanent employee on lay-off or a temporary employee shall be hired in their place for the remainder of their leave of absence or Workers Compensation.

Dear Mr. Vivian:

Re: Organization of Nursing Work Studies

The Employer, Government and the Union are committed to implementing organization of work studies. The studies will arise out of and be specific to individual workplaces. The studies will consider alternative ways of organizing nursing work, respecting the input of nurses and the tasks they perform each day. The studies demonstrate support for the need to address registered nurses' workload and the provision of quality patient care.

Principles

1. Studies to be conducted in each of the following areas: tertiary care unit, rural centre nursing unit, community site and long term care unit.
2. Sites to be chosen by mutual agreement between the Employer and the union.
3. Studies to be conducted by "unit based working committees" consisting of an equal number of union and Employer representatives. Committees to be co-chaired by a unit representative and an Employer representative.
4. Cost of the studies to be the responsibility of the Employer to a maximum cost of \$50,000.00 in total for all four (4) studies inclusive of any paid time to be provided to employees who serve on the unit based working committees.
5. Provincial Union President or a member of the Provincial Board of Directors to be an ex officio member of each committee in a non-voting non decision making capacity.
6. Department of Health and Community Services to make available the services of a consultant to assist the unit based working committees with the development and implementation of an evaluation process. Evaluation criteria to be jointly agreed upon.
7. Duration of projects to be determined by unit based working committees. Suggested time lines include: (1) two (2) months to gather data on current work organization practices and to develop strategies for any change identified and (2) the impact of any agreed upon changes to be evaluated three (3) months after implementation. The four (4) studies to be

completed by the date of expiration of the collective agreement. All projects to be completed within the financial allocation identified in number four (4) above.

8. The unit based working committees will provide information to the union and the Employer for communication purposes.

Sincerely,

Re: B.N. 2000

Effective April 1, 1999:

1. No employee will be laid off as a direct result of the standardization of the entry level qualifications (to practice) for new graduates to a Bachelor of Nursing to be introduced in the year 2000. The Employer shall retain the existing right to lay off in accordance with the collective agreement.
2. Should the Union allege that the Employer has acted in an arbitrary or discriminatory manner in adding a Bachelor of Nursing as a required or preferred qualification for any position not currently requiring a B.N., the Union shall have the right to file a grievance in accordance with the collective agreement. Once the grievance has been referred to arbitration either party shall have the option of referring the dispute to Grievance Mediation, in which case the mediation shall take place within six (6) months of the filing of the grievance.

Dear Mr. Vivian:

Re: Part-time Employees Working Additional Shifts

Effective October 1, 1999, (First notice to be posted September 1, 1999)

- a) Each six months, on dates to be determined by the Employer and posted in all applicable workplaces a minimum one month in advance, part-time employees may advise the Employer in writing of their desire to work additional shifts. An employee may elect at any time to advise the Employer in writing that they will no longer be available to work additional shifts. In such a case, the Employer will not be obligated to offer additional shifts to the employee for the duration of the six months in which they served the notice.

Note: letter also applies to job sharing employees.

- b) Subject to clauses (a), (c), (d) and (e), casual work (extra shifts) known to be available at least one week in advance shall be first offered to part-time employees in the work area/unit to which they are assigned, up to equivalent full-time hours, before it is offered to casual employees. Part-time employees shall have the option of having their names added to a list for casual work (extra shifts) not known to be available one week in advance. Part-time employees will not be given priority for such work. Part-time employees shall continue to receive pro-rated benefits for all extra shifts. Part-time employees who accept an extra shift(s) will be required to work the additional shift(s) in accordance with the collective agreement. This clause will not apply in institutions providing a greater benefit to part-time employees in which case those greater benefits will continue for the life of the collective agreement.
- c) Part-time employees who have requested extra shifts under paragraph (a) above will not receive the premium rate outlined in clause 32.05 **Part-time Employees Additional Shifts**.
- d) The Employer is not obligated to offer extra shifts to part-time employees if this results in the Employer having to pay a contract premium rate, unless the Employer would incur a contract premium rate regardless of which employee worked the shift (eg. Statutory Holiday Pay).

- e) Part-time employees who do not have a position on a specific unit will be given priority for extra shifts in any areas where they have received orientation and regularly work.

Dear Ms. Trahey:

***Re: Statutory Holiday Replacement**

Each year, an employee shall be entitled to designate replacement statutory holiday(s) that are days of cultural or religious significance to the employee in place of any or all of the statutory holidays outlined in the collective agreement. The Employer will endeavor to accommodate such requests and such requests shall not be unreasonably denied.

For the purposes of this letter, cultural or religious significance shall be defined as: *A day in which a religious observation is held or a day that celebrates the culture of a particular nation, people, or other social group.*

The Employee shall inform the Employer of their choice(s), in writing, prior to November 15 in the calendar year before the new designations take effect. Such notice shall state clearly which statutory holiday(s) the employee is replacing and which day(s) of cultural or religious significance, including the dates on which they occur, that they are designating in the stead of the replaced statutory holiday(s).

Where the specific date(s) of cultural or religious significance are not yet confirmed on or before November 15 in the calendar year before the new designations take effect, the Employee will notify the Employer of the day(s) of significance and will provide date(s) as soon as they become available. The Employer will endeavor to accommodate such requests received after November 15 in the calendar year before the new designations take effect, subject to operational requirements and availability of replacement staff. Requests will not be unreasonably denied.

Such statutory holiday replacement, once designated, will not be amendable for the applicable calendar year. The Employer will grant the newly designated holiday(s) as paid day(s) off. Once designated per the above process, the newly named holiday(s) shall be the day(s) to which all rights which are normally associated with the specific statutory holiday being replaced are now applied:

- (a) The newly designated holiday days will attract all benefits of the collective agreement as if that day were the actual statutory holiday that they are designated to replace.
- (b) The replaced statutory holiday(s) will become a regular day, whether it be a workday or a day of rest, and will not attract any additional benefit previously

attributable to it as a statutory holiday: all such benefits will have transferred to the designated replacement day(s).

- (c) Where the Employer does not provide service on a day described under b) above, and where the employee is scheduled to work on that day of the week, the Employer will make reasonable efforts to provide meaningful work to the employee on that day.
- (d) Where the Employer is unable to provide meaningful work on that day, the employee may access vacation, banked overtime, or other like paid banks to cover the missed day of work.

Sincerely,

***Re: Temporary Overtime Rate of Pay**

Effective date of signing, and for a one-year period thereafter, a temporary overtime rate of pay will be implemented.

Prior to posting the complete schedule, unfilled shifts shall first be offered to part-time employees in the work area/unit to which they are assigned, up to equivalent full-time hours, before they are offered to casual employees. The Employer is not obligated to offer extra shifts to part-time employees where it results in the Employer having to pay a contract premium rate, unless the Employer would incur a contract premium rate regardless of which employee worked the shift (eg. Statutory Holiday Pay). Part-time employees who do not have a position on a specific unit will be given priority for extra shifts in any areas where they have received orientation and regularly work. Where Part-time employees accept additional shifts, they shall be paid the sum of thirty (30) cents per hour in addition to their regular hourly rate as per Article 32.05. Part-time or casual employees who accept these shift(s) will be required to work them in accordance with the collective agreement. Once all attempts to schedule the unfilled shifts have been exhausted, the remaining shifts will be offered at double the regular hourly rate for each hour worked.

With the exception of the conditions referenced above, all other overtime hours of work shall be applied and paid in accordance with Article 9 – Overtime.

Unless otherwise agreed to in writing by the parties to the Collective Agreement, this Letter of Understanding will not be extended or renewed.

The ratings of the positions will be conducted by the staff of the Classification, Organization and Management Division of Treasury Board. There will be a Benchmark Committee composed of two-thirds management and one-third union representatives who will review the sampling of the ratings as they are done. The Benchmark Committee would have the authority to refer results back to the raters should they be deemed inconsistent. The final decision making authority rests with Treasury Board.

***MEMORANDUM OF AGREEMENT**

Nursing Practice and Leadership Premium

General

1. The purpose of this Memorandum of Agreement (MOA) is to recognize and reward the valuable contribution of those registered nurses (RNs) who demonstrate additional leadership and practice - focused commitment in their work beyond what is normally expected of them in the course of their work.

From a nursing practice perspective the premium is intended to recognize the personal commitment of registered nurses' engagement and involvement in additional professional development opportunities beyond workplace expectations. From a leadership perspective, the premium is intended to recognize and reward nurses RNs who take on leadership roles in pursuit of the advancement of the nursing profession and nursing practice.

2. Commencing July 1, 2023, four hundred and seventy five thousand dollars (\$475,000) per year, will be designated as available funding under this MOA. Unused funding in any year is to be carried over and to be available for use in subsequent years.
3. An RN nurse who qualifies for the Nursing Practice and Leadership Premium will be paid a maximum annual premium of four hundred dollars (\$400) per year provided the available funding under the MOA is sufficient. In any year that the available funding is not sufficient to provide the four hundred dollar (\$400) premium to each eligible nurse RN, the premium for that year shall be determined by dividing the available funding between the number of eligible nurses RNs.
4. In order to qualify for the Nursing Practice and Leadership Premium for a 12 month period from April 1 to the following March 31 each year, a nurse RN must earn 50 points in that 12 month time period when participating in Employer approved activities. The list of approved activities along with the relative point value and weight for each is included as Appendix A. A list of examples is included in Appendix B. It is understood that the lists are not exhaustive but will guide the Employer in determining relative point values for other approved activities. Points will be recognized retroactively to April 1, 2023 for the period April 1, 2023 to March 31, 2024.
5. It is the sole responsibility of the nurse RN to maintain a record of recognized activities completed on an ongoing basis and to provide acceptable evidence to the Employer that they qualify for the Nursing Practice and Leadership Premium as per the terms of this MOA. The nurse RN shall provide written proof of these activities on the form provided as Appendix C, attached to this MOA, to the Employer, with the understanding that all proof must be submitted to the Employer for consideration by April 30th of each year. Following proof of eligibility, the premium will be paid in a lump sum on or before June 30th of each year.
6. The Premium shall not be prorated for part time and casual nurses RNs.

7. The nursing practice and leadership premium is intended to recognize the additional “value added” practical work and leadership initiative a nurse RN may commit to voluntarily. Any duties/activities that a nurse RN is required to perform or participate in as part of their position requirements with the Employer cannot be claimed for points under this MOA.
8. This MOA or its contents are no way intended to provide employees with greater access to or opportunity to engage in, any of the activities listed herein. In addition, the Employer is not obligated to provide specific programs in order to assist the nurse RN to qualify for this benefit.
9. Where the terms of this MOA conflict with the collective agreement, this MOA shall prevail.
