OF NEWFOUNDLAND AND LABRADOR**

**FINANCIAL STATEMENTS**

**MARCH 31, 2018**

## MANAGEMENT CERTIFICATION

The accompanying financial statements of the Research & Development Corporation of Newfoundland and Labrador have been prepared by the Corporation's management in accordance with Canadian Public Sector Accounting Standards.

Management is responsible for the integrity and objectivity of the information contained in these financial statements, including the note disclosures. Some of the information in the financial statements is based on management's best estimate and judgment, and gives due consideration to materiality.

Management has developed and maintains a financial and management control system and practices designed to provide reasonable assurance that transactions are properly authorized, assets are safeguarded and liabilities are recognized.

Management is also responsible for ensuring that transactions comply with relevant policies and authorities and are properly recorded to produce timely and reliable financial information to maintain accountability of Research & Development Corporation of Newfoundland and Labrador funds.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and meets periodically with management to review and discuss the financial information. The Auditor General of Newfoundland and Labrador conducts an independent audit of the annual financial statements of the Research & Development Corporation of Newfoundland and Labrador in accordance with Canadian auditing standards in order to express an opinion thereon. The Auditor General has full and free access to the financial management of the Research & Development Corporation of Newfoundland and Labrador and meet when required.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
NL Innovation Council  
St. John's, Newfoundland and Labrador

**Report on the Financial Statements**

I have audited the accompanying financial statements of the Research & Development Corporation of Newfoundland and Labrador which comprise the statement of financial position as at March 31, 2018, the statements of operations, change in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

## **Independent Auditor's Report (cont.)**

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### *Opinion*

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Research & Development Corporation of Newfoundland and Labrador as at March 31, 2018, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

# RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR

## NOTES TO FINANCIAL STATEMENTS

March 31, 2018

### 1. Nature of operations

The Research & Development Corporation of Newfoundland and Labrador (the Corporation) is incorporated under the authority of the *Research and Development Council Act* (the Act) and is funded by the Province of Newfoundland and Labrador (the Province). The Act came into effect December 18, 2009. The objective of the Corporation is to strengthen the focus, quantity, quality, and relevance of research and development (R&D) undertaken within the Province and elsewhere for the long-term economic benefit of the Province.

The affairs of the Corporation are managed by a Board of Directors (the Board) appointed by the Lieutenant-Governor in Council. The Corporation is a Crown entity of the Province and as such is not subject to Provincial or Federal income taxes.

In July 2017, the management of the Corporation was transferred to the Department of Tourism, Culture, Industry and Innovation.

### 2. Summary of significant accounting policies

These financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards (CPSA Standards) which require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. By their nature these estimates are subject to measurement uncertainty. The most significant item for which estimates are used is the useful life of tangible capital assets. The effect on the financial statements of a change in this estimate in future periods could be material and would be accounted for in the period the change occurs.

#### Basis of presentation

These financial statements include the accounts relating to the operations carried on under the name of the Corporation, and have been prepared by the Corporation's management in accordance with CPSA Standards.

#### Cash and cash equivalents

Cash and cash equivalents consists of cash in bank.

#### Revenue recognition

The Corporation recognizes the receipt of government transfers as revenue in the period the transfer is authorized and all eligibility criteria have been met, except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the Corporation. Government transfers consist of funding from the Province of Newfoundland and Labrador. Investment income is recognized as earned. Revenue generated from the R&D Solutions line of business is included in other

# RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR

## NOTES TO FINANCIAL STATEMENTS

March 31, 2018

### 2. Summary of significant accounting policies (cont.)

income and is recognized in the period it is earned. Deferred revenue represents revenue invoiced but not earned.

#### Expenses

The Corporation recognizes expenses on an accrual basis. The cost of all goods consumed and services received during the period is expensed. Program grants are accounted for as government transfers and are recorded as expenses when they are authorized, when eligibility criteria have been met by the recipient, and when a reasonable estimate of the amount can be made.

#### Tangible capital assets

Tangible capital assets are recorded at cost and amortized on a straight-line basis over their estimated useful lives using the following terms:

	Term
Furniture and equipment	5 years
Computer hardware and software	2 years
Network infrastructure	4 years
Enterprise resource package software	3 years
Leasehold improvements	Lease term
Atmospheric corrosion test site	5 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Corporation's ability to provide services or when the value of future economic benefits associated with the tangible capital assets is less than their net book value. The net write downs are accounted for as expenses in the statement of operations.

#### Pension costs

Employees of the Corporation are covered by the Public Service Pension Plan (the Plan) administered by Provident<sup>10</sup>, the Government Money Purchase Plan administered by the Province or a self-directed RRSP. Contributions to each plan are required from the employees and are matched by the Corporation. The contributions for pensions are recognized during the period in which the services are rendered and represent the Corporation's total pension benefit obligation. The Plan provides defined pension benefits to employees based on their length of service and rates of pay. The maximum contribution rate for eligible employees is 11.85% (2017 – 11.85%). The Corporation is not required to make contributions in respect of any actuarial deficiencies of the Plan. Total pension expense for the Corporation for the period ended March 31, 2018 was \$115,666 (year ended March 31, 2017 - \$264,349).

# RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR

## NOTES TO FINANCIAL STATEMENTS

March 31, 2018

### 3. Changes in accounting policies

#### (a) New accounting standards

On April 1, 2017, the Corporation adopted the following five new CPSAS Handbook Sections:

*PS 2200 Related Party Disclosures* – a new standard defining related parties and establishing disclosure requirements for related party transactions.

*PS 3210 Assets* – a new standard providing guidance for applying the definition of assets and establishing general disclosure requirements for assets but does not provide guidance for the recognition and disclosure of specific types of assets.

*PS 3320 Contingent Assets* – a new standard defining and establishing disclosure requirements for contingent assets but does not include disclosure standards for specific types of contingent assets.

*PS 3380 Contractual Rights* – a new standard defining and establishing disclosure requirements for contractual rights but does not include disclosure standards for specific types of contractual rights.

*PS 3420 Inter-entity Transactions* – a new standard on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective.

These accounting changes had no significant impact on the financial statements.

#### (b) Accounting pronouncement

The Public Sector Accounting Board has issued *PS 3430 Restructuring Transactions* which is effective April 1, 2018. This is a new standard on how to account for and report restructuring transactions by both transferors and recipients of assets and/or liabilities. The standard has not been applied in these financial statements.

The Corporation plans to adopt this standard by the effective date and is currently analyzing the impact the standard will have on the financial statements.

# **RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR**

## **NOTES TO FINANCIAL STATEMENTS**

March 31, 2018

### **4. Risk management**

The Corporation's management recognizes the importance of managing significant risks and this includes policies, procedures and oversight designed to reduce the risks identified to an appropriate threshold. The Board is provided with timely and relevant reports on the management of significant risks. The risks that the Corporation is exposed to through its financial instruments are credit risk, liquidity risk and market risk. There was no significant change to the Corporation's exposure to these risks or its processes for managing these risks from the prior year.

#### **Credit risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Corporation's main credit risk relates to cash and cash equivalents and receivables. The Corporation's maximum exposure to credit risk is the carrying amount of these financial instruments. The Corporation is not exposed to significant credit risk with its cash and cash equivalents because these financial instruments are held with a Chartered Bank. The Corporation is not exposed to significant credit risk with its receivables as these amounts are due primarily from a Chartered Bank or the Government of Canada. Accordingly there is no allowance for doubtful accounts as all amounts are considered collectible.

#### **Liquidity risk**

Liquidity risk is the risk that the Corporation will be unable to meet its contractual obligations and financial liabilities as they come due. The Corporation's exposure to liquidity risk relates mainly to its accounts payable and accrued liabilities and its contractual obligations as disclosed in Note 8. The Corporation manages liquidity risk by monitoring its cash flows and ensuring that it has sufficient resources available to meet its obligations and liabilities. The Corporation also has access to a credit facility as outlined in Note 12.

#### **Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency (foreign exchange) risk, interest rate risk and other price risk. The Corporation is not exposed to significant foreign exchange, interest rate or other price risk.

# RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR

## NOTES TO FINANCIAL STATEMENTS

March 31, 2018

### 5. Financial instruments

The Corporation's financial instruments recognized on the statement of financial position consist of cash and cash equivalents, receivables, and accounts payable and accrued liabilities. The Corporation generally recognizes a financial instrument when it enters into a contract which creates a financial asset or financial liability. Financial assets and financial liabilities are initially measured at cost, which is the fair value at the time of acquisition. The Corporation subsequently measures all of its financial assets and financial liabilities at cost.

The carrying value of cash and cash equivalents, receivables, and accounts payable and accrued liabilities approximate fair value due to their nature and the short-term maturity associated with these instruments.

Interest attributable to financial instruments is reported on the statement of operations.

### 6. Accounts payable and accrued liabilities

	March 31, 2018 \$	March 31, 2017 \$
Programs grants payable	817,809	1,072,814
Trade accounts payable & accruals	1,665,223	120,732

# **RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR**

## **NOTES TO FINANCIAL STATEMENTS**

March 31, 2018

### **10. Related party transactions**

These financial statements include transactions with related parties. The Corporation is related, as a result of common ownership, to all Crown corporations and agencies of the Province.

During the period, the Corporation had the following related party transactions:

- Program grants expense to related parties of \$5,460,313 (year ended March 31, 2017 - \$8,277,132).
- Purchased supplies and services from related parties for \$345,916 (year ended March 31, 2017 - \$731,724).

The Corporation is administered by the Department of Tourism, Culture, Industry and Innovation. Administration expenses are paid directly by the Province. These costs are considered to be unallocated costs and are not recognized in these financial statements.

### **11. Economic dependence**

As a result of the Corporation's reliance on funding from the Province, the Corporation's ability to continue viable operations is dependent upon the decisions of the Province.

### **12. Credit facilities**

Subject to the prior approval of the Lieutenant-Governor in Council and the Board, the Corporation may borrow money for purposes related to the attainment of its objectives as set out in the Act. At March 31, 2018, the Corporation had available a revolving credit facility of up to \$1,000,000 bearing interest at prime, a letter of credit of up to \$50,000 bearing interest at 1%, and VISA business card(s) with an aggregate limit of \$50,000. At March 31, 2018 the credit facility and letter of credit are inactive. All VISA business Card(s) have been terminated and accounts closed.

### **13. Budgeted figures**

Budgeted figures have been provided for comparison purposes and have been derived from the original estimates approved by the Board.

# RESEARCH & DEVELOPMENT CORPORATION OF NEWFOUNDLAND AND LABRADOR

NOTES TO FINANCIAL STATEMENTS

March 31, 2018

## 14. Subsequent events

On May 31, 2018, the Province of Newfoundland and Labrador repealed the *Research and Development Council Act* and enacted legislation to establish the Innovation and Business Investment Corporation as a successor to the Corporation. The assets, liabilities and obligations of the Corporation will transfer to the Innovation and Business Investment Corporation, which will be responsible for making strategic funding investments in innovation and business growth in the Province to advance economic development in accordance with the priorities of Government.
