DEFINITION OF DEPENDANT CHILD FOR THE PURPOSES OF THE INSURANCE PLAN

Child means a person who is the Participant's unmarried, natural, adopted, foster or step-child (including any child of a minor, unmarried child provided they meet Dependant eligibility) who is dependent upon the Participant for financial support and maintenance. Such child must be:

- Under 21 years of Age: or
- Under 25 years of Age, attending an accredited educational institution, college or university on a full-time basis. A form will be required to be completed each year.
- Age 21 or over who is incapacitated for a continuous period beginning before age 21, or while a full-time student and before age 25. A child is considered functionally impaired if they are incapable of supporting themselves due to a physical or psychiatric disorder.

Please note: A Child who is working more than 30 hours per week will not be eligible for coverage unless the Child is a full-time student
