INTRODUCTION

The Financial Statements of Crown Corporations, Boards and Authorities is a reproduction of the available audited financial statements of various Government organizations as approved by the applicable boards of these organizations. This report is produced alphabetically in two books, A to M and N to Z. The fiscal years noted in the table of contents are based on the fiscal year end of the organization. The Financial Statements of Crown Corporations, Boards and Authorities was represented by Volume IV of the Public Accounts in previous years.

Information on the financial position and results of operations of the Province for the 2005-06 fiscal year may be found in the following financial reports:

Public Accounts Volume I - Consolidated Summary Financial Statements

This Volume presents the summary financial statements which consolidate the financial statements of the Consolidated Revenue Fund with the financial statements of various Crown Corporations, Boards and Authorities, as approved by Treasury Board, which are controlled by the Government of Newfoundland and Labrador.

Public Accounts Volume II - Consolidated Revenue Fund Financial Statements

This Volume presents the financial position of the Consolidated Revenue Fund and the results of its activities on an accrual basis.

Report on the Program Expenditures and Revenues of the Consolidated Revenue Fund

This report presents the actual budgetary contribution (requirement) of the Consolidated Revenue Fund along with details on the actual revenues and expenditures, by program, using the modified cash basis of accounting.

The Financial Statements of Crown Corporations, Boards and Agencies is also available on the Government's website at: www.fin.gov.nl.ca/comptrollergeneral/publications.htm.

AUDITORS' REPORT

To the Trustees of the
Avalon East School District.

We have audited the balance sheet of the Avalon East School District as at August 31, 2004 and the statements of current revenue, expenditures and district deficiency, cash flows and changes in capital fund for the fourteen month period then ended. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The accounting policy with respect to the District's capital assets is described in Note 1. Canadian generally accepted accounting principles require that not for profit organizations record all capital assets at cost and amortize them over their estimated useful lives. While the District has commenced amortization on certain capital assets, amortization has not been provided on buildings and building improvements. In this respect, these financial statements are not in accordance with Canadian generally accepted accounting principles. Furthermore, information concerning the costs and estimated useful lives of buildings and building improvements, as well as other capital asset additions prior to January 1, 1997, is not readily available. If the District's capital assets were recorded in accordance with Canadian generally accepted accounting principles, changes to the amounts reported for capital assets, investment in capital assets, expenditures and excess of expenditures over revenue would be necessary.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves with respect to the balances of capital assets as described in the preceding paragraph, these financial statements present fairly the financial position of the District as at August 31, 2004 and the results of its operations and the changes in its cash flows and capital fund for the fourteen month period then ended, and are in accordance with the reporting requirements established for school districts in the Province of Newfoundland and Labrador by the Department of Education.

Mission Statement

The Avalon East School District ("the District") exists to nurture the development of the personal and learning potential of each student to become an informed, caring, contributing member of society.

1. Significant Accounting Policies

Fund Accounting

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund." It is customary for School Boards to account separately for the current and capital funds. These financial statements include both the current and capital funds on a combined basis.

Revenue

The District's main source of funding is derived from the Government of Newfoundland and Labrador, Department of Education ("the Department"). The Department provides funding for operations, transportation, capital expenditures and teacher salaries and severance pay. Funding designated for specific purposes is deferred and included in revenue when the related expenditures have been incurred.

Capital Assets

Capital assets assumed by the District on January 1, 1997, as a result of legislation passed pursuant to the Schools Act and the Education Act, are recorded based on the audited financial statements of the predecessor entities. Additions to capital assets after January 1, 1997 are recorded at cost. Proceeds are credited to appropriate property accounts and gains or losses are not recorded. Amortization is recorded as follows:

Asset	Period	Rate
Buildings and improvement	Commencing with additions since July 1, 1999	4% declining balance
Energy retrofit	Commencing with additions since July 1, 1998	7 years straight line
Furniture and equipment	Commencing with additions since July 1, 1999	20% declining balance
Computer equipment	Commencing with additions since July 1, 1999	30% declining balance
Vehicles	Commencing with additions since July 1, 1999	30% declining balance

Additions to buildings and building improvements administered by the Government of Newfoundland and Labrador, Department of Works, Service and Transportation have not been reflected in these financial statements.

Teachers' and Student Assistants' Payroll

The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies. The amounts recorded in the financial statements represent gross salaries for the year.

Pension Costs

All permanent employees of the District are covered by pension plans administered by the Government of Newfoundland and Labrador. Contributions to these plans are required from both the employee and the District. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador and, as such, the employer contributions for pensions and other retirement benefits are recognized in the accounts on a current basis.

1. Significant Accounting Policies (Cont'd)

Other Severance Pay Accrual

The District records severance pay liability for employees other than teachers. Employees are entitled to one week of severance pay for each year of service to a maximum of twenty weeks once they reach 9 years of service with the District.

Use of Accounting Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting periods. Actual results could differ from those estimates.

2. Prior Period Adjustments

Sale Lease/Back Contract

During 2003, the Board entered into a sale lease back contract with the Royal Bank of Canada whereby they sold equipment to the bank at a value of \$5,000,000 and leased it back. This transaction is capital in nature and therefore should be reflected in the Statement of Changes in Capital Fund and related transfer to capital account. Upon sale a gain should have been recognized of \$ 1,868,737. This gain should have been deferred and amortized over the life of the lease agreement. Further, the interest calculation on the lease was understated by \$14,751 in 2003. The effects of these adjustments on the Balance Sheet, Statement of Revenues Expenditures and Deficit and Changes in Capital Fund have been restated as follows:

3. Teachers' Severance Pay Benefits

Pursuant to a directive issued by the Department during fiscal 1998, the District recorded severance pay for teachers in the District. The Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. The District received written approval from the Minister of Education for the deficit arising from the Department's requirement for the teachers' severance.

The net change in the liability for the year ended is as follows:

5. Teachers' Vacation Pay

Pursuant to a directive issued by the Department during fiscal 2003, the District recorded the vacation pay liability for teachers in the District. The liability relates to teachers' salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Although the directive requested that a receivable from the Department for the liability not be recorded, the Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. Accordingly, the District has recorded teachers' vacation pay receivable of \$17,275,268 at June 30, 2003. For the fourteen months ended August 31, 2004, no vacation pay liability or receivable has been reported as the amount was received and paid during July-August 2004.

11. Obligation Under Capital Leases

The District has entered into a capital lease with Royal Bank of Canada to finance its Energy Performance capital expenditures (EPC). The lease is for \$3,000,000 for 5 years with a purchase option of \$2,750,000 at the end of the term.

The District also entered into capital leases with the Royal Bank of Canada for various photocopy equipment. The leases total \$762,145 for 5 years with a purchase option of \$10 at the end of the term.

Future minimum payments under these capital leases is as follows for the year ending in:

	<u>EPC</u>	<u>Copiers</u>	<u>Total</u>
2005	514,100	176,311	690,411

	<u>\$ 4,044,599</u>	<u>\$ 458,515</u>	<u>\$ 4,503,114</u>

Interest has been imputed at a rate
of 4.20%

12. Deferred Costs

The District entered into a sale lease contract with the Royal Bank of Canada for their Energy Performance contract. A gain of \$1,868,737 was recorded upon sale of these assets. This gain is amortized over sixty months. During the year \$467,184 was recorded as amortization expense in the financial statements.

13. Lease Commitments

The District is committed under the terms of various operating leases to make payments in the next four years approximately as follows:

2005	\$	440,552
2006	\$	447,106
2007	\$	447,106
2008	\$	215,234

14. Financial Instruments

The carrying value of the District's financial instruments, with the exception of long-term receivables, approximate fair values due to the short-term maturity and normal credit terms of those instruments. The long-term receivables balance does not approximate fair value as it is non-interest bearing.

15. Insurance Subsidy

The cost of insuring school properties is borne by the Provincial Government and no amount has been recorded in these accounts to reflect this cost.

16. Contingent Liability

Site restoration and remediation costs associated with school properties under the District are charged to operations as incurred. Estimated future site restoration and remediation costs have not been accrued in these financial statements since the obligation, if any, is presently not determinable.

17. Comparative Figures

The comparative figures are for the twelve months ended June 30, 2004.

18. Subsequent Event

Subsequent to August 31, 2004, the Avalon East School District was amalgamated with the Avalon West, Burin Peninsula and Vista School Districts to form the Eastern School District. Effective September 1, 2004 the four boards were combined and now operate as one school district.

**BOARD OF COMMISSIONERS OF
PUBLIC UTILITIES
FINANCIAL STATEMENTS**

MARCH 31, 2006

AUDITORS' REPORT

To: The Board of Commissioners of Public Utilities

We have audited the statement of financial position of the Board of Commissioners of Public Utilities as at March 31, 2006 and the statements of operations, accumulated surplus and cash flows for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

March 31, 2006

1. General

The Board of Commissioners of Public Utilities is an independent, quasi-judicial regulatory tribunal constituted in 1949 by the Lieutenant-Governor in Council pursuant to the *Public Utilities Act*. The Board regulates the electric utilities in the Province of Newfoundland and Labrador and is responsible for ensuring that the rates charged are reasonable and that the service provided is safe and reliable. Other responsibilities include (a) the regulation of automobile insurance rates; (b) the regulation of, from June 8, 2004, fuel prices pursuant to the Petroleum Products Act; (c) limited regulation of the motor carrier industry as it relates to certain passenger and ambulance operations and (d) to establish compensation for matters referred to the Board pursuant to the *Expropriation Act*. The Board was incorporated on May 12, 2000 pursuant to an amendment to the *Public Utilities Act* and as a Crown entity of the Province is not subject to provincial or federal income taxes.

2. Summary of significant accounting policies

These financial statements have, in all material respects, been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are set out below:

a) Operating revenues and expenses

Operating revenues and expenses are accounted for on the accrual basis.

b) Recoverable costs

Recoverable costs relating to regulatory hearings and specific enquiries held by the Board are accrued until the Board orders payment. The costs and subsequent recoveries for these enquiries are not included in the operating revenues and expenses of the Board.

c) Capital assets

Capital assets are recorded on the Statement of Financial Position at their historical cost and are amortized as follows:

- Furniture and equipment - 20% declining balance method
- Computer hardware - 35% declining balance method
- Computer software - 50% declining balance method
- Leasehold improvements - the lesser of five year straight-line and remaining term of the lease

d) Severance pay

Severance pay is accounted for on the accrual basis and is based upon years of service and current salary levels. The entitlement to severance pay vests with employees after nine years of continual service and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Board.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

2. Significant accounting policies (cont'd)

e) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires the Board's management to make estimates and assumptions that affect the amounts reported in the financial statements and the notes related thereto. Actual results may differ from those estimates.

3. Recoverable costs

	2006	2005
Recoverable costs, beginning of year	\$159,540	\$1,325,349
Add – specific enquiry costs incurred during the year:

	450,769	1,471,246
Recoverable costs, end of year	\$240,045	\$ 159,540

4. Deferred costs – insurance review

The Board incurred costs in the 2005 and 2006 fiscal year relating to the insurance industry review. These costs are deferred until all costs pertaining to a specific review have been accumulated and a special assessment issued. Assessment revenue and the related costs are included in the operating revenues and expenses of the Board.

5. Designated pension funds and pension obligations

Designated pension funds are disclosed in the Statement of Financial Position as net of the related pension obligation.

The Board maintains a defined benefit pension plan for two former commissioners. Designated pension funds have been established and consist of investments maintained in trust with the Royal Trust Corporation of Canada on behalf of these pensioners and are recorded at market value.

Related pension obligation	(362,100)	(384,300)
	\$ 12,505	\$ 48,569

Pension obligations represent the present value of accrued pension benefits as calculated in an actuarial report dated April 20, 2006. A pension obligations estimation adjustment of \$43,245 (2005 - \$100,245) is included in expenses in the fiscal year.

The Board also makes pension payments to a former Commissioner in the amount of \$24,520 per annum. These payments are paid directly by the Board out of operating expenses and are included in salaries and associated costs. In addition, salaries and associated costs include the expenditure of \$54,814 (2005 - \$56,173) with respect to current Commissioners and employees who are members of the *Public Service Pension Fund Act*, 1991 and entitled to benefits under that Act.

6. Capital assets

	2006		2005	
	Original Cost	Accumulated Amortization	Net Book Value	Net Book Value

	\$568,205	\$511,717	\$ 56,488	\$ 58,410

7. Bank credit agreement

The Board has established a \$1,000,000 line-of-credit subject to a general security agreement over all accounts and book debts, equipment, tangible capital assets and certain other assets. Any outstanding balance bears interest at the bank prime rate plus 0.5%.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements

March 31, 2006

8. Internally restricted surplus

The Board has adopted a formal policy to accumulate and restrict estimated amounts required to meet expected future obligations. The amounts restricted as at March 31, 2006 are as follows:

	2006	2005
Lease commitments	\$ 182,663	\$ 173,625
Payroll contingency	61,202	73,224
Redundancy pay contingency	483,132	470,978
Working capital	362,716	366,233
	\$1,089,713	\$1,084,060

Certain comparative figures related to the internally restricted surplus have been reclassified to conform to the current year's presentation.

9. Unrestricted surplus and subsequent event

Subsequent to the year end and pursuant to Section 13(7) of the Public Utilities Act, the Board approved reductions in assessments to the electrical utilities, the insurance industry and the petroleum products industry in the amounts of \$594,482, \$159,453 and \$152,542, respectively, thereby reducing the unrestricted surplus by \$906,477.

10. Lease commitments

The Board has the following lease commitments for the rental of office space in St. John's and Grand Falls-Windsor:

- lease agreement in the amount of \$12,256 per month (\$147,072 per annum) concluding May 31, 2008.
- lease agreement in the amount of \$3,074 per month (\$36,888 per annum) concluding July 31, 2006.

FINANCIAL STATEMENTS

31 MARCH 2005

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

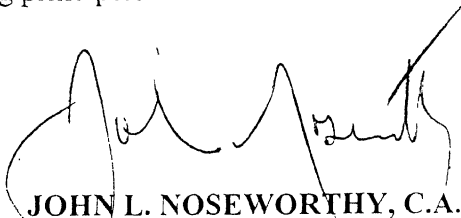

AUDITOR'S REPORT

To the Board of Directors
Bull Arm Site Corporation
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Bull Arm Site Corporation as at 31 March 2005 and the statements of revenues and expenses and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2005 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2005

Authority

The Bull Arm Site Corporation was incorporated by the Province of Newfoundland and Labrador on 15 September 1995 under the *Corporations Act*. All shares of the Corporation are held by Ministers of the Crown on behalf of the Province. Its affairs are governed by a Board of Directors appointed by the Lieutenant-Governor in Council.

An agreement between the Province and the parties involved in the Hibernia project provided for the transfer of assets, known as investment property, at the Bull Arm Site to the Province. Investment property is defined in the agreement to include buildings, fixed equipment, living and recreational facilities, drydock, wharves, vehicles and other assets. In addition, the Corporation may accept investment property from other lessors of the Site upon termination of the lease agreements. The purpose of the Corporation is to receive and administer these assets at the Bull Arm Site. Investment property that is surplus to the future needs of the Corporation is either transferred for nil proceeds to the Province for its use or, if not required by the Province, disposed of to third parties.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Investment property

Management of the Corporation has determined that it is not practical to determine the value of the investment property with sufficient reliability and thus investment property is recorded at a nominal value of \$1. Any costs associated with obtaining the investment property are expensed as incurred.

(b) Capital assets

Capital assets are capitalized at cost at the time of acquisition. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the methods described below based on the expected future life of the asset as follows:

Topsides module hall door	20% declining balance
Computer equipment	30% declining balance
Office equipment	20% declining balance
Vehicles	30% declining balance

2. Investments

Investments of \$374,601 (2004 - \$1,814,612) in guaranteed investment certificates are valued at cost which approximates market value. Maturity dates range from 22 April 2005 to 24 June 2005 with interest rates from 0.75% to 1.76%. Investments totaling \$110,409 (2004 - \$107,744) are encumbered as they relate to suppliers' performance bonds.

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2005

3. Investment property

In March 1998, the Corporation accepted all remaining investment property from the Hibernia Management Development Corporation. In November 2001, the Corporation accepted investment property relating to the Terra Nova Project which remained on site following the expiration of a site lease with PCL Industrial Contractors Inc.

4. Capital assets

	2005			2004	
	Cost	Capital Contributions	Accumulated Amortization	Net Book Value	Net Book Value
Topsides module hall door	\$ 1,623,180	\$ 500,000	\$ 112,318	\$ 1,010,862	\$ -

	\$ 1,647,954	\$ 500,000	\$ 128,096	\$ 1,019,858	\$ 12,610

5. Capital contribution from the Province

During 2004, the Province of Newfoundland and Labrador agreed to contribute \$500,000 from the Offshore Development Fund towards the construction of a topsides module hall door listed in Note 4. The Province advanced \$450,000 of this contribution in 2004. During 2004, the Corporation applied \$203,700 of the \$450,000 towards the cost of the door with the remaining balance of \$246,300 being treated as a deferred contribution in 2004.

During 2005, the Province advanced the remaining \$50,000 of its \$500,000 contribution. This \$50,000 contribution, together with the deferred contribution of \$246,300 carried forward from 2004, was applied against the cost of the door during 2005.

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2005

6. Distribution payable to the Province of Newfoundland and Labrador

The Minister of Finance is authorized to invest any surplus from operations. Surpluses from operations are to be paid into the Consolidated Revenue Fund of the Province of Newfoundland and Labrador but there are no set terms of repayment. The change in the distribution payable to the Province of Newfoundland and Labrador for the year is as follows:

	<u>2005</u>	<u>2004</u>
Balance, beginning of year	\$ 2,149,711	\$ 3,007,853
Excess of expenses over revenues	<u>(599,542)</u>	<u>(858,142)</u>
Balance, end of year	<u>\$ 1,550,169</u>	<u>\$ 2,149,711</u>

7. Related party transactions

The Province of Newfoundland and Labrador has provided office space, office equipment and furnishings, and legal services at no cost to the Corporation. These contributions are not reflected in these financial statements. Salaries and benefits for certain employees of the Corporation are paid directly by the Province of Newfoundland and Labrador and the Province is reimbursed by the Corporation.

8. Financial instruments

The Corporation's financial instruments recognized in the balance sheet consist of cash, investments, accounts receivable, accounts payable and accrued liabilities and performance bonds payable, the carrying values of which approximate fair value due to the short-term maturity associated with these instruments.

9. Operating lease obligation

A vehicle has been leased for a four year term commencing 22 October 2002. Future minimum lease payments over the next two years are as follows:

2006	\$ 6,513
2007	\$ 3,256

10. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Federal or Provincial income taxes.

AUDITOR'S REPORT

To the Board of Directors
Bull Arm Site Corporation
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Bull Arm Site Corporation as at 31 March 2006 and the statements of revenues and expenses and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

Authority

The Bull Arm Site Corporation was incorporated by the Province of Newfoundland and Labrador on 15 September 1995 under the *Corporations Act*. All shares of the Corporation are held by Ministers of the Crown on behalf of the Province. Its affairs are governed by a Board of Directors appointed by the Lieutenant-Governor in Council.

An agreement between the Province and the parties involved in the Hibernia project provided for the transfer of assets, known as investment property, at the Bull Arm Site to the Province. Investment property is defined in the agreement to include buildings, fixed equipment, living and recreational facilities, drydock, wharves, vehicles and other assets. In addition, the Corporation may accept investment property from other lessors of the Site upon termination of the lease agreements. The purpose of the Corporation is to receive and administer these assets at the Bull Arm Site. Investment property that is surplus to the future needs of the Corporation is either transferred for nil proceeds to the Province for its use or, if not required by the Province, disposed of to third parties.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Investment property

Management of the Corporation has determined that it is not practical to determine the value of the investment property with sufficient reliability and thus investment property is recorded at a nominal value of \$1. Any costs associated with obtaining the investment property are expensed as incurred.

(b) Capital assets

Capital assets are capitalized at cost at the time of acquisition. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the methods described below based on the expected future life of the asset as follows:

Topsides module hall door	20% declining balance
Computer equipment	30% declining balance
Office equipment	20% declining balance
Vehicles	30% declining balance

2. Investments

Investments of \$200,551 (2005 - \$374,601) in guaranteed investment certificates are valued at cost which approximates market value. Maturity dates range from 21 April 2006 to 7 March 2007 with interest rates from 0.95% to 3.00%. Investments totalling \$10,609 (2005 - \$110,409) are encumbered as they relate to suppliers' performance bonds.

3. Investment property

In March 1998, the Corporation accepted all remaining investment property from the Hibernia Management Development Corporation. In November 2001, the Corporation accepted investment property relating to the Terra Nova Project which remained on site following the expiration of a site lease with PCL Industrial Contractors Inc.

4. Capital assets

	2006			2005	
	Cost	Capital Contributions	Accumulated Amortization	Net Book Value	Net Book Value
Topsides module hall door	\$ 1,623,180	\$ 500,000	\$ 314,491	\$ 808,689	\$ 1,010,862

5. Distribution payable to the Province of Newfoundland and Labrador

The Minister of Finance is authorized to invest any surplus from operations. Surpluses from operations are to be paid into the Consolidated Revenue Fund of the Province of Newfoundland and Labrador but there are no set terms of repayment. The change in the distribution payable to the Province of Newfoundland and Labrador for the year is as follows:

	2006	2005
Balance, beginning of year	\$ 1,550,169	\$ 2,149,711
Excess of expenses over revenues	(179,376)	(599,542)
Balance, end of year	\$ 1,370,793	\$ 1,550,169

BULL ARM SITE CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

6. Related party transactions

The Province of Newfoundland and Labrador has provided office space, office equipment and furnishings, and legal services at no cost to the Corporation. These contributions are not reflected in these financial statements. Salaries and benefits for certain employees of the Corporation are paid directly by the Province of Newfoundland and Labrador and the Province is reimbursed by the Corporation.

7. Financial instruments

The Corporation's financial instruments recognized in the balance sheet consist of cash, investments, accounts receivable, accounts payable and accrued liabilities and performance bonds payable, the carrying values of which approximate fair value due to the short-term maturity associated with these instruments.

8. Operating lease obligation

A vehicle has been leased for a four year term commencing 22 October 2002. Future minimum lease payments over the next year will amount to \$3,256.

9. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Federal or Provincial income taxes.

FINANCIAL STATEMENTS
31 MARCH 2006

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

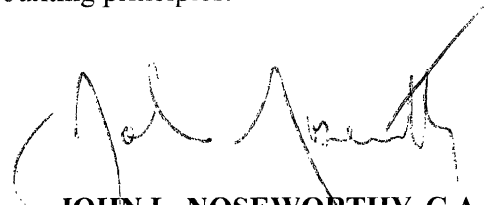

AUDITOR'S REPORT

To the Board of Directors
Business Investment Corporation
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Business Investment Corporation as at 31 March 2006 and the statements of equity, revenues and expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

Authority

The Business Investment Corporation (the Corporation) was established under the authority of the *Business Investment Corporation Act*. The Corporation is funded by the Province of Newfoundland and Labrador (the Province) and is responsible for making available and managing investments in small to medium sized private businesses, co-operatives, community development corporations and other enterprises for the purpose of creating employment opportunities for the people of the Province. The affairs of the Corporation are managed by a Board of Directors appointed by the Lieutenant-Governor in Council.

The *Business Investment Corporation Act* came into force effective 1 April 2002. Under this *Act*, the Business Investment Corporation was incorporated and became the successor to Enterprise Newfoundland and Labrador Corporation, the Fisheries Loan Board and the Farm Development Loan Board. Also under this *Act*, the *Fisheries Loan Act*, the *Farm Development Loan Act*, the *Economic Recovery Commission Act* and the *Enterprise Newfoundland and Labrador Corporation Act* were repealed.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Loans receivable

The Corporation records loans receivable at cost. When loans are identified as impaired, the Corporation records an allowance to reduce their carrying values to their estimated realizable amounts. Estimated realizable amounts are measured at discounted cash flows when the cash flows can be estimated with reasonable reliability, or alternatively, at the estimated net realizable value of the underlying security.

(b) Equity investments

The Corporation records equity investments at cost. In certain circumstances, the Corporation may have acquired the right to appoint representatives to an equity investee's board of directors or it may have a significant influence on the strategic operating, investing and financing policies of the investee. However, because of the nature of the Corporation's investment process and the manner in which these positions were acquired, such control or significant influence may not in fact be exercised or the Corporation may not intend to maintain such positions. Accordingly the Corporation's equity investments for all companies in which the Corporation holds voting rights are accounted for on the cost basis.

Provision is made by the Corporation for any decline in the value of investee companies which is considered to be other than temporary.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

1. Significant accounting policies (cont.)

(c) Revenue recognition

Interest income is accounted for on the accrual basis for all loans other than the impaired portion of loans. Recognition of interest in accordance with the terms of the original loan agreement ceases when a loan becomes impaired. A loan is classified as impaired when, in the opinion of management, there is reasonable doubt as to the ultimate collectability of a portion of principal or interest, or when payment is contractually past due 90 days. The impaired portion of loans may revert to accrual status only when principal and interest payments have become fully current again, at which time any interest will be recognized in that fiscal year.

Dividends are recorded as income when received.

2. Aquaculture Working Capital Fund

During the fiscal years 2000-01 to 2002-03, the Corporation received \$1.5 million from the Aquaculture Working Capital Fund (the Fund). The Fund assists individuals and companies in the shellfish industry throughout the Province through repayable loans. The Fund is a revolving fund in which loan repayments are not remitted to the Province but held by the Corporation to be paid out as future aquaculture loans.

As at 31 March 2006, the Fund had 19 loans outstanding totalling \$1,473,326 (2005 - 19 loans totalling \$1,518,177). During 2003-04, the Corporation established a separate loan portfolio and bank account to administer the Fund and assist in identifying payments that are received and held for future loans. As at 31 March 2006, the Fund had a balance of \$76,475 (2005 - \$25,548) which is included in these financial statements as part of cash.

3. Loans and equity investments

The determination of whether a loan is impaired and the appropriate carrying value of equity investments, involves significant judgement. The estimation of an appropriate allowance for decline in value of loans receivable and equity investments necessarily involves the use of estimates. These financial statements represent management's best estimates based on available information.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

3. Loans and equity investments (cont.)

Loans and equity investments consist of the following:

	<u>2006</u>	<u>2005</u>
Loans receivable		
Principal due and unpaid	\$ 21,276,315	\$ 22,975,201
Principal not yet due	14,470,691	17,592,047

	<u>38,236,285</u>	<u>44,087,661</u>
Less: allowance for decline in value	<u>(30,704,742)</u>	<u>(35,561,456)</u>
	<u>7,531,543</u>	<u>8,526,205</u>
Equity investments		
Equity investments, at cost	20,763,889	20,782,964
Less: allowance for decline in value	<u>(19,997,563)</u>	<u>(19,936,435)</u>
	<u>766,326</u>	<u>846,529</u>
Loans and equity investments	\$ 8,297,869	\$ 9,372,734

The allowance for the decline in value of loans receivable and equity investments consists of the following:

	<u>2006</u>	<u>2005</u>
Balance, beginning of year	\$ 55,497,891	\$ 63,340,900
Principal written off, net of recoveries	(4,744,609)	(8,291,324)
Interest written off, net of recoveries	(1,295,099)	(1,115,197)
Interest receivable adjustment	-	(2,643)
Provision for decline in value of loans receivable and equity investments	<u>1,244,122</u>	<u>1,566,155</u>
Balance, end of year	\$ 50,702,305	\$ 55,497,891

The allowance for decline in value of loans represents the Corporation's best estimate of future probable losses with respect to the loans receivable and equity investments. The Corporation recognizes that future economic and industry conditions are not predictable and therefore, their impact on the future cash flows anticipated is uncertain. Consequently, adjustments to the allowance are possible depending on the impact of these future events and management's best estimate of them.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

4. Long-term investments

Long-term investments consist of 673 shares of Sun Life Financial Services of Canada Incorporated which were given to the Corporation as a result of the demutualization of Sun Life Assurance Company of Canada. The carrying value of the shares are recognized at the fair market value of \$9,422 as determined by the share price at the time of the transfer of shares to the Corporation. The fair market value of these shares as at 31 March 2006 was \$33,414 (2005 - \$21,899).

5. Contingent liabilities

- (a) A client of the Corporation has taken legal action as a result of certain alleged technical problems that the client claims to have experienced with a vessel that was financed through the Fisheries Loan Board Program. The amount of this potential claim is in the \$900,000 to \$1,100,000 range. In a matter related to this legal action, another party has been awarded a claim of \$1,800,000. The Province will not appeal this decision.
- (b) A statement of claim has been served on the Corporation by a company claiming a breach of contract. The company is claiming special damages of \$811,040, other general and unspecified damages, interest and costs associated with the action. The likelihood of loss as a result of this claim is not determinable.
- (c) A client of the Corporation has taken legal action to recover insurance monies payable for insurance on a fishing vessel. The claim which lists the Fisheries Loan Board and the Minister of Fisheries as co-defendants, is for \$167,000 plus interest accruing from 1990 onward. The estimated future value of this claim cannot be reasonably estimated and the outcome of this matter cannot be predicted at this time.

6. Commitments

The Corporation has outstanding commitments in respect of approved but not yet disbursed loans, equity investments and/or grants in the amount of \$2,854,343 (2005 - \$1,333,318).

7. Contributed capital

The Corporation receives capital contributions from the Province and the Government of Canada for the purpose of making loans, equity investments, and providing business and market development grants. The Corporation depends on these capital contributions to carry out its mandate.

Contributed capital is reduced by the principal portion of loans collected and paid to the Province, the principal portion of loans written off, and by contributions which the Corporation disburses as grants under its Business and Market Development Program.

BUSINESS INVESTMENT CORPORATION
NOTES TO FINANCIAL STATEMENTS
31 March 2006

8. Financial instruments

The Corporation's financial instruments recognized on the balance sheet, in addition to the long-term investments described in Note 4, consist of cash, loans and equity investments, and borrowers' deposits. The carrying values of cash, and borrowers' deposits approximate current fair value due to their nature and the short-term maturity or current market rate associated with these instruments.

The Corporation's loans and equity investments are recognized on the balance sheet at cost with provision being made for any decline in their value. Any estimated impairment of these loans and equity investments has been provided for through an allowance for decline in value and no further credit risk exists for these items. The carrying value of loans and equity investments approximates discounted value of expected receipts. Therefore, their carrying values approximate their current fair value and these instruments are not subject to any material interest rate risk.

9. Related party transactions

The Corporation is administered as a division of the Department of Innovation, Trade and Rural Development. Expenses of \$507,807 related to salaries, accommodations and administration are paid directly by the Department and no provision is made in these financial statements to reflect those expenditures.

10. Economic dependence

As a result of the Corporation's reliance on Provincial funding, the Corporation's ability to continue viable operations is dependent upon the decisions of the Province.

11. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

FINANCIAL STATEMENTS - MARCH 31, 2006

AUDITORS' REPORT

To the Board of Trustees of the **Central Regional Health Authority**

We have audited the consolidated balance sheet of the **Central Regional Health Authority** as at March 31, 2006 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2006 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

CENTRAL REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2006

1. Nature of operations:

Effective April 1, 2005 the Government of Newfoundland and Labrador created the Central Regional Health Authority which assumed the assets, liabilities, net assets and operations of the following entities:

Central West Health Corporation
Central East Health Care Institutions Board
Central Regional Health and Community Services Board

These financial statements reflect the operating assets, liabilities, revenue and expenditure of the following facilities and clinics operated by the Central Regional Health Authority.

Facilities

A. M. Guy Memorial Health Centre	Green Bay Community Health Centre
Baie Verte Peninsula Health Centre	James Paton Memorial Hospital
Bonnews Lodge Apartment Complex	Lakeside Homes
Brookfield Bonnews Health Care Centre	North Haven Manor Senior Citizens Home
Carmelite House Senior Citizens Home	North Haven Manor Cottages
Central Newfoundland Regional Health Centre	Notre Dame Bay Memorial Health Care
Central Northeast Health Foundation	South and Central Health Foundation
Connaigre Peninsula Health Care	Valley Vista Senior Citizens Home
Dr. Hugh Twomey Health Care Centre	Valley Vista Cottages
Fogo Island Hospital	

Clinics

Carmanville	LaScie
Centreville	Lewisporte
Eastport	Mose Ambrose
Gambo	Musgrave Harbour
Gander Bay	New World Island
Glovertown	St. Alban's
Hare Bay	St. Brendan's
Hermitage	

The operations of the above entities were primarily funded by the Government of Newfoundland and Labrador (the Government) to provide health care services on the Government's behalf, causing all entities to be effectively under common control. As a result, these financial statements have been prepared using the pooling of interest method of accounting. Under this method, the book values of assets, liabilities and net assets of each of the entities being combined, are added together to form the combined value of assets, liabilities and net assets of the Authority.

CENTRAL REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2006

2. Summary of significant accounting policies:

These financial statements have been prepared in accordance with generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Inventories

Inventories are valued determined on the first in first out basis, as follows:

General stores, at average cost
Drugs, at cost

Property, plant and equipment

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution. Property, plant and equipment are being amortized on a declining balance basis over their useful lives, at the following rates:

Land improvements	2.5 - 10%
Buildings and service equipment	2.5 - 5%
Equipment	10 - 33.3%
Motor vehicles	20.0%

In addition, the Bonnews Lodge Apartment Complex, North Haven Manor Cottage Units Phase I, II, III, North Haven Manor Cottage Units Phase IV, Valley Vista Cottages, buildings and equipment are being amortized at a rate equal to the annual principal reduction of the mortgage related to the properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

Replacement reserve

Newfoundland and Labrador Housing Corporation (NLHC) requires that Not-for-Profit Housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of property, plant and equipment. These funds may only be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

Transactions in the reserve are shown in Note 12.

Revenue recognition

Central Regional Health Authority follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized

2011	898,916	400,700

Interest subsidy:

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act to reduce operating costs. The amount of assistance received from Newfoundland and Labrador Housing Corporation in 2006 was \$127,997 for the Operating Fund facilities and \$261,859 for the Authority's Cottage operations.

10. Obligations under capital lease:

The Authority has entered into a number of agreements whereby it leases certain equipment for terms ranging from three to six years. These leases are accounted for as capital leases with the Authority treating the equipment as an acquisition of an asset and the assumption of an obligation. The effective interest rates range from 6.3% to 16.37%.

The following is a schedule of future minimum lease payments under the capital leases:

14. Commitments:

Operating leases

The Authority has a number of agreements whereby it leases property and equipment in addition to those disclosed under Note 10. These agreements range in terms from one to three years. These leases are accounted for as operating leases. Future minimum lease payments under operating leases are as follows:

2007	\$ 627,255
2008	572,741
2009	461,649
2010	380,019
2011	361,286

Energy performance contract

The Authority assumed Energy Performance Contracts from the previous entities, Central West Health Corporation and Central East Health Care Institutions Board. These contracts were entered into during 2001 and 2000, respectively, with Enerplan Consultants Ltd. for the design and implementation of measures to improve energy efficiency, wherein Enerplan guaranteed the energy savings component.

The contracts were crystallized at \$4,450,214 for Central West and \$1,247,329 for Central East and are being repaid from operating and energy savings over a ten year period having commenced in August, 2002 and January, 2000, respectively.

These contracts were financed through the Canadian Imperial Bank of Commerce for Central West and Associates Capital Limited for Central East.

14. Commitments (continued):

As support for this financing, Enerplan Consultants Ltd., has assigned to the financiers any funds due to them by the Authority for the energy savings component of the contract.

In the opinion of management of the Authority, the guaranteed energy savings component of Enerplan Consultants Ltd. is an offset to the obligations of the Authority to the Canadian Imperial Bank of Commerce and Associates Capital Limited and as a consequence neither the capital expenditures or the financing obligations are reflected in these financial statements of the Authority at March 31, 2006.

15. Contingency

As of March 31, 2006 there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management believes any claims, if successful, will be covered by liability insurance.

COLLEGE OF THE NORTH ATLANTIC
AUDITORS' REPORT
FINANCIAL STATEMENTS - MARCH 31, 2006

AUDITORS' REPORT

To the Board of Governors of the **College of the North Atlantic**

We have audited the statement of financial position of the **College of the North Atlantic** as at March 31, 2006 and the statements of operations, changes in net assets and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the College as at March 31, 2006, and the results of its operations and the changes in net assets and cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2006

Authority and Purpose

The College of the North Atlantic (the College) operates under the authority of the College Act, 1996, Province of Newfoundland and Labrador. In accordance with Section 6 of the College Act, 1996, the College is a statutory crown corporation and as such is not subject to either Federal or Provincial income taxes and is exempt from Municipal taxes. The College is Newfoundland and Labrador's public college. The College is committed to providing accessible, responsive, quality learning opportunities which prepare people to become self-sufficient contributors to social and economic development both in a provincial and global context.

1 Significant accounting policies:

The financial statements of the College have been prepared within the framework of Canadian generally accepted accounting principles which requires the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results. The more significant accounting policies of the College are as follows:

(a) *Revenue recognition*

The College follows the deferral method of accounting for contributions which includes donations and government grants. Grants for expenditures of future periods are deferred and recognized as revenue in the year in which the related expenditures were incurred. Grants for capital assets are deferred and recognized as revenue on the same basis as the acquired capital assets are amortized.

Revenue from contractual services is recognized as the service is delivered.

(b) *Basis of accounting*

The College follows the accrual basis of accounting.

(c) *Inventory*

Inventory which consists mainly of books and food supplies is recorded at the lower of cost or net realizable value.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2006

(d) *Property, Plant & Equipment*

Property, plant & equipment recorded prior to the April 1, 1997 amalgamation of the former Colleges are recorded at either cost, nominal, or approximate fair value. Property, plant & equipment acquired after April 1, 1997 are recorded at cost. Amortization is recorded on a straight line basis using the following estimated useful lives:

Artwork	No amortization
Capital improvements	10 and 5 years
ERP - Peoplesoft	10 years
Computer and peripherals	3 years
Furnishings	5 years
Instructional equipment	5 years
Other electronic equipment	5 years
Software	3 years
Vehicles	5 years

One half year's amortization is taken in the year of acquisition.

No amortization is recorded for assets under development.

The value of donated artwork has not been recorded in these financial statements. An accurate valuation of donated artwork has not been obtained at March 31, 2006.

On disposal, property, plant & equipment are removed from the accounts at their net book value. Proceeds from disposals are recorded and any resulting gain or loss on disposal is realized.

(e) *Severance and vacation pay*

The College is liable for severance pay to employees who have nine or more years of continuous public service. An amount has been recorded in the financial statements to reflect this liability. No provision for severance has been made for employees with less than the required years of service.

(f) *Foreign Currencies*

Transactions in foreign currencies are recorded in Canadian dollars at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the Statement of Financial Position date. Exchange gains or losses arising from the translations are included in the Statement of Operations.

5 Deferred capital contributions

Deferred capital contributions represent the unamortized amount of grants and special funding received for the purchase of property, plant & equipment (PPE). Changes in the deferred capital contributions balances are as follows:

	2006	2005
Balance, beginning of year	\$ 3,420,011	\$ 3,915,869
Contributions received for PPE purposes		
- Provincial grants	1,536,387	500,000

Amortization of deferred capital contributions	(1,342,517)	(1,472,087)
	\$ 4,169,297	\$ 3,420,011

6 Pensions

Under Section 26 of the College Act, 1996, College staff is subject to the Public Service Pension Act, 1996. Employee contributions are matched by the College and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire.

7 Commitments

Deloitte Inc. Commitment

The College has entered into a contract with Deloitte Inc. to develop and maintain a PeopleSoft integrated computerized information system. Committed payments over the next five years are as follows:

2006-2007	1,084,041
2007-2008	1,171,789
2008-2009	1,315,430
2009-2010	1,476,310
2010-2011	379,172

Lease Commitment

The College leases some equipment under long-term operating leases. Lease payments for the next four years, committed under operating leases extending beyond one year, are as follows:

2006-2007	677,891
2007-2008	354,916
2008-2009	162,794
2009-2010	97,258
2010-2011	46,497

8 Comprehensive Agreement with the State of Qatar

The College has a comprehensive agreement with the State of Qatar to establish, operate and administer a College of Applied Arts and Technology in Doha, Qatar for a ten year period, September 30, 2001 to August 31, 2012. The agreement is funded by the State of Qatar. For its services, the College is paid an annual Management Fee of 10% of base salaries.

9 Financial instruments

The carrying values of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to the relatively short periods to maturity of these instruments.

10 Rental accrual

Included in accounts payable is an accrual totalling \$2,197,286 for unpaid lease payments and related interest for rental of Labrador West campus. The monthly lease amount was raised from \$50,000 to \$80,000, however based on directions from the Department of Works, Services and Transportation, the College continues to pay the original lease amount. As of the financial statement date, the outcome of any possible litigation regarding this dispute could not be determined. It is possible the College could have a recovery of some portion of this accrued liability

11 Comparative figures

Certain of the 2005 comparative figures have been reclassified to conform to the financial presentation adopted in 2006.

Conseil scolaire francophone provincial

FINANCIAL STATEMENTS / AUDITOR'S REPORT

June 30, 2005

AUDITORS' REPORT

To the Trustees of
Conseil scolaire francophone provincial de Terre-Neuve-
et-Labrador

We have audited the statement of financial position of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador as at June 30, 2005 and the related statements of current revenues, expenditures and Board equity, statement of cash flows and statement of changes in capital fund position for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2005 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles and as explained in Note 1 to the financial statements, and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

Notes to the Financial Statements Year Ended June 30, 2005

1. Significant Accounting Policies:

The accompanying financial statement have been prepared on a fund accounting basis which is generally accepted for School Districts. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund". It is customary for School Districts to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the District, relating to their use of fund accounting, is as follows:

1. Grants received by the District are recorded in either the current or capital funds depending on their source. Grants from the Department of Education are treated as current revenues while those from the EIC (Education Investment Corporation) are recorded as capital revenues.
2. Fixed asset additions are recorded at full cost in the capital fund.
3. Effective July 1, 2003, the District commenced the amortization of its capital assets. A retroactive calculation was performed based on the straight-line method based on the following number of years.
 - School buildings - 40 years
 - Furniture - 10 years
 - Equipment - 10 years
 - Computers - 4 years
4. Funding relating to capital assets is deferred and amortized according to the same method used for the assets to which it relates.
5. The School board has acquired, in certain cases, land for its buildings without cost. In other cases, the board obtained authorization to use the land without ownership, as long as the properties are used for educational purposes. In the case where the land is board property, value determinations were not possible, meaning that the fair market value was not recorded.

5. Accrued Severance Leave

The amount of \$25,672 for teachers' severance costs and the amount of \$442 for non-teaching staff severance costs are included in expenses. The amount of \$140,259 for teachers' severance costs and the amount of \$35,698 for non-teaching staff severance costs for a total of \$179,957 are included in the liabilities.

The adjustment for teachers' severance pay is required by the Department of Education of the Government of Newfoundland and Labrador and has no impact on the operation of the School Board. No account receivable is included in the accounts to offset this liability.

The accrued severance leave for non-teaching personnel is funded out of the board's regular operating grants.

FINANCIAL STATEMENTS

31 MARCH 2006

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Minister of Government Services
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Consumer Protection Fund for Prepaid Funeral Services as at 31 March 2006 and the statements of revenues, expenses and deficit, and cash flows for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

CONSUMER PROTECTION FUND FOR PREPAID FUNERAL SERVICES
NOTES TO FINANCIAL STATEMENTS
31 March 2006

Authority

The Consumer Protection Fund for Prepaid Funeral Services (the Assurance Fund) was established under the *Prepaid Funeral Services Act* for the purpose of paying in whole or in part, claims arising out of a prepaid funeral contract against a person who holds or held a licence under the *Act*.

1. Significant accounting policies

These financial statements have been prepared by the Assurance Fund's management in accordance with Canadian generally accepted accounting principles.

2. Bank indebtedness

The Assurance Fund has a \$200,000 revolving demand credit facility guaranteed by the Province. Interest is charged at the bank's prime rate. As at 31 March 2006, \$158,580 (2005 - \$159,912) had been drawn down on this line of credit.

3. Liability for claims arising from prepaid funeral services contracts

The liability for claims arising from prepaid funeral services contracts resulted from the failure of a funeral home in Port aux Basques in November 2000 where 88 customers had purchased prepaid funerals totalling \$492,790. An additional claim has also been recognized for a customer who was not included in the original liability. During the year 4 claims (2005 - 10) relating to these prepaid funeral services contracts were paid by the Assurance Fund. Details of the change in the liability are as follows:

	<u>2006</u>	<u>2005</u>
Liability, beginning of year	\$ 229,324	\$ 280,176
Additional claims arising during the year	-	1,161
Payment of claims during the year	<u>(22,520)</u>	<u>(52,013)</u>
Liability, end of year	<u>\$ 206,804</u>	<u>\$ 229,324</u>

All payments made to funeral homes which subsequently performed the contracted services are net of Harmonized Sales Tax (HST), pending a ruling from the Canada Revenue Agency (CRA). The Province is in the process of determining whether the closed funeral home in Port aux Basques had submitted HST to the CRA.

CONSUMER PROTECTION FUND FOR PREPAID FUNERAL SERVICES
NOTES TO FINANCIAL STATEMENTS
31 March 2006

4. Assessments

A seller of prepaid funeral services is required to pay into the Assurance Fund between 1% and 5% of the cost of each prepaid funeral contract depending on the amount held in trust. During the year, \$37,933 (2005 - \$37,956) was paid to the Assurance Fund.

5. Financial instruments

The Assurance Fund's financial instruments recognized on the balance sheet consist of cash, accounts receivable, bank indebtedness, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

6. Related party transactions

The Assurance Fund is administered by employees of the Department of Government Services. The costs of administration are paid directly by the Department and are not reflected in these financial statements. The costs of administration are offset by licence fees collected by the Department.

7. Income taxes

The Assurance Fund is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

CREDIT UNION DEPOSIT GUARANTEE CORPORATION

Notes to the Financial Statements

December 31, 2005

1. DESCRIPTION OF BUSINESS

The Credit Union Deposit Guarantee Corporation (the "Corporation") is established as a corporation without share capital under the provisions of Section 176 of the Credit Union Act.

The Corporation guarantees the deposits of members of credit unions in the Province of Newfoundland and Labrador. This guarantee is supported by the investments held by the Corporation.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles and reflect the following significant accounting policies:

Revenue recognition

The Corporation recognizes assessment revenue based on a percentage of insured deposits of individual credit unions operating within the Province of Newfoundland and Labrador. Interest revenue is recognized based on the investment interest collected and accrued during the year, and bonding revenue is recognized based on a percentage of individual credit unions' assets plus a 20% administrative charge.

Assistance to credit unions

Assistance to credit unions is recorded only when it can be reasonably determined by the Corporation that such a payment will be required and when the Board of Directors have assessed the reasonableness of such a charge and authorized the assistance as a commitment of the Fund. The determination of the assistance requires the exercise of judgement because the precise amount, method and timing of such assistance is dependent upon future events. The amount of actual assistance paid, and future possible assistance is disclosed in the financial statements.

Cash

Cash consists of balances with banks.

Investments

Investments are recorded at cost. When, in the opinion of management, a permanent decline in the value of the investments has occurred, the carrying value is adjusted accordingly.

Capital assets

Capital assets are recorded at cost. Amortization is provided on a declining balance basis at rates which will reduce original cost to estimated residual value over the useful life of the assets.

CREDIT UNION DEPOSIT GUARANTEE CORPORATION

Notes to the Financial Statements

December 31, 2005

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Severance pay

Severance pay is accrued for all employees for whom the right to such compensation is vested.

No provision for the ultimate severance pay liability is made in the accounts for any employee who has less than nine years of service.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

		116,759	93,009	23,750	39,222

6. INCOME TAXES

The Corporation has the following non-capital losses available which can be used to reduce future years' taxable income.

<u>Year of Expiry</u>	<u>Amount</u>
	\$
2006	163,796
2007	81,018

2015	362,558
	<u>1,901,882</u>

The potential income tax benefit associated with those losses has not been recognized in these financial statements.

7. CONTINGENCY

The Corporation has provided a deficiency guarantee to Eagle River Credit Union Limited in respect to certain long-term loans outstanding in its accounts which arose of the acquisition of the net assets of Labrador Savings Credit Union Limited.

CREDIT UNION DEPOSIT GUARANTEE CORPORATION

Notes to the Financial Statements

December 31, 2005

8. COMMITMENTS

The Corporation has entered into a lease agreement for office space which expires June 30, 2011. The amount of the annual rent payable is \$29,517.

9. FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying values of cash, investments, receivables, and accounts payable and accrued liabilities approximate their fair value due to their relatively short periods to maturity.

DIRECTOR OF SUPPORT ENFORCEMENT

FINANCIAL STATEMENTS

31 MARCH 2006

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

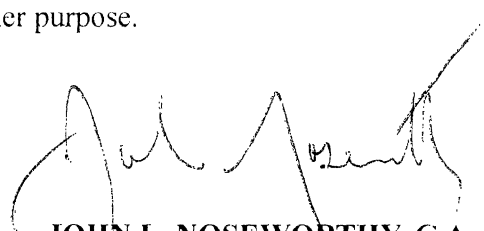

To the Director of Support Enforcement
Corner Brook, Newfoundland and Labrador

I have audited the balance sheet of the Director of Support Enforcement as at 31 March 2006 and the statement of receipts and disbursements for the year then ended. These financial statements have been prepared to meet the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*. These financial statements are the responsibility of the Director. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Director of Support Enforcement as at 31 March 2006 and the receipts and disbursements for the year then ended in accordance with the basis of accounting described in Note 1 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information of the Director of Support Enforcement and the Government of Newfoundland and Labrador to meet their information needs under Section 9 of the *Support Orders Enforcement Act*. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Authority

The Director of Support Enforcement operates under the authority of the *Support Orders Enforcement Act*. Under this *Act*, the Director is responsible for enforcing court ordered support payments and for acting on behalf of the Attorney General in matters arising pursuant to the *Reciprocal Enforcement of Support Orders Act*.

1. Basis of accounting

These financial statements have been prepared by the Director in accordance with the significant accounting policies set out below to meet the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*. The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because all receipts and disbursements are being recognized on a cash basis and not all expenditures related to the operations of the Director are reflected in these statements.

Significant accounting policies

These financial statements are prepared on the cash basis of accounting. Outlined below are the significant accounting policies followed.

(a) Administrative expenditures

The Director of Support Enforcement, for administrative purposes, operates as a division of the Department of Justice. Therefore, expenditures related to salaries, accommodations and administration are absorbed by the Department of Justice and no provision has been made in these financial statements for the cost of these items.

(b) Assets and liabilities

Assets are comprised of amounts received or receivable from debtors while liabilities represent the corresponding amount due to creditors.

(c) Receipts and disbursements

Receipts are recorded when amounts are received from debtors and disbursements are recorded when amounts are paid to creditors. Amounts paid directly to creditors by debtors are recorded as out-of-system support while amounts received by the Director of Support Enforcement are recorded as regular support. Amounts refunded to debtors or remitted to the Province are recorded as other payments.

DIRECTOR OF SUPPORT ENFORCEMENT
NOTES TO FINANCIAL STATEMENTS
31 March 2006

2. Accounts receivable

Accounts receivable is comprised of amounts owing from debtors on registered support orders. The receivables are classified as follows:

	<u>2006</u>	<u>2005</u>
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	\$ 8,383,953	\$ 8,564,432
Debtor in receipt of social assistance	3,941,969	3,712,460
Stay of enforcement in place	2,254,364	1,868,060
	<u>14,580,286</u>	<u>14,144,952</u>
Enforceable support orders	<u>5,641,477</u>	<u>7,032,366</u>
	<u>\$ 20,221,763</u>	<u>\$ 21,177,318</u>

3. Other receivables

Other receivables \$9,421 (2005 - \$9,828) represent payments made to creditors when the corresponding debtor cheque was not negotiable or the payment was made in error.

4. Accounts payable

Accounts payable is comprised of amounts owing to creditors in accordance with registered support orders. The payables are classified as follows:

	<u>2006</u>	<u>2005</u>
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	\$ 8,383,953	\$ 8,564,432
Debtor in receipt of social assistance	3,941,969	3,712,460

	<u>\$ 20,648,102</u>	<u>\$ 21,512,686</u>

5. Other payables

Other payables of \$19,091 (2005 - \$19,352) represent funds which have not been assigned to any debtor account. These amounts may eventually be paid to the Newfoundland Exchequer Account.

6. Related party transactions

The Director of Support Enforcement operates as a division of the Department of Justice. During the year the Director paid approximately \$2.7 million (2005 - \$2.8 million) to the Department of Human Resources, Labour and Employment related to support payments collected on behalf of individuals receiving social assistance.

7. Financial instruments

The Director's financial instruments recognized on the balance sheet consist of cash, accounts receivable, other receivables, accounts payable and other payables. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

8. Income taxes

The Director of Support Enforcement operates as a division of the Department of Justice and as such is not subject to Provincial or Federal income taxes.

AUDITORS' REPORT

FINANCIAL STATEMENTS - MARCH 31, 2006

AUDITORS' REPORT

To the Board of Directors of the
Discovery Health Care Foundation Inc.

We have audited the balance sheet of the **Discovery Health Care Foundation Inc.** as at March 31, 2006 and the statements of operations and changes in net assets and cash flow for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the revenues referred to in the previous paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2006 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

To the Directors of
Dr. H. Bliss Murphy Cancer Care Foundation

We have audited the statement of financial position of Dr. H. Bliss Murphy Cancer Care Foundation as at March 31, 2006 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Notes to Financial Statements

March 31, 2006

1. NATURE OF OPERATIONS

The Foundation was incorporated under the laws of the Province of Newfoundland and Labrador on October 12, 2004. The Dr. H. Bliss Murphy Cancer Care Foundation develops, stewards, and distributes charitable resources to enhance treatment and supportive care programs for cancer patients; funds local cancer research initiatives and provides continuing education opportunities for staff of the Dr. H. Bliss Murphy Cancer Care Foundation and affiliated regional cancer programs in Newfoundland and Labrador.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Fund accounting

The Foundation follows the restricted fund method of accounting for contributions.

The unrestricted net assets reports unrestricted resources and operating expenses.

The restricted net assets presented in these financial statements report resources on which stipulations are imposed as to how the funds must be used. Externally restricted net assets are governed by the contributors of the funds. The Endowment Fund principal is externally restricted and disbursement of interest revenue earned is governed by the Board.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks.

Temporary investments

Temporary investments are recorded at cost unless there is a loss in value other than a temporary decline.

Severance pay

Severance pay is accounted for on the accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

DR. H. BLISS MURPHY CANCER CARE FOUNDATION

Notes to Financial Statements

March 31, 2006

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are recognized as revenue of the appropriate restricted fund. Endowment contributions and interest are recognized as revenue of the endowment fund in the year.

In-kind contributions are recorded at fair value when determinable.

Capital assets

Donated artwork is recorded at estimated fair market value at the date of acquisition and is not amortized.

Pension costs

Employees of the Foundation are covered by the Public Service Pension Plan and the Government of Newfoundland and Labrador Money Purchase Plan. Contributions to the plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

	<hr/>	<hr/>

Market yields on the corporate bonds range from 5.00% to 6.30%; maturity dates range from May 1, 2006 to November 16 2012.

Market yields on the certificates of deposit range from 6.05% to 9.00%; maturity dates range from August 24, 2006 to October 19, 2012.

These investments represent the funds donated to the Dr. Kim Hong Endowment Fund together with accrued interest. As per Canada Revenue Agency regulations 3.5% of endowment principal will be disbursed annually.

5. RESTRICTED FUNDS

Restricted funds include gifts designated by donors for a specific project or fund.

The endowment fund consists of the Dr. Kim Hong Endowment Fund for the total amount of \$179,400.

Subsequent to year end, \$250,000 of unrestricted net assets has been internally restricted for the establishment of the Patient and Family Support Endowment Fund for fiscal 2006-2007.

7. FINANCIAL INSTRUMENTS

The carrying value of the Foundation's financial instruments included in current assets and current liabilities approximate fair value due to the relatively short-term to maturity of these instruments. The Dr. Kim Hong Endowment fund investments are interest bearing investments and as a result cost approximates fair value.

8. COMPARATIVE FIGURES

Comparative figures have been adjusted to include the assets and liabilities and revenue and expenditures of the Dr. H. Bliss Murphy Cancer Care Foundation (DHBMCCF) which were included in the audited figures of the Newfoundland Cancer Treatment and Research Foundation (NCTRF) for 2005.

Auditors' Report

To the Board of Trustees of
Eastern Regional Health Authority

We have audited the combined statement of financial position of Eastern Regional Health Authority – Operating Fund as at March 31, 2006 and the combined statements of operations, changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2006 and the results of its operations and its cash flows for year then ended in accordance with Canadian generally accepted accounting principles.

EASTERN REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2006

(in thousands of dollars)

1. NATURE OF OPERATIONS

The Eastern Regional Health Authority (“Eastern Health” or “the Authority”) was created on April 1, 2005 to assume the responsibility of governance for health services in the Eastern Region of Newfoundland and Labrador.

The mandate of Eastern Health spans the full health continuum including primary and secondary level health and community services for the Eastern Region (Avalon, Bonavista and Burin Peninsulas, west to Port Blandford) as well as tertiary and other provincial programs/services for the whole Province. The organization also has a mandate to work to improve the overall health of the population through its focus on public health as well as on health promotion and prevention initiatives. Services are both community and institutional based. In addition to the provision of comprehensive health care services, Eastern Health also provides education and research in partnership with all stakeholders.

Eastern Health is a registered charity and, while registered, is exempt from tax.

The prior year figures, presented for comparative purposes, reflect the financial position and operations of the following entities as if they had been combined since their inception, in accordance with the continuity of interest method of accounting:

- Avalon Health Care Institutions Board
- Eastern Health and Community Services Board
- Health Care Corporation of St. John’s
- Newfoundland Cancer Treatment and Research Foundation
- Peninsulas Health Care Corporation
- St. John’s Nursing Home Board
- St. John’s Regional Health and Community Services Board

Certain of the prior year figures as reported by the above noted entities have been reclassified to conform with the current year presentation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Authority have been prepared in accordance with Canadian generally accepted accounting principles. The more significant accounting policies of the Authority are as follows:

Agreements With Nursing Homes

Eastern Health has memoranda of understanding/governance agreements with the following nursing home owner/operators (“homes”) in the region:

- Masonic Park – Nursing Home
- Saint Luke’s Homes (A Division of Anglican Home Inc.)
- St. Patrick’s Mercy Home
- The Agnes Pratt Home
- The Salvation Army Glenbrook Lodge
- The Pentecostal Assemblies Benevolent Association of Newfoundland and Labrador
- Clarke’s Beach Senior Citizen’s Home

(in thousands of dollars)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Agreements With Nursing Homes (Continued)

Eastern Health is responsible for policy direction, distribution of operating funds and capital grants, and providing certain services to homes, which are individually controlled entities. As a result of this relationship, the financial statements of these homes are combined with the financial statements of Eastern Health. Ultimate ownership of assets and liabilities rests with the individual homes or the respective governing bodies.

Fund Accounting

The Authority applies fund accounting principles in recording its financial transactions in the Operating Fund.

The Operating Fund contains all the operating assets, liabilities, revenue and expenditures of the Authority related to the provision of health care services. The assets of the Operating Fund are available for the satisfaction of debts, contingent liabilities and commitments of the Authority.

Inventory

Inventory is valued at average cost, determined on a first-in first-out basis.

Capital Assets

Capital assets are recorded at cost, although title to certain of these assets rests with the Government of Newfoundland and Labrador. Contributed capital assets are recorded at fair market value at the date of contribution. Minor equipment purchases are charged to operations in the year of acquisition. Amortization is calculated on a straight-line basis and declining balance basis at the rates set out below. It is expected that these rates will charge operations with the total cost of the assets less estimated salvage value over the useful life of the assets. Gains and losses on disposal of individual assets are recognized in income in the year of disposal.

Buildings and renovations	2% - 5%
Equipment	15% - 20%
Equipment under capital leases	14.3% - 25%
Land improvements	10% - 20%

Construction in progress is not amortized until the project is substantially complete at which time the project costs are transferred to buildings and renovations and amortized accordingly.

Capital and Operating Leases

A lease that transfers substantially all of the benefits and risks associated with ownership of property is accounted for as a capital lease. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the property's fair value. Assets acquired under capital leases are amortized on the same basis as other similar capital assets. All other leases are accounted for as operating leases and the payments are expensed as incurred.

EASTERN REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2006

(in thousands of dollars)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Contributions

Capital contributions are recorded as deferred contributions and amortized to income on the same basis and using the same rates as the amortization expense related to the capital assets purchased. Capital contributions for capital assets that are not amortized are recorded as direct increases in net assets.

Severance Pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continual service with the Board or another public sector employer, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Board.

Revenue Recognition

Provincial plan revenues are recognized in the period in which entitlement arises. MCP, inpatient, outpatient and residential revenues are recognized in the period services are provided. Revenue received for a future period is deferred until that future period and is reflected as deferred revenue.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Pension Costs

Employees of the Authority are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions are recognized in the accounts on a current basis.

Debenture Discount and Commission

The debenture discount and financing fees are amortized on a straight-line basis over the term of the debenture.

Sinking Funds

Sinking funds established for the retirement of debentures are held and administered in trust by the Government of Newfoundland and Labrador.

EASTERN REGIONAL HEALTH AUTHORITY

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deferred Charges

Deferred charges include costs incurred relating to an energy performance contract as disclosed in Note 12. The deferred charges are being amortized over the 9.75 year life of the energy performance contract.

Contributed Services

A substantial number of volunteers contribute a significant amount of their time each year to assist Eastern Health in carrying out its service delivery activities. Because of the difficulty in determining fair value, contributed services are not recognized in the financial statements.

Use Of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

3. CONTROL OF NOT-FOR-PROFIT ENTITIES

The Authority controls the Health Care Foundation of St. John's Inc., Janeway Children's Hospital Foundation, Waterford Foundation Inc., Trinity Conception Foundation, Burin Peninsula Health Care Foundation, Discovery Foundation and the Dr. H. Bliss Murphy Foundation. These Foundations raise funds from the community for the capital equipment needs of the Authority. The Foundations are incorporated under the Corporations Act of Newfoundland and Labrador and are registered charities under the Income Tax Act.

The Authority also controls the General Hospital Hostel Association, Northwest Rotary-Janeway Hostel Corporation, Lions Manor Inc., TCRHB Housing Complex Inc., Blue Crest Cottages and Golden Heights Manor Cottages. These entities were established to provide accommodations for family members of patients and housing to senior citizens.

As of March 31, 2003, the prior Board of Directors approved a resolution that the assets, liabilities and net assets of the Board Fund (excluding those relating to the capital campaign) be transferred to the Operating Fund. The net assets of \$3,274,000 were transferred to the Operating Fund as a capital grant and included in deferred capital contributions.

3. CONTROL OF NOT-FOR-PROFIT ENTITIES (Continued)

On November 1, 2003, the Health Care Foundation of St. John's Inc. assumed the operations of the General Hospital Health Foundation, the St. Clare's Mercy Hospital Foundation and the Capital Campaign Fund. The Waterford Foundation Inc. continues to operate as a separate entity, but reports to the Board of Directors of the Health Care Foundation of St. John's Inc.

The Capital Campaign Fund consisted of donations received from corporations and individuals, as well as foundations and auxiliaries, with matching funds by the Government of Newfoundland and Labrador. The funds have been used to purchase equipment for various hospital sites of the Authority. This fund was reported as part of the Eastern Health.

These not-for-profit entities have not been consolidated in the Authority's financial statements, however separate financial statements are available on request. Financial summaries of these non-consolidated entities as at March 31, 2006 and 2005 and for the years then ended are as follows (in thousands of dollars):

10. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions represent the unamortized portion of restricted contributions related to capital assets, which will be reported in revenue in future accounting periods. Deferred capital contributions are amortized on a basis and at a rate consistent with the amortization for the related asset purchased.

The changes in deferred capital contributions balance for the year are as follows:

	<u>2006</u>	<u>2005</u>
	\$	\$
Balance, beginning of the year	79,561	82,168

11. CONTINGENCIES

Guarantees

The Authority has guaranteed a first mortgage of the General Hospital Hostel Association ("the Association") held by the Newfoundland and Labrador Housing Corporation. The balance of the mortgage outstanding at March 31, 2006 was \$1,607,162 (2005 - \$1,690,422).

The Authority has guaranteed an additional term loan of the Association held by the Royal Bank of Canada. The balance of the loan outstanding at March 31, 2006 was \$940,938 (2005 - \$977,469).

Management believes the Authority will not be called upon to honour these guarantees.

Other

A number of claims have been filed against the Authority. No provision has been recorded in the accounts for these claims as the Authority is not expected to incur any significant liability, and an estimate of loss, if any, is not determinable at this time.

12. COMMITMENTS

Operating Leases

Under the terms of several long-term operating leases related to hospital and office equipment, the Authority is committed to make approximate annual lease payments to March 31, 2011 as follows:

	\$
2007	3,920
2008	2,924
2009	1,948
2010	1,618
2011	1,202
	<hr/>
	11,612
	<hr/>

Energy Performance Contract

- The Authority entered into an Energy Performance Contract with Honeywell Ltd. for the design and implementation of measures to improve energy efficiency, wherein Honeywell Ltd. guaranteed the energy savings component.

The final contract amount was \$10,515,625 and is to be repaid from operating and energy savings over a seven year period to September, 2007, at the rate of \$161,810 per month, including principal and interest.

As of March 31, 2006 the balance of the expenditures financed through the Bank of Nova Scotia amounted to \$2,744,516. As support for the financing, Honeywell Ltd. has assigned to the bank any funds due to them by the Authority for the energy savings component of the contract.

In the opinion of management of the Authority, the guaranteed energy savings component by Honeywell Ltd. is an offset to any obligation of the Authority under the assignment to the bank, and as a consequence neither the capital expenditures nor the bank loan obligation is reflected in the financial statements of the Authority at March 31, 2006.

- The Authority entered into an Energy Performance contract on August 11, 1998 with The Enerplan/Rose Group for the design, implementation and monitoring of energy efficiency improvements. The cost of the contract was \$5,605,094. Lump sum amounts aggregating \$1,008,555 have been paid and recorded as deferred charges with the remaining balance of \$4,596,439 being financed by the Enerplan/Rose Group through CitiCapital Technology Finance Limited. The deferred charge amount is being amortized at \$103,442 annually for 9.75 years while the payments to the Enerplan/Rose Group are \$56,833 per month over a period of 9.75 years.

12. COMMITMENTS (Continued)

The Enerplan/Rose Group has assigned its payments under the contract to CitiCapital Technology Finance Limited. As at March 31, 2006 the outstanding balance of the financing through the Enerplan/Rose Group was \$2,673,634. The Authority's obligation for payment is limited to actual cost savings as the Enerplan/Rose Group has guaranteed the reduction in operating costs would equal or exceed the costs incurred under the contract.

Funding for the contract is from operating savings and has been approved in this manner by the Province of Newfoundland and Labrador. As a result, the monthly payments and the amortization of the deferred charges relating to lump sum amounts under the contract are being reported in the Authority's operating statements as a normal operating cost.

Other

Various volunteer and auxiliary associations/organizations solicit donations, operate gift shops and hostels and undertake fund raising activities to provide operating and capital donations to further the objectives of the Authority.

Transactions between these related parties are measured at their exchange value.

14. OPENING FUND BALANCES

The opening fund balances from the former boards have been reduced by \$273,000 as shown below.

	\$
Programs excluded from the new Authority	(591,000)
Provincial Perinatal Program included in the new Authority	318,000
	<u>(273,000)</u>

In addition, there has been a reclassification within the opening balances of the funds to reflect other changes and the accounting policies of the new Authority. The opening balance of the Operating Fund has been reduced by \$39,800,000, the Net Investment in Capital Assets Fund has increased by \$39,103,000 and the Board Equity Fund has increased by \$697,000.

15. FINANCIAL INSTRUMENTS

The carrying value of the Authority's financial instruments, included in current assets and current liabilities, approximates fair value due to the relatively short-term nature of these instruments.

Long-term debt and obligations under capital leases reflect fair value based on current borrowing rates available to the Authority.

AUDITORS' REPORT

FINANCIAL STATEMENTS - MARCH 31, 2006

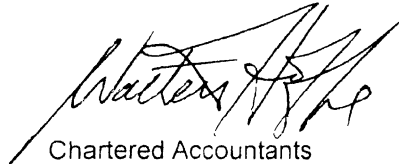

AUDITORS' REPORT

To the Directors of the
Eastern Regional Integrated Health Authority
Blue Crest Cottages

We have audited the balance sheet of the **Blue Crest Cottages** as at March 31, 2006 and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Blue Crest Cottages as at March 31, 2006 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements

March 31, 2006

1. Nature of operations:

Blue Crest Cottages operates a 23 unit not-for-profit senior citizens' housing project in Grand Bank, Newfoundland and Labrador. The project is a division of the Eastern Regional Integrated Health Authority.

2. Significant accounting policy:

Amortization

Amortization is recorded on building, furniture and equipment purchased from loans insured by NLHC at a rate equal to the annual principal reduction of the mortgage. No amortization is recorded on other property, plant and equipment, however, a replacement reserve is maintained to provide for future asset replacement.

3. Replacement reserve fund:

Under the terms of the agreement with Newfoundland and Labrador Housing Corporation, the replacement reserve account is to be credited with the lesser of the sum of 1/12th of the monthly rents or \$5,750 annually until it accumulates to \$56,350 plus interest. These funds, plus the accumulated interest, are held in a separate bank account and/or invested in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by NLHC from time to time. The funds in the account may only be used as approved by NLHC. Withdrawals are credited to interest first and then principal.

Notes to the Financial Statements

March 31, 2006

1. Nature of operations:

The Golden Heights Manor Cottages operates a not-for-profit senior citizens housing project in Bonavista, Newfoundland and Labrador. This project is a division of Eastern Regional Integrated Health Authority.

2. Significant accounting policy:

Amortization

Amortization is recorded on building, furniture and equipment purchased from loans insured by NLHC at a rate equal to the annual principal reduction of the mortgage. No amortization is recorded on other property, plant and equipment, however, a replacement reserve is maintained to provide for future asset replacement.

3. Replacement reserve fund:

Under the terms of the agreement with Newfoundland and Labrador Housing Corporation, the replacement reserve account is to receive an allocation in the amount of \$9,100 annually until it accumulates to \$91,000 plus interest. The purpose of the reserve is to provide for future replacement of capital items as approved by NLHC. Withdrawals are credited to interest first and then principal.

AUDITORS' CONFIRMATION

Newfoundland and Labrador Housing Corporation

We have audited the balance sheet of the **Eastern Regional Integrated Health Authority - Golden Heights Manor Cottages** as at March 31, 2006, and the statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Golden Heights Manor Cottages management. Our responsibility is to express an opinion on these financial statements based on our audit.

In our opinion, the Golden Heights Manor Cottages

has requested and obtained evidence of the incomes of tenants paying rent according to the rent-to-income scale as required by the Operating Agreement with Newfoundland and Labrador Housing Corporation;

has applied a rent-to-income ratio for those tenants in accordance with the operating agreement;

has adjusted the rental charges for rent-to-income tenants in accordance with the operating agreement;

This has been done for those tenants whose sources of income include sources other than Department of Human Resources and Employment (DHRE) or Human Resources Development Canada (Old Age Security and Canada Pension), and for those households where the household composition has changed.

For tenants whose only source of income is from either the Department of Human Resources and Employment (DHRE) or Human Resources Development Canada (Old Age Security and Canada Pension), their last lease renewal locked in their rent for a period of three (3) years, unless a tenant receives income from another source during this period.

With reference to the Statement of the Replacement Reserve Fund presented in the audited financial statements for the year ended March 31, 2006, the Replacement Reserve Fund has been funded and maintained, and all interest accruing to this fund has been recorded.

AUDITOR'S REPORT

To the Board Members of
Eastern School District

I have audited the balance sheet of the current and capital funds of the Eastern School District as at June 30, 2005 and the related statements of current revenues, expenditures and District deficiency, cash flows and changes in capital fund for the ten month period then ended. These financial statements are the responsibility of the District's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The accounting policy with respect to the Board's capital assets is described in Note 1. Canadian generally accepted accounting principles require that not for profit organizations record all capital assets at cost and amortize them over their estimated useful lives. Energy Retrofit costs are the only costs that have been amortized (see note 1 and schedule 7). In this respect, these financial statements are not in accordance with Canadian generally accepted accounting principles. Furthermore, information concerning the costs and estimated useful lives of buildings and building improvements, as well as other capital asset additions prior to September 1, 2004, are not readily available. If the Board's capital assets were recorded in accordance with Canadian generally accepted accounting principles, changes to the amounts reported for capital assets, investment in capital assets, expenditures and excess of expenditures over revenue would be necessary.

The accounting policy with respect to Teachers' Severance Pay and Teachers' Vacation Pay are described in Note 2 and Note 5 respectively. Canadian generally accepted accounting principles require that all accounts receivable should be recorded and disclosed on the financial statements. The liability for Teachers' Severance Pay has been recorded but no offsetting receivable has been recorded. In this respect, these financial statements are not in accordance with Canadian generally accepted accounting principles. If the accounts receivable were recorded in accordance with Canadian generally accepted accounting principles, changes to the amounts reported for accounts receivable, revenue, and excess of expenditures over revenue would be necessary.

In my opinion, except for the effects of the failure to record depreciation and accounts receivable as described in the preceding paragraphs, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2005 and the results of its operations and changes in its capital financial position for the ten months then ended in accordance with Canadian generally accepted accounting principles and as explained in Note 1 to the financial statements, and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

The comparative amounts are for the fourteen month period ended August 31, 2004 and represent balances related to previous Boards that were dissolved upon the formation of the Eastern School District (See Note 1). These financial statements were audited by several other public accounting firms.

Nature of Operations

The Eastern School District is responsible for the operations and maintenance of all schools in the Eastern portion of the Province of Newfoundland and Labrador. The District was formed August 31, 2004 after the Government of Newfoundland and Labrador dissolved four previous boards known as Vista School District, Burin School District, Avalon West School District, and Avalon East School District.

1. Significant Accounting Policies

These financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of accounting policies summarized below:

Fund Accounting

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund." It is customary for School Boards to account separately for the current and capital funds. These financial statements include both the current and capital funds on a combined basis.

Revenue

The District's main source of funding is derived from the Government of Newfoundland and Labrador, Department of Education ("the Department"). The Department provides funding for operations, transportation, capital expenditures and teacher salaries and severance pay. Funding designated for specific purposes is deferred and included in revenue when the related expenditures have been incurred.

Capital Assets

Capital assets assumed by the District on August 31, 2004, as a result of legislation passed pursuant to the Schools Act and the Education Act, are recorded based on the Net Book Values shown on the audited financial statements of the predecessor entities. Subsequent additions are only capitalized if they represent items of a major nature. Replacement items such as furniture and equipment are considered a current year expenditure. Proceeds are credited to appropriate property accounts and gains or losses are not recorded. The Board does not calculate or record depreciation on any of its fixed assets. However, deferred costs for the energy retrofit project are amortized on the straight-line basis over a period of seven years.

Additions to buildings and building improvements administered by the Government of Newfoundland and Labrador, Department of Works, Service and Transportation have not been reflected in these financial statements.

Teachers' and Student Assistants' Payroll

The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies. The amounts recorded in the financial statements represent gross salaries for the year.

For the Ten Months Ended June 30, 2005

1. Significant Accounting Policies (Cont'd)

Pension Costs

All permanent employees of the District are covered by pension plans administered by the Government of Newfoundland and Labrador. Contributions to these plans are required from both the employee and the District. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador and, as such, the employer contributions for pensions and other retirement benefits are recognized in the accounts on a current basis.

Other Severance Pay Accrual

The District records severance pay liability for employees other than teachers. Employees are entitled to one week of severance pay for each year of service to a maximum of twenty weeks once they reach 9 years of service with the District.

Use of Accounting Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting periods. Actual results could differ from those estimates.

2. Teachers' Severance Pay Benefits

Pursuant to a directive issued by the Department during fiscal 1998, the District recorded severance pay for teachers in the District. The Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. The District received written approval from the Minister of Education for the deficit arising from the Department's requirement for the teachers' severance.

The net change in the liability for the year ended is as follows:

	<u>2005</u>	(Note 17) <u>2004</u>
Balance, beginning of the year	\$ 49,946,924	\$ 49,528,505
Net (decrease), increase for the period	<u>(846,656)</u>	<u>418,419</u>
Balance, end of the year	<u>\$ 49,100,268</u>	<u>\$ 49,946,924</u>

3. Bond Coverage

At balance sheet date, the Insurance Division of Treasury Board carried fidelity bond coverage covering District employees as follows:

Assistant Director of Finance and Administration and District employees	\$ 100,000
Principals, Vice Principals and Staff	\$ 100,000

This coverage was implemented for each of the former Boards making up the new Eastern School District. Considering the significant increase in revenue under the new Eastern School District the Board should examine the adequacy of this coverage.

5. Teachers' Vacation Pay

Pursuant to a directive issued by the Department during fiscal 2005, the District recorded the vacation pay liability for teachers in the District. The liability relates to teachers' salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Although the directive requested that a receivable from the Department for the liability not be recorded, the Schools Act specifies that salaries and other compensation for teachers are the responsibility of the Department. Accordingly, the District has recorded teachers' vacation pay receivable of \$ 28,541,036 at June 30, 2005. For the fourteen months ended August 31, 2004, no vacation pay liability or receivable was reported as the amount was received and paid during July-August 2004.

The District had an authorized operating demand loan of \$4,000,000, bearing interest at Royal Bank prime less 0.65% which was unused as at June 30, 2005 and August 31, 2004. In accordance with the Schools Act 1997, the operating demand loan was supported by a letter of approval to borrow provided by the Minister of Education. This authorized operating demand loan expired June 30, 2005.

11. Obligation Under Capital Leases

The District has entered into a capital lease with Royal Bank of Canada to finance its Energy Performance capital expenditures (EPC). The lease is for \$3,000,000 for 5 years with a purchase option of \$2,750,000 at the end of the term.

The District also entered into capital leases with the Royal Bank of Canada for various photocopy equipment. The leases total \$762,145 for 5 years with a purchase option of \$10 at the end of the term.

Future minimum payments under these capital leases is as follows for the year ending in:

	<u>EPC</u>	<u>Copiers</u>	<u>Total</u>
2006	\$ 616,920	\$ 211,574	\$ 828,494

	<u>\$ 3,662,981</u>	<u>\$ 457,897</u>	<u>\$ 4,120,878</u>

Interest has been imputed at a rate of 4.20%

12. Deferred Costs

The District entered into a sale lease contract with the Royal Bank of Canada for their Energy Performance contract. A gain of \$1,868,737 was recorded upon sale of these assets. This gain is amortized over sixty months. During the year \$ 311,456 (2004 - \$467,184) was recorded as amortization expense in the financial statements.

13. Lease Commitments

The District is committed under the terms of various operating leases to make payments in the next five years approximately as follows:

2006	\$ 493,898
2007	\$ 458,080
2008	\$ 385,470
2009	\$ 177,592
2010	\$ 12,579

14. Financial Instruments

The carrying value of the Districts financial instruments, with the exception of long-term receivables, approximate fair values due to the short-term maturity and normal credit terms of those instruments. The long-term receivables balance does not approximate fair value as it is non-interest bearing.

For the Ten Months Ended June 30, 2005

15. Insurance Subsidy

The cost of insuring school properties is borne by the Provincial Government and no amount has been recorded in these accounts to reflect this cost.

16. Contingent Liability

Site restoration and remediation costs associated with school properties under the District are charged to operations as incurred. Estimated future site restoration and remediation costs have not been accrued in these financial statements since the obligation, if any, is presently not determinable.

The Board has a potential liability for accumulated sick leave to its employees in the amount of \$10,726,000. This amount has not been included in the financial statements. The amount is calculated based on Board policy and on an interpretation of the agreement with unionized employees. Any payments to employees for sick leave is expensed in the period such payments are incurred.

17. Comparative Figures

The comparative figures are the combined amounts for the fourteen months ended August 31, 2004, for the former Boards that were dissolved August 31, 2004 as a result of changes in legislation governing education in the Province of Newfoundland and Labrador. These financial statement components were audited by various public accounting firms. Certain of the Boards did not provide a statement of cash flow and since this information was not readily available no comparative amounts have been reported. Certain of the 2004 amounts may not necessarily compare with the amounts reported for 2005 due to variations in the methods of classifying revenue and expenses by the former Boards.

18. Subsequent Events

Subsequent to June 30, 2005, the Board obtained financing in the amount of \$488,000 to fund the purchase of school busses acquired in the current fiscal period.

AUDITOR'S REPORT

To the

Embalmers and Funeral Directors Board of Newfoundland and Labrador

I have audited the Balance Sheet of the Embalmers and Funeral Directors Board of Newfoundland and Labrador as at December 31, 2005, and the Statements of Revenue, Expenditures and Surplus, and Cash Flows for the year then ended. These financial statements are the responsibility of the Board. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 2005, and the results of operations and changes in financial position for the period then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
December 31, 2005**

1. Summary of significant accounting policies

The financial statements have been prepared within the framework of Canadian generally accepted accounting principles, the more significant of which are as follows:

Use of estimates

In preparing the Board's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balance with banks and short term deposits with original maturities of three months or less. Bank borrowings are considered to be financing activities.

Balances at December 31, 2005 consisted of;

Cash	-	\$ 87,696.88
GIC Investment	-	<u>63,541.53</u>
		<u>\$ 151,238.41</u>

2. Financial instruments

Fair values of financial instruments are disclosed in the notes to the financial statements when they differ from the carrying amounts. Where amounts receivable and payable are subject to normal credit terms, their carrying amount is used as an approximation of their fair values.

3. Deferred revenue

Deferred revenue is calculated as the revenue recorded in October-December of the current year which relates to fees that are collected in and are for the following year.

Auditors' Report

To the Members of the Board of
General Hospital Hostel Association

We have audited the statement of financial position of the General Hospital Hostel Association as at March 31, 2006 and the statements of operations, changes in fund balances, and cash flows for the year then ended. These financial statements have been prepared to comply with the mortgage agreement with Newfoundland and Labrador Housing Corporation. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the General Hospital Hostel Association at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting disclosed in Note 2 to the financial statements.

These financial statements, which have not been and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Directors of General Hospital Hostel Association and Newfoundland and Labrador Housing Corporation to comply with the mortgage agreement with Newfoundland and Labrador Housing Corporation. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

GENERAL HOSPITAL HOSTEL ASSOCIATION

Notes to Financial Statements

March 31, 2006

1. NATURE OF OPERATIONS

The General Hospital Hostel Association (“the Hostel” or “the Association”) was established to provide affordable, on-site accommodations to outpatients undergoing treatment and family members of inpatients.

On June 28, 2002 the extension to the Agnes Cowan Hostel was completed. At that time the Hostel assumed the services of the Northwest Rotary -- Janeway Hostel Corporation.

The Hostel is incorporated under the Corporations Act of Newfoundland and is a registered charity under the Income Tax Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with significant accounting policies set out below to comply with the mortgage agreement with Newfoundland and Labrador Housing Corporation (NLHC). The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because:

- (a) amortization is not provided on the building over the estimated useful life of the assets but rather at a rate equal to the annual principal reduction of the mortgage;
- (b) capital assets purchased from the replacement reserve are charged against the replacement reserve account rather than being capitalized on the balance sheet and amortized over their estimated useful lives; and
- (c) a reserve for future capital placement is appropriated annually from operations.

The other significant accounting policies are as follows:

Revenue recognition

Revenues are recognized as earned and when collection is reasonably assured.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short-term deposits with maturities of three months or less. Bank borrowings are considered to be financing activities.

Capital assets

Capital assets are recorded at cost. Amortization is recorded on the buildings in an amount equal to the principal repayment on long-term debt, which approximates the useful life of the assets. Amortization is recorded on equipment on a declining balance basis using a rate of 20%.

GENERAL HOSPITAL HOSTEL ASSOCIATION

Notes to Financial Statements

March 31, 2006

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income on a straight-line basis using the same rates as amortization expense related to the capital assets purchased.

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. Severance is payable when the employee ceases employment with the Association.

Pension costs

Employees of the Hostel are covered by the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador ("the Government"). Contributions to the plans are required from both the employees and the Hostel. The annual contributions for pensions are recognized in the accounts on a current basis.

Use of estimates

In preparing the Association's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

3. RESTRICTED FUNDS

These funds have been set aside to fund the balance of reserves required under an agreement with the Canada Mortgage and Housing Corporation. The balance is represented by the following:

	<u>2006</u>	<u>2005</u>
	\$	\$
Capital replacement reserve	241,451	235,495

As collateral for the mortgage and term loan the Association has provided:

- a) a first mortgage and a fixed charge debenture on the hostel building;
- b) assignment of fire insurance on the hostel building;
- c) chattel mortgage over equipment;
- d) registered general assignment of rentals; and,
- e) corporate guarantee of the Eastern Regional Health Authority.

7. DEFERRED CAPITAL CONTRIBUTIONS

The Association has received the following capital contributions towards the cost of the construction of the extension to the existing Agnes Cowan Hostel.

8. CAPITAL REPLACEMENT RESERVE (Continued)

Under the terms of an agreement with the Newfoundland and Labrador Housing Corporation (“the Corporation”), the Association is required to allocate an amount of the annual rental assistance received to a capital replacement reserve. The use of these funds is restricted to the purchase of approved capital items. During the 2003 fiscal year, the Corporation authorized the Association to suspend allocations to the capital replacement reserve until the cash flow position of the Association improved.

Under the terms of an agreement with the Newfoundland and Labrador Housing Corporation, the Association is permitted to allocate an amount of the annual rental assistance received to a subsidy surplus fund in the year this assistance results in an operating surplus. These funds are to be used to meet future subsidy requirements of income tested occupants over and above the maximum federal assistance. During the 2003 fiscal year, the Corporation authorized the Association to suspend allocations to the subsidy surplus fund until the cash flow position of the Association improved and the payable to the Eastern Regional Health Authority is eliminated.

10. RENTAL ASSISTANCE SUBSIDY

The Association is receiving a rental subsidy from Canada Mortgage and Housing Corporation under the non-profit housing program. The maximum subsidy available is the amount required to effectively reduce the mortgage interest to 2%. The subsidy has two components:

- a) the amount of assistance required to bring the per unit actual rentals to the economic rental rate required to sustain the project; and,
- b) assistance to subsidize rent reductions to income tested occupants.

12. RELATED PARTY TRANSACTIONS

The Hostel coordinates with the Eastern Regional Health Authority to provide quality accommodations to outpatients and family members of inpatients.

The Association had the following transactions with related parties during fiscal 2006:

- a) Rental revenue includes \$113,880 (2005 - \$113,880) charged to the Eastern Regional Health Authority.
- b) Expenditures include \$361,407 (2005 - \$361,407) charged by the Eastern Regional Health Authority for administration fees, computer services, housekeeping services, maintenance and security services.

Transactions between related parties are measured at their exchange value.

13. FINANCIAL INSTRUMENTS

The carrying value of the Association's financial instruments included in current assets and current liabilities approximates fair value due to the relatively short term to maturity of these instruments.

Long-term debt, with the exception of the Eastern Regional Health Authority loan, approximates fair value based on current borrowing rates available to the Association. The Eastern Regional Health Authority loan bears interest at 2% and as such does not approximate fair value.

Auditors' Report

To the Board of Directors of
Grenfell Foundation Inc.

We have audited the balance sheet of Grenfell Foundation Inc. as at March 31, 2005 and the statements of revenue and expenditures and changes in net assets for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation.

In common with many non-profit organizations, the Foundation derives revenues from donations and other voluntary sources, the completeness of which is not susceptible to audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were unable to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures, assets and net assets.

In our opinion, except for the effect of any adjustments which might have been necessary had we been able to satisfy ourselves as to the completeness of donations and other voluntary source revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2005 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to the Financial Statements

March 31, 2005

1. NATURE OF OPERATIONS AND INCOME TAX STATUS

The Grenfell Foundation Inc. (the "Foundation") is incorporated under the laws of the Province of Newfoundland and Labrador as a not-for-profit organization and is a registered charity under the Income Tax Act.

The purpose of the Foundation is to raise funds through endowments, bequests, public campaigns, and/or other fund-raising strategies to assist Grenfell Regional Health Services Board and the northern peninsula Region in achieving its charitable objectives.

2. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles and reflect the following significant accounting policies:

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

In-kind contributions

Since inception the Grenfell Regional Health Services Board has provided resources and has funded some operational costs to support the Foundation. It is estimated that these in-kind contributions totaled \$70,000 (2004 - \$56,000). Due to the difficulty in determining fair value, these in-kind contributions are not recognized in the financial statements.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. GOVERNMENT GRANT

The government grant represents funding from the Province of Newfoundland and Labrador earmarked for priority capital equipment for the Grenfell Regional Health Services Board. The grant is based on a funding arrangement whereby the government matches funds raised by the Foundation.

GRENFELL FOUNDATION INC.

Notes to the Financial Statements

4. FINANCIAL INSTRUMENTS

The carrying value of the Foundation's financial instruments included in current assets and current liabilities approximate their fair value due to the short-term maturity and normal credit terms of the instruments.

5. STATEMENT OF CASH FLOWS

The statement of cash flows has not been prepared because it would not provide any additional useful information in understanding cash flows for the year.

Auditors' Report

To the Board of Directors of
Health Care Foundation of St. John's Inc.

We have audited the statement of financial position of the Health Care Foundation of St. John's Inc. as at March 31, 2005 and the statement of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2005 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

HEALTH CARE FOUNDATION OF ST. JOHN'S INC.

Notes to Financial Statements

March 31, 2005

1. NATURE OF OPERATIONS

The Health Care Foundation of St. John's Inc. (the "Foundation") raises funds to meet the financial needs of the Health Care Corporation of St. John's for capital projects, equipment, programs and research directly related to the health and welfare of the people of Newfoundland and Labrador, while promoting public awareness of these needs.

The Foundation is a registered charity and, while registered, is exempt from income tax and may issue tax-deductible receipts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Basis of presentation

The Operating Fund raises funds to help support the St. Clare's Mercy Hospital, General Hospital – Health Sciences Centre and the Dr. L.A Miller Centre.

The Capital Fund consists of donations received from corporations and individuals, as well as foundations and auxiliaries, with matching funds provided by the Government of Newfoundland and Labrador. This fund was established to assist with the purchase of equipment for various hospital sites of the Health Care Corporation of St. John's.

Revenue recognition

The Foundation follows the deferral method of accounting for contributions whereby restricted contributions are recognized as revenue in the years in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable and when collectibility is reasonably assured.

Revenue from donations, including pledges, is recognized in the accounts of the Foundation in the year in which it is received.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, net of any overdrafts.

Investments

Investments are recorded at cost plus accrued interest. Gains or losses on disposals of investments are reflected in the accounts in the year of disposal.

Capital assets

Capital assets are recorded at cost. Amortization is provided on a declining balance basis at a rate of 20%.

HEALTH CARE FOUNDATION OF ST. JOHN'S INC.

Notes to Financial Statements

March 31, 2005

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated property and equipment

The Foundation records donated property and equipment at fair value.

Deferred contributions

Contributions received from the Government of Newfoundland and Labrador in relation to the Capital Campaign are deferred and recognized as revenue when matching funds are received from corporations, individuals, foundations and auxiliaries. The Capital Campaign concluded as of March 31 2005 and the government has allowed the Corporation to retain the balance as a capital grant (Note 5).

Pension costs

Employees of the Foundation are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador. Contributions to the plan are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for an employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

3. CONTROL OF NOT-FOR-PROFIT ENTITY

The Foundation controls the Waterford Foundation Inc. The Waterford Foundation Inc. is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador.

On November 1, 2002, the Health Care Foundation of St. John's Inc. assumed the operations of the General Hospital Health Foundation, the St. Clare's Mercy Hospital Foundation and the Capital Campaign Fund. The Waterford Foundation Inc. continues to operate as a separate entity, but reports to the Board of Directors of the Health Care Foundation of St. John's Inc.

5. HEALTH CARE CORPORATION OF ST. JOHN'S

Since the inception of the Capital Campaign, the Government of Newfoundland and Labrador has advanced to the Operating Fund of the Health Care Corporation of St. John's \$25,000,000. These funds are repaid to the Capital Fund of the Foundation by the Health Care Corporation of St. John's as matching funds are earned.

As of March 31, 2005, the Foundation has concluded its Capital Campaign. Of the \$25,000,000 advanced by the province in matching funds, all but \$8,035,393 was earned by year end. The province has given permission to the Health Care Corporation to use the balance of these funds for purchase of capital equipment over a two year period ending March 31, 2006. Of these funds, \$2,222,731 was used during the year ended March 31, 2005 with the balance of \$5,812,662 recorded as deferred contribution.

Auditors' Report

To the Board of Directors of
Health Care Foundation of St. John's Inc.

We have audited the statement of financial position of the Health Care Foundation of St. John's Inc. as at March 31, 2006 and the statement of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditures, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

HEALTH CARE FOUNDATION OF ST. JOHN'S INC.

Notes to Financial Statements

March 31, 2006

1. NATURE OF OPERATIONS

The Health Care Foundation of St. John's Inc. (the "Foundation") raises funds to meet the financial needs of the Eastern Regional Health Authority for capital projects, equipment, programs and research directly related to the health and welfare of the people of Newfoundland and Labrador, while promoting public awareness of these needs.

The Foundation is a registered charity and, while registered, is exempt from income tax and may issue tax-deductible receipts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Basis of presentation

The Operating Fund raises funds to help support the St. Clare's Mercy Hospital, General Hospital – Health Sciences Centre and the Dr. L.A Miller Centre.

The Capital Fund consists of donations received from corporations and individuals, as well as foundations and auxiliaries, with matching funds provided by the Government of Newfoundland and Labrador. This fund was established to assist with the purchase of equipment for various hospital sites of the Eastern Regional Health Authority.

Revenue recognition

The Foundation follows the deferral method of accounting for contributions whereby restricted contributions are recognized as revenue in the years in which the related expenses are incurred.

Unrestricted contributions, excluding donations, are recognized as revenue when received or receivable and when collectibility is reasonably assured.

Revenue from donations, including pledges, is recognized in the accounts of the Foundation in the year in which it is received.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, net of any overdrafts.

Investments

Investments are recorded at cost plus accrued interest. Gains or losses on disposals of investments are reflected in the accounts in the year of disposal.

HEALTH CARE FOUNDATION OF ST. JOHN'S INC.

Notes to Financial Statements

March 31, 2006

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital assets

Capital assets are recorded at cost. Amortization is provided on a declining balance basis at a rate of 20%.

Donated property and equipment

The Foundation records donated property and equipment at fair value.

Deferred contributions

Contributions received from the Government of Newfoundland and Labrador in relation to the Capital Campaign are deferred and recognized as revenue when matching funds are received from corporations, individuals, foundations and auxiliaries. The Capital Campaign concluded as of March 31 2005 and the government has allowed the Corporation to retain the balance as a capital grant.

Pension costs

Employees of the Foundation are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador. Contributions to the plan are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for an employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

3. CONTROL OF NOT-FOR-PROFIT ENTITY

The Foundation controls the Waterford Foundation Inc. The Waterford Foundation Inc. is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador.

On November 1, 2002, the Health Care Foundation of St. John's Inc. assumed the operations of the General Hospital Health Foundation, the St. Clare's Mercy Hospital Foundation and the Capital Campaign Fund. The Waterford Foundation Inc. continues to operate as a separate entity, but reports to the Board of Directors of the Health Care Foundation of St. John's Inc.

Waterford Foundation Inc. has not been consolidated in the Foundation's financial statements; however, separate financial statements are available on request. A financial summary of this non-consolidated entity as at March 31, 2006 and for the year then ended is as follows:

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

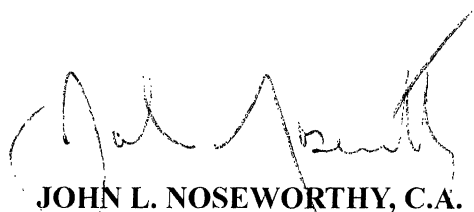

AUDITOR'S REPORT

To the Chairperson and Members
Heritage Foundation of
Newfoundland and Labrador
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Heritage Foundation of Newfoundland and Labrador as at 31 March 2006 and the statements of revenues, expenses and fund balance, and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

HERITAGE FOUNDATION OF NEWFOUNDLAND AND LABRADOR
NOTES TO FINANCIAL STATEMENTS
31 March 2006

Authority

The Heritage Foundation of Newfoundland and Labrador (the Foundation) operates under the authority of the *Historic Resources Act*. Its affairs are managed by members of the Foundation appointed by the Lieutenant-Governor in Council.

The objectives of the Foundation are:

- (a) to stimulate an understanding of and appreciation for the architectural heritage of the Province;
- (b) to support and contribute to the preservation, maintenance and restoration of buildings and other structures of architectural or historical significance in the Province; and
- (c) to contribute to the increase and diffusion of knowledge about the architectural heritage of the Province.

1. Significant accounting policies

These financial statements have been prepared by the Foundation's management in accordance with Canadian generally accepted accounting principles. The budget disclosed in these financial statements is presented on a cash basis. Outlined below are the significant accounting policies followed.

(a) Capital assets

Capital assets consist of systems development and computer equipment which were capitalized at cost at the time of acquisition. Contributions toward the acquisition of capital assets are deducted from the related capital asset cost with any amortization calculated on the net amount over a period of five years from the date of acquisition.

Minor capital asset purchases are charged to operations in the year of acquisition.

(b) Investment income

Investment income is recorded as earned.

4. Deferred revenue

Deferred revenue as at 31 March 2006 consists of contributions received from the Province of Newfoundland and Labrador to be used for the payment of heritage grants. It also consists of contributions received from the Province to undertake a *Fisheries Heritage Preservation Initiative* focussing on the preservation and conservation of structures and buildings relating to the fisheries heritage of the Province. The revenue will be recognized in future operating periods as eligible expenditures are incurred.

In addition, during 2006 funding of \$23,475 was received from the Province for a project to renovate the interior of the Newman Wine Vaults Provincial Historic Site. The entire funding was recognized in income during the year.

5. Fund balance

Section 25 of the *Historic Resources Act* requires the Foundation to maintain a Fund of monies voted to it by the Legislature and of other monies received by way of gift, bequest, donation or otherwise. Disbursements from the Fund may be made by the Foundation for the purposes set out in the Legislation.

As at 31 March 2006, \$176,119 (2005 - \$152,591) of this Fund has been committed in the form of grants approved but not yet disbursed or rescinded. The allocation of the Fund balance between committed and uncommitted funds is:

	2006	2005
Committed funds	\$ 176,119	\$ 152,591
Uncommitted funds	36,427	124,638
Fund balance	\$ 212,546	\$ 277,229

In 1994-95, the Foundation adopted a policy with respect to grant commitments. All grants approved will be available for a period of two years from the date of grant approval. Clients not utilizing the grants within this timeframe will forfeit their right to these grants.

6. Government of Canada

On 4 April 2003, the Province entered into a Contribution Agreement with the Government of Canada to fund the Historic Places Initiative. The objectives of the Contribution Agreement are to develop an online Provincial Registry of Historic Places and to develop and implement programs related to promoting and integrating the Historic Places Initiative at the Provincial level in Newfoundland and Labrador.

The Province has appointed the Foundation to administer this Initiative on its behalf. During the year the Foundation recognized revenue relating to this Initiative in the amount of \$284,550 (2005 - \$301,714). In addition, the Foundation received capital contributions in the amount of \$25,440 (2005 - \$51,877) relating to this Initiative. This amount was applied towards the acquisition costs of systems development and computer equipment.

7. Operating lease obligation

Office equipment has been leased by the Foundation. Minimum lease payments for the next five years are as follows:

2007	\$ 4,197
2008	\$ 4,197
2009	\$ 4,197
2010	\$ 4,197
2011	\$ 4,197

HERITAGE FOUNDATION OF NEWFOUNDLAND AND LABRADOR
NOTES TO FINANCIAL STATEMENTS
31 March 2006

8. Related party transactions

The Foundation leases office space from the Province of Newfoundland and Labrador at an annual rate of \$1. Included in accounts receivable is a grant from the Province in the amount of \$25,000 (2005 - \$0) relating to the Fisheries Heritage Preservation Initiative.

9. Financial instruments

The Foundation's financial instruments recognized on the balance sheet consist of investments, accounts receivable, investment income receivable, bank overdraft and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. Accounts receivable is due primarily from the Government of Canada and Province of Newfoundland and Labrador and therefore there is no credit risk associated with this amount.

10. Subsequent event

On 28 April 2006, the Foundation adopted a policy of accruing severance pay for its employees. This policy will result in accrued severance pay being recorded in fiscal years commencing with 2006-07. Under this policy, severance pay will be calculated based on years of service and current salary levels. The entitlement to severance pay will vest with employees after nine years of continual service, and accordingly no provision will be made in the accounts for employees with less than nine years of continual service. The amount will be payable when the employee ceases employment in the public service. If the employee transfers to another entity within the public service, then the liability will transfer with the employee to the other entity. The Foundation estimates the accrued severance liability as of April 2006 to be \$34,000.

11. Economic dependence

As a result of its reliance on future transfers from the Province of Newfoundland and Labrador to fund its operations, the Foundation's ability to continue operations is dependent upon the decisions of Government.

12. Income taxes

The Foundation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

13. Comparative figures

Certain comparative figures have been reclassified to conform to the current year's presentation.

Auditors' Report

To the Directors of
Janeway Children's Hospital Foundation

We have audited the statement of financial position of the Janeway Children's Hospital Foundation as at March 31, 2006 and the statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JANEWAY CHILDREN'S HOSPITAL FOUNDATION

Notes to Financial Statements

March 31, 2006

1. NATURE OF OPERATIONS

The Janeway Children's Hospital Foundation is a registered charitable organization created to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research directly related to the health and welfare of Newfoundland and Labrador children, while promoting public awareness of these needs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles, the more significant of which are as follows:

Basis of presentation

The Foundation applies the restricted fund method of accounting for contributions:

The General Fund contains all of the operating assets, liabilities, revenue and expenditure of the Foundation related to the organization's mandate to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research.

The In-Memorial Fund represents donations received from donors for a designated purpose. These donations are held in bank accounts until disbursed for specific projects.

The Endowment Fund represents donations received from donors specifically for the Little Red Wagon Endowment Fund along with any bequests and in-memorial donation that have not been designated for a specific purpose. These donations will be disbursed based on recommendations from the Board.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received. All other revenues are recognized as earned and when collectibility is reasonably assured.

In-kind contributions are recorded when fair value is determinable.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, and short-term investments with maturities of three months or less.

Capital assets

Capital assets are recorded at cost. Amortization is provided on a straight-line basis over five years.

Vacation pay and other benefits

Vacation pay and other benefits are recorded in the accounts of the Foundation on the accrual basis.

JANEWAY CHILDREN'S HOSPITAL FOUNDATION

Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. Severance pay is only recorded in the accounts for employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditure during the year. Actual results could differ from these estimates.

7. INCOME TAX STATUS

As a registered charity, the Foundation is exempt from income tax and may issue charitable donation receipts.

8. RELATED PARTY TRANSACTIONS

The Foundation operates for the purpose of accumulating funds to assist the Janeway Children's Health and Rehabilitation Centre (Eastern Regional Health Authority) with the purchase of medical equipment used in the provision of patient care for children. Transactions between these related parties are measured at their exchange value.

9. COMMITMENTS

During the year the Foundation committed to disburse \$2,006,305 (2005 - \$839,280) to the Eastern Regional Health Authority to benefit the Janeway Children's Health and Rehabilitation Centre. During the year \$1,015,118 (2005 - \$388,526) of committed funds were disbursed. The outstanding commitments from the current and prior years of approximately \$2,141,703 relating to capital equipment and research will be disbursed in future fiscal years of the Foundation.

In 2003, \$200,000 was committed to other hospitals in Newfoundland and Labrador for the purchase of paediatric equipment. These grants were made to recognize the Foundation's 20th Anniversary.

10. FINANCIAL INSTRUMENTS

The carrying value of the Foundation's financial instruments approximates fair value due to the relatively short term to maturity of these instruments.

LABRADOR - GRENFELL REGIONAL HEALTH AUTHORITY

AUDITORS' REPORT

FINANCIAL STATEMENTS - MARCH 31, 2006

AUDITORS' REPORT

To the Trustees of **Labrador - Grenfell Regional Health Authority**

We have audited the consolidated balance sheet of **Labrador - Grenfell Regional Health Authority** as at March 31, 2006 and the consolidated statements of changes in net assets, operations and cash flow for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Authority as at March 31, 2006 and the results of its operations and the changes in its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

LABRADOR - GRENFELL REGIONAL HEALTH AUTHORITY

Notes to the Financial Statements

March 31, 2006

1. Nature of operations:

Effective April 1, 2005 the Government of Newfoundland and Labrador created the Labrador-Grenfell Regional Health Authority which assumed the assets, liabilities, net assets and operations of the following entities:

Health Labrador Corporation
Grenfell Regional Health Services Board

The Authority manages and operates all health facilities, services and programs in Northern Newfoundland and all of Labrador.

The Authority manages and controls the operations of the following facilities:

Labrador Health Centre, Happy Valley-Goose Bay
Harry L. Paddon Memorial Home, Happy Valley-Goose Bay
Captain William Jackman Memorial Hospital, Labrador City
Charles S. Curtis Memorial Hospital, St. Anthony
John M. Gray Centre, St. Anthony
St. Anthony Interfaith Home Apartment Complexes, St. Anthony

and all medical clinics, nursing stations, community health centres, facilities, programs and services in the geographic area.

The operations of the Authority are primarily funded by the Government of Newfoundland and Labrador (the Government).

The Authority is incorporated under the Hospitals Act of Newfoundland and Labrador.

2. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Fund accounting:

The combined funds are reported in the consolidated financial statements.

Assets, liabilities, revenue and expenditure related to the delivery and administration of health services are reported in the Operating Fund.

Assets, liabilities, revenue and expenditure related to Authority activities are reported in the Authority Fund.

2. Significant accounting policies (continued):

Revenue recognition:

The Authority follows the deferral method of accounting of contributions.

Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue, when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized.

Inventories:

Inventories consist of medical, surgical, general supplies, fuel oil, aircraft parts, and pharmaceuticals.

Medical, surgical and general supplies are valued at the lower of cost, determined on an average cost basis, and net realizable value.

Fuel oil, aircraft parts and drugs are valued at the lower of cost, determined on a first-in, first-out basis, and net realizable value.

Property, plant and equipment:

The Authority has control over certain land, buildings and equipment, with the title resting with the Government and consequently these assets are not recorded under property, plant and equipment.

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution.

Property, plant and equipment are being amortized on a declining balance basis over their estimated useful lives at the following rates:

Land improvements	20%	
Buildings	5%	
Leasehold improvements		5%
Equipment and vehicles	20%	
Artwork	0%	

In addition, the Harry L. Paddon Memorial Home and St. Anthony Interfaith Home Apartment Complexes buildings and equipment are amortized at a rate equal to the annual principal reduction of the mortgage related to these properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

2. Significant accounting policies (continued):

Replacement reserve:

Newfoundland and Labrador Housing Corporation (NLHC) requires that not-for-profit housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of property, plant and equipment. These funds may be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

Transactions in the reserve are shown in Note 7.

Severance pay:

The liability for severance pay is recorded in the accounts for all employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employee who has less than nine years of continual service.

Pension and other post employment benefits:

Employees of the Authority are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government. The Government also provides for the continuation of certain dental and medical benefits for retirees. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions and other post employment benefits are recognized in the accounts on a current basis.

Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

12. Commitments:

Operating leases:

The Authority, in the course of its operations, has entered into agreements for the rental of various health care delivery facilities, living accommodations, and for the lease of certain medical and office equipment. Most arrangements are provided on a year to year basis. Estimated annual lease obligations required in each of the next three fiscal years, for those arrangements extending beyond one year, are as follows:

2007	\$ 705,514
2008	690,114
2009	510,538

Energy performance contract:

The Authority entered into an Energy Performance Contract on February 15, 2000 with Johnson Controls Ltd. for the design and implementation of measures to improve energy efficiency, wherein Johnson Controls Ltd. guaranteed the energy savings component.

The cost of the contract was \$1,660,616 and is to be repaid from energy and operating savings at \$15,250 per month over a period of 8.2 years plus lump sum amounts aggregating an additional \$116,116.

As of March 31, 2006 the balance of the expenditures financed through the Bank of Nova Scotia amount to \$548,992 (2005 - \$698,121). As support for the financing, Johnson Controls Ltd. has assigned to the bank any funds due to them by the authority for the energy savings component of the contract.

In the opinion of management of the Authority the guaranteed energy savings component by Johnson Controls Ltd. is an offset to any obligation of the authority under the assignment to the bank, and as a consequence neither the capital expenditures nor the bank loan obligation is reflected in the financial statements of the Authority at March 31, 2006.

Funding for the contract is from operating savings and has been approved in this manner by the Province of Newfoundland and Labrador. As a result, the monthly payments under the contract are being reported in the Authority's operating statements as a normal operating cost.

13. Contingencies:

As of March 31, 2006, there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management believes any claims, if successful, will be covered by liability insurance.

14. Comparative figures:

Certain of the comparative figures have been reclassified to conform to the current presentation.

AUDITORS' REPORT

To the Directors of the **Labrador School Board**

We have audited the balance sheet of the current and capital funds of the **Labrador School Board** as at June 30, 2005, and the statements of current revenues, expenditures and Board deficit, changes in financial position and changes in capital fund for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Labrador School Board as at June 30, 2005, and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles and are in compliance with reporting requirements established for School Districts in the Province of Newfoundland and Labrador by the Department of Education.

LABRADOR SCHOOL BOARD
NOTES TO FINANCIAL STATEMENTS
 JUNE 30, 2005

1. Summary of Significant Accounting Policies

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Districts. Fund accounting can be defined as "accounting procedures in which a self-balancing group of accounts is provided for each fund". It is customary for School Districts to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the District, relating to their use of fund accounting, is as follows:

- (1) Grants received by the District are recorded in either the current or capital funds, depending on their source. Grants from the Department of Education are treated as current revenues while those from the E.I.C. (Education Investment Corporation) are recorded as capital revenues. Also, amounts paid to construction companies from the E.I.C. on behalf of the District for capital projects are treated as capital revenues.
- (2) Capital asset additions are recorded at full cost in the capital fund.
- (3) The District does not calculate or record amortization on any of its capital assets.
- (4) Principal repayment of Pupil Transportation Loans are recorded as current expenditures. All other principal repayment of bank loans are recorded as capital expenditures.

2. Accounts Receivable

6. **Contingent Liability**

The Lavers Inquiry is currently investigating allegations of abuse at schools formerly run by various churches in certain parts of Labrador. The possibility or magnitude of any resulting liability arising to the District is not known.

There presently exists an undetermined contingent liability which has arisen concerning a dispute between the Roman Catholic Diocese of Labrador City/Schefferville and the Labrador School Board over ownership of rental monies derived from Notre Dame Academy.

7. **Other Matters**

Effective January 1, 1997, the Labrador School Board was formed through the amalgamation of the Labrador West Integrated School Board, the Labrador East Integrated School Board and the Roman Catholic School Board for Labrador. The amalgamation was accounted for using the pooling of interests method whereby the assets and liabilities of each School Board were combined to become the assets of the new Labrador School Board.

LABRADOR TRANSPORTATION INITIATIVE FUND
FINANCIAL STATEMENTS
31 MARCH 2006

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

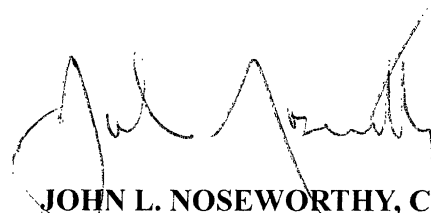

AUDITOR'S REPORT

To the Members
Labrador Transportation Initiative Fund
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the Labrador Transportation Initiative Fund as at 31 March 2006 and the statements of revenue, expenses and fund balance, and cash flows for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at 31 March 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

LABRADOR TRANSPORTATION INITIATIVE FUND

NOTES TO FINANCIAL STATEMENTS

31 March 2006

Authority

The Labrador Transportation Initiative Fund (the Fund) operates under the authority of the *Labrador Transportation Initiative Fund Act* enacted 19 December 1997. Its affairs are managed by a board of management (the Board) appointed by the Lieutenant-Governor in Council.

The objective of the Board is to authorize payments from the Fund to the Consolidated Revenue Fund of the Province of Newfoundland and Labrador for the construction of the Trans Labrador Highway, maintenance of marine and ferry services to Labrador, and other Labrador initiatives related to transportation which the Lieutenant-Governor in Council may approve.

1. Significant accounting policies

These financial statements have been prepared by the Board in accordance with Canadian generally accepted accounting principles.

2. Investments

Investments are valued at a cost of \$10,364,744 (2005 - \$58,834,084) which approximates market value. As at 31 March 2006, the Fund had one investment. This investment has a maturity date of 28 April 2006 and an interest rate of 3.88%.

3. Funded initiatives

The Board approved the following initiatives for the year ended 31 March 2006:

	Approved Amount 2006	Actual Claim 2006	Adjustments Relating to 2005	Funded Initiatives 2006	Funded Initiatives 2005
	\$	\$	\$	\$	\$

The Fund paid the claimed amount noted above to the Department of Transportation and Works representing approved costs incurred. The adjustments relating to March 2005 were paid as submitted by the Department.

LABRADOR TRANSPORTATION INITIATIVE FUND

NOTES TO FINANCIAL STATEMENTS

31 March 2006

4. Related party transactions

The Fund is administered by employees of the Department of Finance. The costs of administration are paid directly by the Department and are not reflected in these financial statements.

5. Financial instruments

The Fund's financial instruments recognized in the balance sheet consist of cash, short-term investments, accrued investment income receivable, accrued liabilities, and due to Province of Newfoundland and Labrador, the carrying values of which approximate fair value due to the relatively short-term maturity associated with these instruments.

6. Income taxes

The Fund is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

Lions Manor Inc.

Notes to the Financial Statements

March 31, 2006

1. Nature of operations

Effective April 1, 2006 the Lions Manor Inc. is operated by Eastern Regional Integrated Health Authority. The Corporation was established to provide housing accommodations to senior citizens in Placentia and the surrounding area. As a housing corporation under the Canadian Income Tax Act, Lions Manor Inc. is not subject to either federal or provincial income tax.

2. Summary of significant accounting policies

Use of estimates

In preparing the Corporation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditure during the year. Actual results could differ from these estimates.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks (net of overdrafts). Bank borrowings are considered to be financing activities.

Depreciation

Depreciation is provided on property and equipment purchased from loans insured by Newfoundland and Labrador Housing Corporation at a rate equal to the annual principal reduction of the mortgage. No depreciation is charged on other capital assets.

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

3. Replacement reserve fund

Under the terms of the agreement with Newfoundland and Labrador Housing Corporation, the Replacement Reserve Fund is to be credited annually with an amount determined by Newfoundland and Labrador Housing Corporation. These funds, along with accumulated interest, are held on deposit with Newfoundland and Labrador Housing Corporation. The funds in the account may only be used as approved by Newfoundland and Labrador Housing Corporation.

LIVESTOCK OWNERS COMPENSATION BOARD
LIVESTOCK OWNERS COMPENSATION FUND
NOTES TO FINANCIAL STATEMENTS
31 MARCH 2006

Authority

The Livestock Owners Compensation Board (the Board) operates under the authority of the *Livestock Insurance Act*. The purpose of the Board is to operate the Livestock Owners Compensation Fund to provide insurance to farmers of the Province to restrict the amount of livestock loss. Its affairs are managed by a Board of Directors appointed by the Lieutenant-Governor in Council. These statements are a representation of the activities of the Livestock Owners Compensation Fund.

1. Significant accounting policies

These financial statements have been prepared by the Board's management in accordance with Canadian generally accepted accounting principles. The Board does not prepare a statement of cash flows since the changes in cash flows are readily apparent from the other statements.

2. Payments on behalf of the Board for administration

The Board is administered by employees of the Department of Natural Resources. Salary costs of \$5,645 (not available for 2005) and other costs of \$1,261 (2005 - \$1,100) applicable to the operation of the Board have been paid by the Department and are reflected in these financial statements as expenses of the Board and as revenue from the Province.

3. Economic dependence

As a result of the Board's reliance on Provincial funding to meet its administrative costs, the Board's ability to continue viable operations is dependent upon continued funding from the Province.

4. Financial instruments

The Board's financial instruments recognized on the balance sheet consist of cash, accounts receivable, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

5. Income taxes

The Board is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

AUDITORS' REPORT

To the Directors of
Marble Mountain Development Corporation

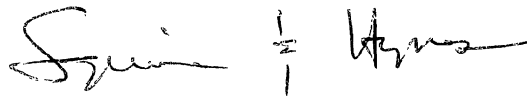

We have audited the balance sheet of Marble Mountain Development Corporation as at April 30, 2006 and the statements of revenue, expenditures and deficit and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as the overall financial statement presentation.

The Corporation's policy is not to amortize its property, plant and equipment. Canadian generally accepted accounting principles require that property, plant and equipment with a limited life held by not-for-profit organizations be amortized over their useful lives. The Corporation's policy is not to amortize its government assistance relating to the purchase of property, plant and equipment. Canadian generally accepted accounting principles require that government assistance be amortized on the same basis as the amortization expense of the related property, plant and equipment to which it relates.

In our opinion, except for the effects of the above as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Corporation as at April 30, 2005 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

MARBLE MOUNTAIN DEVELOPMENT CORPORATION

NOTES TO FINANCIAL STATEMENTS

For the year ended April 30, 2006

GENERAL

The Corporation is a “Non-Profit Development Corporation” incorporated under the *Corporations Act* of Newfoundland and Labrador. Its affairs are managed by a Board of Directors appointed by the Lieutenant Governor in Council. The Province of Newfoundland and Labrador holds 100% of the issued common shares.

The principal business activity of the Corporation is managing and controlling the operations of the area known as the Marble Mountain Development area.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Inventory

Inventory is recorded at the lower of cost and net realizable value.

Property, plant and equipment

Property, plant and equipment purchased by the Corporation are stated at cost. Donated assets are recorded at their estimated fair market value. No provision for amortization of property, plant and equipment is recorded in the financial statements of the Corporation.

Deferred charge

Deferred charge represents the unamortized cost of purchasing uniforms for snow school instructors. Amortization of the deferred charge is provided on the straight-line basis over three years and is recorded as ski patrol expense in lift operations.

Government assistance and other contributions

Government grants and other contributions related to the acquisition of property, plant and equipment are recorded as deferred credits. The deferred credits related to the acquisition of property, plant and equipment have not been amortized. Government assistance and other contributions related to property, plant and equipment retired from use are credited against the property, plant and equipment in the year of retirement.

Government grants related to operations are recorded as revenue or as a reduction of the expense to which the grant relates.

Accounting estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimated.

4. OBLIGATIONS UNDER CAPITAL LEASES

	2006	2005
	\$	\$
Obligations under capital leases represents the future minimum lease payments discounted at the interest rate implicit in the leases. Interest rates implicit in the capital leases outstanding at April 30, 2006 were 8.6% and 6.77% (2005 -- 22%).		
The future minimum lease payments required under the lease agreements are as follows:		
2006	-	46,928
2007	134,100	-
2008	134,100	-
2009	134,100	-

5. LONG-TERM DEBT

	<u>2006</u>	<u>2005</u>
	\$	\$
Department of Innovation, Trade and Rural Development loan, non-interest bearing and repayable in annual installments based on 20% of available cash flow. Due 2015.	300,000	300,000

The above long-term debt is secured by chattel mortgage on specific equipment. Long-term debt repayments required to meet retirement provisions are based on available cash flow which is defined as net profit plus amortization less principal payments on long-term debt and capital leases. In the current year, there is no available cash flow, therefore no repayment is due. The Corporation has until 2015 to repay the loan in full.

6. GOVERNMENT ASSISTANCE AND OTHER CONTRIBUTIONS - CAPITAL

The Corporation has recorded government grants and other contributions related to the acquisition of property, plant and equipment as deferred credits.

7. SHARE CAPITAL

The Province of Newfoundland and Labrador holds 100% of the issued common shares of the Corporation.

MARBLE MOUNTAIN DEVELOPMENT CORPORATION

NOTES TO FINANCIAL STATEMENTS (Continued) For the year ended April 30, 2006

8. GOVERNMENT ASSISTANCE AND OTHER CONTRIBUTIONS – OPERATIONS

Province of Newfoundland and Labrador -- Operating grant

For the year ended April 30, 2006, an administrative operating grant in the amount of \$820,000 (2005 - \$400,000) was approved and received.

The above contribution is subject to the terms and conditions as outlined in the contribution agreement.

9. INCOME TAXES

The Corporation is a non-profit corporation wholly owned by the Province of Newfoundland and Labrador and as such is not subject to Federal or Provincial income taxes under the Canadian Income Tax Act.

10. LEASE COMMITMENTS

The corporation leases equipment under long-term leases which expire at various times between 2007 and 2010. The future minimum lease payments under these long-term leases is approximately as follows:

	\$
2007	18,085
2008	5,932
2009	2,882
2010	1,441

11. CONTINGENT LIABILITY

As at April 30, 2006, a supplier had claimed that the Corporation owed it approximately \$70,005 for services rendered. The Corporation's management feels that the claim is unfounded and the likelihood of any loss resulting therefrom is undeterminable. Therefore, the Corporation has not recorded in its accounts any provision for losses that may result from the claim.

12. RELATED PARTY TRANSACTIONS

As at April 30, 2006, the Corporation was owed \$193,287 (2005 - \$194,903) from Marble Mountain Management Corporation. This receivable relates to the balance outstanding as a result of labour services provided, cash transfers, equipment rental and the transfer of operating assets.

During the year ended April 30, 2006, a management fee was paid to the Chairperson of the Board of Directors in the amount of \$6,030 (2005 - \$4,020). In addition, directors' fees of \$4,326 (2005 - \$5,640) were paid in total to the Board of Directors of the Corporation.

MARBLE MOUNTAIN DEVELOPMENT CORPORATION

NOTES TO FINANCIAL STATEMENTS (Continued)

For the year ended April 30, 2006

13. PROPERTY, PLANT AND EQUIPMENT RETIRED FROM SERVICE

During the year the Corporation retired property, plant and equipment which were no longer required in the operation. Property, plant and equipment retired from service which were purchased with government assistance has been recorded as a reduction to government assistance. The other property, plant and equipment retired from service has been charged to operations.

14. FINANCIAL INSTRUMENTS

The Corporation's financial instruments consist of cash, accounts receivable, due from Marble Mountain Management Corporation, bank indebtedness, accounts payable and accrued liabilities, deferred revenue, obligations under capital leases, and long-term debt. Unless otherwise noted, it is management's opinion that the entity is not exposed to significant currency or credit risks from these financial instruments. However, the entity is exposed to interest rate risk on its operating line of credit. The interest rate is variable and is subject to interest rate volatility. The fair values of these financial instruments approximates their carrying values unless otherwise noted.

15. COMPARATIVE FIGURES

Certain 2005 comparative figures have been reclassified to conform with the financial statement presentation adopted for 2006.

AUDITORS' REPORT

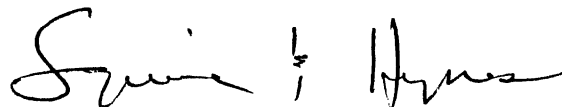

To the Directors of
Marble Mountain Management Corporation

We have audited the balance sheet of Marble Mountain Management Corporation as at April 30, 2006 and the statements of revenue, expenditures and deficit and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the corporation as at April 30, 2006 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Auditors' Report

To the Board of Regents of
Memorial University of Newfoundland

We have audited the consolidated statement of financial position of Memorial University of Newfoundland (the "University") as at March 31, 2006 and the consolidated statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the University as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Memorial University of Newfoundland

Notes to Consolidated Financial Statements

Year ended March 31, 2006
(thousands of dollars)

1. AUTHORITY AND PURPOSE

Memorial University of Newfoundland (the "University") is a corporation operating under the authority of the *Memorial University Act*. It is a comprehensive research university offering a full range of undergraduate, graduate and continuing studies programs. The academic governance of the University is vested in the Senate. The University is a not-for-profit entity, governed by a Board of Regents, the majority of whom are appointed by the Province of Newfoundland and Labrador. The University is a registered charity under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. Significant Accounting Policies

General

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. The significant accounting principles are summarized as follows:

(a) Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Estimates are reviewed periodically, and as adjustments become necessary, they are reported in earnings in the period in which they become known.

(b) Consolidated statements

These financial statements have been prepared on a consolidated basis, reporting the operations and financial position of the University and the following related not-for-profit organizations:

- ⇒ C-CORE
- ⇒ The Canadian Centre for Marine Communications (CCMC)
- ⇒ The Canadian Centre for Fisheries Innovation (CCFI)
- ⇒ Genesis Group Inc.
- ⇒ The Memorial University of Newfoundland Botanical Garden Incorporated
- ⇒ Memorial University Recreation Complex (MURC)
- ⇒ Newfoundland Quarterly Foundation

Memorial University of Newfoundland
Notes to Consolidated Financial Statements

Year ended March 31, 2006
(thousands of dollars)

2. Significant Accounting Policies (cont'd)

(c) Cash equivalents and short term investments

Cash equivalents and short term investments consist primarily of cash, treasury bills and bankers' acceptances. Investments with original maturities less than three months past year end are classified as cash equivalents. Investments with maturities beyond three months to one year past year end are classified as short term investments. Short term investments are carried at cost, which approximates market value.

(d) Revenue recognition

The University follows the deferral method of accounting for contributions, which include donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the year in which related expenses are recognized. Contributions of capital assets are recorded at fair market value at the date of the contribution and deferred and amortized to operations on the same basis as the related asset. Endowment contributions are recognized as direct increases in the net assets in the year in which they are received. Revenues from contracts and sales are recognized when the goods or services are provided and collection is reasonably assured.

(e) Contributed services

Volunteers, including volunteer efforts from the staff of the University, contribute an indeterminable number of hours per year to assist the University in carrying out its service delivery activities. The costs that would otherwise be associated with these contributed services is not recognized in these financial statements.

(f) Investments

Investments are carried at cost. Fair values have been determined on the basis described in note 7 and are considered to approximate market values.

Memorial University of Newfoundland
Notes to Consolidated Financial Statements

Year ended March 31, 2006
(thousands of dollars)

2. Significant Accounting Policies (cont'd)

(g) Capital assets

Purchased capital assets are recorded at cost. Donated capital assets are recorded at fair value at the date of acquisition. Repairs and maintenance expenditures are charged to expense. Betterments which extend the estimated life of an asset are capitalized.

The University's permanent art collection is expensed as incurred and the value of donated art is not recognized in these financial statements.

Capital assets are amortized using the following rates. One-half year's amortization is taken in the year of acquisition and no amortization in the year of disposal.

⇒ Buildings	8% declining balance
⇒ Furniture and equipment	20% declining balance
⇒ Computers	30% declining balance
⇒ Banner Finance	20% declining balance
⇒ Vehicles	30% declining balance
⇒ Campus network	5 years straight line
⇒ Library collection	10 years straight line

(h) Employee future benefits

(i) Pension costs and obligations

The employees of the University participate in a defined benefit pension plan administered under the Memorial University Pensions Act with any deficiencies being funded by the Province of Newfoundland and Labrador. Payments to the pension plan consist of contributions from employees and contributions from the University as prescribed in the Pension Benefits Act (1997). In addition, where the plan experiences a solvency deficiency, the employer is required to contribute an amount sufficient to liquidate the deficiency within 5 years of the solvency valuation date. The University's contributions to the Pension Plan are recorded as expenditure in the Statement of Operations.

The most recent actuarial valuation prepared by Eckler Partners Ltd. Disclosed a solvency deficiency of \$137,392,000 and a going concern deficiency of \$91,344,000 at March 31, 2006. Under the Pension Benefits Act (PBA), a going concern deficiency must be funded over a period of not more than 15 years while a solvency deficiency is to be funded over a maximum 5 year period. Amortization of the going concern deficiency requires minimum special payments of \$6,859M per year. At present, the University has an exemption under the PBA from making payments relating to the solvency deficiency which expires December 31, 2010.

Memorial University of Newfoundland
Notes to Consolidated Financial Statements

2. Significant Accounting Policies (cont'd)

(ii) Other post employment benefits

The University accrues its obligations for employee benefit plans. The employee future benefits earned by employees is actuarially determined using the projected benefit method pro-rated on service and administration's best estimate of salary escalation, retirement ages of employees and escalation in covered benefit expense outlays.

The University recognizes the cost of the Supplemental Retirement Income Plan (SRIP), the Voluntary Early Retirement Income Plan (VERIP) and the cost of future employee benefits which include severance, accrued vacation, group life insurance and health care benefits.

(i) Agency Obligations

The University acts as an agent which holds resources and makes disbursements on behalf of various unrelated groups. The University has no discretion over such agency transactions. Resources received in connection with such agency transactions are reported as liabilities, not revenue, and subsequent distributions are recorded as decreases to these liabilities.

3. Capital assets

	Cost	Accumulated Depreciation	2006 Net Book Value	2005 Net Book Value
Buildings	\$187,538	\$100,224	\$87,314	\$92,061

4. Deferred Contributions

(a) Expenses of future periods

Deferred contributions related to expenses of future periods represent unspent externally restricted grants and donations for research and programs.

	2006	2005
Balance, beginning of year	\$35,829	\$31,271
Revenue received during the year	54,139	46,411
Expenses incurred during the year	49,089	41,853
	\$40,879	\$35,829

(b) Capital assets

Deferred capital contributions related to capital assets represent the unamortized amount and unspent amount of donations and grants received for the purchase of capital assets. The amortization of deferred capital contributions is recorded as revenue in the Statement of Operations.

	2006	2005
Balance, beginning of year	\$143,180	\$133,945
Additional contributions received	28,014	27,820
Less amounts amortized to revenue	(20,702)	(18,585)
	\$150,492	\$143,180

(c) Total deferred contributions

	2006	2005
Expenses of future periods	\$40,879	\$35,829
Capital assets	150,492	143,180
	\$ 191,371	\$179,009

5. Long term debt

	2006	2005
CMHC mortgage, 5.875% interest, repayable in 50 equal, blended payments of \$29,095 semi-annually, maturing in June 2019, secured	\$510	\$537
Capital leases negotiated through the Royal Bank, interest rates vary, payable in equal annual installments, secured by assets under lease	942	2,362
RBC Royal Bank, fixed term loan, 5.19% interest, repayable in 9 equal annual, blended payments of \$121,580, maturing in April 2012, unsecured	699	779
	\$2,151	\$3,678
<i>Less Short Term Portion</i>	<i>1,311</i>	<i>2,272</i>
	\$840	\$1,406

Annual repayments of long term debt over the next five years are as follows:

⇒ 2007	\$1,311
⇒ 2008	\$ 374
⇒ 2009	\$ 32
⇒ 2010	\$ 34
⇒ 2011	\$ 36

6. Bank indebtedness

Pursuant to Section 41 of the Memorial University Act, the University has received approval from the Lieutenant-Governor in Council to borrow to finance two capital projects. The projects involve the development of a training facility on the Southside for the Marine Institute and the construction of a new residence complex for Sir Wilfred Grenfell College. Currently the Sir Wilfred Grenfell College Residence debt has been negotiated using bankers' acceptances which mature during 2006. Management expects to refinance this loan through bankers' acceptance for the balance of the term of the loan. The Southside Facility debt was repaid in full in 2006.

Memorial University of Newfoundland
Notes to Consolidated Financial Statements

Year ended March 31, 2006
(thousands of dollars)

7. Financial instruments

The carrying values of accounts receivable, mortgage receivable, accounts payable, accrued liabilities, short term debt and long term debt approximate their market value due to the relatively short periods to maturity of the instruments.

Long term investments are recorded at cost. The carrying amounts and fair values of investments are summarized as follows:

	2006		2005	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Fixed Income	\$23,405	\$24,278	\$22,565	\$22,966
Equities	25,294	29,695	24,571	27,940
	\$48,699	\$53,973	\$47,136	\$50,906

Cash in the amount of \$3 million is being carried in the pooled investment fund but for financial statements presentation, it is classified as cash and cash equivalents. Fair values are considered to approximate market values.

Details of significant terms and considerations, exposures to interest rate and credit risks on investments are as follows:

- (i) The quality of fixed income securities is supported by federal, provincial and municipal government guarantees or high quality corporate bonds. No significant weightings exist within the corporate bond category that would pose any material credit rate risk to the University.
- (ii) Interest rates on fixed income securities range from 3.9% to 7.4% with maturities ranging from 2006 to 2017.
- (iii) The income earned on the securities is used to pay scholarships and fund endowed chairs. Expenditure levels on these activities are determined based on the performance of the investments.

Memorial University of Newfoundland
Notes to Consolidated Financial Statements

Year ended March 31, 2006
(thousands of dollars)

8. Memorial University Act

In accordance with the Memorial University Act, the University is normally prohibited from recording a deficit on their financial statements. During 1996, pursuant to Section 36 of the *Memorial University Act*, the University received approval from the Lieutenant-Governor in Council to record a deficit of up to \$5 million in 1996 and an additional \$10 million in 1997 as a result of the recognition of the liabilities related to Voluntary Early Retirement Plans for faculty and staff. During 2001, the University received approval from the Lieutenant-Governor in Council to exclude from the definition of a deficit, pursuant to Section 36 of the *Memorial University Act*, any amounts resulting from the recognition of the liabilities related to recording vacation pay entitlements, severance and any other post employment benefits.

9. Contingencies

(a) Reciprocal exchange of insurance risks

The University, in association with fifty-six Canadian universities, participates in a reciprocal exchange (CURIE) of insurance risks. The self-insurance cooperative involves a contractual agreement to share the insurance property and liability risks of member universities for a term of not less than five years.

The projected cost of claims will be funded through members' premiums based on actuarial projections. As of December 31, 2005, CURIE has a surplus of \$11.2 million, of which the University's prorata share is approximately 3% on an ongoing basis. In addition, the reciprocal has obtained \$645 million re-insurance with commercial insurers to cover major property claims in excess of \$5 million per occurrence.

In respect of general liability, the limit is \$10 million per occurrence. Re-insurance for liability coverage in the amount of \$10 million in excess of a \$10 million per occurrence retention is in place.

In the event that premiums are not sufficient to cover claims settlements, the member universities would be subject to an assessment in proportion to their participation.

(b) Guarantee of loan for The Memorial University of Newfoundland Students' Union

In 1994, the Board of Regents, with the authorization of the Province of Newfoundland and Labrador, guaranteed a loan in the amount of \$1.2 million for the Memorial University of Newfoundland Students' Union. The current balance outstanding on the loan is \$1.2 million.

10. Net assets

The University has total restricted net assets for endowment purposes as follows:

	2006	2005
Restricted Assets subject to externally imposed restrictions requiring the principal to be maintained	\$43,898	\$39,761
Restricted assets subject to externally imposed restrictions requiring the principal be loaned to students	1,268	1,238
General University Endowment Fund is an internally restricted endowment	7,948	7,621
	\$53,114	\$48,620

Investment income on the various funds is restricted as stipulated in the terms and conditions of the individual funds. Investment income on the internally restricted fund and any other unrestricted funds is recorded in the Statement of Operations.

The University has unrestricted operating net assets calculated as follows:

	2006	2005
Total net assets	(\$12,251)	(\$18,544)
Less:		
Net assets restricted for endowment purposes	53,114	48,620

11. Opportunity fund

On March 25, 1997, the University launched a fund raising campaign with a goal to raise a combined total of \$50 million. The five-year campaign has raised \$28 million in private sector pledges to date and the Government of Newfoundland and Labrador has agreed to match donor contributions on a dollar-for-dollar basis up to \$28 million. As at March 31, 2006, the Government has contributed \$27.9 million toward their matching contributions. The balance of uncollected pledges and matching funds has not been reflected in the financial accounts of the University.

12. Employee Future Benefits

The University has a number of defined benefit and defined contribution plans providing group life insurance and health care benefits on a cost shared basis to retired employees, and in certain cases, their surviving spouses. In addition, the University pays a severance payment, to certain employee groups, upon termination, retirement or death, provided they meet certain eligibility criteria.

In May 1996, the Board of Regents approved a Supplemental Retirement Income Plan to provide benefits to employees of the University whose salaries exceed the Canada Revenue Agency maximum pensionable salary and whose defined benefit pension, therefore, exceeds the maximum benefit payable from the Plan.

In February and May 1996, the University offered faculty and staff, who reached the age 55 and attained a minimum of 10 years pensionable service, an opportunity to take an early retirement under the provisions of the Voluntary Early Retirement Incentive Plan.

Subject to eligibility criteria, the Plan provided an incentive of enhanced pension benefits of up to five years pensionable service and waiver of actuarial reduction, if applicable, or a lump sum early retirement payment. The early retirement incentive is being funded from operations.

The significant actuarial assumptions used in measuring the University's accrued benefit obligation under each plan are as follows:

Future employee benefits

Include a discount rate of 5.2% and an average rate of compensation increase of 4.5%.

Supplemental retirement income plan (SRIP)

Include a discount rate of 7% and an average compensation increase of 4.5%.

Voluntary early retirement income plan (VERIP)

Include a discount rate of 8%.

13. Subsequent events

(a) Agreement with Memorial University of Newfoundland Student Union

On April 28, 2006, the University signed a lease agreement with Memorial University of Newfoundland's Student Union (MUNSU), under which the university will take ownership and control of MUNSU's daycare center, as well as restaurants, vending machines and bank machines in the University Center. The University will also assume the debt related to these areas. The University expects it will assume responsibility for operating these facilities on July 31, 2006.

(b) Western Sports and Entertainment Incorporated

On March 23, 2006 the University signed an agreement to take over the lease of the Pepsi Center in Corner Brook, Newfoundland, effective May 1, 2006. A separately incorporated entity has been established to operate the facility.

14. Comparative figures

Certain of the 2005 comparative figures have been reclassified to conform to the financial statement presentation adopted in 2006.

Auditors' Report

To the Board of Regents of
Memorial University of Newfoundland

We have audited the statement of net assets available for benefits of the Pension Plan of Memorial University of Newfoundland as at March 31, 2006 and the statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Pension Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. These standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the net assets available for benefits of the Pension Plan as at March 31, 2006 and the changes in net assets available for benefits for the year then ended in accordance with Canadian generally accepted accounting principles.

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

These financial statements follow the guidelines established by the Canadian Institute of Chartered Accountants (CICA) for pension plans.

1. Description of Plan

The following description of the Memorial University of Newfoundland Pension Plan (the Plan) is a summary only. For more complete information, reference should be made to the *Memorial University Pensions Act*.

(a) General

The Plan is a contributory defined-benefit pension plan covering eligible employees of Memorial University of Newfoundland (the University) in accordance with the *Memorial University Pensions Act*.

Where differences exist between the provisions of the *Memorial University Pensions Act* and the Newfoundland *Pensions Benefits Act, 1997* (the PBA), the minimum standards prescribed by the PBA will prevail unless the Plan provisions exceed these standards.

(b) Funding Policy

The Plan is subject to the funding provisions of section 35 of the PBA and section 12 of the PBA Regulations which require that the employer contribute an amount equal to the normal actuarial cost allocated to the employer in the most recent actuarial valuation. In addition, where the Plan experiences a solvency deficiency, the employer is required to contribute an amount sufficient to liquidate the solvency deficiency within 5 years of the solvency valuation date. Likewise, going concern unfunded liabilities are required to be liquidated by the employer over a period not exceeding 15 years.

(c) Provincial Guarantee

The Plan is being underwritten by the Province of Newfoundland. Section 6 of the *Memorial University Pensions Act* states:

All pensions, payments, and refunds and all expenses of the administration of this Act are a charge upon and payable out of the fund and if at any time there is not sufficient money at the credit of the fund for those purposes as they fall due for payment the Minister of Finance shall pay into the fund an amount to cover the deficiency.

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

1. **Description of Plan (cont'd.)**

(d) **Service Pensions**

A service pension is available based on the number of years of service times two percent of the best five-year average pensionable salary. Pensions are indexed, from age 65, at the rate of 60% of the annual change in the Consumer Price Index, as measured by Statistics Canada, to a maximum annual increase of 1.2%.

(e) **Survivors' Pensions**

A survivor pension is paid to a surviving principal beneficiary or dependent child, as defined in the *Memorial University Pensions Act*, of a member who has a minimum of two years credited service.

(f) **Death Refunds**

A death refund is payable to the estate of a pensioner or survivor where such pensions have not been paid to the full extent of the individual's contributions plus interest. In a similar manner, a death refund is payable to the estate of a contributor where no survivor pension is paid.

(g) **Refunds**

Upon application and subject to locking-in provisions, a terminated employee may withdraw their contributions and accumulated interest.

(h) **Income Taxes**

The Plan is a Registered Pension Trust as defined in the *Income Tax Act* and is not subject to income taxes.

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

2. Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from these estimates. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the period in which they become known.

(b) Basis of Presentation

These financial statements are prepared on the going concern basis and present the information of the Plan as a separate financial reporting entity independent of the sponsor and Plan members. They are prepared to assist Plan members and others in reviewing the activities of the Plan for the fiscal period, but they do not portray the funding requirements of the Plan or the benefit security of individual Plan members.

(c) Investments

Investments are stated at fair value and transactions are recorded as of the trade date. In determining fair value, adjustments have not been made for transaction costs as they are not considered to be significant. The change in the difference between the fair value and cost of investments, at the beginning and end of each fiscal year, is reflected in the statement of changes in net assets available for benefits as current period increase/decrease in fair value of investments.

Fair value of investments is determined as follows:

Bonds, debentures and equities are valued at year-end quoted market prices where available. Where quoted prices are not available, estimated fair value is calculated using comparable securities.

Short-term notes, treasury bills and term deposits maturing within a year are stated at cost, which, together with accrued interest income, approximates fair value given the short-term nature of these instruments.

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

2. Significant Accounting Policies (cont'd.)

(c) Investments (cont'd.)

Guaranteed investment certificates and term deposits maturing after a year are valued at the present value of estimated future cash flows discounted at interest rates in effect on the last business day of the year for investments of a similar type, quality, and maturity.

Pooled fund investments are valued at the unit value supplied by the pooled fund administrator, which represents the Plan's proportionate share of underlying net assets at fair value determined using closing market prices.

(d) Gain on Sale of Investments

The realized gain on sale of investments is the difference between proceeds received and the average cost of investments sold.

(e) Investment Income

Investment income, which is recorded on the accrual basis, includes interest income and dividends.

(f) Foreign Currency Translation

The fair value of foreign currency denominated investments, included in the statement of net assets available for benefits, is translated into Canadian dollars at year-end rates of exchange. Gains and losses arising from translations are included in the current period increase/decrease in fair value of investments.

Foreign currency denominated transactions, as well as cost amounts included in note 3(b) to the financial statements, are translated into Canadian dollars at the rates of exchange in effect on the dates of the related transactions.

Notes to the Financial Statements

For the year ended March 31, 2006

4. Obligations for Pension Benefits

The present value of accrued pension benefits was determined using the projected benefit method pro-rated on service and the administrator's best estimate assumptions. Eckler Partners Ltd., a firm of consulting actuaries, performed an actuarial valuation as at March 31, 2006.

The actuarial present value of benefits as at March 31, 2006 and the principal components of change in actuarial present value during the year were as follows:

(in thousands of dollars)

	2006	2005
	\$	\$
Actuarial present value of accrued pension benefits at beginning of the year	695,144	589,678
Cost of implementing indexing provision	-	51,363
Experience losses (gains)	(12,332)	12,704
Changes in actuarial assumptions/methodology	-	2,298
Interest accrued on benefits	48,515	41,203
Benefits accrued	25,102	24,076
Benefits paid	<u>(29,235)</u>	<u>(26,178)</u>
Actuarial present value of accrued pension benefits at end of the year	<u>727,194</u>	<u>695,144</u>

The assumptions used in determining the actuarial value of accrued pension benefits were developed by reference to expected long-term market conditions. Significant long-term actuarial assumptions used in the valuation were:

Asset Rate of Return

7% Pre- and Post-retirement

Salary Escalation Rate

4.5% per annum

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

4. Obligations for Pension Benefits (cont'd.)

The actuarial value of net assets available for benefits has been determined at amounts that reflect long-term market trends (consistent with assumptions underlying the valuation of the accrued pension benefits). The fair value is the underlying basis and incorporates an investment reserve calculated as the unamortized difference between expected and actual investment returns over a period of 3 years.

The actuarial asset values used in both the 2006 and 2005 valuations were as follows:

(in thousands of dollars)

	2006	2005
	\$	\$
Net assets available for benefits	659,494	583,984
Fair value changes not reflected in actuarial value of net assets	<u>(23,644)</u>	<u>(23,533)</u>
Actuarial value of net assets available for benefits	<u>635,850</u>	<u>560,451</u>

5. Funding Policy

Pursuant to the *Memorial University Pensions Act*, employees are required to contribute to the Plan in accordance with the following schedule:

- 9.20% of pensionable earnings up to the Year's Basic Exemption (YBE) under the Canada Pension Plan;
- 7.40% of pensionable earnings above the YBE up to and including the Year's Maximum Pensionable Earnings (YMPE) under the Canada Pension Plan;
- 9.20% of pensionable earnings above the YMPE.

The University is required to contribute an amount equal to the contributions paid by employees and any additional amounts required to be paid by an employer under the PBA. In addition to its matching contributions, the University deposited a special payment of \$6,745,000 into the Plan during the year. This was the first of a series of annual payments required to liquidate the unfunded liability identified in the March 31, 2005 actuarial valuation of the plan.

MEMORIAL UNIVERSITY OF NEWFOUNDLAND PENSION PLAN

Notes to the Financial Statements

For the year ended March 31, 2006

5. Funding Policy (cont'd)

The most recent actuarial valuation for funding purposes was prepared by Eckler Partners Ltd. as at March 31, 2006. This valuation revealed a going concern unfunded liability of \$91,344,000 as at March 31, 2006, based on current Plan provisions and PBA requirements. Of this amount, approximately \$51,445,000 relates to the past service costs of indexing, introduced under the Plan, effective July 1, 2004. A financing arrangement was implemented coincident with the introduction of indexing to liquidate this unfunded liability over a period of 40 years. At March 31, 2006, approximately 38.25 years are remaining in the amortization schedule. Due to the nature of the amortization method, which is based upon 1.2% of annual pensionable payroll, and the impact of valuation assumptions, it is not unexpected that the unamortized balance could increase during the first few years that the payment schedule is in place. The balance of the unfunded liability, namely, \$39,899,000 must be liquidated by the University in accordance with note 1(b).

In addition, Eckler Partners Ltd. prepared a solvency valuation, at March 31, 2006, which disclosed a solvency deficiency of \$137,392,000 based upon PBA requirements. The Memorial University Pension Plan is exempt from the solvency funding provisions of the PBA for the period January 1, 2006 to December 31, 2010.

6. Contingencies

At March 31, 2006, 78 employees who had terminated their membership in the Plan, with employee contributions and accrued interest totaling \$293,116 had not indicated to the Department of Human Resources their intentions regarding the disposition of their pension. The financial statements have reflected this liability; however, should these employees be eligible to transfer their pensionable service, the actual liability to the Plan could increase to approximately twice this amount.

7. Financial Instruments

The fair value of investments is as described in note 2(c). The fair value of other financial assets and liabilities, being: contributions receivable; accrued interest and dividends; due from Memorial University of Newfoundland; accounts payable and accrued expenses; and accrued pension refunds, approximates their carrying value due to the short-term nature of these instruments. The fair value of amounts due from pending trades and amounts payable from pending trades is represented by the fair value of the underlying securities.

Auditors' Report

To the Directors of the
Multi-Materials Stewardship Board

We have audited the consolidated statement of financial position of the **Multi-Materials Stewardship Board** at March 31, 2006, and the consolidated statements of operations, changes in net assets and cash flows for the year then ended. These consolidated financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Board as at March 31, 2006, and the consolidated results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Multi-Materials Stewardship Board

Notes to the Consolidated Financial Statements

March 31, 2006

1. Nature of operations

The Multi-Materials Stewardship Board is a statutory corporation established pursuant to The Environmental Protection Act. This Board manages the Used Beverage Container Deposit Refund System, the Used Tire Recycling Program, the Residential Backyard Composting Program, and the Newfoundland and Labrador Waste Management Trust Fund in the Province of Newfoundland and Labrador and is mandated to support and promote the protection, enhancement and wise use of the environment through waste management programs.

The corporation is exempt from income taxes under Section 149(1)(d) of the Canadian Income Tax Act.

2. Basis of consolidation

These consolidated financial statements include the accounts of the Multi-Materials Stewardship Board, the Residential Backyard Composting Program, and the Multi-Materials Stewardship Board Waste Management Trust Fund.

The Multi-Materials Stewardship Board-Newfoundland and Labrador Waste Management Trust Fund is a restricted fund, managed by the Board, and its accounts have been grouped in these financial statements for consolidated purposes. Effective April 1, 2005, the accounts of the Household Hazardous Waste Program were combined with the accounts of the Newfoundland and Labrador Waste Management Trust Fund. Separate audited financial statements have been issued for this restricted fund, with an audit report date of June 1, 2006.

The accounts of the Residential Backyard Composting Program have also been grouped in these financial statements for consolidated purposes. Separate audited financial statements have also been issued for this Program with an audit report date of June 1, 2006.

3. Summary of significant accounting policies

(a) Fund accounting

Fund accounting is generally accepted as the basis of accounting for public sector organizations. A summary of significant accounting policies relating to fund accounting is as follows:

- i) property and equipment are recorded at cost;
- ii) capital additions financed from the unrestricted funds are included in the net assets invested in capital assets account; and
- iii) depreciation of property and equipment is included in the net assets invested in capital assets account.

(b) Use of estimates

In preparing the Board's consolidated financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

3. Summary of significant accounting policies (cont'd.)

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short term deposits with original maturities of one year or less.

(d) Short term investments

Short term investments are restricted to repay performance bonds at the end of the contracts if all conditions have been met by the parties involved.

(e) Revenue recognition

Deposit revenue is recognized when remittances are collected plus an estimated accrual based on subsequent receipts.

By product revenue is recognized upon shipment and when all significant contractual obligations have been satisfied and collection is reasonably assured.

Miscellaneous income including interest income is recognized as earned.

Grant revenue is recognized in the period in which entitlement arises. Revenue received for a future period is deferred until the future period when related costs have been incurred.

Revenue from the sale of compost bins is recognized when the bins are sold by the depots or to municipalities.

(f) Inventories

Inventories are valued at the lower of cost and net realizable value.

(g) Depreciation

Rates and bases of depreciation applied to write-off the cost of property and equipment over their estimated lives are as follows:

Leasehold improvements	20%, straight line
Office furniture and equipment	20%, declining balance
Tire equipment	20%, declining balance
Computer hardware	30%, declining balance
Computer software	30%, declining balance
Bags and tubs	30%, declining balance
Vehicle	30%, declining balance

(h) Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

3. Summary of significant accounting policies (cont'd.)

(i) Unearned revenue

Unearned revenue consists of deposits on containers yet to be returned for redemption and recycling. The amount recorded by the Board as unearned revenue consists of sixty days of deposits received from distributors, adjusted by an estimated recovery rate of 68% (March 31, 2005 – 67%).

Notes to the Consolidated Financial Statements

March 31, 2006

7. Commitments

The Board is committed to minimum annual lease payments for equipment for the next two years of: 2007 - \$5,467 and 2008 - \$399.

The Board has entered into an agreement for processing and transportation of beverage containers to March 2009. The Board has also entered into an agreement for the collection and transportation of used tires in the Province of Newfoundland and Labrador to February, 2010.

8. Cost of sales

In June 2004, the Board terminated its contract under the Used Tire Recycling Program with its previous contractor. Subsequent to this termination, the Board assumed responsibility for the Program and implemented a contingency plan for the collection and storage of used tires. Included in the cost of sales is \$587,485 (2005 - \$1,311,532) for labour, storage, transportation and disposal costs of the used tires under the responsibility of the Board. The costs will be incurred until the Board is able to make arrangements with another contractor under the Used Tire Recycling Program.

9. Financial instruments

Fair values of financial instruments are disclosed in the notes to the financial statements when they differ materially from the carrying amounts. Where amounts receivable and payable are subject to normal credit terms, their carrying amount is used as an approximation of their fair values.

10. Comparative figures

Certain of the comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

AUDITORS' REPORT

To the Shareholder of
Municipal Assessment Agency Inc.

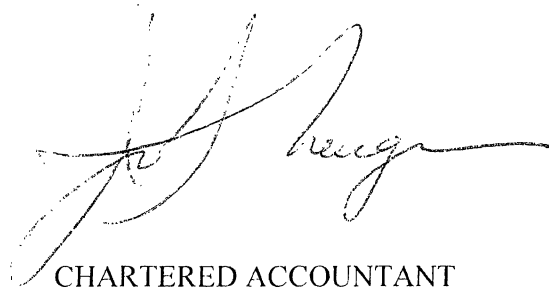

We have audited the balance sheet of Municipal Assessment Agency Inc. as at March 31, 2006 and the statements of revenue, expenses and equity and changes in financial position for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements.

An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the corporation as at March 31, 2006 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

MUNICIPAL ASSESSMENT AGENCY INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2006

General:

Effective April 2, 1997, the Municipal Assessment Agency Inc. (the "Corporation") was incorporated under the laws of the Province of Newfoundland and Labrador to carry out assessment services for various municipalities throughout the Province of Newfoundland and Labrador pursuant to the Assessment Act. Prior to this date, these services were performed by the Department of Municipal and Provincial Affairs, Government of Newfoundland and Labrador (the "Department").

The Corporation has one common share with a par value of \$1.00 issued to the Minister of Municipal and Provincial Affairs, Government of Newfoundland and Labrador.

The Corporation is a crown corporation and, accordingly, is exempt from income taxes under Subsection 149(1)(d) of the Income Tax Act.

1. Summary of significant accounting policies:

The financial statements of the Corporation have been prepared within the framework of generally accepted accounting principles which require the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results. The more significant accounting policies of the Corporation are as follows:

(a) Capital assets

Capital assets purchased by the Corporation are recorded at cost. Amortization is recorded on a declining balance basis over the assets' estimated useful lives at the following rates:

Furniture and equipment	20%
Computer hardware and software	30%
Integrated assessment system	30%

The Corporation is currently using furniture, equipment and computers provided by the Department. As title to these assets has not been transferred to the Corporation, they have not been recorded in the accounts.

(b) Revenue recognition

Government assistance related to acquisition of capital assets is deferred and amortized to income on the same basis as the related capital assets are amortized.

Revenue for the provision of assessment and valuation services is recognized when the services are rendered.

MUNICIPAL ASSESSMENT AGENCY INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2006

1. Summary of significant accounting policies (continued):

(c) Accrued severance pay

Severance pay is accounted for on an accrued basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continued service and accrues to a maximum of twenty years and, accordingly, no provision has been made in the accounts for employees with less than nine years of continued service. The amount is payable when the employee ceases employment with the Corporation. The cash amount of the accrued severance pay is segregated into a severance reserve fund.

(d) Redundancy pay

Redundancy pay is recognized as a liability when it is probable that employees will be entitled to benefits and the amount can be reasonably estimated.

2. Accounts receivable:

	<u>2006</u>	<u>2005</u>
Trade receivables	\$ 278,148	\$ 252,129
Accrued interest	6,058	-
HST recoverable	39,340	50,106
Employee receivable	2,755	1,317
Allowance for doubtful accounts	<u>(156,217)</u>	<u>(156,217)</u>
	<u>\$ 170,084</u>	<u>\$ 147,335</u>

3. Long-term receivable

The Agency has entered into a contract with several of its customers to receive payment on the outstanding amounts over a period from two to four years, provided all future fees are paid on a current basis. As at March 31, 2006 there were no long-term receivables.

4. Severance reserve fund:

The Agency has internally restricted funds for the accrued severance pay liability, these funds are to be used to pay any accrued severance and not to be used in normal business operations. The restricted funds are held in the Agency's operating account that bears interest.

	\$ 1,736,324	\$ 1,384,881	\$ 351,443	\$ 341,316

6. Severance and vacation pay:

As at the time of incorporation, the Corporation assumed liabilities for severance pay, vacation and accrued overtime associated with employees transferred to the Corporation resulting in an opening deficit in the amount of \$366,950. During fiscal 2001, an agreement was reached with the province to fund this liability by a payment of \$160,000, which represented the present value of the liability as calculated by management.

The provision for severance and vacation pay consists of the following:

	2006	2005
