FOR THE YEAR ENDED
31 MARCH 2011

Newfoundland Labrador

Province of Newfoundland and Labrador

Financial Statements of Crown Corporations, Boards and Authorities (A – M)

For The Year Ended 31 March 2011

PRINTED UNDER AUTHORITY OF THE HOUSE OF ASSEMBLY

INTRODUCTION

The Financial Statements of Crown Corporations, Boards and Authorities are a reproduction of the available audited financial statements of various Government organizations as approved by the applicable boards of these organizations. This report is produced alphabetically in two books; A to M and N to Z. The fiscal years noted in the table of contents are based on the fiscal year end of the organization. This report includes board-signed financial statements of crown corporations, boards and authorities for their most recent fiscal year end up to March 31, 2011. In certain instances, the financial statements for their prior fiscal year end are included due to timing of obtaining board signatures. Financial statements older than one previous fiscal year end are excluded from this report.

Information on the financial position and results of operations of the Province for the 2010-11 fiscal year may be found in the following financial reports:

Public Accounts Volume I – Consolidated Summary Financial Statements

This volume presents the summary financial statements which consolidate the financial statements of the Consolidated Revenue Fund with the financial statements of various Crown Corporations, Boards and Authorities, as approved by Treasury Board, which are controlled by the Government of Newfoundland and Labrador.

Public Accounts Volume II – Consolidated Revenue Fund Financial Statements

This Volume presents the financial position of the Consolidated Revenue Fund and the results of its activities on an accrual basis.

Report on the Program Expenditures and Revenues of the Consolidated Revenue Fund

This report presents the actual budgetary contribution (requirement) of the Consolidated Revenue Fund along with details on the actual revenues and expenditures, by program, using the modified cash basis of accounting.

The Financial Statements of Crown Corporations, Boards and Agencies are also available on the Government's website at: http://www.fin.gov.nl.ca/fin/public_accounts/index.html

Table of Contents

Table of Contents (Continued)

This report includes the most recent fiscal year financial statements (current or one prior year), up to March 31, 2011, that have been received prior to the publication date. All earlier fiscal year statements have been excluded from this report. The financial statements of the following agencies were not received in time for the inclusion in this report:

Burin Peninsula Health Care Foundation Inc. (2010 & 2011)

C.A. Pippy Park Commission (2011)

C.A. Pippy Park Golf Course Limited (2011)

Discovery Health Care Foundation Inc. (2011)

Dr. H. Bliss Murphy Cancer Foundation (2011)

Health Care Foundation of St. John's Inc. (2010 & 2011)

Heritage Foundation of Newfoundland and Labrador (2011)

House of Assembly (2010 & 2011)

Labrador School Board Trust Fund (2010)

Newfoundland and Labrador Arts Council (2011)

Newfoundland and Labrador Farm Products (2010 & 2011)

Newfoundland and Labrador Industrial Development Corporation (2011)

Newfoundland and Labrador Legal Aid Commission (2010 & 2011)

Newfoundland and Labrador Municipal Financing Corporation (2011)

Newfoundland Government Fund (2010 & 2011)

Newfoundland International Student Education Program Inc. (2011)

Newfoundland Ocean Enterprises Limited (2011)

Registrar of the Supreme Court (2011)

The Rooms Corporation of Newfoundland and Labrador (2011)

Trinity-Conception-Placentia Health Foundation Inc. (2011)

INDEPENDENT AUDITORS' REPORT

To the Members of the Board of Commissioners of Public Utilities

We have audited the accompanying financial statements of the Board of Commissioners of Public Utilities, which comprise the statement of financial position as at March 31, 2011, and the statements of revenues and expenditures, accumulated surplus and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements present fairly, in all material respects, the financial position of the Board of Commissioners of Public Utilities as at March 31, 2011, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES

Notes to Financial Statements
March 31, 2011

1. General

The Board of Commissioners of Public Utilities (the "Board") is an independent, quasi-judicial regulatory tribunal constituted in 1949 by the Lieutenant-Governor in Council pursuant to the *Public Utilities Act*. The Board regulates the electric utilities in the Province of Newfoundland and Labrador and is responsible for ensuring that the rates charged are reasonable and that the service provided is safe and reliable. Other responsibilities include: (a) the regulation of automobile insurance rates; (b) the regulation of, from June 8, 2004, fuel prices pursuant to the Petroleum Products Act; (c) limited regulation of the motor carrier industry as it relates to certain passenger and ambulance operations; and (d) establishing compensation for matters referred to the Board pursuant to the *Expropriation Act*. The Board was incorporated on May 12, 2000 pursuant to an amendment to the *Public Utilities Act* and as a Crown entity of the Province is not subject to provincial or federal income taxes.

2. Summary of significant accounting policies

Future changes in significant accounting policies

The following accounting standards have been issued by the Canadian Institute of Chartered Accountants (CICA) but are not yet effective for the Board. The Board is currently evaluating the effect of adopting these standards, which it expects to do in fiscal year 2013.

The Accounting Standards Board will be implementing Part III of the CICA Handbook Accounting Standards for Not-for-Profit Organizations effective January 1, 2012. The organization will be assessing the impact of the new standards on its financial statements over the next year. Early adoption is permitted for the new standards.

The accounting policies adopted by the organization conform to generally accepted accounting policies in Canada for not-for-profit organizations. Significant accounting policies are as follows:

a) Operating revenues and expenditures

Operating revenues and expenditures are accounted for on the accrual basis.

b) Recoverable costs

Recoverable costs relating to regulatory hearings and specific enquiries held by the Board are accrued until the Board orders payment. The costs and subsequent recoveries for these enquiries are not included in the operating revenues and expenditures of the Board.

c) Capital assets

Capital assets are recorded on the Statement of Financial Position at their historical cost and are amortized as follows:

- Furniture and equipment - 20% declining balance method
- Computer hardware - 35% declining balance method
- Computer software - 50% declining balance method
- Leasehold improvements - the lesser of five year straight-line and remaining term of the lease

2. Summary of significant accounting policies (cont'd)

d) Severance pay

Severance pay is accounted for on the accrual basis and is based upon years of service and current salary levels. The entitlement to severance pay vests with employees after nine years of continual service and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Board.

e) Measurement uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

f) Financial instruments

In accordance with section 3855, "Financial Instruments – Recognition and Measurement", the Board has classified its cash as held for trading and measures it at fair value. Transaction costs and any gains or losses arising from changes in fair value are recognized immediately in the statement of revenues and expenditures. Accounts receivable are classified as loans and receivables and accounts payable are classified as other financial liabilities. Both are measured at amortized cost.

g) Designated pension funds

The Board maintains a defined benefit pension plan for two former commissioners. The Board accrues its obligation under employee benefit plans, net of plan assets. The cost of the Board's defined benefit pension plan is actuarially determined using the accumulated benefit method. The actuarial assumptions are a rate of return of 4.70% per annum using the UP94 mortality table projected to 2020 with scale AA.

3. Financial Instruments

Credit Risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Board is exposed to credit risk with respect to regulatory assessments. An allowance for doubtful accounts may be established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Board has a significant number of organizations subject to regulatory assessments which minimizes concentration of credit risk.

Fair Value

The Board's carrying value of cash, accounts receivable, recoverable costs and payables and accruals approximates its fair value due to the immediate or short term maturity of these instruments.

4. Capital Management

The Board's objective when managing capital is to ensure its ability to meet operating commitments as they become due. This is achieved primarily by continuously monitoring its actual and projected cash flows and making adjustments to capital as necessary.

5. Recoverable costs

	2011	2010
Recoverable costs, beginning of year	$1,022,865	$ 121,034
Add – specific enquiry costs incurred during the year:		
Consulting fees	308,521	405,713
Consumer Advocate	281,689	529,450
Legal	54,627	63,955
Transcription and printing	1,021	11,994
Advertising and notice	3,602	26,235
Other	97,375	904
	746,835	1,038,251
	1,769,700	1,159,285
Less – costs recovered during the year	1,212,653	136,420
Recoverable costs, end of year	$ 557,047	$1,022,865

6. Capital assets

	2011			2010
	Original Cost	Accumulated Amortization	Net Book Value	Net Book Value
Furniture and equipment	$263,327	$219,058	$ 44,269	$ 31,350
Computer hardware	142,976	119,627	23,349	22,201
Computer software	63,234	30,397	32,837	39,814
Leasehold improvements	136,528	133,285	3,243	622
	$606,065	$502,366	$103,698	$ 93,987

7. Subsequent event

The Board entered into a contract for telecommunications subsequent to year end. The annual expenditure is $14,400 for the next three years.

8. Bank credit agreement

The Board has established a $1,000,000 line-of-credit subject to a general security agreement over all accounts and book debts, equipment, tangible capital assets and certain other assets. Any outstanding balance bears interest at the bank prime rate plus 0.5%.

9. Designated pension funds and pension obligations

Designated pension funds are disclosed in the Statement of Financial Position as net of the related pension obligation.

The Board maintains a defined benefit pension plan for two former commissioners. Designated pension funds have been established and consist of investments maintained in trust with RBC Dexia Investor Services Trust on behalf of these pensioners and are recorded at market value.

	2011	2010
Balance on deposit, beginning of year	**$ 135,736**	$ 202,076
Add – earnings net of expenses	**(804)**	(895)
	134,932	201,181
Deduct – benefit payments	**65,445**	65,445
Balance on deposit, end of year	**69,487**	135,736
Related pension obligation	**(274,300)**	(295,600)
	$(204,813)	$(159,864)

Pension obligations represent the present value of accrued pension benefits as calculated in an actuarial report dated April 13, 2010. A pension obligations estimation adjustment of $44,145 (2010 - $39,845) is included in expenses in the fiscal year.

In addition, other commissioners and employees for which no designated pension plan has been established are members of The Public Service Pension Fund Act 1991. Pension contributions deducted from commissioners' and employees' salaries are matched by the Board and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to commissioners and employees when they retire. The Board's share of pension expense for the year of $113,038 (2010 - $102,942) is included in salaries and associated costs.

10. Internally restricted surplus

The Board has adopted a formal policy to accumulate and restrict estimated amounts required to meet expected future obligations. The amounts restricted as at March 31, 2011 are as follows:

	2011	2010
Lease commitments	**$ 217,475**	$ 217,475
Payroll contingency	**85,653**	82,160
Redundancy pay contingency	**582,755**	559,297
Working capital	**434,166**	413,678
	$1,320,049	$1,272,610

11. Commitments

The Board has the following lease commitments for the rental of office space in St. John's and Grand Falls-Windsor:

St. John's

a) lease agreement in the amount of $17,417 per month ($209,004 per annum), concluding May 31, 2013.

Grand Falls-Windsor

b) lease agreement in the amount of $2,825 per month ($33,900 per annum), payable on a month-to-month basis with a three month termination period.

BUSINESS INVESTMENT CORPORATION

FINANCIAL STATEMENTS

31 MARCH 2011

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Board of Directors
Business Investment Corporation
St. John's, Newfoundland and Labrador

Report on the Financial Statements

I have audited the accompanying financial statements of the Business Investment Corporation which comprise the statement of financial position as at 31 March 2011, the statement of equity, the statement of revenues and expenses and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Report (cont.)

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Business Investment Corporation as at 31 March 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JOHN L. NOSEWORTHY, CA

Authority

The Business Investment Corporation (the Corporation) was established under the authority of the *Business Investment Corporation Act*. The Corporation is funded by the Province of Newfoundland and Labrador (the Province) and is responsible for making available and managing investments in small to medium sized private businesses, co-operatives, community development corporations and other enterprises for the purpose of creating employment opportunities for the people of the Province. The affairs of the Corporation are managed by a Board of Directors appointed by the Lieutenant-Governor in Council.

The *Business Investment Corporation Act* came into force effective 1 April 2002. Under this *Act*, the Business Investment Corporation was incorporated and became the successor to Enterprise Newfoundland and Labrador Corporation, the Fisheries Loan Board and the Farm Development Loan Board. Also under this *Act*, the *Fisheries Loan Act*, the *Farm Development Loan Act*, the *Economic Recovery Commission Act* and the *Enterprise Newfoundland and Labrador Corporation Act* were repealed.

1. Summary of significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Loans receivable

The Corporation records loans receivable at cost. When loans are identified as impaired, the Corporation records an allowance to reduce their carrying values to their estimated realizable amounts. Estimated realizable amounts are measured at discounted cash flows when the cash flows can be estimated with reasonable reliability, or alternatively, at the estimated net realizable value of the underlying security.

(b) Equity investments

The Corporation records equity investments at cost. In certain circumstances, the Corporation may have acquired the right to appoint representatives to an equity investee's board of directors or it may have a significant influence on the strategic operating, investing and financing policies of the investee. However, because of the nature of the Corporation's investment process and the manner in which these positions were acquired, such control or significant influence may not in fact be exercised or the Corporation may not intend to maintain such positions. Accordingly the Corporation's equity investments for all companies in which the Corporation holds voting rights are accounted for on the cost basis.

Provision is made by the Corporation for any decline in the value of investee companies which is considered to be other than temporary.

1. Significant accounting policies (cont.)

(c) Revenue recognition

Contributions from the Province are recorded as revenue by the Corporation.

Interest income is accounted for on the accrual basis for bank interest and all loans other than the impaired portion of loans. Recognition of interest in accordance with the terms of the original loan agreement ceases when a loan becomes impaired. A loan is classified as impaired when, in the opinion of management, there is reasonable doubt as to the ultimate collectability of a portion of principal or interest, or when payment is contractually past due 90 days. The impaired portion of loans may revert to accrual status only when principal and interest payments have become fully current again, at which time any interest will be recognized in that fiscal year.

Dividends are recorded as income when received.

2. Aquaculture Working Capital Fund

On 30 March 2001, Enterprise Newfoundland and Labrador Corporation, a predecessor of the Corporation, entered into an agreement with the Federal and Provincial Governments to set up the Aquaculture Working Capital Fund (AWCF). The AWCF assists individuals and companies in the shell fish industry throughout the Province through repayable loans. The AWCF is a revolving fund in which the Corporation retains the loan repayments for future aquaculture loans until the conclusion of the agreement. The agreement was scheduled to conclude on 31 March 2011; however, it is expected to be extended for 3 years, at which time the Corporation will reimburse all monies to the Federal and Provincial governments based on the proportions of their contribution. The Fund is recorded as contributed capital and, for the year ended 31 March 2011, increased by $3,765 (2010 - $2,131).

To date the Corporation has received funding totalling $1.5 million based on contributions of $1.3 million in Federal funding from the Canada/Newfoundland Strategic Regional Diversification Agreement, and $160,000 Federal and $40,000 Provincial funding from the Canada/Newfoundland Agreement on Economic Renewal.

As at 31 March 2011, the AWCF had 14 loans outstanding totalling $1,087,345 (2010 - 14 loans totalling $1,103,185). During 2003-04 the Corporation established a separate loan portfolio and bank account to administer the AWCF and assist in identifying payments that are received and held for future loans. As at 31 March 2011, the AWCF had a cash balance of $543,266 (2010 - $487,437) which is included in these financial statements as part of the total cash funds of $20,410,488 (2010 - $19,086,034).

3. Loans and equity investments

The determination of whether a loan is impaired and the appropriate carrying value of equity investments, involves significant judgement. The estimation of an appropriate allowance for decline in value of loans receivable and equity investments necessarily involves the use of estimates. These financial statements represent management's best estimates based on available information.

3. Loans and equity investments (cont.)

	2011	2010
Loans receivable		
Principal due and unpaid	**$ 15,932,332**	$ 16,683,045
Principal not yet due	**12,695,196**	13,434,145
Interest due and unpaid	**3,275,892**	3,174,387
	31,903,420	33,291,577
Less: allowance for decline in value	**(23,780,923)**	(25,512,763)
	8,122,497	7,778,814
Equity investments		
Equity investments, at cost	**17,248,970**	19,927,818
Less: allowance for decline in value	**(17,123,731)**	(19,722,397)
	125,239	205,421
Loans and equity investments	**$ 8,247,736**	$ 7,984,235

The allowance for decline in value of loans receivable and equity investments consists of the following:

	2011	2010
Balance, beginning of year	**$ 45,235,160**	$ 44,957,215
Principal written off, net of recoveries	**(3,659,603)**	(888,192)
Interest written off, net of recoveries	**(218,504)**	(176,103)
Provision for (recovery) decline in value of loans receivable and equity investments	**(452,399)**	1,342,240
Balance, end of year	**$ 40,904,654**	$ 45,235,160

The allowance for decline in value represents the Corporation's best estimate of future probable losses with respect to the loans receivable and equity investments. The Corporation recognizes that future economic and industry conditions are not predictable and therefore, their impact on the future cash flows anticipated is uncertain. Consequently, adjustments to the allowance are possible depending on the impact of these future events and management's best estimate of them.

4. Long-term investments

Long-term investments consist of 673 shares of Sun Life Financial Services of Canada Incorporated which were given to the Corporation as a result of the demutualization of Sun Life Assurance Company of Canada. The carrying value of the shares is recognized at the fair market value of $9,422 as determined by the share price at the time of the transfer of shares to the Corporation. The fair market value of these shares as at 31 March 2011 was $20,506 (2010 - $21,711).

5. Contingent liabilities

(a) A client of the Corporation has taken legal action as a result of certain alleged technical problems that the client claims to have experienced with a vessel that was financed through the Fisheries Loan Board Program. The amount of this potential claim is in the $900,000 to $1,100,000 range. In a matter related to this legal action, another party has been awarded a claim of $1,800,000. The Province will not appeal this decision.

(b) A statement of claim has been served on the Corporation by a company claiming a breach of contract. The company is claiming special damages of $811,040, other general and unspecified damages, interest and costs associated with the action. The likelihood of loss as a result of this claim is not determinable.

6. Commitments

The Corporation has outstanding commitments in respect of approved but not yet disbursed loans, equity investments and/or grants in the amount of $2,312,465 (2010 - $2,667,544).

7. Contributed capital

Contributed capital represents accumulated capital contributions from the Province and the Government of Canada. These contributions are used for the purpose of making loans, equity investments, and providing business and market development grants. The Corporation depends on these capital contributions to carry out its mandate.

8. Financial instruments

The Corporation's financial instruments recognized on the statement of financial position, in addition to the long-term investments described in Note 4, consist of cash, due from Province, bank interest receivable, loans and equity investments, and accounts payable and accrued liabilities. The carrying values of cash, due from Province, bank interest receivable, and accounts payable and accrued liabilities approximate current fair value due to their nature and the short-term maturity or current market rate associated with these instruments.

The Corporation's loans and equity investments are recognized on the statement of financial position at cost with provision being made for any decline in their value. Any estimated impairment of these loans and equity investments has been provided for through an allowance for decline in value and no further credit risk exists for these items. The carrying value of loans and equity investments approximates discounted value of expected receipts. Therefore, their carrying values approximate their current fair value and these instruments are not subject to any material interest rate risk.

9. Related party transactions

The Corporation is administered as a division of the Department of Innovation, Trade and Rural Development. Expenses related to salaries, accommodations and administration totalling $998,516 (2010 -$987,270) are paid directly by the Department and are reflected in these financial statements as expenses of the Corporation and as revenue from the Province.

10. Economic dependence

As a result of the Corporation's reliance on Provincial funding, the Corporation's ability to continue viable operations is dependent upon the decisions of the Province.

11. Income taxes

The Corporation is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

C.A. PIPPY PARK COMMISSION

CONSOLIDATED FINANCIAL STATEMENTS

31 MARCH 2010

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Board of Commissioners
C.A. Pippy Park Commission
St. John's, Newfoundland and Labrador

I have audited the consolidated balance sheet of the C.A. Pippy Park Commission as at 31 March 2010 and the consolidated statements of revenues, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Commission as at 31 March 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JOHN L. NOSEWORTHY, CA
Auditor General

St. John's, Newfoundland and Labrador

Authority

The C.A. Pippy Park Commission (the Commission) was incorporated in 1968 and operates under authority of the *Pippy Park Commission Act*. The purpose of the Commission is to provide a park-like setting to house the headquarters of the Provincial Government, as well as various government, cultural, educational facilities and Memorial University of Newfoundland. Its affairs are managed by a Board of Commissioners, the majority of whom are appointed by the Lieutenant-Governor in Council.

The C.A. Pippy Park Golf Course Limited (the Golf Course) was incorporated on 6 January 2006 under Section 15 of the *Corporations Act*. It is a wholly owned subsidiary of the Commission, incorporated in accordance with Section 25(b)(i) of the *Pippy Park Commission Act*. It's purpose is to manage the Pippy Park Golf Course.

1. Significant accounting policies

These consolidated financial statements have been prepared by the Commission's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Principles of consolidation

The consolidated financial statements include the assets, liabilities and equity of the C.A. Pippy Park Commission and its subsidiary corporation, C.A. Pippy Park Golf Course Limited. Inter-entity transactions and balances have been eliminated in these consolidated financial statements.

(b) Capital assets

(i) All capital assets are capitalized at cost at the time of acquisition. Government assistance towards the acquisition of capital assets is deducted from the related capital asset cost with any amortization calculated on the net amount. Amortization is calculated using the declining balance method based on the expected future life of all assets as follows:

Furniture and equipment	30%
Vehicles	30%
Equipment under capital lease	30%
Buildings	10%
Park improvements	10%
Golf course improvements	10%

(ii) Many capital assets have been financed through capital grants from the Province of Newfoundland and Labrador. The expended portion of these grants has been deducted from the applicable capital assets on the consolidated balance sheet and amortization has been calculated on the net amount.

1. Significant accounting policies (cont.)

(iii) The cost of building acquisitions is included with land where the primary reason for purchasing the properties is to acquire the land. Where the Commission intends to maintain the buildings for Park use, cost is allocated between land and buildings.

(c) Severance pay

Severance pay is calculated based on years of service and current salary levels for management employees of the Commission and those employees represented by the Newfoundland and Labrador Association of Public and Private Employees. The entitlement to severance pay vests after nine years of continual service, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. For employees of the Commission, the amount is payable when the employee ceases employment in the public service. If an employee of the Commission transfers to another entity included in the public service, then the liability is transferred with the employee to the other entity. For Golf Course employees represented by the Newfoundland and Labrador Association of Public and Private Employees the amount is payable when the employee ceases employment with the Corporation unless they transfer to another entity of the Province. Other Golf Course employees do not qualify for severance pay.

(d) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

(e) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis.

2. Accounts receivable

	2010	2009
Trade	$ 52,790	$ 53,606
Harmonized sales tax	5,202	49,819
	57,992	103,425
Less: allowance for doubtful accounts	12,428	12,105
Net accounts receivable	$ 45,564	$ 91,320

3. Capital assets

	2010				2009
	Cost	Capital Grants	Accumulated Amortization	Net Book Value	Net Book Value
Park					
Land (Note 3(a) and 3(b))	$ 6,035,850	$ 6,030,728	$ -	$ 5,122	$ 5,122
Furniture and equipment	283,372	111,237	152,039	20,096	27,149
Vehicles	122,842	122,842	-	-	-
Equipment under capital lease	101,911	-	59,465	42,446	60,637
Buildings	921,798	701,083	141,632	79,083	87,870
Park improvements	1,712,542	959,928	198,277	554,337	525,907
Assets under construction	65,517	-	-	65,517	65,517
	9,243,832	7,925,818	551,413	766,601	772,202
Golf Course					
Land (Note 3(a) and 3(b))	1,809,696	1,809,696	-	-	-
Golf course improvements	1,346,311	99,999	467,715	778,597	865,108
Buildings	522,893	10,725	192,059	320,109	355,677
Equipment under capital lease	94,089	-	31,280	62,809	28,178
Furniture and equipment	297,234	34,662	198,214	64,358	81,549
	4,070,223	1,955,082	889,268	1,225,873	1,330,512
	$ 13,314,055	$ 9,880,900	$ 1,440,681	$ 1,992,474	$ 2,102,714

(a) Capital assets not included in consolidated financial statements

Land purchased directly by the Provincial Government and forming part of C.A. Pippy Park is not recorded in these consolidated financial statements. The land recorded in these consolidated financial statements represents land purchased directly by the Commission.

Capital improvements made by third parties are not recorded in these consolidated financial statements.

(b) Title to Commission property and value of land

Under Section 10(4) of the *Pippy Park Commission Act*, title to property of the Commission is vested in the name of the Minister of Environment and Conservation, for the Crown. Therefore, capital grants received from the Province for the purchase of land have been deducted from the total cost of the land purchased.

4. Deferred revenue

	2010	2009
Golf course	$ 55,111	$ 40,875
Property sales	54,165	-
Clubhouse	13,616	16,073
Trailer park	7,105	4,555
Rental	2,508	446
Advertising	1,754	3,509
	$ 134,259	$ 65,458

Golf course deferred revenue relates to golf packages and gift certificates sold during the fiscal year that relate to the 2010 golf season. Property sales deferred revenue relates to deposits received for three building lots that were sold in April 2010 and May 2010. Clubhouse deferred revenue relates to deposits received on Salon rentals for future periods. Trailer park deferred revenue relates to deposits received on reservations for the 2010 camping season. Rental deferred revenue relates to deposits received on reservations at the Northbank Lodge for future periods. Advertising deferred revenue relates to the unamortized portion of a signing bonus received when the Golf Course signed a five year exclusive contract with a supplier in 2007.

5. Obligations under capital lease

	2010	2009
Obligations under capital lease	$ 141,554	$ 124,682
Less: current portion	49,950	28,765
	$ 91,604	$ 95,917

Future minimum lease payments under capital leases are:

2011	$ 60,030
2012	37,122
2013	53,762
2014	11,243
	162,157
Less: interest portion of payments	20,603
	$ 141,554

The capital leases are secured by equipment having a net book value of $105,255.

6. Advance from Province of Newfoundland and Labrador

On 30 March 2001, the Commission received a repayable advance in the amount of $250,000 from the Province of Newfoundland and Labrador. There are no set terms of repayment. The advance payable remained outstanding at year end.

7. Contingent liabilities

In 1997, a Statement of Claim was served on the Commission in dispute of conveyance of property situated at Nagle's Place. The property, within the boundary of Pippy Park, was purchased in 1997 by the Department of Works, Services and Transportation (now the Department of Transportation and Works). After the owners passed away, there was a dispute over share of the estate between the remaining children. The status of the issue between the parties is unclear, even though this issue was dropped from the trial list by consent of the parties some time ago. This matter has not been formally closed and action had been initiated to formally discontinue this matter during the 2008 calendar year.

8. Related party transactions

(a) During the year, the Commission received an operating grant of $350,000 (2009 - $350,000) from the Province.

(b) Services and rental revenue include revenues from the Province in the amount of $197,015 (2009 - $171,099) as a result of ongoing contracts.

9. Golf Course revenue

	2010		2009
	Actual	**Budget**	**Actual**
Green fees	$ 609,080	$ 671,572	$ 585,972
Rentals	139,010	156,000	135,877

Less: cost of goods sold	75,406	86,000	84,034
	115,509	114,000	104,105
	$ 216,216	$ 202,000	$ 195,340

12. Pensions

Management staff and staff represented by the Newfoundland and Labrador Association of Public and Private Employees are subject to the *Public Service Pensions Act*. Employee contributions are matched by the Commission and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire. The Commission's share of these pension contributions for 2010 was $54,104 (2009 - $52,219).

Commission staff represented by the United Food and Commercial Workers' Union participate in the Canadian Commercial Workers' Industry Plan from which pensions will be paid to employees when they retire. Employee contributions are matched by the Commission and then remitted to the Canadian Commercial Workers' Industry Plan. The Commission's share of these pension contributions for 2010 was $4,350 (2009 - $4,456).

13. Operating lease obligations

The Commission has operating lease obligations totalling $15,542.

Future payments under these operating leases are:

2011	$ 8,756
2012	4,859
2013	4,567
	18,182
Less: interest portion of payments	2,640
	$ 15,542

14. Financial instruments

The Commission's financial instruments recognized on the consolidated balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities, and obligations under capital lease. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. Any estimated impairment of accounts receivable has been provided for through an allowance for doubtful accounts and no further credit risk exists in relation to these receivables.

15. Economic dependence

As a result of its reliance on future transfers from the Province of Newfoundland and Labrador to fund its operations, the Commission's ability to continue operations is dependent on the decisions of the Province.

16. Measurement uncertainty

The preparation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year.

17. Income taxes

The Commission is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

C.A. PIPPY PARK GOLF COURSE LIMITED

FINANCIAL STATEMENTS

31 MARCH 2010

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Chairperson and Members
C.A. Pippy Park Golf Course Limited
St. John's, Newfoundland and Labrador

I have audited the balance sheet of the C.A. Pippy Park Golf Course Limited as at 31 March 2010 and the statements of revenues, expenses and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Corporation as at 31 March 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JOHN L. NOSEWORTHY, CA
Auditor General

St. John's, Newfoundland and Labrador

Authority

The C.A. Pippy Park Golf Course Limited (the Corporation) was incorporated on 6 January 2006 under Section 15 of the *Corporations Act*. It is a wholly owned subsidiary of the C.A. Pippy Park Commission (the Commission), incorporated in accordance with Section 25(b)(i) of the *Pippy Park Commission Act*. The purpose of the Corporation is to manage the Pippy Park Golf Course on behalf of the Commission. The Pippy Park Golf Course is comprised of the 9 hole Captain's Hill Course, the 18 hole Admiral's Green Course and the Admiral's Green Clubhouse.

1. Significant accounting policies

These financial statements have been prepared by the Corporation's management in accordance with Canadian generally accepted accounting principles. Outlined below are the significant accounting policies followed.

(a) Capital assets

All capital assets are capitalized at cost at the time of acquisition. Amortization is calculated using the declining balance method based on the expected future life of all assets as follows:

Golf course improvements	10%
Building improvements	10%
Course maintenance equipment	30%
Golf carts	30%
Equipment	30%
Office equipment	30%
Proshop rental equipment	30%
Golf carts under capital lease	30%
Course maintenance equipment under capital lease	30%
Office equipment under capital lease	30%

(b) Severance pay

Severance pay is calculated based on the years of service and current salary levels. The entitlement to severance pay vests with employees represented by the Newfoundland and Labrador Association of Public and Private Employees. The entitlement to severance pay vests after nine years of continual service with the Province, and accordingly no provision has been made in the accounts for employees with less than nine years of continual service. The amount is payable when the employee ceases employment with the Corporation unless they transfer to another entity of the Province.

(c) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

1. Significant accounting policies (cont.)

(d) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis.

2. Accounts receivable

	2010	2009
Trade	$ 22,479	$ 22,974
Harmonized sales tax	4,463	20,069
Due from C.A. Pippy Park Commission	1,998	6,219
	28,940	49,262
Less: allowance for doubtful accounts	1,725	1,725
Net accounts receivable	$ 27,215	$ 47,537

3. Capital assets

	2010			2009
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Golf course improvements	$ 8,784	$ 1,956	$ 6,828	$ 7,587
Building improvements	5,000	1,153	3,847	4,275
Course maintenance equipment	91,221	70,514	20,707	28,855
Golf carts	98,582	78,462	20,120	24,126
Equipment	12,875	7,556	5,319	5,960
Office equipment	12,550	8,987	3,563	3,949
Proshop rental equipment	14,022	5,864	8,158	8,306
Golf carts under capital lease	74,307	26,702	47,605	28,178
Course maintenance equipment under capital lease	2,493	1,985	508	726
Office equipment under capital lease	17,289	2,593	14,696	-
	$ 337,123	$ 205,772	$ 131,351	$ 111,962

4. Accounts payable and accrued liabilities

	2010	2009
Due to C.A. Pippy Park Commission	$ 848	$ 43,557
Trade payables and accrued liabilities	74,886	50,266
	$ 75,734	$ 93,823

5. Deferred revenue

	2010	2009
Golf course	$ 55,111	$ 40,875
Clubhouse	13,616	16,073
Advertising	1,754	3,509
	$ 70,481	$ 60,457

Golf course deferred revenue relates to golf packages and gift certificates sold during the fiscal year that relate to the 2010 golf season. Clubhouse deferred revenue relates to deposits received on Salon rentals for future periods. Advertising deferred revenue relates to the unamortized portion of a signing bonus received when the Golf Course signed a five year exclusive contract with a supplier in 2007.

6. Obligations under capital lease

	2010	2009
Obligations under capital lease	$ 67,403	$ 34,161
Less: current portion	33,457	13,296
	$ 33,946	$ 20,865

Future minimum lease payments under capital leases are:

2011	$ 38,093
2012	15,185
2013	14,849
2014	10,368
	78,495
Less: interest portion of payments	11,092
	$ 67,403

The capital leases are secured by equipment having a net book value of $62,809.

7. Share capital

Authorized
100 common shares of no par value

Issued
1 common share

8. Golf course revenue

	2010 Actual	2010 Budget	2009 Actual
Green fees	$ 609,080	$ 671,572	$ 585,972
Rentals	139,010	156,000	135,877
	748,090	827,572	721,849
Proshop sales	20,955	27,000	26,209
Less: cost of goods sold	12,133	19,000	15,469
	8,822	8,000	10,740
	$ 756,912	$ 835,572	$ 732,589

9. Clubhouse revenue

	2010 Actual	2010 Budget	2009 Actual
Salon rentals	$ 49,469	$ 45,000	$ 45,721
Catering commissions	51,238	43,000	45,514
	100,707	88,000	91,235
Salon sales	190,915	200,000	188,139
Less: cost of goods sold	75,406	86,000	84,034
	115,509	114,000	104,105
	$ 216,216	$ 202,000	$ 195,340

10. Related party transactions

Administrative and other services for the Corporation are provided by the Commission at a cost of $61,275 (2009 - $62,700).

The land, buildings and certain other equipment used by the Corporation are owned by the Commission and, for 2010, use was provided at no cost.

11. Pensions

The Corporation's staff represented by the Newfoundland and Labrador Association of Public and Private Employees, are subject to the *Public Service Pensions Act*. Employee contributions are matched by the Corporation and then remitted to the Province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire. The Corporation's share of these pension contributions for 2010 was $4,562 (2009 - $4,644).

Corporation staff represented by the United Food and Commercial Workers Union participate in the Canadian Commercial Workers' Industry Pension Plan from which pensions will be paid to employees when they retire. Employee contributions are matched by the Corporation and then remitted to the Canadian Commercial Workers' Industry Pension Plan. The Corporation's share of these pension contributions for 2010 was $4,350 (2009 - $4,456).

12. Financial instruments

The Corporation's financial instruments recognized on the balance sheet consist of cash, accounts receivable, accounts payable and accrued liabilities, and obligations under capital lease. The carrying values of these instruments approximate current fair value due to their nature and the short term maturity associated with them. Any estimated impairment of accounts receivable has been provided for through an allowance for doubtful accounts and no further credit risk exists in relation to these receivables.

13. Measurement uncertainty

The preparation of these financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year.

14. Economic dependence

The Corporation manages the Pippy Park Golf Course on behalf of the Commission. As a result, its ability to continue operations is dependent upon the decisions of the Commission.

15. Income taxes

The Corporation is a wholly owned subsidiary of a Crown entity of the Province of Newfoundland and Labrador and as such, is not subject to Provincial or Federal income taxes.

CENTRAL REGIONAL HEALTH AUTHORITY

INDEPENDENT AUDITORS' REPORT

FINANCIAL STATEMENTS - MARCH 31, 2011

Walters Hoffe
CHARTERED ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the **Central Regional Health Authority**

We have audited the accompanying consolidated financial statements of **Central Regional Health Authority** which comprise the consolidated balance sheet as at March 31, 2011, and the consolidated statements of operations, changes in net assets and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the **Central Regional Health Authority** as at March 31, 2011 and its financial performance and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

CHARTERED ACCOUNTANTS

1. Nature of operations:

These financial statements reflect the operating assets, liabilities, revenue and expenditure of the following facilities and clinics operated by the Central Regional Health Authority.

Facilities

A. M. Guy Memorial Health Centre
Baie Verte Peninsula Health Centre
Bonnews Lodge Apartment Complex
Brookfield Bonnews Health Care Centre
Carmelite House Senior Citizens Home
Central Newfoundland Regional Health Centre
Central Northeast Health Foundation Inc.
Connaigre Peninsula Community Health Centre
Dr. Hugh Twomey Health Care Centre
Fogo Island Health Care
Green Bay Community Health Centre
James Paton Memorial Regional Health Centre
Lakeside Homes
North Haven Manor Senior Citizens Home
North Haven Manor Cottages
Notre Dame Bay Memorial Health Care
South and Central Health Foundation
Valley Vista Senior Citizens Home
Valley Vista Cottages

Clinics

Carmanville
Centreville
Eastport
Gambo
Gander Bay
Glovertown
Hare Bay
Hermitage
LaScie
Lewisporte
Mose Ambrose
Musgrave Harbour
New World Island
St. Alban's
St. Brendan's

The operations of the above entities were primarily funded by the Government of Newfoundland and Labrador (the Government) to provide health care services on the Government's behalf, causing all entities to be effectively under common control. As a result, these financial statements have been prepared using the pooling of interest method of accounting. Under this method, the book values of assets, liabilities and net assets of each of the entities being combined, are added together to form the combined value of assets, liabilities and net assets of the Authority.

2. Summary of significant accounting policies:

These financial statements have been prepared in accordance with generally accepted accounting principles for not-for-profit organizations. Outlined below are those policies considered particularly significant by the Authority.

Investments restricted for general endowment fund:

The Foundation's investments restricted for general endowment fund, consisting entirely of securities of publicly traded companies on Canadian exchanges are initially recognized and subsequently measured at fair market value without adjustment for transaction costs that would be incurred on disposal, changes in fair market value are recognized in income in the year.

2. Summary of significant accounting policies (continued):

Inventories

Inventories are valued on the first in first out basis, as follows:

General stores, at average cost
Drugs, at cost

Property, plant and equipment

The Authority has control over certain lands, buildings and equipment with the title resting with the Government and consequently these assets are not recorded under property, plant and equipment.

Purchased property, plant and equipment are recorded at cost. Contributed property, plant and equipment are recorded at fair value at the date of contribution. Property, plant and equipment are being amortized on a declining balance basis over their useful lives, at the following rates:

Land improvements	5.0%
Buildings and service equipment	5.0%
Information systems equipment	33.3%
Equipment	12.5%
Motor vehicles	20.0%

In addition, the North Haven Manor Cottage Units Phase I, II, III, North Haven Manor Cottage Units Phase IV, Valley Vista Cottages, Bonnews Lodge Apartment Complex buildings and equipment are being amortized at a rate equal to the annual principal reduction of the mortgages related to the properties. This is in accordance with an operating agreement with Newfoundland and Labrador Housing Corporation.

Replacement reserves

Newfoundland and Labrador Housing Corporation (NLHC) requires that not-for-profit Housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of property, plant and equipment. These funds may only be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

Transactions in the reserves are shown in Note 14.

Revenue recognition

Central Regional Health Authority follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to property, plant and equipment are deferred and amortized to revenue at the same rates which the related property, plant and equipment are amortized.

3. Receivables:

	2011	2010
Operating:		
Provincial plan grants - operating	$ 8,388,820	15,122,802

WALTERS HOFFE
CHARTERED ACCOUNTANTS

11. Long-term debt (continued):

The aggregate amount of principal payments estimated to be required in each of the next five years is as follows:

2012	$ 1,321,163
2013	1,368,021
2014	1,420,037
2015	1,389,084
2016	1,376,233

12. Obligations under capital lease:

The Authority has entered into a number of agreements whereby it leases certain equipment for a term of five years. These leases are accounted for as capital leases with the Authority treating the equipment as an acquisition of an asset and the assumption of an obligation. The effective interest rates range from 5.37% to 7.534%.

The following is a schedule of future minimum lease payments under the capital leases:

Year ending March 31

2012	$ 245,444
2013	237,290
2014	237,290
2015	119,564
Total minimum lease payments	839,587
Less amount representing interest	68,172
Balance of obligation	771,415
Less current portion	212,915
	$ 558,500

13. Unamortized deferred contribution related to property, plant and equipment:

Deferred contributions related to property, plant and equipment represent restricted contributions with which property, plant and equipment were originally purchased. The changes in the deferred contributions for the year are as follows:

	2011	2010
Balance, beginning	**$ 27,803,658**	26,350,952
Less:		
Disposals	-	(560,167)
Add:		
Capital equipment grants	**8,344,074**	5,428,899
Donated equipment	**628,171**	222,547
	36,775,903	31,442,231
Deduct:

15. Investment in property, plant and equipment:

	2011	2010
Operating:		
Repayment of long-term debt	$ 958,762	843,654
Repayment of capital leases	217,927	170,964
	1,176,689	1,014,618
Cottages and Foundations repayment of long-term debt:		
North Haven Manor Cottage Units Phase I,II,III	171,841	166,956
North Haven Manor Cottage Units Phase IV	22,682	21,734
Valley Vista Cottages	183,415	181,499
Bonnews Lodge Apartment Complex	33,103	32,405
South and Central Health Foundation	3,574	7,308
	$ 1,591,304	1,424,520

16. Operating subsidies:

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act to reduce operating costs. The amount of assistance received from Newfoundland and Labrador Housing Corporation in 2011 was $95,088 (2010 - $103,338) for operating facilities and $378,895 (2010 - $379,545) for the Authority's cottage operations.

17. Commitments:

Operating leases

The Authority has a number of agreements whereby it leases property and equipment in addition to those disclosed under Note 12. These agreements range in terms from one to five years. These leases are accounted for as operating leases. Future minimum lease payments under operating leases are as follows:

2012	$ 134,207
2013	125,776
2014	119,437
2015	98,741
2016	3,171

17. Commitments (continued):

Energy performance contract

The Authority entered into Energy Performance Contracts during 2001 and 2000 with Enerplan Consultants Ltd. for the design and implementation of measures to improve energy efficiency, wherein Enerplan guaranteed the energy savings component.

The contracts were crystallized at $4,450,214 and $1,247,329 and are being repaid from operating and energy savings over a ten year period having commenced in August, 2002 and January, 2000, respectively. The contract for $1,247,329 expired in 2010.

These contracts were financed through the Canadian Imperial Bank of Commerce for Central West and Associates Capital Limited.

As support for this financing, Enerplan Consultants Ltd., has assigned to the financiers any funds due to them by the Authority for the energy savings component of the contract.

In the opinion of management of the Authority, the guaranteed energy savings component of Enerplan Consultants Ltd. is an offset to the obligations of the Authority to the Canadian Imperial Bank of Commerce and Associates Capital Limited and as a consequence neither the capital expenditures or the financing obligations are reflected in these financial statements of the Authority at March 31, 2011.

18. Contingency

As of March 31, 2011 there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management and the insurers believe any claims, if successful, will be covered by liability insurance.

19. Financial instruments:

The carrying value of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to relatively short periods to maturity of these instruments.

20. Subsequent event

Subsequent to the year end, the Government provided special funding for redevelopment in the amount of $1,950,000, which was used to repay in full certain NLHC loans relating to the North Haven Manor and Cottages.

To the Directors of

Chicken Farmers of Newfoundland and Labrador

We have audited the accompanying financial statements of Chicken Farmers of Newfoundland and Labrador, which comprise the statement of financial position as at December 31, 2010, the statement of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Board's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Chicken Farmers of Newfoundland and Labrador as at December 31, 2010, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Chicken Farmers of Newfoundland and Labrador

Notes to the Financial Statements

December 31, 2010

1. Nature of operations

The Chicken Farmers of Newfoundland and Labrador was established in 1981 by the *Newfoundland and Labrador Chicken Marketing Scheme, 1980*, under the *Natural Products Marketing Act, 1973* (Act), to provide for the effective promotion, control and regulation of the production and marketing of chicken in Newfoundland and Labrador. The Board is responsible for administering the regulations as provided for in the Act under the laws of the Province of Newfoundland and Labrador.

2. Chicken Farmers of Canada

Pursuant to authority given to it under the Farm Products Marketing Act of Canada, the Chicken Farmers of Canada (CFC) collects levies from provincial commodity boards. The Chicken Farmers of Newfoundland and Labrador collects these levies directly from the processor and remits them to CFC. There were $82,844 of levies collected in 2010 (2009 - $78,593).

3. Summary of significant accounting policies

Use of estimates

In preparing the Board's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

Levies

The Board charges levies to the producer based on volume of chicken marketed in Newfoundland and Labrador. Revenue is recognized when the chicken is produced/marketed and collectibility is reasonably assured.

Grant revenue

The Board follows the deferred method of accounting for contributions. Revenue is recognized in the year in which the related expenses are incurred.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, and short term investments with maturities of three months or less. Bank borrowings are considered to be financing activities.

3. **Summary of significant accounting policies** (cont'd.)

Long term investment

Non-redeemable guaranteed investment certificates with original maturities in excess of one year are classified as long term investments. Interest related to these investments is accrued as earned. The carrying value of this investment approximates its fair value.

Equipment

Equipment is recorded at cost. Depreciation is provided annually at rates calculated to write off the assets over their estimated useful life as follows, except in the year of acquisition when one half of the rate is used.

Furniture and equipment	20%, declining balance

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Accrued severance pay

Severance pay will be awarded at the rate of one week of salary per year of service to a maximum of 20 weeks and is calculated based upon current salary levels. The amount is payable when the employee ceases employment with the Board.

Financial instruments

CICA Handbook Section 3855, "Financial Instruments - Recognition and Measurement", requires the Board to revalue all of its financial assets and liabilities at each financial reporting date.

This standard also requires the Board to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale -measured at fair value with changes in fair value recognized in net earnings for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in revenue and expenses in the year that the asset is no longer recognized or impaired.

3. **Summary of significant accounting policies** (cont'd.)

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in revenue and expenses and b) other - measured at amortized cost with gains and losses recognized in revenue and expenses in the year that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the standard, the Board's financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Long term receivable	Loans and receivables	Amortized cost
Long term investment	Held to maturity	Amortized cost
Accounts payable and accrued liabilities	Other liabilities	Amortized cost

Other balance sheet accounts, such as prepaids, equipment and deferred grant revenue are not within the scope of the accounting standard as they are not financial instruments.

The fair value of a financial instrument is the estimated amount that the Board would receive or pay to terminate the instrument agreement at the reporting date. The fair values of cash, receivables, long term receivable, long term investment, accounts payable and accrued liabilities would approximate their carrying value.

4. **Risk Management**

The Board's policy for managing significant risks includes policies, procedures and oversight designed to reduce the risks identified to an appropriate threshold. The Board of Directors is provided with timely and relevant reports on the management of significant risks. Significant risks managed by the Board include liquidity and credit risks.

Liquidity risk

Liquidity risk is the risk that the Board will be unable to meet its contractual obligations and financial liabilities. The Board manages liquidity risk by monitoring its cash flows and ensuring that it has sufficient cash available to meet its obligations and liabilities.

4. Risk Management (cont'd.)

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfill its payment obligations The Board's credit risk is attributable to receivables. Management believes that the credit risk concentration with respect to financial instruments included in receivables is remote.

5. Capital Management

The primary objective of the Board's capital management is to provide adequate funding to ensure efficient operations.

The unrestricted funds are available for future operations and are preserved so the Board can have financial flexibility in the future.

6. Operating Agreement

The Chicken Farmers of Newfoundland and Labrador has entered into an Agreement with the other provincial boards known as the Operating Agreement. This Agreement provides for levy assessment should a province over produce its allocation from C.F.C. As part of this agreement, the Chicken Farmers of Newfoundland and Labrador has filed a letter of credit to CFC in respect of any possible over marketing levies assessed. The letter of credit as at December 31, 2010 was $28,658 (2009 - $28,658).

7. Receivables

	2010	2009
Levies	$ 29,092	$ 21,342
Accrued interest	649	222
Travel advances	4,451	1,562
Other	-	-
	$ 34,192	$ 23,126

8. Long term receivable

	2010	2009
Over-marketing levy receivable from Country Ribbon Inc., non-interest bearing, repayable in annual instalments on March 15 2011 and 2012 of $16,940.	$ 33,880	$ -
Less: current portion	(16,940)	-
	$ 16,940	$ -

9. Equipment

			2010	2009
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Furniture and equipment	$ 34,189	$ 29,258	$ 4,931	$ 3,523

10. Deferred grant revenue

	2010	2009
Balance, beginning of year	$ 11,965	$ -
Revenue		
Advances during the year	48,761	30,200
Expenses		
Project costs	34,320	18,235
Balance, end of year	$ 26,406	$ 11,965

The balance in deferred grant revenue at December 31, 2010 includes $7,254 (2009 - $Nil) related to the On-Farm Food Safety Program. These funds will not have to be repaid to the Chicken Farmer of Canada and there is no specific timeframe requirement regarding the spending of these funds.

The remaining deferred grant revenue of $19,152 (2009 - $11,965) relates to the Chicken Farmers of Canada Provincial Promotion Project. These funds are required to be spent by March 31, 2011 and any remaining unused funds at that time are required to be repaid to the Chicken Farmers of Canada.

11. Commitments

The Board has a commitment under an operating lease for a photocopier. Payments for the next five years are as follows:

2011 - $3,187; 2012 - $3,187; 2013 - $3,187; 2014 - $3,187 and 2015 - $1,859

12. Budget figures

The 2010 and 2009 budget figures presented in the statement of operations are provided by management and have not been audited. These figures are included for the convenience of the reader only.

See accompanying notes

The Churchill Falls (Labrador) Corporation Trust (the Trust) operates under the Declaration of Trust enacted 3 February 2010. The purpose of the Trust is to fund and reimburse certain external fees and costs, particularly legal obligations, payable by Churchill Falls (Labrador) Corporation Limited (Churchill Falls). Such fees and costs relate to the assertion or protection of the legal rights or obligations of Churchill Falls with respect to the long-term fixed pricing of the power contract entered into between Hydro Quebec and Churchill Falls dated 12 May 1969, including requests for the renegotiation thereof or a declaratory judgment with respect to such matters. Contributions to the Trust are provided by the Province of Newfoundland and Labrador.

1. Significant accounting policies

Pursuant to Section 9.5 of the Declaration of Trust, these financial statements have been prepared by the Trustee in accordance with Generally Accepted Accounting Principles.

2. Investments

Investments are valued at a cost of $2,000,000 which approximates market value. As of 31 December 2010, the Trust had one investment. This investment has a maturity date of 11 April 2011 and an investment rate of 1.33% per annum.

3. Contingency

Due to an existing court case between Hydro Quebec and Churchill Falls, a contingent liability exists in relation to the potential judgment that may be levied by the courts to pay certain costs to the beneficiary, Hydro Quebec. While the outcome of the court proceedings is unknown as at 31 December 2010, in accordance with the purpose of the Trust, the investments as disclosed in Note 2 above have been provided as security in the form of an irrevocable standby letter of credit. This is to provide for any potential levies rendered by the courts which could vary in amount from the existing security held by the Trust, depending upon the outcome. As a result, an amount is contingently payable to Hydro Quebec upon the occurrence of certain events and the presentation of certain documentation.

4. Related party transactions

The Trust is administered by employees of the Department of Finance. The costs of administration are paid directly by the Department and are not reflected in these financial statements.

5. Economic dependence

As a result of the Trust's reliance on Provincial funding, the Trust's capability to continue viable operations is dependant upon the decisions of the Province.

6. Financial instruments

The Trust's financial instruments recognized in the balance sheet consist of cash, short-term investments and accounts payable. The carrying values of these financial instruments approximate current fair value due to their nature and the short-term maturity associated with these instruments.

Interest rate risk
The Trust's exposure to interest rate risk relates to the variable interest rate associated with cash held in an interest bearing bank account based on the prime rate and the fixed interest rate associated with its investment. Given the short term nature of these assets and the fixed rate associated with the investment, the Trust's exposure to interest rate risk is considered minimal.

7. Income taxes

The Trust is an entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

8. Government reporting entity

The Trust is included as part of the Province's consolidated reporting entity as presented in Volume I of the Public Accounts. While the Public Sector Accounting Standards excludes the consolidation of trusts, the Trust was created to meet a legal objective and not necessarily designed as a trust from an accounting perspective. Hence, in accordance with Treasury Board direction the Trust is included within the Province's consolidated reporting entity due to the nature of the Trust and the direct control by the Province.

To the Board of Governors of the College of the North Atlantic

We have audited the accompanying financial statements of the College of the North Atlantic, which comprise the statement of financial position as at March 31, 2011, the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the interim financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the College of the North Atlantic as at March 31, 2011, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Other matter

The comparative financial statements for the year then ended March 31, 2010, except for note 13, were audited by another firm of auditors who expressed an opinion without reservation on those financial statements in their report dated June 18, 2010. We have audited the adjustments in note 13 to the accompanying financial statements and in our opinion such adjustments, in all material respects, are in accordance with Canadian generally accepted accounting principles.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2011

Authority and Purpose

The College of the North Atlantic (the College) operates under the authority of the College Act, 1996, Province of Newfoundland and Labrador. In accordance with Section 6 of the College Act, 1996, the College is a statutory crown corporation and as such is not subject to either Federal or Provincial income taxes and is exempt from Municipal taxes. The College is Newfoundland and Labrador's public college. The College is committed to providing accessible, responsive, quality learning opportunities which prepare people to become self-sufficient contributors to social and economic development both in a provincial and global context.

1 Significant accounting policies:

The financial statements of the College have been prepared within the framework of Canadian generally accepted accounting principles which requires the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results. The more significant accounting policies of the College are as follows:

(a) *Revenue recognition*

The College follows the deferral method of accounting for contributions which includes donations and government grants. Grants for expenditures of future periods are deferred and recognized as revenue in the year in which the related expenditures were incurred. Grants for capital assets are deferred and recognized as revenue on the same basis as the acquired capital assets are amortized.

Tuition revenue is recognized on a student week basis as the students progress through the program.

Revenue from contractual services is recognized as the service is delivered.

(b) *Basis of accounting*

The College follows the accrual basis of accounting.

(c) *Inventory*

Inventory which consists mainly of books and food supplies is recorded at the lower of cost or net realizable value.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2011

(d) *Property, Plant &Equipment*

Property, plant & equipment recorded prior to the April 1, 1997 amalgamation of the former Colleges are recorded at either cost, nominal, or approximate fair value. Property, plant & equipment acquired after April 1, 1997 are recorded at cost. Amortization is recorded on a straight line basis using the following estimated useful lives:

Artwork	No amortization
Capital improvements	10 and 5 years
ERP - Peoplesoft	10 years
Computer and peripherals	3 years
Furnishings	5 years
Instructional equipment	5 years
Other electronic equipment	5 years
Software	3 years
Vehicles	5 years

One half year's amortization is taken in the year of acquisition.

No amortization is recorded for assets under development.

The value of donated artwork has not been recorded in these financial statements.
An accurate valuation of donated artwork has not been obtained at March 31, 2011.

On disposal, property, plant & equipment are removed from the accounts at their net book value. Proceeds from disposals are recorded and any resulting gain or loss on disposal is realized.

(e) *Severance and vacation pay*

The College is liable for severance pay to employees who have nine or more years of continuous public service. An amount has been recorded in the financial statements to reflect this liability. No provision for severance has been made for employees with less than the required years of service.

The College accrues vacation pay as employees earn entitlement.

(f) *Foreign Currencies*

Transactions in foreign currencies are recorded in Canadian dollars at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the Statement of Financial Position date. Exchange gains or losses arising from the translations are included in the Statement of Operations.

(g) *Financial instruments*

The College classifies all financial instruments as either held-to-maturity, available-for-sale, held-for-trading, loans and receivables, or other financial liabilities. All financial instruments are initially recorded at fair value. Financial assets held-to-maturity, loans and receivables and financial liabilities other than those held-for-trading are measured at amortized cost. Available-for-sale instruments are measured at fair value with unrealized gains and losses recognized in other comprehensive income until the instrument is derecognized or impaired, when the amounts are then recorded in net earnings. Instruments classified as held-for-trading are measured at fair value with unrealized gains and losses recognized in the statement of operations.

In accordance with the standard, the College's financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	**Classification**	**Measurement**
Cash	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Payables and accruals	Other financial liabliities	Amortized cost
Trust Accounts	Held for trading	Fair value

There were no embedded derivatives in any contracts that require special accounting treatment.

	$ 78,587,797	$ 53,079,909	$ 25,507,888	$ 20,888,778

The land and buildings being used by the College, with the exception of some rental property, are the properties of the Province of Newfoundland and Labrador. Expenditures for repairs and maintenance of these buildings, paid by the Province, are not recorded in the financial statements of the College.

4 Trust accounts

Trust accounts represent donations and related interest restricted for scholarships, awards and other specified purposes. Changes in the trust account balance are as follows:

	2011	2010
Opening balance	$ 1,358,346	$ 1,091,054
Net deposits and payments	167,609	234,235
Interest	37,547	33,057
Closing balance	$ 1,563,502	$ 1,358,346

5 Payables and accruals

	2011	2010

	$	9,831,690	$	6,572,622

8 Pensions

College staff are subject to either the Public Service Pension Plan (PSPP), or the Government Money Purchase Pension Plan (GMPP).

The primary plan, PSPP, is a defined benefit pension plan. Staff contributions are matched by the College and then remitted to to the province of Newfoundland and Labrador Pooled Pension Fund from which pensions will be paid to employees when they retire.

The secondary plan, GMPP, is a defined contribution plan. Contributions are matched by the College as well. Staff shall participat in this plan only if they are ineligible for the PSPP. Payments are made to a private investment firm from which pensions will be paid to employees when they retire.

During the year 2011 the College contributed $6,508,024 to the PSPP and $851,456 to the GMPP. In 2010 the College contributed $6,313,488 to the PSPP and $944,133 to the GMPP.

9 Commitments

Lease Commitment

The College leases some equipment and facilities under long-term operating leases. Lease payments for the next five years, committed under operating leases extending beyond one year, are as follows:

2011-2012	1,264,354
2012-2013	288,171
2013-2014	147,718
2014-2015	48,732
2015-2016	9,304

10 Comprehensive Agreement with the State of Qatar

The College has a comprehensive agreement with the State of Qatar to establish, operate and administer a College of Applied Arts and Technology in Doha, Qatar for a period, September 30, 2001 to August 31, 2012. It has since been extended to August 31, 2013. The agreement is funded by the State of Qatar. For its services, the College is paid an annual Management Fee of 10% of base salaries. The College receives quarterly advances to cover cash flow requirements.

Due to Qatar

		2011		2010
Cash on Deposit	$	**3,306,931**	$	20,553,861
Payables (accruals)		**(95,245)**		(3,086,795)
Payable as a result of salary overbilling		**5,391,409**		5,391,409
Net Liability	$	**8,603,095**	$	22,858,475

Results of Operations

		2011		2010
Gross Proceeds	$	**9,912,950**	$	10,803,849
Salary & Fees Adjustment		**-**		(4,352,909)
Management Costs		**(2,414,868)**		(2,272,366)
Net Proceeds	$	**7,498,082**	$	4,178,574

In the prior years, salaries and fees were overbilled according to the Comprehensive Agreement in the amount of $5,554,723. In 2011 billings to the State of Qatar were adjusted to coincide with the Comprehensive Agreement. During the year ended March 31, 2011, the College incurred $856,746 (2010 - $1,201,814) in additional costs that are ineligible for billing to the State of Qatar under the Comprehensive Agreement and are reflected in "gross proceeds". The amount of overbillings related to March 31, 2009 and prior is reflected as "salary & fees adjustment" in the amount of $4,352,909.

As at March 31, 2011 no payment has been made to the State of Qatar for the prior period overbillings.

The College is developing a Transition Management Plan to deal with the wind down of the present Comprehensive Agreement with the State of Qatar, should it not be renewed. No provision has been made for the cessation of the contract as an estimate of costs, if any, is not determinable at this time.

College of the North Atlantic
Notes to Financial Statements
For the twelve months ending March 31, 2011

11 Contingency liabilities

(a) The College has received notices of claim for damages. No provision has been made for these claims because the College is not expected to incur any material liability, or because an estimate of loss, if any, is not determinable at this time.

(b) A compliance audit on compensation and billings of the Comprehensive Agreement with the State of Qatar as required per section 4.6 is currently in progress, therefore, the results are unknown at this time. As such, there is uncertainty on the outcome of this audit on the College's current and prior billings to the State of Qatar and any adjustment, if any, that may be required. The College is currently not aware of any material findings or outcomes of this compliance audit.

12 Capital reserve

During the current year, the College has transferred from its capital reserve $7,884,710 to surplus for operational commitments.

During 2011 the College's Board of Governors approved the transfer of this amount from the reserve to the surplus account.

13 Prior year's adjustment

In prior periods, the College recognized tuition revenue on a cash basis. During the current year, the College adopted a policy of deferring tuition revenue related to future periods and has applied this policy retroactively. As a result, the College has restated the March 31, 2010 statement of financial position to record deferred tuition revenue resulting in a decrease in surplus, and an increase in deferred revenue by a corresponding amount of $915,906. The impact on the deficit of revenue over expenditures for the year ended March 31, 2010 was a decrease in tuition revenue of $45,133.

A summary of the restatements are as follows:

Statement of Operations

	Year ended March 31, 2010		
	As Previously Reported	Adjustments	As Restated
Revenue - Instructional	$ 25,726,199	$ (45,133)	$ 25,681,066
Deficit of revenue over expenditures	$ (10,561,545)	$ (45,133)	$ (10,606,678)

Statement of Financial Position

	March 31, 2010		
	As Previously Reported	Adjustments	As Restated
Liabilities			
Deferred revenue	$ 5,535,224	$ 915,906	$ 6,451,130
Net assets			
Surplus (Deficit)	$ 494,252	$ (915,906)	$ (421,654)

14 Financial instruments

The carrying values of cash, trust accounts, receivables and payables and accruals approximate their fair values due to the relatively short periods to maturity of these instruments.

It is management's opinion that the College is not exposed to significant interest rate risk, market risk, or currency risk. Significant risks managed by the College include liquidity risk and credit risk.

Liquidity risk

Liquiditiy risk is the risk that the College will be unable to meet its contractual obligations and financial liabilities. The College manages liquidity risk by monitoring its cash flows including ongoing future support from government grants, student tuition and other sources to ensure that it has sufficient cash available to meet its obligations and liabilities.

Credit risk

The College is exposed to credit risk relating to receivables from students and clients. The College manages this risk by monitoring receivable accounts and establishes an appropriate allowance for doubful accounts based upon information available.

15 Capital disclosures

The College's capital includes net assets. The College's objective in maintaining capital is to safeguard its capital to ensure its ability to continue to provide services to students and other clients. Annual budgets are prepared and monitored to ensure the College maintains appropriate net assets. The College has no externally imposed restrictions.

16 Comparative figures

Certain of the 2010 comparative figures have been reclassified to conform to the financial presentation adopted in 2011.

AUDITORS' REPORT

To Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador

We have audited the statement of financial position of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador as at June 30, 2010 and the related statements of current revenues, expenditures and Board equity, statement of cash flows and statement of changes in capital fund position for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2010 and the results of its operations and changes in its financial position for the year then ended in accordance with Canadian generally accepted accounting principles and as explained in Note 1 to the financial statements, and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

Notes to the Financial Statements
Year Ended June 30, 2010

1. Significant Accounting Policies:

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Districts. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund". It is customary for School Districts to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the District, relating to their use of fund accounting, is as follows:

a) Grants received by the District are recorded in either the current or capital funds depending on their source. Grants from the Department of Education are treated as current revenues while those from the Province in regard to capital projects are recorded as capital revenues.

b) Capital asset additions are recorded at full cost in the capital fund and are amortized over their useful lives.

c) Capital assets are amortized using the straight line method based on the following number of years:

School buildings - 40 years
Furniture - 10 years
Equipment - 10 years
Computers - 4 years

d) Funding relating to capital assets is deferred and amortized according to the same method used for the assets to which it relates.

e) The School board has acquired, in certain cases, land for its buildings without cost. In other cases, the board obtained authorization to use the land without ownership, as long as the properties are used for educational purposes. In the case where the land is board property, value determinations were not possible, meaning that the fair market value was not recorded.

f) The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates include providing for amortization of capital assets. Actual results could differ from these estimates.

5 Accrued Severance Leave

The amount of $96,744 for teachers' severance costs and the amount of $9,069 for non-teaching staff severance costs are included in expenses. The amount of $335,438 for teachers' severance costs and the amount of $59,767 for non-teaching staff severance costs for a total of $395,115 are included in the liabilities.

The adjustment for teachers' severance pay is required by the Department of Education of the Government of Newfoundland and Labrador and has no impact on the operation of the School Board. No account receivable is included in the accounts to offset this liability.

The accrued severance leave for non-teaching personnel is funded out of the board's regular operating grants.

6 Executive Staff Paid Leave

The amount of $12,056 for executive staff paid leave has been included in current year expenses. The amount of $41,073 for executive staff paid leave related to June 30, 2009 has been reflected appropriately in that period. No account receivable is included in the accounts to offset this liabilty.

7 Reserve

In accordance with leases with the tenants of the Centre scolaire et communautaire des Grand-Vents in St. John's, this reserve constitutes funds that management has designated as restricted funds to allow for the future purchase of computer equipment and major renovations of the building.

8 Contingent liability

The organization was served a statement of claim for an unspecified dollar amount by an individual for wrongful dismissal from a position within Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador Subsequently, a defense to the statement of claim has been filed by the organization. To date this issue has yet to be resolved and the amount and likelihood any settlement is not determinable at this time.

9 Comparative figures

Certain of the prior year comparative figures have been reclassified to conform to the current year presentation.

CONSUMER PROTECTION FUND FOR PREPAID FUNERAL SERVICES

FINANCIAL STATEMENTS

31 MARCH 2011

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Minister of Government Services
St. John's, Newfoundland and Labrador

Report on the Financial Statements

I have audited the accompanying financial statements of the Consumer Protection Fund for Prepaid Funeral Services which comprise the balance sheet as at 31 March 2011, the statement of revenues, expenses and deficit and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Report (cont.)

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Consumer Protection Fund for Prepaid Funeral Services as at 31 March 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JOHN L. NOSEWORTHY, CA
Auditor General

28 June 2011
St. John's, Newfoundland and Labrador

Authority

The Consumer Protection Fund for Prepaid Funeral Services (the Fund) was established under the *Prepaid Funeral Services Act* for the purpose of paying in whole or in part, claims arising out of a prepaid funeral contract against a person who holds or held a licence under the *Act*.

1. Summary of significant accounting policies

These financial statements have been prepared by the Fund's management in accordance with Canadian generally accepted accounting principles. Significant accounting policies adopted by management are as follows:

(a) Revenue recognition

Assessment revenue is recognized as earned.

(b) Deferred revenue

Deferred revenue represents revenue related to future operating periods. The revenue will be reported in the applicable future period to which it relates.

2. Liability for claims arising from prepaid funeral services contracts

The liability for claims arising from prepaid funeral services contracts resulted from the failure of a funeral home in Port aux Basques in November 2000 where 88 customers had purchased prepaid funerals totalling $492,790. An additional claim has also been recognized for a customer who was not included in the original liability. During the year 1 claim (2010 - 2) relating to these prepaid funeral services contracts became payable by the Fund. Details of the change in the liability are as follows:

	2011	2010
Liability, beginning of year	**$ 106,178**	$ 117,354
Claims paid or payable	**(5,013)**	(11,176)
Liability, end of year	**$ 101,165**	$ 106,178

3. Assessments

A seller of prepaid funeral services is required to pay to the Fund an amount that is 1% - 5% of the cost of each prepaid funeral contract, based on the percentage of the seller's prepaid obligation held in trust. During the year, $58,788 (2010 - $98,694) was paid to the Fund.

4. Restitution Order

A Restitution Order in the amount of $500,029 is in place against the former owner of the failed funeral home in Port aux Basques. This Restitution Order has been registered in the province where the owner now resides. During 2009 the financial institution which held the first mortgage on the property co-owned by this individual foreclosed on the property and in June 2009 the Fund received $23,662 from the resulting sale of this property. During 2010, the Fund received an additional amount of $1,871 in connection with this sale. The Restitution Order is still in effect and further action will be taken by the Fund where there is a likelihood of recovery.

5. Financial instruments

The Fund's financial instruments recognized on the balance sheet consist of cash, accounts receivables, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them. There is no credit risk associated with the Fund's accounts receivable because most of the accounts were collected subsequent to year end. Therefore, no allowance has been provided against these receivables.

6. Related party transactions

The Fund is administered by employees of the Department of Government Services. The costs of administration are paid directly by the Department and are not reflected in these financial statements. The costs of administration are offset by licence fees collected by the Department.

7. Income taxes

The Fund is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

CREDIT UNION DEPOSIT GUARANTEE CORPORATION

Financial Statements

Year Ended December 31, 2010

BRIAN T. SCAMMELL
ASSURANCE VALUATION & ADVISORY

INDEPENDENT AUDITOR'S REPORT

To the Directors of Credit Union Deposit Guarantee Corporation

I have audited the accompanying financial statements of Credit Union Deposit Guarantee Corporation, which comprise the balance sheet as at December 31, 2010, and the statements of income and retained earnings and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of Credit Union Deposit Guarantee Corporation as at December 31, 2010, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. DESCRIPTION OF BUSINESS

The Credit Union Deposit Guarantee Corporation (the "Corporation") is established as a corporation without share capital under the provisions of Section 133 of the Credit Union Act.

2. OTHER SIGNIFICANT ACCOUNTING POLICIES

Cash

Cash consists of balances with banks.

Financial instruments

Classification

A financial instrument is a contract that establishes a financial asset for one party and a financial liability or equity instrument for the other party. CICA Handbook Section 3855 establishes a framework for the recognition and measurement of financial assets and financial liabilities. All financial instruments have been classified either based on the type of instrument or the Corporation's intention regarding the instrument, as described below:

Held for Trading

Financial assets classified as held for trading are typically acquired for resale prior to maturity or designated as held for trading.They are measured at fair value on the balance sheet date. Fair value fluctuations including interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses are included in investment income. Cash and cash equivalents have been classified as held-for-trading.

Financial liabilities designated as held for trading are those non-derivative financial liabilities that the Corporation elects to designate on initial recognition as instruments that it will measure at fair value through other interest expense.These are accounted for in the same manner as held for trading assets.The Corporation has not designated any non-derivative financial liabilities as held for trading.

Held to Maturity

Held to maturity financial assets are non-derivative financial assets with fixed or determinable payments and a fixed maturity, other than loans and receivables, that an entity has the positive intention and ability to hold to maturity.These assets are measured at amortized cost using the effective interest method. The Corporation has classified its investments as held to maturity.

Available for Sale

Available for sale financial assets are those non-derivative financial assets that are designated as available for sale, or that are not classified as loans and receivables, held for trading, or held to maturity. Except as mentioned below, available for sale financial assets are carried at fair value with unrealized gains and losses included in accumulated other comprehensive income until realized when the cumulative gain or loss is transferred to other income. Available for sale financial assets that do not have quoted market prices in an active market are recorded at cost. Interest on interest bearing available for sale financial assets is calculated using the effective interest method. No financial assets have been classified as available for sale.

(continues)

2. OTHER SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Loans and Receivables

Loans and receivables are recorded at amortized cost using the effective interest method. Amortized cost is a reasonable estimate of the fair value of these instruments.

Other Liabilities

Other liabilities, such as bank indebtedness and accounts payable and accrued liabilities, are recorded at amortized cost using the effective interest method and include all financial liabilities other than derivative instruments. Amortized cost is a reasonable estimate of the fair value of these instruments

Transaction Costs

Transaction costs are expensed as incurred.

Fair Values

The fair value of a financial instrument is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable willing parties who are under no compulsion to act. Fair values are determined by reference to quoted bid or asking prices in an active market. In the absence of an open market, the Corporation determines fair values based on internal or external valuation models such as discounted cash flow analysis or using observable market-based inputs.

Effective Interest Method

The Corporation uses the effective interest method to recognize interest income or expense, premiums or discounts earned or incurred for financial instruments.

Capital assets

Capital assets are stated at cost less accumulated amortization. Capital assets are amortized over their estimated useful lives at the following rates and methods:

Computer equipment	30%	declining balance method
Furniture and fixtures	20%	declining balance method

The Corporation regularly reviews its capital assets to eliminate obsolete items.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

Severance pay

Severance pay, which is included with accounts payable and accrued liabilities, is accrued for all employees for whom the right to such compensation is vested.

(continues)

2. OTHER SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Revenue recognition

The Corporation recognizes assessment revenue based on a percentage of insured deposits of individual credit unions operating within the Province of Newfoundland & Labrador. Interest revenue is recognized based on the investment interest collected and accrued during the year, and bonding revenue is recognized based on a percentage of individual credit unions' assets plus a $60,000 fee that is allocated to the Newfoundland and Labrador credit unions based on a pre-determined formula.

Assistance to credit unions

Assistance to credit unions is recorded only when it can be reasonably determined by the Corporation that such a payment will be required and when the Board of Directors has assessed the reasonableness of such a charge and authorized the assistance as a commitment of the Fund. The determination of the assistance requires the exercise of judgement because the precise amount, method and timing of such assistance is dependent on future events. The amount of actual assistance paid and possible future assistance is disclosed in the financial statements.

Pension costs

Employees of the Corporation other than the Chief Executive Officer are included in the Public Service Pension Plan of the Government of Newfoundland and Labrador. Contributions to the plans are required from both the employees and the Corporation. The annual contributions for pension are recognized in the accounts on a current basis. Contributions to this plan totalled $27,089 (2009- $26,234).

The Corporation also contributed to a private registered retirement savings plan for the Chief Executive Officer based on a percentage of his annual salary. Contributions to this plan totalled $7,423 (2009- $6,605.)

Future income taxes

The liability method of tax allocation is used in accounting for income taxes. Under this method, future tax assets and liabilities are determined based on differences between the financial reporting and tax basis of assets and liabilities, and measured using the substantially enacted tax rates and laws that will be in effect when the differences are expected to reverse.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

3. MARKETABLE SECURITIES

	2010	2009
Concentra Financial, 1.80%	$ 5,000,000	$ 5,235,851
Concentra Financial, .70%	459,712	1,927
Credit Union Central of Nova Scotia shares	-	1,000
Newfoundland and Labrador Credit Union share	100	100
Concentra shares	10	10
	$ 5,459,822	$ 5,238,888

4. CAPITAL ASSETS

	Cost	Accumulated amortization	2010 Net book value	2009 Net book value
Computer equipment	$ 74,249	$ 67,296	$ 6,953	$ 7,811
Furniture and fixtures	32,570	24,800	7,770	4,799
	$ 106,819	$ 92,096	$ 14,723	$ 12,610

5. CAPITAL MANAGEMENT

The Corporation's objectives with respect to capital management are to safeguard the entity's ability to continue as a going concern so that it can continue to operate as a deposit insurance provider for the Newfoundland & Labrador credit unions, including the provision of stabilization funds as needed.

The Corporation defines its capital as the balance in the Deposit Guarantee Fund Balance; the changes in this balance for 2010 are presented in the Statement of Income and Fund Balance.

6. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Corporation's financial instruments are comprised of cash, investments, receivables and accounts payable.

Cash is reported at fair value on the balance sheet. Receivables and accounts payable are reported at amortized cost which approximates fair value due to their short term nature. Investments are reported at amortized cost using the effective interest method which approximates their fair value.

7. NATURE AND EXTENT OF RISK ARISING FROM FINANCIAL INSTRUMENTS

The Corporation is exposed to the following risks as a result of holding financial instruments: credit risk, market risk and liquidity risk. The following is a description of those risks and how the Corporation manages the exposure to them.

Credit Risk

Credit risk is the risk that a financial loss will occur due to the failure of a counterparty to discharge its contractual commitment or obligation to the Corporation. Credit risk may arise principally through its investments included in the Corporation's asset portfolio.

The Corporation manages this risk by making investments in accordance with the investment policy established by the Board of Directors which permits the Corporation to invest in high quality, liquid short-term investments. Equity investments are not permitted.

Market Risk

Market risk arises from changes in interest rates on investments in its portfolio that affect the Corporation's net interest income. The Corporation's goal is to maximize its return on these portfolios, without taking unreasonable risk and retaining a high degree of liquidity.

The Corporation manages this risk by investing in securities that are not susceptible to significant changes in rates of return to the Corporation caused by changes in market values of the investments.

Liquidity Risk

Liquidity risk is the risk of having insufficient financial resources to meet the Corporation's funding requirements.

The Corporation's liquidity policies and practices include the measurement and forecast of cash flows and maintenance of a pool of high quality liquid assets.

8. COMMITMENTS

The Corporation has entered into a lease agreement for office space which expires June 30, 2011. The amount of the annual rent payable is $30,895.

9. INCOME TAXES

The Corporation has the following non-capital losses available which can be used to reduce future years' taxable income.

Year of Expiry	Amount
2014	438,667
2015	362,558
2026	350,333
2027	255,907
2028	387,654
2029	434,292
2030	575,432
	$ 2,804,843

The undepreciated capital cost for income tax purposes of the Corporation's depreciable assets exceeds the net book value by $115,766.

The potential income tax benefits associated with these items have not been recognized in the financial statements

Credit union assessments and assistance are excluded from the calculation of taxable income.

To the Board of

Dairy Farmers of Newfoundland and Labrador

We have audited the statement of financial position of Dairy Farmers of Newfoundland and Labrador as at July 31, 2010 and the statements of operations and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at July 31, 2010 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. Nature of operations

Dairy Farmers of Newfoundland and Labrador principal activities are the collection of levies to provide services to the 36 dairy farmers of Newfoundland and Labrador and the buying and re-selling of industrial milk. The Board is a not-for-profit organization and is exempt from paying income tax under Section 149 of the Canadian Income Tax Act. They are a Commodity Board under the Natural Products Marketing Act.

2. Summary of significant accounting policies

Basis of presentation

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Significant accounting policies are set out below.

Fund accounting

Fund accounting is generally accepted as the basis of accounting for public sector organizations. A summary of significant accounting policies relating to fund accounting is as follows:

i) capital assets are recorded at cost;
ii) capital additions financed from revenue are recorded as direct expenditures in the statement of operations and credited to the investment in capital assets account;
iii) government grants received towards the cost of capital assets are recorded as deferred capital grants;
iv) depreciation of capital assets and amortization of deferred capital grants are recorded in the investment in capital assets account;
v) repayments of long term debt used to acquire capital assets are recorded in the statement of operations and credited to the investment in capital assets account.

Use of estimates

In preparing the Board's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ from these estimates.

2. Summary of significant accounting policies (cont'd.)

Revenue recognition

Market sharing quota revenue including industrial milk, pooling charges, transportation and promotion levy is recognized when milk is shipped out of province to dairies in New Brunswick and Nova Scotia.

Board levies are recognized on a monthly basis as earned from each of the dairy farmers.

Government funding for specific projects are recognized as the related expenses are incurred.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks. Bank borrowings are considered to be financing activities.

Capital assets

Rates and bases of depreciation applied to write-off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Furniture and equipment	20%
Computer hardware	30%

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. The right to receive severance pay vests with employees with five or ten years (depending on contract) of continual service, and accordingly no provision has been made in the accounts for employees with less than five years of continual service. The amount is payable when the employee ceases employment with the Board.

2. Summary of significant accounting policies (cont'd.)

Financial instruments

The CICA Handbook Section 3855, "Financial Instruments - Recognition and Measurement", requires the Board to revalue all of its financial assets and liabilities, including derivatives and embedded derivatives in certain contracts, at fair value.

This standard also requires the Board to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale-measured at fair value with changes in fair value recognized in net earnings for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the standard, the Boards financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Payables and accruals	Other liabilities	Amortized cost

Other balance sheet accounts, such as prepaids, capital assets, and deferred revenue are not within the scope of this accounting standard as they are not financial instruments.

The fair value of a financial instrument is the estimated amount that the Board would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument various market value data were used as appropriate. The fair value of cash approximated its carrying value.

3. Cash and cash equivalents

Cash and cash equivalents includes restricted funds of $157,059 (2009 - $108,751) relating to new entrants levies collected by the Board.

4. Receivables

	2010	2009
Market sharing quota	$ 1,607,030	$ 1,032,639
Board levies	116,547	111,896
Government funding - special projects	44,426	2,306
Harmonized sales tax	-	2,839
	$ 1,768,003	$ 1,149,680

5. Capital assets

			2010	2009
	Cost	Accumulated Depreciation	Net Book Value	Net Book Value
Furniture and equipment	$ 38,110	$ 33,745	$ 4,365	$ 4,317
Computer hardware	8,058	6,324	1,734	2,477
	$ 46,168	$ 40,069	$ 6,099	$ 6,794

6. Bank indebtedness

The Board has an approved line of credit of $600,000 with the Canadian Imperial Bank of Commerce at an interest rate of prime. As security the Board has provided a general security agreement providing a first charge on all assets. At July 31, 2010, there was a balance of $nil (2009 - $nil) outstanding on the line of credit.

The Board is subject to various bank covenants due to its operating line of credit, including maintaining a minimum working capital ratio of 1:1, and maintaining minimum net assets of $650,000.

As of July 31, 2010, the Board is in compliance with these covenants.

7. Investment in capital assets

	2010	2009
Balance, beginning of year	$ 6,794	$ 8,934
Capital expenditures	1,013	-
Depreciation	(1,708)	(2,140)
Balance, end of year	$ 6,099	$ 6,794

8. Market share quota

Whey Tank Insulation	-	44,749
	$ 1,052,281	$ 421,328

10. Payment to producers

On November 6, 2008 the Board approved a payment to producers based on the quota held by each producer at that date.

11. Supplemental cash flow information	**2010**	**2009**
Change in non-cash operating working capital		
Receivables	$ (618,323)	$ 1,728,576
Prepaids	4,808	6,251
Payables and accruals	405,342	(2,101,290)
Deferred revenue	(8,666)	59,408
Accrued severance pay	2,704	13,595
	$ (214,135)	$ (293,460)
Interest paid	$ 5,031	$ 2,994

12. Commitments

The Board has commitments for the lease of office space and equipment for the next four years as follows: 2011 - $17,594; 2012 - $4,188; 2013-2,469 and 2014 - $323.

Dairy Farmers of Newfoundland and Labrador has entered into an agreement with Government of Canada for a research project for research in processing of cool climate silage maise. The project will research the effects on chemical composition, voluntary intake, digestibility, rumen degradation and milk yield. The Board is committed to contributing $10,000 for the year 2010/2011.

13. Contingency

The Board has a potential liability to pay approximately $103,861 to an employee for sick leave of 510.50 days if necessary.

14. Capital management

The capital structure of the Board consists of investment in capital assets, and net assets. The primary objective of the Boards' capital management is to provide adequate funding to ensure efficient delivery of it services and activities to dairy farmers.

Investment in capital assets represents the amount of net assets that are not available for other purposes because they have been invested.

Net assets are funds available for future operations and are preserved so that the Board can have financial flexibility should opportunities arise in the future.

For the year end July 31, 2010, the Board has complied with all imposed capital restrictions.

Dairy Farmers of Newfoundland and Labrador

DIRECTOR OF SUPPORT ENFORCEMENT

FINANCIAL STATEMENTS

31 MARCH 2011

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Director of Support Enforcement
Corner Brook, Newfoundland and Labrador

Report on the Financial Statements

I have audited the accompanying financial statements of the Director of Support Enforcement, which comprise the statement of financial position as at 31 March 2011, and the statement of receipts and disbursements for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor's Report (cont.)

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Director of Support Enforcement as at 31 March 2011, and its receipts and disbursements for the year then ended in accordance with the accounting policies described in note 1 to these financial statements.

Report on Other Legal and Regulatory Requirements

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information of the Director of Support Enforcement and the Government of Newfoundland and Labrador to meet their information needs under Section 9 of the *Support Orders Enforcement Act*. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

JOHN L. NOSEWORTHY, CA
Auditor General

Authority

The Director of Support Enforcement operates under the authority of the *Support Orders Enforcement Act*. Under this *Act*, the Director is responsible for enforcing court ordered support payments and for acting on behalf of the Attorney General in matters arising pursuant to the *Reciprocal Enforcement of Support Orders Act*.

1. Basis of accounting

These financial statements have been prepared by the Director in accordance with the significant accounting policies set out below to meet the information needs of the Director of Support Enforcement and the Government of Newfoundland and Labrador under Section 9 of the *Support Orders Enforcement Act*. The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because all receipts and disbursements are being recognized on a cash basis and not all expenditures related to the operations of the Director are reflected in these statements.

Significant accounting policies

These financial statements are prepared on the cash basis of accounting. Outlined below are the significant accounting policies followed.

(a) Administrative expenditures

The Director of Support Enforcement, for administrative purposes, operates as a division of the Department of Justice. Therefore, expenditures related to salaries, accommodations and administration are absorbed by the Department of Justice and no provision has been made in these financial statements for the cost of these items.

(b) Assets and liabilities

Assets are comprised of amounts received or receivable from debtors while liabilities represent the corresponding amount due to creditors.

(c) Receipts and disbursements

Receipts are recorded when amounts are received from debtors and disbursements are recorded when amounts are paid to creditors. Amounts paid directly to creditors by debtors are recorded as out-of-system support while amounts received by the Director of Support Enforcement are recorded as regular support. Amounts refunded to debtors or remitted to the Province are recorded as other payments.

2. Accounts receivable

Accounts receivable is comprised of amounts owing from debtors on registered support orders. The receivables are classified as follows:

	2011	2010
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	**$ 9,171,868**	$ 8,333,355
Debtor in receipt of social assistance	**2,498,737**	1,985,439
Stay of enforcement in place	**1,984,859**	1,863,154
	13,655,464	12,181,948
Enforceable support orders	**5,787,306**	7,372,117
	$ 19,442,770	$ 19,554,065

3. Other receivables

Other receivables $3,509 (2010 - $16,537) represent payments made to creditors when the corresponding debtor cheque was not negotiable or the payment was made in error.

4. Accounts payable

Accounts payable is comprised of amounts owing to creditors in accordance with registered support orders. The payables are classified as follows:

	2011	2010
Unenforceable support orders		
Debtor out of Province – reciprocal enforcement support orders	**$ 9,171,868**	$ 8,333,355
Debtor in receipt of social assistance	**2,498,737**	1,985,439
Stay of enforcement in place	**1,984,859**	1,863,154
	13,655,464	12,181,948
Enforceable support orders	**6,555,726**	8,066,225
	$ 20,211,190	$ 20,248,173

5. Other payables

Other payables of $18,266 (2010 - $11,160) represent funds which have not been assigned to any debtor account. These amounts may eventually be paid to the Newfoundland Exchequer Account.

6. Related party transactions

The Director of Support Enforcement operates as a division of the Department of Justice. Expenses of $938,595 (2010 - $894,547) related to salaries, accommodations and administration are paid directly by the Department and no provision is made in these financial statements to reflect these expenditures.

During the year the Director paid approximately $2.2 million (2010 - $2.4 million) to the Department of Human Resources, Labour and Employment related to support payments collected on behalf of individuals receiving social assistance.

7. Financial instruments

The Director's financial instruments recognized on the statement of financial position consist of cash, accounts receivable, other receivables, accounts payable and other payables. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

8. Income taxes

The Director of Support Enforcement operates as a division of the Department of Justice and as such is not subject to Provincial or Federal income taxes.

AUDITOR'S REPORT

To the Directors of:
Eastern Education Foundation Inc.

Report on the Financial Statements

I have audited the accompanying financial statements of Eastern Education Foundation Inc., which comprise the statement of financial position as at December 31, 2010, and the statements of financial activities and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Generally Accepted Accounting Principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedure's selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Revenue

In common with many charitable organizations, the Foundation derives revenue from donations and fundraising activities which are not susceptible to complete audit verification. Accordingly, my verification of revenues from these sources was limited to accounting for the amounts recorded in the records of the Foundation.

Opinion

In my opinion, except for the effect of adjustments, if any, had donations and fundraising revenue been susceptible to complete audit verification, the financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2010 and the results of its operations and the changes in its cash flows for the year then ended in accordance with Canadian Generally Accepted Accounting Principles.

Nature of Operations

The Eastern Education Foundation Inc. is an incorporated body under the Corporations Act of Newfoundland & Labrador with the following purpose:

The provision of grants and other aid to the Eastern School District, its schools, and any other charitable organization whose mandate includes the advancement of education for the support, enhancement, maintenance, and improvements of the educational, environmental, welfare of counselling, nutritional and other programs for the benefit of students or the improvement of teaching and learning in District schools, facilities and equipment.

1. Significant Accounting Policies

Cash and Cash Equivalents

The Association considers deposits in banks as cash and cash equivalents.

Contributed Materials and Services

The Foundation recognizes contributions of materials and services when their fair value can be reasonably estimated.

Fair Value of Financial Instruments

Financial instruments consist of cash and short-term investments, accounts receivable, and accounts payable and accrued liabilities. The Foundation has evaluated the fair values of these financial instruments based on the current interest rate environment, related market values and current pricing of financial instruments with comparable terms. The carrying value of the financial instruments is considered to approximate fair value unless otherwise indicated.

Use of Estimates

The preparation of the Foundation's financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Donations and public support is reflected when funds are received. All other revenues are recorded on the accrual basis.

2. Restricted Funds

These amounts are invested in short term interest bearing guaranteed investment certificates.

The principal portion of these Funds can not be used for operations but only the accrued interest is eligible to be disbursed for scholarships. Interest accrued on these funds as at December 31, 2010 was $5,468 and is disclosed as accounts receivable.

Independent Auditor's Report

To the Board of Trustees of
Eastern Regional Health Authority

We have audited the accompanying financial statements of Eastern Regional Health Authority – Cottages and Hostels, which comprise the statement of financial position as at March 31, 2011 and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information. The financial statements have been prepared by management of Eastern Regional Health Authority – Cottages and Hostels to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the mortgage agreements with Newfoundland and Labrador Housing Corporation, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements are prepared, in all material respects, in accordance with the financial reporting provisions of the mortgage agreements with Newfoundland and Labrador Housing Corporation.

Basis of Accounting and Restrictions on Distribution and Use

Without modifying our opinion, we draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Board of Trustees of Eastern Regional Health Authority and Newfoundland and Labrador Housing Corporation and should not be distributed to or used by parties other than these named users.

1. NATURE OF OPERATIONS

The cottage and hostel operation of Eastern Regional Health Authority ("Cottages and Hostels") consists of the following.

Cottages
- Lions Manor Inc.
- TCRHB Housing Complex Inc.
- Golden Heights Manor Cottages
- Blue Crest Cottages

Hostels
- General Hospital Hostel Association – Agnes Cowan Hostel
- Northwest Rotary – Janeway Hostel Corporation

Cottages

Lions Manor Inc.

Lions Manor Inc. was established to provide housing accommodations to senior citizens in Placentia and the surrounding area.

TCRHB Housing Complex Inc.

TCRHB Housing Complex Inc. was established to provide housing accommodations for senior citizens in Old Perlican and the surrounding area.

Golden Heights Manor Cottages

Golden Heights Manor Cottages was established to provide housing accommodations for senior citizens in Bonavista and the surrounding area.

Blue Crest Cottages

Blue Crest Cottages was established to provide housing accommodations for senior citizens in Grand Bank and the surrounding area.

Each of the above noted cottages is exempt from federal and provincial income tax in accordance with the Income Tax Act.

Hostels

The General Hospital Hostel Association was established to provide affordable, on-site accommodations to outpatients undergoing treatment and family members of inpatients in St. John's and the surrounding area. On June 28, 2002 the Hostel assumed responsibility for the services of the Northwest Rotary - Janeway Hostel Corporation.

1. NATURE OF OPERATIONS (Continued)

Hostels (continued)

The General Hospital Hostel Association is incorporated under the Corporations Act of Newfoundland and is a registered charity under the Income Tax Act. The Northwest Rotary – Janeway Hostel Corporation was dissolved as a corporation in October 2009.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Cottages and Hostels have elected to use the exemption provided by the Canadian Institute of Chartered Accountants ("CICA") permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Cottages and Hostels for the year ended March 31, 2011. The Cottages and Hostels apply the requirements of Section 3861 of the CICA Handbook.

Basis of accounting

The financial statements have been prepared in accordance with significant accounting policies set out below to comply with the mortgage agreements with Newfoundland and Labrador Housing Corporation ("NLHC"). The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles for not-for-profit organizations because amortization is not provided on the buildings over the estimated useful life of the assets, but rather at a rate equal to the annual principal reduction of the related mortgage.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks.

Capital assets

Capital assets are recorded at cost. Amortization on the buildings and land improvements is recorded in a prorated amount equal to the reduction in the related mortgage principal in the fiscal year. Amortization is recorded on equipment on a declining balance basis using a rate of 20%.

Impairment of assets

Long-lived assets are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. The amount of any impairment loss is determined as the excess of the carrying value of the asset over its fair value.

Capital contributions

Capital contributions are recorded as deferred capital contributions and amortized to income on the same basis as the related capital assets are amortized. Capital contributions on non-depreciable capital assets are recorded as direct increases in net assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue recognition

Revenues are recognized as earned if the amount to be received can be reasonably estimated and when collection is reasonably assured.

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels for employees who have a vested right to receive such a payment. No provision for severance pay is recorded for any employees who have less than nine years of service. Severance is payable when the employee ceases employment with the Cottages and Hostels.

Pension costs

Employees of the Cottages and Hostels are members of the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government of Newfoundland and Labrador (the "Government"). Contributions to the plans are required from both the employees and the Cottages and Hostels. The annual contributions for pensions are recognized as a current expenditure in the accounts and amounted to $20,107 for the year ended March 31, 2011 (2010 - $18,489).

Financial instruments

Financial assets and liabilities are classified according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. The fair value of a financial instrument is the estimated amount that would be received or would be paid to terminate the instrument's agreement at the reporting date. Various market value data and other valuation techniques are used as appropriate to estimate the fair value of each type of financial instrument.

Financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Accounts receivable due from NLHC	Loans and receivables	Amortized cost
Accounts payable and accrued liabilities, due to Eastern Regional Health Authority and due to NLHC	Other liabilities	Amortized cost
Long-term debt	Other liabilities	Amortized cost

Other balance sheet accounts do not meet the criteria to be considered financial instruments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates

In preparing the Cottages and Hostels financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the year. Actual results could differ materially from these estimates.

3. FUTURE ACCOUNTING PRONOUNCEMENTS

The CICA has issued a new accounting framework applicable to not-for-profit organizations. Effective for fiscal years beginning on January 1, 2012, not-for-profit organizations will have to choose between International Financial Reporting Standards ("IFRS") and the accounting standards for not-for-profit organizations with accounting standards for private enterprises as the underlying framework, whichever suits them best. The Cottages and Hostels currently plans to adopt the new accounting standards for not-for-profit organizations for its fiscal year beginning on April 1, 2012; however, the impact of this transition has not yet been determined.

4. CAPITAL ASSETS

		2011		2010
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
	$	$	$	$
Land	262,365	-	262,365	262,365

	$	$
General Hospital Hostel Association		
Royal Bank of Canada 5.02% promissory note on land, building and equipment, with a net book value of $2,177,917, renewable on June 1, 2011, amortized to May 24, 2021, payable in blended monthly instalments of $7,447.	**712,996**	765,247
NLHC 4.31% first mortgage on land, building and equipment, with a net book value of $2,177,917, renewable on March 1, 2012, amortized to April 1, 2019, payable in blended monthly instalments of $13,455.	**1,102,358**	1,214,094
Eastern Regional Health Authority, prime minus 1.75% loan, secured by land and building with a net book value of $3,054,350, maturing April 1, 2023, amortized to April 1, 2023, payable in blended monthly instalments of $12,647.	**1,617,289**	1,735,562
Northwest Rotary - Janeway Hostel Corporation		
NLHC 3.16% first mortgage on land and building, with a net book value of $766,164, secured by an assignment of rents and leases, renewable on June 1, 2013, amortized to April 1, 2018, payable in blended monthly instalments of $7,743.	**589,315**	662,459
Lion's Manor Inc.		
NLHC 4.31% first mortgage on land and building, with a net book value of $1,297,779, renewable on April 2012, amortized to October 2023, repayable in blended monthly instalments of $7,011.	**817,831**	865,897
NLHC 4.31% first mortgage on land and building, with a net book value of $1,297,779, renewable on April 2012, amortized to December 2026, repayable in blended monthly instalments of $3,517.	**483,137**	504,199
TCRHB Housing Complex Inc.		
NLHC 4.31% first mortgage on land and building, with a net book value of $362,119, renewable on April 2012, amortized to December 2027, repayable in blended monthly instalments of $2,428.	**348,180**	362,118

7. LONG-TERM DEBT (Continued)

	2011	2010
	$	$
Golden Heights Manor Cottages		
NLHC 2.61% first mortgage on land and building with a net book value of $473,276, chattel mortgage on equipment and an assignment of rents, renewable on September 1, 2014, amortized to July 1, 2019, repayable in blended monthly instalments of $5,497.	493,834	546,233
Blue Crest Cottages		
NLHC 4.59% first mortgage on land and building with a net book value of $739,352, renewable on August 1, 2011 amortized to May 1, 2021, repayable in blended monthly instalments of $3,521.	343,366	369,345
NLHC 4.16% second mortgage on land and building, with a net book value of $739,352, renewable on December 1, 2011, amortized to December 1, 2021, repayable in blended monthly instalments of $4,218.	438,768	470,560
	6,947,074	7,495,714
Less: Current portion	2,934,157	548,937
	4,012,917	6,946,777

The principal repayments of long-term debt for the next five years and thereafter are as follows:

	$
2012	2,934,157
2013	589,239
2014	609,600
2015	632,805
2016	655,887
Thereafter	1,525,386

8. AGREEMENT WITH NEWFOUNDLAND AND LABRADOR HOUSING CORPORATION

Effective June 2, 1997 NLHC assumed responsibility for agreements previously administered by Canada Mortgage and Housing Corporation ("CMHC").

8. AGREEMENT WITH NEWFOUNDLAND AND LABRADOR HOUSING CORPORATION (Continued)

With respect to the NLHC mortgages disclosed in Note 7, Cottages and Hostels' has entered into an agreement for mortgage interest subsidization with NLHC. Under the agreement, Cottages and Hostels is also required to fund $14,850 per year for capital replacement, with the funds including accrued interest, to be deposited in either Government of Canada Bonds or a separate savings account. Cottages and Hostels is in compliance with this requirement.

9. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions include capital grants from Eastern Health, Department of Health and Community Services and restricted contributions received from NLHC for the purchase of capital assets. These contributions are deferred and amortized on a straight-line basis at a rate consistent with the amortization rate for the related asset purchased.

The changes in the deferred capital contributions balance for the year are as follows:

	2011	2010
	$	$
Balance, beginning of the year	**1,139,442**	1,215,000
Grants received	**96,862**	14,442
Amortization	**(123,814)**	(90,000)
Balance, end of the year	**1,112,490**	1,139,442

10. CHANGES TO NON-CASH OPERATING WORKING CAPITAL

	2011	2010
	$	$
Change in non-cash operating working capital		
Accounts receivable	**(65)**	14,053
Due (to) from Newfoundland & Labrador Housing Corporation	**(16,670)**	8,834
Prepaid expenses	**(6,214)**	7,317
Accounts payable and accrued liabilities	**(52,982)**	(18,934)
Due to Eastern Regional Health Authority	**210,840**	187,727
	134,909	198,997

11. RELATED PARTY TRANSACTIONS

The Cottages and Hostels' received $113,880 (2010 - $113,880) in rental revenue from Eastern Regional Health Authority ("Eastern Health").

Expenditures included $633,900 (2010 - $610,605) paid to Eastern Health for loan interest, administration fees, computer services, laundry services, maintenance and security services, insurance and miscellaneous expenses.

12. CAPITAL MANAGEMENT

The capital structure of the Cottages and Hostels' consists of its fund balances and long-term debt. The Cottages and Hostels' objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Cottages and Hostels is not subject to externally imposed capital requirements except for NLHC reserve requirements.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Cottages and Hostels has exposure to credit risk, interest rate risk and liquidity risk. The Eastern Regional Health Authority Board of Trustees has overall responsibility for the oversight of these risks and reviews the Cottages and Hostels policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below:

Credit risk

Credit risk is the risk of loss associated with a counter party's inability to fulfill its payment obligation. The Cottages and Hostels credit risk is primarily attributable to receivables. Management believes that the credit risk with respect to accounts receivable is not material.

Liquidity risk

Liquidity risk is the risk that the Cottages and Hostels will not be able to meet its financial obligations as they become due. As at March 31, 2011, the Cottages and Hostels had cash of $614,712.

To the extent that the Cottages and Hostels does not believe they have sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party funding or the Government, assuming these could be obtained.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (Continued)

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates and price risk will affect the Cottages and Hostels operations or the value of its financial instruments. The Cottages and Hostels is not subject to foreign exchange or price risk.

i. Interest rate risk

Long-term debt, with the exception of the debt payable to Eastern Regional Health Authority, bears a fixed interest rate and, consequently, the Cottages and Hostels cash flow exposure is not significant. Debt payable to Eastern Regional Health Authority bears interest at variable interest rates. Consequently, cash flow exposure exists but is not considered significant by management.

Fair value

The fair value of the Cottages and Hostels short-term financial instruments approximate the carrying value due to the short-term maturity and normal credit terms of those instruments.

Information concerning the fair value of long-term debt is presently not available.

Schedule 1

Independent Auditor's Report

To the Board of Trustees of
Eastern Regional Health Authority

We have audited the accompanying financial statements of Eastern Regional Health Authority – Operating Fund which comprise the statement of financial position as at March 31, 2011 and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Eastern Regional Health Authority – Operating Fund as at March 31, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. NATURE OF OPERATIONS

The Eastern Regional Health Authority ("Eastern Health" or "the Authority") is responsible for the governance of health services in the Eastern Region of Newfoundland and Labrador.

The mandate of Eastern Health spans the full health care continuum including primary and secondary level health and community services for the Eastern Region (Avalon, Bonavista and Burin Peninsulas, west to Port Blandford) as well as tertiary and other provincial programs/services for the entire Province. The Authority also has a mandate to work to improve the overall health of the population through its focus on public health as well as on health promotion and prevention initiatives. Services are both community and institutional based. In addition to the provision of comprehensive health care services, Eastern Health also provides education and research in partnership with all stakeholders.

Eastern Health is a registered charity and, while registered, is exempt from income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Authority has elected to use the exemption provided by the Canadian Institute of Chartered Accountants ("CICA") permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Authority for the year ended March 31, 2011. The Authority applies the requirements of Section 3861 of the CICA Handbook.

The financial statements of the Authority have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations. The more significant accounting policies of the Authority are as follows:

Basis of presentation

These financial statements include the assets, liabilities, revenues, and expenditures of the operating fund and the residents', clients' and patients' trusts.

The Authority administers trust funds on behalf of residents, clients and patients. These funds are the property of the individual residents, clients and patients.

As disclosed in Note 4, there are other entities that, while controlled by Eastern Health, are not consolidated as permitted under CICA Handbook Section 4450 "Reporting controlled and related entities for not-for-profit organizations". Summary financial information for entities that are not consolidated is provided in Note 4.

Fund accounting

The Authority applies fund accounting principles in recording its financial transactions in the operating fund or net investment in capital assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund accounting (continued)

The operating fund contains all the operating assets, liabilities, revenue and expenditures of the Authority related to the provision of health care services. The assets of the operating fund are available for the satisfaction of debts, contingent liabilities and commitments of the Authority.

The net investment in capital assets represents assets purchased for the use of the operating fund.

Revenue recognition

Provincial plan revenues are recognized in the period in which entitlement arises. MCP, inpatient, outpatient and resident revenues are recognized in the period services are provided. Revenue received for a future period is deferred until that future period and is recorded as deferred revenue. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Authority is funded by the Department of Health and Community Services (the "Department") for the total of its operating costs, after the deduction of specified revenue and expenditures, to the extent of the approved budget. The final amount to be received by the Authority for the 2011 fiscal year will not be determined until the Department has completed its review of the Authority's financial statements. Adjustments resulting from the Department's review and final position statements will be considered by the Authority and reflected in the year of assessment.

Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, net of any overdrafts.

Inventory

Inventory is valued at average cost, determined on a first-in first-out basis.

Capital assets

Capital assets are recorded at cost, although title to certain of these assets is held by the Government of Newfoundland and Labrador (the "Government" or the "Province"). Contributed capital assets are recorded at their estimated fair value at the date of contribution. Minor equipment purchases are charged to operations in the year of acquisition.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital assets (continued)

Amortization is calculated on the straight-line and declining balance bases at the rates set out below. It is expected that these rates will charge operations with the total cost of the assets less estimated salvage value over the useful life of the assets.

Buildings and improvements	2% - 5%
Equipment	6.5% - 20%
Equipment under capital leases	14.3% - 25%
Land improvements	10% - 20%

Gains and losses on disposal of individual assets are recognized in income in the year of disposal.

Construction in progress is not amortized until the project is substantially complete at which time the project costs are transferred to the appropriate asset class and amortized accordingly.

Impairment of long-lived assets

Long-lived assets are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. The amount of any impairment loss is determined as the excess of the carrying value of the asset over its fair value.

Capital and operating leases

A lease that transfers substantially all of the benefits and risks associated with ownership of property is accounted for as a capital lease. At the inception of a capital lease, an asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments and the asset's fair value. Assets acquired under capital leases are amortized on the same basis as other similar capital assets. All other leases are accounted for as operating leases and the payments are expensed.

Capital contributions

Capital contributions are recorded as deferred capital contributions and amortized to income on the same basis and using the same rates as the amortization related to the capital assets purchased. Capital contributions for capital assets that are not amortized are recorded as direct increases in net assets.

Accrued vacation pay

Vacation pay is accrued for all employees as entitlement is earned.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continual service with the Eastern Health or another public sector employer. Accordingly, no provision has been made for employees who have less than nine years of continual service. Severance is payable when the employee ceases employment with Eastern Health.

Pension costs

Employees of the Authority are members of the Public Service Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government. Contributions to the Plans are required from both the employees and the Authority. The annual contributions for pensions are recognized as a current expenditure and amounted to $38,745,593 for the year ended March 31, 2011 (2010 - $36,355,178).

Sinking funds

Sinking funds established for the retirement of debentures are held and administered in trust by the Government.

Contributed services

A substantial number of volunteers contribute a significant amount of their time each year to assist Eastern Health in carrying out its service delivery activities. Because of the difficulty in determining fair value, contributed services are not recognized in these financial statements.

Financial instruments

Financial assets and liabilities are classified according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. The fair value of a financial instrument is the estimated amount that received or paid to terminate the instrument's agreement at the reporting date. Various market value data and other valuation techniques are used, as appropriate, to estimate the fair value of each type of financial instrument.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial instruments (continued)

Financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash	Held for trading	Fair value
Accounts receivable	Loans and receivables	Amortized cost
Bank indebtedness	Other liabilities	Amortized cost
Accounts payable and accrued liabilities	Other liabilities	Amortized cost
Long-term debt	Other liabilities	Amortized cost

Other balance sheet accounts do not meet the criteria to be considered financial instruments.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditures during the year. Actual results could differ materially from these estimates.

3. FUTURE ACCOUNTING PRONOUNCEMENTS

The CICA has issued a new accounting framework applicable to Canadian government enterprises. Effective for fiscal years beginning on or after January 1, 2011, government enterprises are required to adopt accounting principles set forth by the Public Sector Accounting Board ("PSAB"). The Authority currently plans to adopt the new accounting standards for government enterprises for its fiscal year beginning April 1, 2011; however, the impact of this transition has not yet been determined.

4. NOT-FOR-PROFIT ENTITIES

The Health Care Foundation of St. John's Inc., Janeway Children's Hospital Foundation, Ever Green Environmental Corporation, Trinity-Conception-Placentia Health Foundation Inc., Burin Peninsula Health Care Foundation Inc., Discovery Health Foundation Inc. and the Dr. H. Bliss Murphy Cancer Care Foundation were formed to support Eastern Health by raising funds for the capital equipment needs of the Authority. The entities are incorporated under the Corporations Act of Newfoundland and Labrador and are registered charities under the Income Tax Act.

The Authority controls the General Hospital Hostel Association, Northwest Rotary-Janeway Hostel Corporation, Lions Manor Inc., TCRHB Housing Complex Inc., Blue Crest Cottages and Golden Heights Manor Cottages. These entities were established to provide accommodations for family members of patients and housing to senior citizens.

4. NOT-FOR-PROFIT ENTITIES (Continued)

Eastern Health has memoranda of understanding/governance agreements with the following nursing home owner/operators ("homes") in the region:

- Masonic Park – Nursing Home
- Saint Luke's Homes (A Division of Anglican Homes Inc.)
- St. Patrick's Mercy Home
- The Agnes Pratt Home
- The Salvation Army Glenbrook Lodge
- The Pentecostal Assemblies Benevolent Association of Newfoundland and Labrador – Clarke's Beach Seniors Citizen's Home

Eastern Health is responsible for policy direction, distribution of operating funds and capital grants, and providing certain services to homes, which are individually controlled entities. Ultimate ownership of assets and liabilities rests with the individual homes or the respective governing bodies.

4. NOT-FOR-PROFIT ENTITIES (Continued)

The above not-for-profit entities have not been consolidated in the Authority's financial statements, however, separate financial statements are available on request. Financial summaries of these non-consolidated entities as at March 31, 2011 and 2010 and for the years then ended are as follows (in thousands of dollars):

7. GENERAL HOSPITAL HOSTEL ASSOCIATION LOAN

The General Hospital Hostel Association loan is repayable to the Authority in monthly instalments of principal and interest of $12,647 at an interest rate of prime minus 1.75%. The loan matures April 2023, and is presented net of the current portion of $120,650.

8. BANK INDEBTEDNESS

The Authority has access to lines of credit totaling $64,000,000 in the form of revolving demand loans and/or bank overdrafts at its financial institution, of which $56,124,872 was unused as at March 31, 2011 (2010 - $64,000,000). The authority to borrow has been approved by the Province's Minister of Health and Community Services.

	130,328	134,078

A sinking fund, established for the retirement of the debenture is held in trust by the Government. The annual principal payment to the sinking fund is $747,500. The interest and mandatory debenture sinking fund payments are guaranteed by the Government.

Annual principal repayments to maturity are as follows:

	$
2012	2,417
2013	2,569
2014	1,946
2015	933
2016	746
Thereafter	132,387

(tabular amounts expressed in thousands of dollars)

10. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions represent the unamortized portion of restricted contributions, related to capital assets, which will be reported in revenue in future accounting periods. Deferred capital contributions are amortized on a basis and at a rate consistent with the amortization for the related capital asset purchased.

The changes in deferred capital contributions balance for the year are as follows:

	2011	2010
	$	$
Balance, beginning of the year	123,209	100,760
Grants received	54,371	39,550
Amortization	(17,961)	(17,101)
Balance, end of the year	159,619	123,209

11. CHANGES IN NON-CASH OPERATING WORKING CAPITAL

	2011	2010
	$	$
Accounts receivable	(18,854)	(18,925)
Supplies inventory	122	(5,118)
Prepaid expenses	(2,121)	(1,925)
Accounts payable and accrued liabilities	14,481	3,334
Accrued vacation pay	3,270	6,470
Deferred revenue - operating	(6,595)	(11,548)
Deferred capital grants	2,196	16,409
	(7,501)	(11,303)

12. CONTINGENCIES

Guarantees

The Authority has guaranteed a first mortgage and a term loan of the General Hospital Hostel Association (the "Association"). The balances outstanding at March 31, 2011 were $1,102,358 (2010 - $1,214,094) and $712,966 (2010 - $765,145), respectively.

In the opinion of management, the Authority will not be called upon to honour these guarantees.

(tabular amounts expressed in thousands of dollars)

12. CONTINGENCIES (Continued)

Legal claims

A number of claims have been filed against the Authority. An estimate of loss, if any, relative to these matters, is not determinable at this time and no provision has been recorded in the accounts for these matters. In the view of management, the Authority's insurance program adequately addresses the risk of loss in these matters.

13. COMMITMENTS

Operating leases

Under the terms of operating leases related to hospital and office equipment, the Authority is committed to make approximate annual lease payments to March 31, 2016 as follows:

	$
2012	11,927
2013	10,724
2014	10,872
2015	10,084
2016	9,805
	53,412

Energy performance contract

The Authority entered into an energy performance contract on August 11, 1998 for the design, implementation and monitoring of energy efficiency improvements. The cost of the contract was $5,605,094. Lump sum amounts aggregating $1,008,555 have been paid and recorded as deferred charges with the remaining balance of $4,596,439 being financed by the vendor. The deferred charge amount is being amortized at $103,442 annually for 9.75 years, while the payments to the vendor are $56,833 per month over a period of 9.75 years.

As at March 31, 2011 the outstanding balance of the financing through the vendor was $169,342. The Authority's obligation for payment is limited to actual cost savings as the vendor has guaranteed the reduction in operating costs would equal or exceed the costs incurred under the contract.

Funding for the contract is from operating savings and has been approved by the Province. The monthly payments and the amortization of the deferred charges relating to lump sum amounts under the contract are reported as an expense in the Authority's Statement of Operations.

(tabular amounts expressed in thousands of dollars)

14. RELATED PARTY TRANSACTIONS

Contributions to the Authority during the year are as follows:

	2011	2010
	$	$
Janeway Children's Hospital Foundation	1,771	463
Health Care Foundation of St. John's Inc.	1,765	1,326
Dr. H. Bliss Murphy Cancer Care Foundation	739	2,091
General Hospital Hostel Association	551	562

TCRHB Housing Complex Inc.	**32**	-
Discovery Health Care Foundation	**7**	43
Burin Peninsula Health Care Foundation	**5**	56
	5,575	5,079

At year end, the amounts due to nursing homes are as follows:

	2011	2010
	$	$
St. Patrick's Mercy Home	**1,021**	978
The Pentecostal Assemblies Benevolent Association of Newfoundland and Labrador - Clarke's Beach Senior Citizen's Home	**604**	617
The Agnes Pratt Home	**433**	658
Saint Luke's Homes	**407**	499
The Salvation Army Glenbrook Lodge	**329**	238
Masonic Park - Nursing Home	**16**	181
	2,810	3,171

14. RELATED PARTY TRANSACTIONS (Continued)

Other

Various volunteer and auxiliary associations/organizations solicit donations, operate gift shops and hostels and undertake fundraising activities to provide operating and capital donations to further the objectives of the Authority.

Transactions between these related parties are measured at their exchange value.

15. CAPITAL MANAGEMENT

The capital structure of the Authority consists of fund balances and long-term debt. The Authority's objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Authority is not subject to externally imposed capital requirements.

16. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Authority has exposure to credit risk, liquidity risk and interest risk. The Authority's Board of Directors has overall responsibility for the oversight of these risks and reviews the Authority's policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below:

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfil its payment obligation. The Authority's credit risk is primarily attributable to receivables. Management believes that the credit risk with respect to accounts receivable is not material.

Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet its financial obligations as they become due. As at March 31, 2011 the Authority was in a bank indebtedness position of $11,614,000 however, the Authority has an authorized credit facility totaling $64,000,000. To the extent that the Authority does not believe it has sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party funding or the Province, assuming these could be obtained.

17. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates and price risk will affect the Authority's operations or the value of its financial instruments. The Authority is not subject to foreign exchange or price risk.

i. Interest risk

Long-term debt principally bears fixed interest rates. The Authority does not consider its cash flow exposure significant.

Fair value

The fair value of the Authority's short-term financial instruments approximate the carrying value due to the short-term maturity and normal credit terms of those instruments.

Information to determine the fair value of long-term debt is presently not available.

AUDITOR'S REPORT

To the Board Members of:
Eastern School District

I have audited the non-consolidated - statement of financial position of the current and capital funds of the Eastern School District as at June 30, 2010 and the related non-consolidated - statement of operations, non-consolidated statement of cash flows and non-consolidated - statement of changes in capital fund for the year then ended. These financial statements are the responsibility of the District's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The accounting policy with respect to Teachers' Severance Pay is described in Note 2. Canadian generally accepted accounting principles require that all accounts receivable should be recorded and disclosed on the financial statements. The liability for Teachers' Severance Pay has been recorded but no offsetting receivable has been recorded. In this respect, these financial statements are not in accordance with Canadian generally accepted accounting principles. If the accounts receivable were recorded in accordance with Canadian generally accepted accounting principles, changes to the amounts reported for accounts receivable, revenue, and district equity would be necessary.

In my opinion, except for the effects of the failure to record accounts receivable as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Board as at June 30, 2010 and the results of its operations and changes in its capital financial position for the year then ended in accordance with Canadian generally accepted accounting principles and as explained in Note 1 to the financial statements and are in compliance with reporting requirements established for School Boards in the Province of Newfoundland and Labrador by the Department of Education.

August 27, 2010

Nature of Operations

The Eastern School District is responsible for the operations and maintenance of all schools in the Eastern portion of the Province of Newfoundland and Labrador. The District was formed August 31, 2004 after the Government of Newfoundland and Labrador dissolved four previous boards known as Vista School District, Burin School District, Avalon West School District, and Avalon East School District.

1. Significant Accounting Policies

These financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of accounting policies summarized below:

Fund Accounting

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self balancing group of accounts is provided for each fund." It is customary for School Boards to account separately for the current and capital funds. These financial statements include both the current and capital funds on a combined basis.

Common Controlled Entities and Schools (Non-Consolidated)

These financial statements are prepared on a Non-Consolidated basis.

These financial statements do not include school based financial activities which would consist of revenues, expenses and net assets controlled directly by school administration.

The District currently excercises control over corporations known as the Eastern Education Foundation Inc. and Newfoundland International Student Exchange Program Inc.

The net assets of the Eastern Education Foundation Inc. as at December 31, 2009 were $ 192,297 in accordance with the financial statements compiled by the Corporation. These amounts have not been consolidated with the Districts financial statements.

The net assets of the Newfoundland International Student Exchange Program Inc. (NISEP) as at June 30, 2010 are recorded in note 7 (accounts payable) of these financial statements. Net funds generated from this Corporation are to be used for specific purposes and will be recognized as revenue in the District's financial statements when approved by the NISEP Management Committee. The NISEP board has received a directive from the Government of Newfoundland and Labrador to wind up operations.

Revenue

The District's main source of funding is derived from the Government of Newfoundland and Labrador, Department of Education ("the Department"). The Department provides funding for operations, transportation, capital expenditures and teacher salaries and severance pay. Funding is included in revenue on the accrual basis and when the related expenditures have been incurred with the exception of funding for teacher severance pay which is recorded when the severance is paid to employees (see note 2). Funding designated for specific purposes is deferred and included in revenue when the related expenditures have been incurred.

1. Significant Accounting Policies (Cont'd)

Property, Plant and Equipment

Capital assets assumed by the District on August 31, 2004, as a result of legislation passed pursuant to the *Schools Act, 1997* and the *Education Act*, were recorded based on the Carrying Values shown on the audited financial statements of the predecessor entities.

Tangible capital assets are amortized using the straightline basis over their estimated useful lives, using the following rates:

Buildings	25-60 years
Furniture and equipment	10 years
Service vehicles	5 years
Buses	12 years
Miscellaneous	5 years

Consistent with provincial government accounting policies, the District capitalizes items purchased during the year that are in excess of $15,000.

Teachers' and Student Assistants' Payroll

The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies. The amounts recorded in the financial statements represent gross salaries and employee benefits as reported by the Department for the year.

Pension Costs

All permanent employees of the District are covered by pension plans administered by the Government of Newfoundland and Labrador. Contributions to these plans are required from both the employee and the District. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador and, as such, the employer contributions for pensions and other retirement benefits are recognized in the accounts on a current basis.

Cash Restricted - Other Employee Severance Pay Accrual

Consistant with government policy, the Board has in effect severance pay policies whereby employees are entitled to a severance payment upon leaving employment with the Board. Under these policies, a permanent employee who has nine (9) or more years of continuous service in the employ of the School Board is entitled to be paid on resignation, retirement, termination by reasons of disability, expiry of recall rights or, in the event of death, to the employee's estate, severance pay equal to the amount obtained by multiplying the number of completed years of continuous employment by his weekly salary to a maximum of twenty (20) weeks pay. This liability for severance pay has been accrued in the accounts for all employees who have a vested right to receive such payments.

The District records severance pay liability for employees other than teachers and has set aside sufficient funds to satisfy this liability in a separate bank account for this purpose.

Severance pay for teachers is paid directly to employees by the Department of Education.

Use of Accounting Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting periods. Actual results could differ from those estimates.

Long-Lived Assets

Long-lived assets are reviewed for impairment upon the occurance of events or changes in circumstances indicating that the value of the assets may not be recoverable.

2. Teachers' Severance Pay Benefits

Pursuant to a directive issued by the Department during fiscal 1998, the District recorded the severance pay liability for teachers in the District. The *Schools Act, 1997* specifies that salaries and other compensation for teachers are the responsibility of the Department. The District received written approval from the Minister of Education for the deficit arising from the Department's requirement for the teachers' severance.

The net change in the liability for the year ended is as follows:

	2010	2009
Balance, beginning of the year	$ 56,270,939	$ 51,912,995
Net change for the period	3,999,560	4,357,944
Balance, end of the year	$ 60,270,499	$ 56,270,939

3. Bond Coverage

At balance sheet date, the Insurance Division of Treasury Board carried fidelity bond coverage covering District employees in the amount of $300,000 per occurence.

4. Accounts Receivable

Current	2010	2009
11 131 Provincial Government	$ 1,991,594	$ 2,648,847
132 Transportation		
133 Federal Government		
134 Insurance		
138 Interest	9,077	5,022
139 Miscellaneous and travel advances	91,753	337,226
140 Goods and Service Tax Rebate	253,644	651,286
141 Other		
Capital		
11 231 Provincial Gov't -construction grants		
235 Other		
	$ 2,346,068	$ 3,642,381

5. Teachers' Vacation Pay

Pursuant to a directive issued by the Department during the fiscal year 2006, the District recorded the vacation pay liability for teachers in the District. The liability relates to teachers' salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Accordingly, the District has recorded teachers' vacation pay receivable of $ 36,366,539 at June 30, 2010, (2009 - $ 33,730,795).

6. Bank Indebtedness

The District had an authorized operating demand loan of $4,000,000, bearing interest at Royal Bank prime less 0.65% which was unused as at June 30, 2010 and June 30, 2009. In accordance with the *Schools Act, 1997*, the operating demand loan was supported by a letter of approval to borrow provided by the Minister of Education.

7. Accounts Payable and Accrued Liabilities

Current	2010	2009
21 111 Trade payables	$ 3,069,732	$ 4,780,520
112 Accrued liabilities	278,213	290,353
114 Wages	460,154	650,367

118 Other - Specify		
Vacation pay accrual - other employees	2,165,634	1,921,150
Eastern School District Trust Fund	599,227	581,897
Scholarship funds	128,680	124,850
N.I.S.E.P. due to a related corporation	686,670	678,853
Capital		
213 Accrued interest		
218 Other		
	$ 12,418,588	$ 14,409,966

8. Other Employee Benefits

	2010	2009
Unused pre-1985 sick leave	$ 405,128	$ 438,597

The District has recorded the obligation to pay certain employees at the termination of their employment for unused sick leave accumulated prior to January 1, 1985.

9. Investment in Capital Assets

	2010	2009
Investment in capital assets, beginning of the year	$175,459,520	$163,018,456
Add:		
Grants - contributions for capital construction	65,103,971	25,446,236
Proceeds from sale of capital assets		
Gain on sale of capital assets	4,697	
Recoveries of expenditures		
Insurance proceeds - capital	(27,469)	
Capital purchases out of revenue	60,065	317,497
Miscellaneous - E.I.T.F.		
School contributions		
Principal repayment paid with operating grants	1,679,923	1,723,798
	242,280,707	190,505,987
Deduct adjustments:		
Cost of assets disposed		
Land	200,000	
Pupil transportation vehicles		
Other		
Amortization of capital assets	14,673,442	15,046,467
Adjustment to carrying value of certain capital assets	(322,723)	
Doubtful Accounts		
	14,550,719	15,046,467
Investment in capital assets, end of the year	$227,729,988	$175,459,520

10. Obligation Under Capital Leases

The District had entered into a capital lease with Royal Bank of Canada to finance its Energy Performance capital expenditures (EPC). The lease was for $ 5,000,000 for 5 years including a purchase option of $2,750,000 which expired May 2008. During June 2008, the purchase option was refinanced for a period of 5 years with a purchase option of $1.

The District also entered into capital leases with the Royal Bank of Canada for various equipment purchases. The principal balance outstanding as at June 30, 2010 was $711,113 with a purchase option of $1.

Future minimum payments under these capital leases is as follows for the year ending in:

	Risographs	EPC	Copiers & Laptops	Total
2011	$ 94,283	$ 618,564	$ 220,193	$ 933,040
2012	40,495	618,564	220,193	879,252
2013	40,495	567,017	118,911	726,423
2014			27,098	27,098
	175,273	1,804,145	586,395	2,565,813
Less: amount representing interest	10,243	125,921	40,251	176,415
	165,030	1,678,224	546,144	2,389,398
Less: current portion	88,777	548,692	197,333	834,802
	$ 76,253	$ 1,129,532	$ 348,811	$ 1,554,596

Interest has been imputed at a rate of 4.89% for the EPC.
Interest has been imputed at various rates for the other leases.

11. Lease Commitments

The District has entered into a new three year premises lease effective June 1, 2010 for the following annual amounts, before HST: year 1 - $ 644,279: year 2 - $ 666,925 and year 3 - $ 689,571.

Furthermore, the District is committed under the terms of various equipment operating leases to make payments in the next four years approximately as follows:

2011	$ 37,087
2012	$ 37,087
2013	$ 37,087
2014	$ 24,725

12. Financial Instruments

The District's financial instruments consist of cash, short-term investments, accounts receivable, accounts payable, employee severance payable, employee benefits payable and long term obligations. It is management's opinion that the District is not exposed to significant interest rate risk, current or credit risks arising from these financial instruments.

The carrying value of the District's financial instruments, with the exception of long-term receivables, approximate fair values due to the short-term maturity and normal credit terms of those instruments. The long-term receivables balance does not approximate fair value as it is non-interest bearing.

13. Insurance Subsidy

The cost of insuring school properties is borne by the Provincial Government and no amount has been recorded in these accounts to reflect this cost.

14. Contingent Liabilities

Site restoration and remediation costs associated with school properties under the District are charged to operations as incurred. Estimated future site restoration and remediation costs have not been accrued in these financial statements since the obligation, if any, is presently not determinable. Such costs are normally funded by the Province.

The Board has a potential liability for accumulated sick leave to its employees in the amount of $13,188,272. This amount has not been included in the financial statements. The amount is calculated based on Board policy and on an interpretation of the agreement with unionized employees. Any payments to employees for sick leave is expensed in the period such payments are incurred.

15. Comparative Figures

Certain of the 2009 amounts have been reclassified to conform with the financial statement presentation adopted for 2010.

16. District Deficiency

The School District has an accumulated operating deficit of $ 61,462,683, consisting primarily of the teacher's severance pay accrual of $ 60,270,499, as required by the Provincial Government and as explained in notes 1 and 2.

	2010	2009
Deficit per Statement of Financial Position	$ 61,462,683	$ 58,202,072
Less: Teacher's Severance Pay Accrual	(60,270,499)	(56,270,939)
Net Accumulated Operating Deficit	$ 1,192,184	$ 1,931,133

To the Members of the Board of the

Egg Producers of Newfoundland and Labrador

We have audited the statement of financial position of the Egg Producers of Newfoundland and Labrador at December 31, 2010 and the statements of operations and surplus and cash flows for the year then ended.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Grant Thornton

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Egg Producers of Newfoundland and Labrador as at December 31, 2010, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Egg Producers of Newfoundland and Labrador
Notes to the Financial Statements
December 31, 2010

1. Nature of operations

The Organization, under the Province of Newfoundland and Labrador legislation, has a right and obligation to:

a) control the supply of eggs to meet consumer demand;
b) establish the minimum price for eggs at the farm gate level; and,
c) generally manage the production of eggs so that the price received by the producer is reflective of the cost of production while at the same time ensuring consistent supply, fair pricing and high quality for the product at the consumer level.

2. Summary of significant accounting policies

Use of estimates

In preparing the Organization's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

Assessment revenue

Assessment revenue is recognized as follows:

Producers - upon billing based on minimum production levels for allocated quotas.

Importers - when levy stamps are sold.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, and short term deposits with original maturities of three months or less. Bank borrowings are considered to be financing activities.

Short term investment

Short term investment consists of a term deposit cashable in full on the 15th day of each month and on the first and second anniversary of the issue date. Interest on the term deposit is recorded as earned.

Equipment

Depreciation on equipment is recorded using the declining balance method at the rate of 20% per annum for office furniture and equipment and 25% per annum for computer equipment.

2. Summary of significant accounting policies (cont'd.)

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Government assistance

The Organization receives financial assistance under available Government Incentive Programs. Government assistance relating to capital expenditures is recognized over the useful life of the capital assets. Government assistance relating to current expenses is recorded in the same period as the related expenses.

Financial instruments

CICA Handbook Section 3855, "Financial Instruments - Recognition and Measurement", requires the Organization to revalue all of its financial assets and liabilities at fair value.

This standard also requires the Organization to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale - measured at fair value with changes in fair value recognized in net assets for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

2. Summary of significant accounting policies (cont'd.)

In accordance with this standard, the Organization's financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Short term investment	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Payables and accruals	Other liabilities	Amortized cost

Other balance sheet accounts, such as prepaids, equipment, deferred government assistance and deferred capital contributions are not within the scope of this accounting standard as they are not financial instruments.

The financial instruments recognized at fair value above are considered to be Level 1 – valuation based on quoted prices observed in active markets for identical assets and liabilities.

Embedded derivatives are required to be separated and measured at fair values if certain criteria are met. The Organization does not currently have any significant embedded derivatives in its contracts that require separate accounting treatment.

The fair value of a financial instrument is the estimated amount that the Organization would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument various market value data and other valuation techniques were used as appropriate. The fair values of cash approximated its carrying value.

Accounting policies adopted during the year

Financial instrument disclosures

All financial instruments recognized at fair value must be classified in three fair value hierarchy levels, which are as follows:

Level 1 – valuation based on quoted prices observed in active markets for identical assets and liabilities;

Level 2 – valuation techniques based on inputs that are quoted prices of similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; inputs other than quoted prices used in a valuation model that are observable for those instruments; and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3 – valuation techniques with significant unobservable market inputs.

3. Risk management

The Organization's policy for managing significant risks includes policies, procedures and oversight designed to reduce the risks identified to an appropriate threshold. The Board of Directors is provided with timely and relevant reports on the management of significant risks. Significant risks managed by the Organization include liquidity and credit risks.

Liquidity risk

Liquidity risk is the risk that the Organization will be unable to meet its contractual obligations and financial liabilities. The Organization manages liquidity risk by monitoring its cash flows and ensuring that it has sufficient cash available to meet its obligations and liabilities.

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfill its payment obligations The Organization's credit risk is attributable to receivables. Management believes that the credit risk concentration with respect to financial instruments included in receivables is remote.

4. Capital management

The capital structure of the Organization consists of unrestricted surplus, a Levy Surplus Fund and a Provincial Levy Surplus Fund. The primary objective of the Organization's capital management is to provide adequate funding to ensure efficient operations.

The unrestricted funds are available for future operations and are preserved so the Organization can have financial flexibility in the future. The purposes of the Levy Surplus Fund and the Provincial Levy Surplus Fund have been described in Notes 9 and 10 to the financial statements respectively.

5. Cash and cash equivalents

Cash and cash equivalents include $34,241 (2009 - $34,241) of Levy Surplus Fund cash, and $86,767 (2009 - $65,733) of Provincial Variable Levy Fund cash.

	$	605,537	$	651,449

8. Credit facilities

The Organization has a letter of credit with the Bank of Montreal of $17,850 for the Egg Farmers of Canada.

9. Levy Surplus Fund

This Fund will be used to offset future years' adjustments to the Egg Farmers of Canada on marketings as well as other Board approved producer expenditures.

10. Provincial Variable Levy Fund		2010		2009
Balance, beginning of year	$	65,733	$	56,974
Charges to producers		177,703		176,014
Payments to producers		(156,669)		(167,255)
Balance, end of year	$	86,767	$	65,733

This Fund is a special provincial levy on producers to fund removal of surplus product.

11. Supplemental cash flow information

		2010		2009
Change in non-cash operating working capital				
Short term investment	$	(82,054)	$	78,985
Receivables		45,725		(234,322)
Prepaids		8,837		(10,502)
Payables and accruals		(45,912)		293,981
Deferred government assistance		(14,896)		(12,449)
	$	(88,300)	$	115,693

12. Commitments

The Board is committed to minimum annual vehicle lease payments for the next two years as follows:

2011 - $4,449; and 2012 – $741.

During the year, a new lease agreement on office premises was signed. Lease payments throughout the term are $2,563 per month and the lease expires June 2011.

13. Employee future benefits

The Board operates a defined contribution pension plan for full time employees. The assets of the plan are held separately from those of the Board in an independently administered fund. Contributions paid and expensed by the Board during the year totalled $3,657 (2009 - $6,053).

14. Budget figures

The 2010 and 2011 budget figures presented in the statement of income are figures provided by management and have not been audited. These figures are included for convenience of the reader only.

Auditors' Report

To the Members of the Board of Directors of
the Health Care Foundation

We have audited the statement of financial position of the Ever Green Environmental Corporation (the "Corporation") as at March 31, 2010 and the statements of operations and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Corporation derives certain of its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in the records of the Corporation and we were not able to determine whether any adjustments might be necessary to revenue, excess of expenditures over revenue, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the voluntary source revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. DESCRIPTION OF BUSINESS

Ever Green Environmental Corporation (the "Corporation") is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador. The Health Care Foundation governs the operations of the Corporation.

As a registered charity, the Corporation is exempt from income taxes and may issue charitable donation receipts.

2. CHANGES IN ACCOUNTING POLICIES

Effective April 1, 2009, the Corporation adopted the amendments issued by the Canadian Institute of Chartered Accountants ("CICA") for Section 1540 "Cash flow statement", Section 4400 "Financial statement presentation by not-for-profit organizations", Section 4430 "Capital assets held by not-for-profit organizations", Section 4460 "Disclosure of related party transactions by not-for-profit organizations" and Section 4470 "Disclosure of allocated expenses by not-for-profit organizations". The application of these standards did not have any impact on the financial statements of the Corporation.

3. ACCOUNTING POLICIES

The Corporation has elected to use the exemption provided by the CICA permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Corporation for the year ended March 31, 2010. The Corporation applies the requirements of Section 3861 of the CICA Handbook.

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations, the more significant of which are as follows:

Revenue recognition

The Corporation recognizes revenue as follows:

a) Service and product revenue is recognized when all significant contractual obligations are satisfied and collection is reasonably assured.
b) Grant revenue is recognized when related expenditures have been incurred.
c) Donations are recognized in the accounts of the Corporation in the year received.
d) Rent revenue is recognized in accordance with the terms of the lease agreement and when collection is reasonably assured.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash floats and deposits with banks, net of overdrafts.

3. ACCOUNTING POLICIES (Continued)

Inventories

Inventories are valued at the lower of cost and net realizable value.

Capital assets

Capital assets are recorded at cost and are amortized over their estimated useful lives at the following rates per annum:

Leasehold improvements	3 years, straight line
Motor vehicles	30%, declining balance
Equipment	20%, declining balance
Computer equipment	30%, declining balance
IT system	10%, declining balance
Building	5%, declining balance
Baler	10 years, straight line
Web site	3 years, straight line

Intangible assets

Intangible assets are recorded at cost and amortized on a straight-line basis over five years.

Financial instruments

Financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Term deposits	Held for trading	Fair value
Accounts receivables	Loans and receivables	Amortized cost
Accounts payable and accrued liabilities	Other liabilities	Amortized cost
Due to Eastern Regional Health Authority	Other liabilities	Amortized cost
Long-term debt	Other liabilities	Amortized cost

Other balance sheet accounts do not meet the criteria to be considered financial instruments.

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income at the same rates as amortization expense related to the capital assets purchased. Capital contributions for non-depreciable capital assets are recorded as direct increases in net assets.

3. ACCOUNTING POLICIES (Continued)

Use of estimates

In preparing the Corporation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reporting amounts of revenue and expenses during the year. Actual results could differ from these estimates.

4. CAPITAL ASSETS

	2010			2009	
	Cost	Accumulated Amortization	Net Book Value	Cost	Net Book Value
	$	$	$	$	$

EVER GREEN ENVIRONMENTAL CORPORATION
Notes to the Financial Statements
March 31, 2010

5. INTANGIBLE ASSETS (Continued)

Assets relating to the US patent are not yet ready for use and therefore have not been amortized in the current year.

6. DUE TO EASTERN REGIONAL HEALTH AUTHORITY

The balance due to Eastern Regional Health Authority is non-interest bearing with no payments required from April 2010 to March 2011. Repayments will resume in April 2011 to February 2014 at $9,444 per month with the last instalment of $4,758 due on maturity on March 31, 2014.

7. LONG-TERM DEBT

	2010	2009
	$	**$**
Atlantic Canada Opportunities Agency (ACOA) loan, non-interest bearing with principal payments of $1,000 per month from April 2010 to January 2011 and $3,833 per month thereafter.	**220,334**	203,167
Multi-Materials Stewardship Board (MMSB) term loan, non-interest bearing with principal repayments of $446 per month, maturing in 2015.	**26,760**	-
Bank of Nova Scotia term loan, prime plus 0.75%, repayable in monthly payments of $2,056 plus interest, matures in 2029 and is secured by land and building with a net book value of $1,582,436.	**327,829**	352,501
ACOA loan, no set terms of repayment	**15,887**	-
Bank of Nova Scotia term loan, repaid during the year	**-**	125,668
	590,810	681,336
Current portion	**47,691**	49,168
	543,119	632,168

7. LONG-TERM DEBT (Continued)

Annual principal repayments of long-term debt over the next five years are as follows:

	$
2011	47,691
2012	47,691
2013	76,024
2014	76,024
2015	76,024

8. SUPPLEMENTAL CASH FLOW INFORMATION

Restricted cash and cash equivalents

Cash and cash equivalents in the amount of $2,252 (2009 - $2,252) is restricted for various programs at the Waterford Hospital.

Change in non-cash operating working capital

	2010	2009
	$	$
Accounts receivable	80,885	(59,457)
Prepaid expense	(3,000)	(13,177)
Inventories	9,466	(4,959)
Accounts payable and accrued liabilities	(4,241)	163,145
Due to Eastern Regional Health Authority	(60,000)	-
Deferred revenue	-	(2,061)
	23,110	83,491
Interest paid	13,451	14,594

9. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions represent the unamortized portion of restricted contributions related to capital assets, which will be reported in revenue in future accounting periods. Deferred capital contributions are amortized on a basis and at a rate consistent with the amortization for the related capital asset purchased.

The changes in deferred capital contributions balance for the year are as follows:

	2010	2009
	$	$
Balance, beginning of the year	295,607	-
Grants received	5,000	300,000
Amortization	(25,880)	(4,393)
Balance, end of the year	274,727	295,607

10. COMMITMENTS

The Corporation has entered into commitments for the lease of space, which will result in the following future expenditures:

	$
2011	104,433
2012	33,589
2013	14,063

11. BANK INDEBTEDNESS

The Corporation has access to lines of credit totaling $150,000 in the form of revolving demand loans and/or bank overdrafts at its financial institution. These lines of credit remained unused at March 31, 2010 and bear interest at the rate of prime plus 1.5%.

12. CAPITAL MANAGEMENT

The capital structure of the Corporation consists of net assets and long-term debt. The Corporation's objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Corporation is not subject to externally imposed capital requirements, other than those disclosed in Note 8.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Corporation has exposure to credit, liquidity and market risk. The Corporation's Board of Directors has overall responsibility for the oversight of these risks and reviews the Corporation's policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below:

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfill its payment obligation. The Corporation's credit risk is primarily attributable to receivables, cash and cash equivalents and term deposits. Management believes that the credit risk with respect to accounts receivable is not material.

The Corporation's cash and cash equivalents and term deposits are distributed among bank and investment accounts. The Corporation does not expect any liquidity issues or credit losses on those instruments.

Liquidity risk

Liquidity risk is the risk that the Corporation will not be able to meet its financial obligations as they become due. As at March 31, 2010 the Corporation had cash and term deposits of $484,149.

To the extent the Corporation does not believe it has sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party funding, assuming this could be obtained.

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates and price risk will affect the Corporation's excess of expenditures over revenues or the value of its financial instruments. The Corporation is not subject to foreign exchange.

i) Interest rate risk

The Corporation's term deposits and certain long-term debt bear interest. The cash flow exposure of interest rate risk is not significant.

ii) Price risk

The prices of the Corporation's fibre purchases and fibre sales are exposed to fluctuations in the quoted commodity price depending on general market conditions.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (Continued)

Fair value

The fair value of the Corporation's financial instruments, with the exception of the amounts due to Eastern Regional Health Authority and the long-term debt, approximate their carrying values due to the short-term maturity and normal credit terms of the instruments. The amount due to Eastern Regional Health Authority and the ACOA loans are non-interest bearing and, therefore, do not reflect fair value. The Bank of Nova Scotia term loan is considered to approximate fair value.

Independent Auditor's Report

To the Members of the Board of Directors of
the Health Care Foundation

We have audited the accompanying financial statements of the Ever Green Environmental Corporation (the "Corporation"), which comprise the statement of financial position as at March 31, 2011, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

The Corporation derives revenue from donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Corporation and we were not able to determine whether any adjustments might be necessary to revenues, excess of expenditures over revenues, assets and net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Ever Green Environmental Corporation as at March 31, 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. DESCRIPTION OF BUSINESS

Ever Green Environmental Corporation (the "Corporation") is a registered charitable organization incorporated to raise funds for public awareness and provide programs and services for mental health clients in Newfoundland and Labrador. The Health Care Foundation governs the operations of the Corporation.

As a registered charity, the Corporation is exempt from income taxes and may issue charitable donation receipts.

2. ACCOUNTING POLICIES

The Corporation has elected to use the exemption provided by the Canadian Institute of Chartered Accountants ("CICA") permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Corporation for the year ended March 31, 2011. The Corporation applies the requirements of Section 3861 of the CICA Handbook.

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations, the more significant of which are as follows:

Revenue recognition

The Corporation recognizes revenue as follows:

a) Service and product revenue is recognized when all significant contractual obligations are satisfied and collection is reasonably assured.
b) Grant revenue is recognized when related expenditures have been incurred.
c) Donations are recognized in the accounts of the Corporation in the year received.
d) Rent revenue is recognized in accordance with the terms of the lease agreement and when collection is reasonably assured.

Inventories

Inventories are valued at the lower of cost and net realizable value.

2. ACCOUNTING POLICIES (Continued)

Capital assets

Capital assets are recorded at cost and are amortized over their estimated useful lives at the following rates per annum:

Leasehold improvements	Term of lease
Motor vehicles	30%, declining balance
Equipment	20%, declining balance
Computer equipment	30%, declining balance
IT system	10%, declining balance
Building	5%, declining balance
Baler	10 years, straight line
Web site	3 years, straight line

Intangible assets

Intangible assets are recorded at cost and amortized on a straight-line basis over five years.

Financial instruments

Financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash	Held for trading	Fair value
Term deposits	Held for trading	Fair value
Accounts receivables	Loans and receivables	Amortized cost
Accounts payable and accrued liabilities	Other liabilities	Amortized cost
Due to Eastern Regional Health Authority	Other liabilities	Amortized cost
Long-term debt	Other liabilities	Amortized cost

Other balance sheet accounts do not meet the criteria to be considered financial instruments.

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income at the same rates as amortization expense related to the capital assets purchased. Capital contributions for non-depreciable capital assets are recorded as direct increases in net assets.

Use of estimates

In preparing the Corporation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reporting amounts of revenue and expenses during the year. Actual results could differ from these estimates.

3. FUTURE ACCOUNTING PRONOUNCEMENTS

The CICA has issued a new accounting framework applicable to Canadian not-for-profit organizations. Effective for fiscal years beginning on or after January 1, 2012, not-for-profit organizations will have to choose between International Financial Reporting Standards ("IFRS") and the accounting standards for not-for-profit organizations with accounting standards for private enterprises as the underlying framework, whichever suits them best. Early adoption of these standards is permitted. The Corporation currently plans to adopt the new accounting standards for not-for-profit organizations for its fiscal year beginning on April 1, 2012. The impact of this transition has not yet been determined.

4. CAPITAL ASSETS

	2011			2010

7. LONG-TERM DEBT (Continued)

Annual principal repayments of long-term debt over the next five years are as follows:

	$
2012	**76,024**
2013	**76,024**
2014	**76,024**
2015	**76,024**
2016	**70,672**
Thereafter	**176,487**

8. SUPPLEMENTAL CASH FLOW INFORMATION

Restricted cash

Cash in the amount of $2,414 (2010 - $2,252) is restricted for various programs at the Waterford Hospital.

Change in non-cash operating working capital

	2011	2010
	$	$
Accounts receivable	**32,047**	80,885
Prepaid expense	**8,422**	(3,000)
Inventories	**(4,633)**	9,466
Accounts payable and accrued liabilities	**(2,738)**	(4,241)
	33,098	83,110
Interest paid	**9,887**	13,451

9. DEFERRED CAPITAL CONTRIBUTIONS

Deferred capital contributions represent the unamortized portion of restricted contributions related to capital assets, which will be reported in revenue in future accounting periods. Deferred capital contributions are amortized on a basis and at a rate consistent with the amortization for the related capital asset purchased.

The changes in deferred capital contributions balance for the year are as follows:

	2011	2010
	$	$
Balance, beginning of the year	**274,727**	295,607
Grants received	**-**	5,000
Amortization	**(24,520)**	(25,880)
Balance, end of the year	**250,207**	274,727

10. COMMITMENTS

The Corporation has entered into commitments for the lease of space, which will result in the following future expenditures:

	$
2012	**104,658**
2013	**14,063**

11. CREDIT FACILITY

The Corporation has access to lines of credit totaling $150,000 in the form of revolving demand loans and/or bank overdrafts at its financial institution. These lines of credit remained unused at March 31, 2011 (2010 - $Nil) and bear interest at the rate of prime plus 1.5%.

12. CAPITAL MANAGEMENT

The capital structure of the Corporation consists of net assets and long-term debt. The Corporation's objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Corporation is not subject to externally imposed capital requirements, other than those disclosed in Note 8.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Corporation has exposure to credit, liquidity and market risk. The Corporation's Board of Directors has overall responsibility for the oversight of these risks and reviews the Corporation's policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below:

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfill its payment obligation. The Corporation's credit risk is primarily attributable to receivables, cash and term deposits. Management believes that the credit risk with respect to accounts receivable is not material.

The Corporation's cash and term deposits are distributed among bank and investment accounts. The Corporation does not expect any liquidity issues or credit losses on those instruments.

Liquidity risk

Liquidity risk is the risk that the Corporation will not be able to meet its financial obligations as they become due. As at March 31, 2011 the Corporation had cash and term deposits of $561,947.

To the extent the Corporation does not believe it has sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party funding, assuming this could be obtained.

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates and price risk will affect the Corporation's excess of expenditures over revenues or the value of its financial instruments. The Corporation is not subject to foreign exchange risk.

i) Interest rate risk

The Corporation's term deposits and certain long-term debt bear interest at variable rates. The cash flow exposure of interest rate risk is not significant.

ii) Price risk

The prices of the Corporation's fibre purchases and fibre sales are exposed to fluctuations in the quoted commodity price depending on general market conditions.

13. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (Continued)

Fair value

The fair value of the Corporation's financial instruments, with the exception of the amounts due to Eastern Regional Health Authority and the long-term debt, approximate their carrying values due to the short-term maturity and normal credit terms of the instruments. The amount due to Eastern Regional Health Authority and the ACOA loans are non-interest bearing and, therefore, do not reflect fair value. The Bank of Nova Scotia term loan is considered to approximate fair value.

14. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform to the current year's presentation.

Auditors' Report

To the Directors of
Janeway Children's Hospital Foundation

We have audited the combined funds statement of financial position of the Janeway Children's Hospital Foundation as at March 31, 2010 and the combined funds statements of operations, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the Foundation derives its revenue from the general public in the form of donations and other fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of revenues referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1. NATURE OF OPERATIONS

The Janeway Children's Hospital Foundation (the "Foundation") is a registered charitable organization created to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research directly related to the health and welfare of Newfoundland and Labrador children, while promoting public awareness of these needs.

As a registered charity, the Foundation is exempt from income tax and may issue charitable donation receipts.

2. CHANGES IN ACCOUNTING POLICIES

Effective April 1, 2009, the Foundation adopted the amendments issued by the Canadian Institute of Chartered Accountants ("CICA") section 1540 "Cash flow statement", section 4400 "Financial statement presentation by not-for-profit organizations", section 4430 "Capital assets held by not-for-profit organizations", section 4460 "Disclosure of related party transactions by not-for-profit organizations", and Section 4470 "Disclosure of allocated expenses by not-for-profit organizations". The application of these standards had no impact on the financial statements of the Foundation.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Foundation has elected to use the exemption provided by the CICA permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Foundation for the year ended March 31, 2010. The Foundation applies the requirements of Section 3861 of the CICA Handbook.

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations, the more significant which are as follows:

Fund accounting

The Foundation applies the restricted fund method of accounting for contributions.

The General Fund contains all of the operating assets, liabilities, revenue and expenditures of the Foundation related to the organization's mandate to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research.

The In-Memoriam Fund represents donations received from donors for a designated purpose. These donations are held in bank accounts or invested until disbursed for specific projects.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund accounting (continued)

The Endowment Fund represents donations received from donors specifically for the Little Red Wagon Endowment Fund along with any bequests and in-memoriam donations that have not been designated for a specific purpose. These donations are held in bank accounts and are disbursed based on recommendations from the Board.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received. Contributions received for expenditures for a future period are deferred and recognized as revenue when the expenditure is incurred. All other revenues are recognized as earned and when collectability is reasonably assured.

In-kind contributions are recorded when fair value is determinable.

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income on the same basis as the amortization expense related to the capital assets purchased. Capital contributions for capital assets that are not amortized are recorded as direct increases in net assets.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short-term investments with maturities of three months or less.

Capital assets

Capital assets, which consist of equipment, are recorded at cost and amortized on a straight-line basis over five years.

Vacation pay and other benefits

Vacation pay and other benefits are recorded in the accounts of the Foundation on the accrual basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels for employees who have a vested right to receive such a payment. No provision for severance pay is recorded for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Pension costs

Employees of the Foundation are members of the Public Service Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government of Newfoundland and Labrador. Contributions to the Plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis and amounted to $16,467 for the year ended March 31, 2010 (2009 - $17,925).

Financial instruments

The Foundation's financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Investments	Held for trading	Fair value
Receivables	Receivables	Amortized cost
Payables and accruals, due to Eastern Regional Health Authority	Other liabilities	Amortized cost

The Foundation has determined that it does not have derivatives or embedded derivatives.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditure during the year. Actual results could differ from these estimates.

4. INVESTMENTS

	2010	2009
	$	$
Guaranteed investment certificate, due May 9, 2010, bearing interest at 4.0%	**269,317**	258,959

7. SUPPLEMENTAL CASH FLOW INFORMATION

Changes in non-cash operating working capital

	2010	2009
	$	$
Receivables	(31,602)	(2,951)
Prepaid expenses	59,409	(69,053)
Payables and accruals	8,957	(14,675)
Due to Eastern Regional Health Authority	(26,390)	20,645
	10,374	(66,034)

8. RELATED PARTY TRANSACTIONS

Transactions between the Foundation and Eastern Regional Health Authority ("Eastern Health") are measured at their exchange value.

9. COMMITMENTS

During the year, the Foundation committed to disburse $1,800,000 (2009 - $1,230,000) to Eastern Health to benefit the Janeway Children's Health and Rehabilitation Centre, depending on the financial results of the Foundation for the year. During the year, $514,689 (2009 - $1,275,864) of current and previously committed funds were disbursed. The outstanding commitments from the current and prior years of approximately $3,550,503 relating to capital equipment and research are expected to be disbursed in future fiscal years of the Foundation.

10. CAPITAL MANAGEMENT

The capital structure of the Foundation consists of net assets. The Foundation's objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Foundation is not subject to externally imposed capital requirements.

11. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Foundation has exposure to credit risk, liquidity risk and market risk. The Foundation's Board of Directors has overall responsibility for the oversight of these risks and reviews the Foundation's policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below.

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfil its payment obligation. The Foundation's credit risk is primarily attributable to receivables, cash, and investments. Management believes that the credit risk with respect to receivables is not material. The Foundation's cash and investments are distributed among bank and investments accounts. The Foundation does not expect any liquidity issues or credit losses on these instruments.

Liquidity risk

Liquidity risk is the risk that the Foundation will not be able to meet its financial obligations as they become due. As at March 31, 2010 the Foundation had cash and cash equivalents of $1,305,459 available in the general fund.

To the extent that the Foundation does not believe that it has sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party financing, assuming this can be obtained.

11. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (Continued)

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates, and price risk will affect the Foundation's net earnings or the value of its financial instruments. The Foundation is not subject to foreign exchange risk.

(i) Interest rate risk

The Foundation's investments bear interest at fixed rates. Consequently, the cash flow exposure to interest rate risk is not significant.

(ii) Price risk

The value of the Foundation's managed money portfolio and shares are exposed to fluctuations in the quoted market price depending on a number of factors, including general market conditions, and company specific operating performance.

Fair value

The fair value of the Foundation's financial instruments approximate the carrying value due to the short-term maturity and normal credit terms of those instruments, except for investments which are recorded based on quoted market value.

12. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform to the current year's presentation.

Independent Auditor's Report

To the Directors of the
Janeway Children's Hospital Foundation

We have audited the accompanying financial statements of the Janeway Children's Hospital Foundation, which comprise the combined funds statement of financial position as at March 31, 2011, and the combined funds statement of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

The Foundation derives revenue from donations and other fundraising revenues, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenditure, assets and net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Janeway Children's Hospital Foundation as at March 31, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

JANEWAY CHILDREN'S HOSPITAL FOUNDATION
Notes to the Combined Funds Financial Statements
March 31, 2011

1. NATURE OF OPERATIONS

The Janeway Children's Hospital Foundation (the "Foundation") is a registered charitable organization created to raise funds to meet the financial needs of the Janeway Children's Health and Rehabilitation Centre for capital projects, equipment, programs and research directly related to the health and welfare of Newfoundland and Labrador children, while promoting public awareness of these needs.

As a registered charity, the Foundation is exempt from income taxes and may issue charitable donation receipts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Foundation has elected to use the exemption provided by the Canadian Institute of Chartered Accountants ("CICA") permitting not-for-profit organizations not to apply Sections 3862 and 3863 of the CICA Handbook which would otherwise have applied to the financial statements of the Foundation for the year ended March 31, 2011. The Foundation applies the requirements of Section 3861 of the CICA Handbook.

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations, the more significant of which are as follows:

Fund accounting

The Foundation applies the restricted fund method of accounting for contributions.

The General Fund contains all of the operating assets, liabilities, revenue and expenditure of the Foundation related to the organization's mandate to raise funds for the Janeway Children's Health and Rehabilitation Centre.

The In-Memoriam Fund represents donations received for designated purposes. These donations are held in bank accounts or invested until disbursed.

The Endowment Fund represents donations received for the Little Red Wagon Endowment Fund along with any bequests and in-memoriam donations that have not been designated for a specific purpose. These donations are held in bank accounts and are disbursed based on recommendations of the Board.

Revenue recognition

Revenue from donations is recognized in the accounts of the Foundation in the year in which it is received. Contributions received for expenditures for a future period are deferred and recognized as revenue when the expenditure is incurred. All other revenues are recognized as earned when collectability is reasonably assured.

In-kind contributions are recorded when fair value can be reasonably estimated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital contributions

Capital contributions are recorded as deferred contributions and amortized to income on the same basis as the amortization expense related to the capital assets purchased. Capital contributions for capital assets that are not amortized are recorded as direct increases in net assets.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short-term investments with maturities of three months or less.

Capital assets

Capital assets, which consist of equipment, are recorded at cost and amortized on a straight-line basis over five years.

Vacation pay and other benefits

Vacation pay and other benefits are recorded in the accounts of the Foundation on the accrual basis.

Severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels for employees who have a vested right to receive such a payment. No provision for severance pay is recorded for any employee who does not have a vested right to the payment. The amount is payable when the employee ceases employment with the Foundation.

Pension costs

Employees of the Foundation are members of the Public Service Pension Plan and the Government Money Purchase Plan (the "Plans") administered by the Government of Newfoundland and Labrador. Contributions to the Plans are required from both the employees and the Foundation. The annual contributions for pensions are recognized in the accounts on a current basis and amounted to $16,368 for the year ended March 31, 2011 (2010 - $16,467).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial instruments

The Foundation's financial assets and liabilities are generally classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Investments	Held for trading	Fair value
Receivables	Loans and receivables	Amortized cost
Due from Eastern Regional Health Authority	Loans and receivables	Amortized cost
Payables and accruals, due to Eastern Regional Health Authority	Other liabilities	Amortized cost

The Foundation has determined that it does not have derivatives or embedded derivatives.

Use of estimates

In preparing the Foundation's financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenditure during the year. Actual results could differ from these estimates.

3. FUTURE ACCOUNTING PRONOUNCEMENT

New accounting framework

The CICA has issued a new accounting framework applicable to Canadian not-for-profit organizations. Effective for fiscal years beginning on or after January 1, 2012, not-for-profit organizations will have to choose between International Financial Reporting Standards ("IFRS") and the accounting standards for not-for-profit organizations with accounting standards for private enterprises as the underlying framework, whichever suits them best. The Foundation currently plans to adopt the new accounting standards for not-for-profit organizations for its fiscal year beginning on April 1, 2012. The impact of this transition has not yet been determined.

4. INVESTMENTS

	2011	2010
	$	$
Guaranteed investment certificate, due November 27, 2011, bearing interest at 4.32%	**662,620**	635,180

Due to Eastern Regional Health Authority	**856,497**	(26,390)
	802,358	10,374

7. RELATED PARTY TRANSACTIONS

Transactions between the Foundation and Eastern Regional Health Authority ("Eastern Health") are measured at their exchange value.

8. COMMITMENTS

During the year, the Foundation committed to disburse $1,050,000 (2010 - $1,800,000) to Eastern Health to benefit the Janeway Children's Health and Rehabilitation Centre, depending on the financial results of the Foundation for the year. During the year, $1,741,399 (2010 - $514,689) of current and previously committed funds were disbursed. The outstanding commitments from the current and prior years of approximately $4,148,932 relating to capital equipment and research are expected to be disbursed in future fiscal years of the Foundation.

9. CAPITAL MANAGEMENT

The capital structure of the Foundation consists of net assets. The Foundation's objective when managing capital is to ensure it maintains adequate capital to support its continued operations.

The Foundation is not subject to externally imposed capital requirements.

10. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

Financial risk factors

The Foundation has exposure to credit risk, liquidity risk and market risk. The Foundation's Board of Directors has overall responsibility for the oversight of these risks and reviews the Foundation's policies on an ongoing basis to ensure that these risks are appropriately managed. The source of risk exposure and how each is managed is outlined below.

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfil its payment obligation. The Foundation's credit risk is primarily attributable to cash, investments and receivables. The Foundation's cash and investments are distributed among bank and investments accounts. The Foundation does not expect any liquidity issues or credit losses on these instruments. Management believes that the credit risk with respect to receivables is not material.

Liquidity risk

Liquidity risk is the risk that the Foundation will not be able to meet its financial obligations as they become due. As at March 31, 2011 the Foundation had cash and cash equivalents of $604,462 available in the General Fund.

10. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (Continued)

Liquidity risk (continued)

To the extent that the Foundation does not believe that it has sufficient liquidity to meet current obligations, consideration will be given to obtaining additional funds through third party financing, assuming this can be obtained.

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates, and price risk will affect the Foundation's net earnings or the value of its financial instruments. The Foundation is not subject to foreign exchange risk.

(i) Interest rate risk

The Foundation's investments bear interest at fixed rates. Consequently, the cash flow exposure to interest rate risk is not significant.

(ii) Price risk

The value of the Foundation's managed money portfolio is exposed to fluctuations in the quoted market price depending on a number of factors, including general market conditions, and company specific operating performance.

Fair value

The fair value of the Foundation's financial instruments approximate the carrying value due to the short-term maturity and normal credit terms of those instruments. Investments are recorded at fair value based on quoted market value.

11. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform to the current year's presentation.

Independent Auditor's Report

To the Trustees of
Labrador – Grenfell Regional Health Authority

We have audited the accompanying consolidated financial statements of Labrador – Grenfell Regional Health Authority which comprise the Consolidated Statement of Financial Position as at March 31, 2011, and the Consolidated Statement of Changes in Net Assets, Statement of Revenues and Expenses and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Labrador – Grenfell Regional Health Authority as at March 31, 2011 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

1. NATURE OF OPERATIONS

The Labrador - Grenfell Health Regional Authority (the Authority) is incorporated under the Regional Health Authorities Act of Newfoundland and Labrador.

The Authority manages and operates all health facilities, services and programs in Northern Newfoundland and all of Labrador.

The Authority manages and controls the operations of the following facilities:

Labrador Health Centre, Happy Valley-Goose Bay
Harry L. Paddon Memorial Home, Happy Valley - Goose Bay
Captain William Jackman Memorial Hospital, Labrador City
Charles S. Curtis Memorial Hospital, St. Anthony
John M. Gray Centre, St. Anthony
St. Anthony Interfaith Home Apartment Complexes, St. Anthony

and all medical clinics, nursing stations, community health centres, facilities programs and services in the geographic area.

The operations of the Authority are primarily funded by the Government of Newfoundland and Labrador (the Government).

The Authority is a registered charity under the Income Tax Act of Canada and is exempt from from income taxes.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Basis of Presentation

These consolidated financial statements include the assets, liabilities, revenues, and expenses of the Authority's operarting fund, the 12 Unit Cottage Complex, the 20 Unit Cottage complex project and the Grenfell Foundation Inc.

Fund Accounting

The Authority applies fund accounting principles in recording its financial transactions in the operating fund, net investment in capital assets, the 12 Unit Cottage Complex, 20 Unit Cottage Complex and the Grenfell Foundation Inc.

The Operating fund contains all the operating assets, liabilities, revenues and expenses of the Authority related to the provision of health care services. The assets of the Operating Fund are available for the satisfaction of debts, contingent liabilities and commitments of the Authority.

The Net investment in capital assets represents assets purchased for the use of the Operating Fund.

Assets, liabilities, revenues and expenses related to other operations are reported in the financial statements of the 12 Unit Cottage Complex, 20 Unit Cottage Complex and the Grenfell Foundation Inc.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Provincial plan revenues are recognized in the period in which entitlement arises. Revenue from MCP physician services, inpatient, outpatient, long term residents and community based services are recognized in the period services are provided. Revenue received for a future period is deferred until that future period and is recorded as deferred revenue.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue, when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions related to capital assets are deferred and amortized to revenue at the same rates by which the related capital assets are amortized.

Inventories

Inventories consist of medical, surgical, general supplies, fuel oil, aircraft parts and pharmaceuticals.

Medical, surgical and general supplies are valued at the lower of cost, determined on an average cost basis and net realizable value.

Fuel oil, aircraft parts and drugs are valued at the lower of cost, determined on a first-in, first-out basis and net realizable value.

Capital Assets

The Authority has control over certain land, buildings and equipment, with the title resting with the Government and consequently these assets are not recorded under capital assets.

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution.

Capital assets are being amortized on a declining balance basis over their estimated useful lives at the following rates:

Land improvements	20%
Buildings	5%
Leasehold improvements	5%
Equipment and vehicles	20%
Artwork	Not amortized

Replacement Reserve

Newfoundland and Labrador Housing Corporation (NLHC) requires that not-for-profit housing groups maintain a Replacement Reserve Fund which is to be used to fund major maintenance and the purchase of capital assets. These funds may be used as approved by NLHC. Withdrawals are charged to interest first and then principal.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Severance Pay

The liability for severance pay is recorded in the accounts for all employees who have a vested right to receive such a payment. No provision for the ultimate severance pay liability is made in the accounts for any employees who has less than nine years of continual service.

Pension and Other Post Employment Benefits

Employees of the Authority are included in the Public Service Pension Plan and the Government Money Purchase Plan administered by the Government. The Government also provides for the continuation of certain dental and medical benefits for retirees. Contributions to the plans are required from both the employees and the Authority. The annual contributions for pensions and other post employment benefits are recognized in the accounts on a current basis and amounted to $5,044,548 for the current year (2010 -$4,672,498).

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Financial instruments

Financial asset and liabilities are classified according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. The fair value of a financial instrument is the estimated amount that would be received or would be paid to terminate the instruments agreement at the reporting date. Various market value data and other valuation techniques are used as appropriate to estimate the fair value of each type of financial instrument.

Financial instruments and liabilities are generally classified and measured as follows:

Assets/Liability	Classification	Measurement
Cash	Held for trading	Fair value
Accounts receivable	Loans and receivables	Amortized cost
Bank indebtedness	Other liabilities	Amortized cost
Accounts payable and accrued liabilities	Other liabilities	Amortized cost
Long term debt	Other liabilities	Amortized cost

Other balance sheet accounts do not meet the criteria to be considered financial instruments.

3. CONTROL OF NOT-FOR-PROFITS

The Authority controls the Grenfell Healthcare Foundation Inc. which raises funds for capital equipment needs for the Authority. The foundation is incorporated under the Corporations Act of Newfoundland and Labrador and is a registered charity under the Income Tax Act.

The Authority also controls the St. Anthony 12 Unit Cottage Complex and the St. Anthony 20 Unit Cottage Complex. These complexes were established to provide accommodations for family members of patients and housing to senior citizens.

4. RESTRICTED CASH

	2011	2010
	$	$
Cash is currently restricted to fund the following items:		
Deferred contributions - special purpose funds	602,325	700,299

	87,184,215	59,225,368	27,958,847	26,519,861

7. BANK INDEBTEDNESS

The Authority has access to a $15 million line of credit in the form of a revolving demand loan bearing interest at prime with the Royal Bank of Canada. The line of credit has been approved by the Minister of Health and Community Services. In addition, this line of credit carries a Province of Newfoundland and Labrador guarantee for $5 million up to $15 million with the first $10 million being unsecured.

At March 31, 2011 the balance owing was $ Nil.

8. REPLACEMENT RESERVE

	2011	2010
	$	$
Balance, beginning of year	89,635	78,992
Add:

Replacement reserve funds	32,735	22,335
Due from Newfoundland and Labrador Housing Corporation for replacement reserve	67,036	67,300
	99,771	89,635

9. LONG-TERM DEBT

	2011	2010
	$	$
Canada Mortgage Housing Corporation		
10%, first mortgage on land and building of Harry L. Paddon Memorial Home, repayable $11,245 monthly, interest included, and maturing November 2029.	1,156,517	1,176,381
Newfoundland and Labrador Housing Corporation		
2.860% first mortgage on land and building of 20 unit apartment complex, repayable $6,357 monthly, interest included, and maturing January 2019.	550,189	612,032
4.31% first mortgage on land and building of 12 unit apartment complex, repayable $5,073 monthly, interest included, and maturing October 2025.	659,841	691,777
Long-term debt	2,366,547	2,480,190
Less: current portion	(1,253,092)	(112,791)
Total long-term debt, net of current portion	1,113,455	2,367,399

Subsequent to year end, the Canada Mortgage Housing Corporation mortgage was fully repaid.

9. LONG-TERM DEBT (continued)

The aggregate amount of principal payments estimated to be required in each of the next five years is as follows:

	$
2012	1,253,092
2013	99,908
2014	103,107
2015	106,673
2016	110,449

Interest Subsidy

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act. The purpose of the assistance is to reduce operating costs in order to enable the Authority to provide housing to low and moderate income individuals. The amount of assistance received in 2011 was $112,527 (2010 - $108,985).

10. UNAMORTIZED DEFERRED CONTRIBUTIONS RELATED TO CAPITAL ASSETS

Deferred contributions related to capital assets represent restricted contributions with which capital assets were originally purchased. The changes in the deferred contributions for the year are as follows:

	2011	2010
	$	$
Balance, beginning of year	**23,075,849**	19,548,457
Add:		
Equipment grants	**5,623,867**	7,398,261
Donations for equipment	**456,869**	263,569
	29,156,585	27,210,287
Less:		
Amortization	**(4,470,215)**	(4,091,814)
Unamortized contributions on assets disposed of	**-**	(42,624)
Balance, end of year	**24,686,370**	23,075,849

11. RESTATEMENT OF PRIOR YEAR

During the year, it was determined that non capital asset expenses and the associated funding were not recorded on the Statement of Operations. The grant funding and expenses were netted in deferred capital grants on the Statement of Financial Position. The effect of this retroactive restatement is an increase to revenue from capital funding of $2,061,110 and an increase in repairs, renovations and maintenance expense of the same amount. This adjustment does not have an impact on opening unrestricted net assets.

12. OTHER REVENUE

	2011	2010
	$	$
Drug recoveries	3,238,304	3,066,161
Dental	1,114,485	1,113,544
Rentals	902,730	830,831
Mortgage interest subsidy	25,205	25,205
Interest	117,801	35,388
Unamortized contribution on assets disposed of	-	42,624
Miscellaneous	8,429,598	4,043,133
	13,828,123	9,156,886

13. ADJUSTMENT TO NET ASSETS

During the prior year, an accounting error was recorded to unrestricted net assets and receivables from the 12 Unit Cottage Complex and 20 Unit Complex.

The adjustment to the accounts is as follows:

Increase Due from 12 Unit Cottage Complex	3,315
Increase Due from 20 Unit Cottage Complex	18,053
Increase in unrestricted net assets	(21,368)
	-

14. CONTINGENCIES

As of March 31, 2011, there were a number of legal claims against the Authority in varying amounts for which no provision has been made. It is not possible to determine the amounts, if any, that may ultimately be assessed against the Authority with respect to these claims, but management believes any claims, if successful, will be covered by liability insurance.

15. COMPARATIVE FIGURES

Certain of the comparative figures has been reclassified to conform to the current presentation.

The comparative figures were audited by Belanger Clarke Follett and McGettigan whose practice now operates under BDO Canada LLP.

Independent Auditor's Report

To the Trustees of
St. Anthony Interfaith Home 12 Unit Apartment Complex

We have audited the accompanying financial statements of St. Anthony Interfaith Home 12 Unit Apartment Complex which comprise the Statement of Financial Position as at March 31, 2011, and the Statement of Changes in Net Assets, Statement of Revenues and Expenses and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all operating material respects, the financial position of St. Anthony Interfaith Home 12 Unit Apartment Complex as at March 31, 2011 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

1. NATURE OF OPERATIONS

The St. Anthony Interfaith Home 12 Unit Apartment Complex is sponsored by the Labrador - Grenfell Regional Health Authority to provide housing to low and moderate income seniors.

2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the St. Anthony Interfaith Home 12 Unit Apartment Complex are in accordance with generally accepted accounting principles and guidelines set out by the Newfoundland and Labrador Housing Corporation (NLHC) in their operating agreements for not-for-profit housing projects. The following describes the more significant policies:

Capital Assets

Amortization is provided on land improvements and buildings at a rate equal to the annual principal reduction of the mortgages related to these properties. This is in accordance with the operating agreement with NLHC.

Replacement Reserve

NLHC maintains a consolidated Replacement Reserve Fund to maintain and account for replacement reserve funds for not-for-profit housing groups. NLHC provides the organization with an annual statement as of March 31, 2011 indicating its reserve balance.

The funds in the replacement reserve account may only be used as approved by NLHC.

Transactions in the reserve are shown in Note 6.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

3. CAPITAL ASSETS

	Cost	Accumulated Amortization	2011	2010
	$	$	$	$
Land	1	-	1	1
Land improvements	20,000	-	20,000	20,000

Payments Received during the Year	(7,796)	(61,891)
Due from (to) NLHC, end of year	66,221	5,884

5. LONG-TERM DEBT

4.31% Newfoundland and Labrador Housing Corporation first mortgage on land and building; repayable in equal monthly installments of $5,073, interest included, maturing October 2025.

The aggregate amount of principal payments estimated to be required in each of the next five years is as follows:

	$
2012	33,074
2013	34,528
2014	36,046
2015	37,631
2016	39,306

Interest Subsidy

The Authority has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 56.1 of the National Housing Act to reduce operating costs, enabling the Authority to provide housing to low and moderate income seniors. The amount of the assistance received from Newfoundland and Labrador Housing Corporation in 2011 was $68,133 (2010 - $64,591).

6. REPLACEMENT RESERVE

Independent Auditor's Report

To the Trustees of
St. Anthony Interfaith Home 20 Unit Apartment Complex

We have audited the accompanying financial statements of St. Anthony Interfaith Home 20 Unit Apartment Complex which comprise the Statement of Financial Position as at March 31, 2011, and the Statement of Changes in Net Assets, Statement of Revenues and Expenses and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all operating material respects, the financial position of St. Anthony Interfaith Home 20 Unit Apartment Complex as at March 31, 2011 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

1. NATURE OF OPERATIONS

The St. Anthony Interfaith Home 20 Unit Apartment Complex is sponsored by the Labrador - Grenfell Regional Health Authority to provide housing to low and moderate income seniors.

2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the St. Anthony Interfaith Home 20 Unit Apartment Complex are in accordance with generally accepted accounting principles and guidelines set out by the Newfoundland and Labrador Housing Corporation (NLHC) in their operating agreements for not-for-profit housing projects. The following describes the more significant policies:

Capital Assets

Amortization is provided on land improvements and buildings at a rate equal to the annual principal reduction of the mortgages related to these properties. This is in accordance with the operating agreement with NLHC.

Replacement Reserve

In accordance with the operating agreements with NLHC the Authority is required to fund a replacement reserve annually in the amount of $10,350. This allocation of funds is expensed annually and transferred to a separate bank account and added to the liability "Replacement Reserve".

The funds in the replacement reserve account may only be used as approved by NLHC.

Transactions in the reserve are shown in Note 4.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Independent Auditor's Report

To the Trustees of
Grenfell Foundation Incorporated

We have audited the accompanying financial statements of Grenfell Foundation Incorporated which comprise the Statement of Financial Position as at March 31, 2011, and the Statement of Changes in Net Assets, Statement of Revenues and Expenses and Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

In common with many charitable organizations, the Foundation derives revenue from donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation. We are unable to determine whether any adjustments might be necessary to revenues, excess of revenues over expenses, current assets and net assets.

Qualified Opinion

In our opinion, except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, financial position of Grenfell Foundation Incorporated as at March 31, 2011, and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Other Matter

The comparative figures were audited by Belanger Clarke Follett & McGettigan whose practice now operates under BDO Canada LLP.

1. NATURE OF OPERATIONS

The Foundation is incorporated under the laws of the Province of Newfoundland and Labrador and is a not-for-profit organization which raises funds to help the Labrador - Grenfell Regional Health Authority purchase capital equipment.

The Foundation is a charitable organization as defined in the Income Tax Act (Canada) and issues charitable receipts for donations received.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Outlined below are those policies considered particularly significant by the Authority.

Pledges

Revenue from pledges is recognized in the year received since donations are recorded on a cash basis.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from these estimates.

3. DONATIONS TO LABRADOR - GRENFELL REGIONAL HEALTH AUTHORITY

	2011	2010
	$	$
Equipment Purchases		
CT Scanner	100,000	-

AUDITORS' REPORT

To the directors of the Labrador School Board

We have audited the balance sheet of the current and capital funds of the Labrador School Board as at June 30, 2010 and the statements of current revenues, expenditures and board deficiency and changes in the capital fund for the year then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Note 14 describes the accounting policy with respect to the board's capital assets. The note also indicates that the board is not amortizing its tangible capital assets, which is required in accordance with Public Sector Accounting Board standards, on the grounds that complete information to implement this change in policy for the year ended June 30, 2010 was not available at the date of these financial statements. In this respect the financial statements are not in accordance with Canadian generally accepted accounting principles.

In our opinion, except for the effects of the failure to record amortization as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the company as at June 30, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

LABRADOR SCHOOL BOARD
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2010

1. DESCRIPTION OF OPERATIONS

The Labrador School Board is a learning organization which is mandated to organize and administer primary, elementary and secondary education within the school board.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared on a fund accounting basis which is generally accepted for School Boards. Fund accounting can be defined as "accounting procedures in which a self-balancing group of accounts is provided for each fund". It is customary for School Boards to account separately for the current and capital funds.

A summary of significant accounting policies adopted by the Board, relating to their use of fund accounting, is as follows:

(a) Grants received by the Board are recorded in either the current or capital funds, depending on their source. Grants from the Department of Education are treated as current revenue while those from the Newfoundland and Labrador Education Investment Corporation are mostly recorded as capital revenues.

(b) The Board does not calculate or record amortization on any of its capital assets.

(c) As a result of the amalgamation of former school boards to form the Labrador School Board, described below, historical cost information related to capital assets is not always available.

In instances where the historical cost of a capital assets is unknown, only the proceeds received on the disposition of the capital assets are credited to the capital assets account.

If the historical cost of a capital asset is known, the disposition of the capital assets is recorded by removing the full cost of the asset from the capital asset account.

(d) All capital expenditures financed out of current revenue funds are recorded as an expenditure in the current account.

(e) Principal repayment of Pupil Transportation Loans are recorded as current expenditures. All other principal repayment of bank loans are recorded as capital expenditures.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Severance Pay

The Board has in effect severance pay policies whereby employees are entitled to a severance payment upon leaving employment with the Board. Under these policies, a permanent employee who has nine (9) or more years of continuous service in the employ of the School Board is entitled to be paid on resignation, retirement, termination by reasons of disability, expiry of recall rights or, in the event of death, to the employee's estate, severance pay equal to the amount obtained by multiplying the number of completed years of continuous employment by his weekly salary to a maximum of twenty (20) weeks pay. This liability for severance pay has been accrued in the accounts for all employees who have a vested right to receive such payments.

Severance pay for teachers is paid through the Department of Education.

Executive staff paid leave

Executive staff paid leave is paid through the Department of Education.

Other

Effective January 1, 1997, the Labrador School Board was formed through the amalgamation of the Labrador West Integrated School Board, the Labrador East Integrated School Board and the Roman Catholic School Board for Labrador. The amalgamation was accounted for using the pooling of interests method where by the assets and liabilities of each School Board were combined to become the assets of the new Labrador School Board.

Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the recorded amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in the period in which they become known. Actual results could differ from these estimates.

3. FINANCIAL INSTRUMENTS

The school board's financial instruments consist of cash, short-term investments, accounts receivable, accounts payable and accrued liabilities, long-term debt, accrued support staff severance, accrued teacher severance and accrued executive staff paid leave. Unless otherwise noted, it is management's opinion that the school board is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

4. ACCOUNTS RECEIVABLE

			2010 $	2009 $

7. RESTRICTED FUND

	2010 $	2009 $
Labrador West School Committee	60,772	123,672

The restricted surplus represents unexpended funding set aside for the benefit of the Labrador West School Committee. The available funds must be spent in Labrador West.

8. ADJUSTMENT TO PRIOR YEAR

An adjustment was required to report an accrued executive staff paid leave liability for the period ended June 30, 2010. The adjustment arose as a result of a requirement by the Department of Education of the Government of Newfoundland and Labrador.

As a result of the adjustment, the comparative figure for the accrued executive staff paid leave liability of $138,227 is also reported.

Adjustments to the board deficiency are disclosed in Note 10.

9. INVESTMENT IN CAPITAL ASSETS

			2010 $	2009 $
		Balance, beginning, as previously reported	44,640,012	43,341,077
		Transfer of operating funds to capital fund	-	-
		Principal repayment of housing loan	-	-
		Proceeds from bussing loans (net)	-	-
		Addition to schools	1,242,950	1,182,460
		Purchase of service vehicle	-	122,603
			45,882,962	44,646,140
		Deduct adjustments:		
		Cost of assets sold		
		Land	-	-
		Buildings	-	6,128
		Buses	243,901	-
		Service vehicles	-	-
23	221	Balance, ending	45,639,061	44,640,012

10. BOARD DEFICIENCY

	2010 $	2009 $
Balance, beginning As previously reported	(5,880,342)	(5,705,493)
Adjustment in current year:		
Correction re prior year (Note 8)	-	(138,227)
Transfer of deficit to North Coast Housing Program	-	49,500
Other adjustments - receivables	-	1,501
	(5,880,342)	(5,792,719)
Excess (deficiency) of revenue over expenditures	(238,178)	(87,623)
Balance, ending	(6,118,520)	(5,880,342)

The Board deficiency is comprised as follows:

	2010 $	2009 $
Deficit upon amalgamation at January 1, 1997	(504,281)	(504,281)
Deficits that are the responsibility of the Department of Education:		
Teachers' severance	(5,935,453)	(5,725,965)
Executive staff paid leave	(183,068)	(138,227)
Surplus attributable to Board operations since amalgamation	504,282	488,131
Board deficiency, end of year	(6,118,520)	(5,880,342)

11. COMMITMENTS

At the balance sheet date, the Board has the following commitments:

The Board has entered into various lease agreements with estimated future payments for the next two years as follows:

	$
2011	36,180
2012	31,315

12. OTHER INSTRUCTIONAL MATERIALS

	2010	2009
	$	$

Music Supplies	5,049	3,998
Stepping Into the Future	12,110	18,999
	772,738	1,404,592

13. CONTINGENT LIABILITIES

The Lavers Inquiry is currently investigating allegations of abuse at schools formerly run by various churches in certain parts of Labrador. The possibility or magnitude of any resulting liability arising to the Board is not known.

A human rights complaint has been filed against the Board. A response to this complaint has been filed on behalf of the Board. The Board is awaiting a determination by the Human Rights Commission as to whether the complaint will be referred to a Board of Enquiry.

14. OTHER

At the balance sheet date the Board was in the process of compiling information related to its capital assets which will allow it to change its accounting policy related to the reporting of capital assets.

When the change in the accounting policy is implemented, the Board will record amortization of its tangible capital assets in accordance with Public Sector Accounting Board standards.

Complete information to implement this change in policy for the year ended June 30, 2010 was not available at the date of these financial statements. It is anticipated that this change in accounting policy will be implemented for the year ending June 30, 2011.

15. MANAGING CAPITAL

The Board is subject to externally imposed capital management requirements pursuant to its credit facility. These requirements are consistent with normal commercial debt terms. Management acts to ensure that the company complies with the requirements and is not aware of any violations that would result in the bank taking any actions against the Board.

LIVESTOCK OWNERS COMPENSATION FUND

FINANCIAL STATEMENTS

31 MARCH 2011

OFFICE OF THE AUDITOR GENERAL
St. John's, Newfoundland and Labrador

AUDITOR'S REPORT

To the Board of Directors
Livestock Owners Compensation Board
Corner Brook, Newfoundland and Labrador

Report on the Financial Statements

I have audited the accompanying financial statements of the Livestock Owners Compensation Board, Livestock Owners Compensation Fund which comprise the statement of financial position as at 31 March 2011, and the statement of revenues, expenses and deficit for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Report (cont.)

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Livestock Owners Compensation Board, Livestock Owners Compensation Fund as at 31 March 2011, and its financial performance for the year then ended in accordance with Canadian generally accepted accounting principles.

Authority

The Livestock Owners Compensation Board (the Board) operates under the authority of the *Livestock Insurance Act*. The purpose of the Board is to operate the Livestock Owners Compensation Fund to provide insurance to farmers of the Province to restrict the amount of livestock loss. Its affairs are managed by a Board of Directors appointed by the Lieutenant-Governor in Council. These statements are a representation of the activities of the Livestock Owners Compensation Fund.

1. Summary of accounting policies

These financial statements have been prepared by the Board's management in accordance with Canadian generally accepted accounting principles. The Board does not prepare a statement of cash flows since the changes in cash flows are readily apparent from the other statements.

2. Payments on behalf of the Board for administration

The Board is administered by employees of the Department of Natural Resources. Salary costs of $6,728 (2010 - $7,478) and professional services cost of $1,700 (2010 - $1,500) applicable to the operation of the Board have been paid by the Department and are reflected in these financial statements as expenses of the Board and as revenue from the Province.

3. Economic dependence

As a result of the Board's reliance on Provincial funding to meet its administrative costs, the Board's ability to continue viable operations is dependent upon continued funding from the Province.

4. Financial instruments

The Board's financial instruments recognized on the statement of financial position consist of cash, accounts receivable, and accounts payable and accrued liabilities. The carrying values of these instruments approximate current fair value due to their nature and the short-term maturity associated with them.

5. Income taxes

The Board is a Crown entity of the Province of Newfoundland and Labrador and as such is not subject to Provincial or Federal income taxes.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Marble Mountain Development Corporation

We have audited the accompanying financial statements of Marble Mountain Development Corporation, which comprise the balance sheet as at April 30, 2011 and the statements of income, deficit and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information..

Management's responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles and for such internal controls as management·considers is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted out audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statemetns are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the balance sheet of Marble Mountain Development Corporation as at April 30, 2011 and the results of its income and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The comparative figures were audited under Belanger Clarke Follett & McGettigan Chartered Accountants whose practice now operates under BDO Canada LLP.

1. Description of operations

The Corporation is a "Non-Profit Development Corporation" incorporated under the Corporations Act of Newfoundland and Labrador. Its affairs are managed by a Board of Directors appointed by the Lieutenant Governor in Council. The Province of Newfoundland and Labrador holds 100% of the issued common shares. The Corporation is a not-for-profit organization under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met.

2. Summary of significant accounting policies

Inventory

Inventory is valued at the lower of cost and net realizable value.

Capital assets

Capital assets purchased by the Corporation are accounted for at cost. Donated assets are recorded at the estimated fair market value. Amortization is provided for on a straight-line basis over the estimated life of the assets as follows:

Area improvements	30 years
Buildings	15-40 years
Computer equipment	3 years
Equipment under capital lease	10 years
Furniture and fixtures	5 years
Lifts	30 years
Rental equipment	3 years
Signs	5 years
Vehicles	3-20 years

Deferred charges

Deferred charges represent the unamortized cost of purchasing uniforms for snow school instructors. Amortization of the deferred charge is provided on the straight-line basis over 3 years and is recorded as ski patrol expense in lift operations.

Government assistance and other contributions

Provincial government grants and other contributions related to the acquisition of capital assets are accounted for as contributed surplus. Federal government grants and other contributions related to the acquisition of capital assets are recorded as deferred government grants and amortized to income in relationship to the amortization of the asset involved. Government assistance and other contributions related to capital assets retired from service are credited against the related capital asset in the year of retirement.

Government grants related to operations are accounted for as revenue or as a reduction of the expense to which the grant relates.

(continues)

2. Summary of significant accounting policies *(continued)*

Revenue Recognition

We recognize revenues when they are earned, specifically when all the following conditions are met:

- services are provided or products are delivered to customers
- there is clear evidence that an arrangement exists
- amounts are fixed or can be determined
- our ability to collect is reasonably assured.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates include providing for amortization of capital assets and goodwill. Actual results could differ from these estimates.

Financial risk management objectives and policies

The corporation's risk management policies are part of the overall management of the entity's operations. Management's direct involvement in day-to-day operations identifies risks and variances from expectations leading to changes in risk management activities, requirements and actions. As part of the overall management of the entity's operations, management considers avoidance of undue concentrations of risk, and employs appropriate investment and credit management policies to manage the corporation's exposure.

3. Financial instruments

The Corporation's financial instruments consist of cash, accounts receivable, bank indebtedness, accounts payable and accrued liabilities, obligations under capital leases, and long-term debt. Unless otherwise noted, it is management's opinion that the Corporation is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

4. Capital assets

	Cost	Accumulated amortization	**2011 Net book value**	2010 Net book value
Area improvements	$ 12,322,890	$ 7,196,972	**$ 5,125,918**	$ 5,501,363
Buildings	10,982,325	4,266,753	**6,715,572**	6,655,928

	$ 35,955,004	$ 20,246,666	**$ 15,708,338**	$ 16,477,697

5. Bank indebtedness

	2011	2010
Outstanding cheques in excess of funds on deposit	**$ -**	$ 137,384
Line of credit	**1,889,203**	1,132,495
	$ 1,889,203	$ 1,269,879

The line of credit is authorized in the amount of $2,087,000 and bears interest at the rate of bank prime plus 0%. It is secured by a Provincial Government guarantee and letter of indemnity and overdraft agreement signed by the Board of Directors.

6. Accounts payable and accrued liabilities

	2011	2010
Trade	**$ 406,213**	$ 177,728
Harmonized sales tax payable	**89,654**	(3,134)
Payroll deductions payable	**131,519**	34,141
Wages payable	**4,000**	6,913
	$ 631,386	$ 215,648

7. Deferred government assistance - capital assets

	2011	2010
Balance, at beginning of year	**$ 5,498,056**	$ 5,791,833
Plus: deferred government assistance received for the year	**400,000**	-
Less: amount transferred to income by reduction of amortization expense for the year	**(302,153)**	(293,777)
Balance, at end of year	**$ 5,595,903**	$ 5,498,056

8. Government assistance and other contributions - operations

Province of Newfoundland and Labrador - Operating grant

For the year ended April 30, 2011, an administrative operating grant of $400,000 (2010 - $400,000) was approved and received. For the year ended April 30, 2011, a capital grant of $400,000 (2010 - $400,000) was received and recorded as deferred government assistance (2010 - contributed surplus).

The above administrative operating grant is subject to the terms and conditions as outlined in the contribution agreement

9. Obligations under capital lease

	2011	2010
Alter Moneta Leasing, repaid during the year	$ -	$ 32,384
National Leasing, repaid during the year	-	12,966
National Leasing, bearing interest at 8.45% per annum, repayable in monthly blended payments of $6,166. The lease matures on November 30, 2013 and is secured by a charge over specific equipment.	**171,188**	228,080
National Leasing, bearing interest at 8.723% per annum, repayable in monthly blended payments of $908. The lease matures on December 1, 2013 and is secured by a charge over specific equipment.	**25,854**	-
National Leasing, bearing interest at 3.86% per annum, repayable in monthly blended payments of $307. The lease matures on December 1, 2012 and is secured by specific equipment.	**5,315**	8,722
	202,357	282,152
Amounts payable within one year	**(74,431)**	(100,621)
	$ 127,926	$ 181,531

Future minimum capital lease payments are approximately:

2012	$ 74,431
2013	78,917
2014	49,009
Total minimum lease payments	$ 202,357

The imputed interest over this three-year period is $23,343.

10. Contingent liability

As at April 30, 2011, a supplier had claimed that the Corporation owed it approximately $70,005 for services rendered. The Corporation's management feels the claim is unfounded and the likelihood of any loss resulting therefrom is undeterminable. Therefore, the Corporation has not recorded a provision for losses that may result from the claim.

11. Lease committments

The Corporation leases equipment under a long-term operating lease which expires in 2012. The future minimum lease payments required under this long-term lease is approximately as follows:

2012	$ 2,398

12. Related party transactions

During the year ended April 30, 2011, director's fees of $5,480 (2010 - $5,715) were paid in aggregate to the Board of Directors of the Corporation.

13. Prior period adjustment

A prior period adjustment has been made to reflect an understatement of an accounts payable for a Health and Post-Secondary Education Tax (HAPSET) assessment for the period of January 1, 2005 to December 31, 2008. The financial statement amounts that are presented for comparative purposes have been restated to reflect these adjustments as follows:

Increase in accounts payable and accrued liabilities	$ 41,041
Increase in interest and bank charges expense	(4,455)
Net increase in 2010 deficit, beginning of year	36,586
2010 deficit, beginning of year, as previously reported	13,779,757
Net increase in deficit from prior period adjustment	36,586
2010 deficit, beginning of year as restated	$ 13,816,343

14. Long term debt

	2011	2010
Department of Innovation, Trade and Rural Development, non-interest bearing and repayable in annual installments based on 20% of available cash flow. Due 2015.	$ 300,000	$ 300,000
Amounts payable within one year	-	(13,967)
	$ 300,000	$ 286,033

(continues)

14. Long term debt *(continued)*

Principal repayment terms are approximately:

2015	$ 300,000
	$ 300,000

The above long term debt is secured by a chattel mortgage on specific equipment. Long term debt repayments required to meet retirement provisions are based on available cash flow which is defined as net profit plus amortization less principal payments on long-term debt and capital leases. The Corporation has until 2015 to repay the loan in full.

15. Capital management

The corporation's capital consists of shareholder's equity. The corporation's primary objectives in managing its capital consist of safeguarding its ability to continue as a going concern and sourcing sufficient capital to provide its services. The corporation's primary policy in regards to managing capital is a requirement that committed future expenditures do not exceed current capital resources. The corporation's primary process for managing capital consists of the ongoing assessment of current capital resources against budgeted events and administrative expenditures. The corporation is not subject to any externally imposed capital requirements. There have been no changes in the corporation's objectives for managing capital or the definition thereof as compared to the previous year.

MEMORIAL UNIVERSITY

Consolidated Financial Statements with Supplementary Schedules

Year Ended March 31, 2011

MEMORIAL UNIVERSITY OF NEWFOUNDLAND
INDEX TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

INDEPENDENT AUDITORS' REPORT

To the Board of Regents of
Memorial University of Newfoundland

We have audited the accompanying consolidated financial statements of **Memorial University of Newfoundland** [the "University"] which comprise the consolidated statement of financial position as at March 31, 2011 and the consolidated statements of operations, changes in net deficiency and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of **Memorial University of Newfoundland** as at March 31, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2011

1. AUTHORITY AND PURPOSE

Memorial University of Newfoundland [the "University"] is a corporation operating under the authority of the *Memorial University Act*. It is a comprehensive research university offering a full range of undergraduate, graduate and continuing studies programs. The academic governance of the University is vested in the Senate. The University is a not-for-profit entity, governed by a Board of Regents, the majority of whom are appointed by the Province of Newfoundland and Labrador. The University is a registered charity under the *Income Tax Act (Canada)* and, accordingly, is exempt from income taxes, provided certain requirements of the *Income Tax Act (Canada)* are met.

2. SIGNIFICANT ACCOUNTING POLICIES

General

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles [GAAP]. The significant accounting policies are summarized as follows:

Use of estimates

The preparation of consolidated financial statements in conformity with Canadian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Estimates are reviewed periodically and, as adjustments become necessary, they are reported in operations in the period during which they become known.

Consolidated financial statements

These financial statements have been prepared on a consolidated basis, reporting the operations and financial position of the University and the following related not-for-profit organizations:

C-CORE
The Canadian Centre for Fisheries Innovation [CCFI]
Genesis Group Inc.
The Memorial University of Newfoundland Botanical Garden Incorporated
Memorial University Recreation Complex [MURC]
Western Sports and Entertainment Inc.
Campus Childcare Inc.
Newfoundland Quarterly Foundation
Edutech Services Inc.

Cash and cash equivalents

Cash and cash equivalents consist primarily of cash, treasury bills and bankers' acceptances. Investments with original maturities of three months or less are classified as cash equivalents.

Revenue recognition

The University follows the deferral method of accounting for contributions, which include donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the year during which related expenses are recognized. Contributions of capital assets are recorded at fair market value at the date of the contribution and deferred and amortized to operations on the same basis as the related asset. Endowment contributions are recognized as direct increases in the net assets in the year during which they are received. Revenues from contracts, sales and student fees are recognized when the goods or services are provided and collection is reasonably assured.

Contributed services

Volunteers, including volunteer efforts from the staff of the University, contribute an indeterminable number of hours per year to assist the University in carrying out its service delivery activities. The costs that would otherwise be associated with these contributed services are not recognized in these consolidated financial statements as their fair value cannot be determined.

Capital assets

Purchased capital assets are recorded at cost. Donated capital assets are recorded at fair value at the date of acquisition. Repairs and maintenance expenditures are charged to expenses. Betterments which extend the estimated life of an asset are capitalized.

The University's permanent art collection is expensed as incurred and the value of donated art is not recognized in these consolidated financial statements.

Capital assets are amortized using the following rates and methods. Half a year's amortization is taken in the year of acquisition and no amortization is taken in the year of disposal.

Buildings	8%	declining balance
Furniture and equipment	20%	declining balance
Computers	30%	declining balance
Banner finance	20%	declining balance
Vehicles	30%	declining balance
Library collection	10 years	straight-line

Inventory

Inventory is valued at the lower of cost and net realizable value.

The amount of inventories recognized as an expense during the year amounted to $12.7 million [2010 – $12.5 million].

Investment income

Investment income in the consolidated statement of operations includes interest, dividends, realized and unrealized gains and losses as well as related expenses.

Employee future benefits

Pension plan

The employees of the University participate in a defined benefit pension plan [the "Plan"] administered under the *Memorial University Pensions Act* with any deficiencies being funded by the Province of Newfoundland and Labrador. Payments to the Plan consist of contributions from employees and from the University as prescribed in the *Pension Benefits Act (1997)* [PBA]. In addition, where the Plan experiences a solvency deficiency, the employer is required to contribute an amount sufficient to liquidate the deficiency within five years of the solvency valuation date. The University's contributions to the Plan are recorded as an expense in the consolidated statement of operations. The assets and obligations of the Plan are not recorded in the University's consolidated financial statements.

The Plan is being funded in accordance with the March 31, 2010 actuarial valuation. The special payment required in the 2011/2012 fiscal year in respect of the going concern deficiency identified in the 2010 valuation amounts to $18.9 million. With respect to the solvency deficiency identified in the 2010 valuation, the University was exempt from the associated funding obligation under the PBA up to December 31, 2010. The exemption had been in place since 2002 and application has been made to have it continued. In the absence of the exemption, the University is required to fund the solvency deficiency, effective January 1, 2011. The special payment due in respect of the period January 1, 2011 to March 31, 2011 is $13.0 million and has been expensed to employee benefits in the consolidated financial statements. The special payment due in respect of the solvency deficiency for the 2011/2012 fiscal year will be $60.0 million.

The most recent valuation of the Plan was prepared as at March 31, 2011 for internal management purposes by Eckler Ltd. This valuation disclosed a solvency deficiency of $279.3 million and a going concern deficiency of $317.5 million at March 31, 2011. Under the PBA, a going concern deficiency must be funded over a period of not more than 15 years while a solvency deficiency is to be funded over a maximum five-year period. The going concern deficiency of $317.5 million includes $77.4 million in respect of past service costs related to the introduction of indexing in 2004. This indexing liability is being financed under a special PBA provision through both employee and employer contributions over the remaining period of 33.25 years. In accordance with the PBA, the balance of the going concern deficiency, namely $240.1 million, would normally be liquidated over a period of not more than 15 years. If Plan funding were based on the March 31, 2011 valuation, the first annual payment in respect of this balance would be $20.6 million.

Other benefits

Post-employment

In addition to the University's pension plan previously discussed, the University also has defined benefit plans for other post-employment benefits. These benefits are actuarially determined using the projected benefit method prorated on service and administration's best estimate of salary escalation, retirement ages of employees and escalation in covered benefit expense outlays. Gains (losses) are fully recognized in the current year. These benefits include:

Supplemental Retirement Income Plan [SRIP]
Voluntary Early Retirement Income Plan [VERIP]
Other post-employment benefits [include severance, group life insurance and health care benefits]

Vacation
Accrued vacation for employees represents vacation earned but not yet taken as at year-end. It is expected that accrued vacation will be taken in the next fiscal year.

Additional disclosure is provided in *note 8.*

Agency obligations

The University acts as an agent which holds resources and makes disbursements on behalf of various unrelated groups. The University has no discretion over such agency transactions. Resources received in connection with such agency transactions are reported as liabilities and subsequent distributions are recorded as decreases to these liabilities.

Derivative financial instruments

Derivative financial instruments are utilized by the University in the management of interest rate exposure related to its bank indebtedness. The University may also enter into foreign exchange forward contracts to eliminate the risk of fluctuating foreign exchange rates on future commitments. The University does not utilize derivative financial instruments for trading or speculative purposes.

The University enters into interest rate swaps in order to reduce the impact of fluctuating interest rates on its floating rate bank indebtedness. These swap agreements require the periodic exchange of payments without the exchange of the notional principal amount on which the payments are based.

Derivative financial instruments are classified as held-for-trading and carried at fair value with the change in fair value being recorded on the consolidated statement of operations.

Financial instruments

The University applies the Canadian Institute of Chartered Accountants [CICA] *Handbook* Section 3861, *Financial Instruments – Disclosure and Presentation.* The disclosures required by Section 3861 are provided in *note 12.*

Memorial University of Newfoundland

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2011

3. CHANGES IN ACCOUNTING POLICY

Impact of adopting future accounting policies

Recent accounting pronouncements that have been issued but are not yet effective and have a potential impact on the University are as follows:

Assessment of strategic direction of financial reporting standards for not-for-profit organizations

In November 2010, the Accounting Standards Board of the CICA issued Part III of the *CICA Handbook* that sets out the accounting standards for not-for-profit organizations. These standards are effective for fiscal years beginning on or after January 1, 2012, with an option for early adoption. The University is a government not-for-profit organization [GNFPO] and therefore will be required to follow Public Sector Accounting Standards. The University is currently evaluating the impact of these standards.

4. RESTRICTED CASH

Restricted cash consists of premiums paid to Manulife Financial on behalf of employees which are held in an interest-bearing bank account to be used to fund future rate increases or enhancements in the long-term disability and basic term life insurance plans. The related liability is included in accounts payable and accrued liabilities.

5. INVESTMENTS

Investments as at March 31

[thousands of dollars]	2011		2010

	515,472	**321,696**	**193,776**	176,466

Capital assets include certain assets under capital leases with a net book value of $1.6 million [2010 – $2.0 million].

7. BANK INDEBTEDNESS

Pursuant to Section 41 of the *Memorial University Act*, the University has received approval from the Lieutenant-Governor in Council to borrow to finance two capital projects. The projects involved the construction of a new residence complex for Grenfell Campus [Project 1] and the implementation of an energy performance program in five buildings on the University's main campus in St. John's [Project 2]. The debt has been negotiated using bankers' acceptances [BA's] which mature during the 2011/12 fiscal year. Management expects to refinance these loans through BA's for the balance of the term of the loan. Disclosure related to interest rate risk is provided in *note 12*.

Derivative liability

Project 1 interest rate swap transaction involves the exchange of the underlying floating rate Canadian BA for a fixed interest rate of 4.76% expiring April 12, 2017 with a notional amount of $3.0 million. The fair value of this interest rate swap is $0.24 million [2010 – $0.3 million].

Project 2 interest rate swap transaction involves the exchange of the underlying floating rate Canadian BA for a fixed interest rate of 5.12% expiring October 1, 2022 with a notional amount of $13.8 million. The fair value of this interest rate swap is $1.4 million [2010 – $1.5 million].

8. EMPLOYEE FUTURE BENEFITS

Supplemental Retirement Income Plan [SRIP]

In May 1996, the Board of Regents approved a SRIP to provide benefits to employees of the University whose salaries exceed the Canada Revenue Agency maximum pensionable salary and whose defined benefit pension, therefore, exceeds the maximum benefit payable from the Plan.

The significant actuarial assumptions used in measuring SRIP include a discount rate of 5.2% [2010 – 5.7%] and an average compensation increase of 4.5% [2010 – 4.5%].

Voluntary Early Retirement Income Plan [VERIP]

In February and May 1996, the University offered faculty and staff, who reached age 55 and attained a minimum of 10 years pensionable service, an opportunity to take an early retirement under the provisions of the VERIP.

Subject to eligibility criteria, the Plan provided an incentive of enhanced pension benefits of up to five years' pensionable service and waiver of actuarial reduction, if applicable, or a lump sum early retirement payment. The early retirement incentive is unfunded. Current-year payments are funded on an annual basis from operations.

The significant actuarial assumption used in measuring VERIP includes a discount rate of 5.2% [2010 – 5.7%].

Other benefits

The University has a number of other post-employment benefits providing group life insurance and health care benefits on a cost shared basis to retired employees, and in certain cases, their surviving spouses. In addition, the University pays severance to certain employee groups upon termination, retirement or death, provided they meet certain eligibility criteria. Vacation liability is also accrued and is expected to be used by employees in the next fiscal year.

The significant actuarial assumptions used in measuring other benefits include a discount rate of 5.2% [2010 – 5.7%] and an average rate of compensation increase of 4.5% [2010 – 4.5%].

	SRIP		**VERIP**		**Other Benefits**	
[thousands of dollars]	**2011**	**2010**	**2011**	**2010**	**2011**	**2010**

2014	60
2015	46
2016	48

10. DEFERRED CONTRIBUTIONS

Expenses of future periods

Deferred contributions related to expenses of future periods represent unspent externally restricted grants and donations for research and programs.

[thousands of dollars]	2011	2010
Balance, beginning of year	**61,180**	53,337
Grants and donations received during the year	**63,754**	62,703
Less: expenses incurred during the year	**60,611**	54,860
Balance, end of year	**64,323**	61,180

Capital assets

Deferred capital contributions related to capital assets represent the unamortized and unspent amount of donations and grants received for the purchase of capital assets. The amortization of deferred capital contributions is recorded as revenue in the consolidated statement of operations.

[thousands of dollars]	2011	2010
Balance, beginning of year	**159,361**	147,355
Additional contributions received	**36,802**	33,779
Less: amounts amortized to revenue	**22,229**	21,773
Balance, end of year	**173,934**	159,361

Total deferred contributions

[thousands of dollars]	2011	2010
Expenses of future periods	**64,323**	61,180
Capital assets	**173,934**	159,361
Balance, end of year	**238,257**	220,541

11. MEMORIAL UNIVERSITY ACT

In accordance with the *Memorial University Act*, the University is normally prohibited from recording a deficit on its consolidated financial statements. During 1996, pursuant to Section 36 of the *Memorial University Act*, the University received approval from the Lieutenant-Governor in Council to record a deficit of up to $5.0 million in 1996 and an additional $10.0 million in 1997 as a result of the recognition of the liabilities related to VERIP for faculty and staff. During 2001, the University received approval from the Lieutenant-Governor in Council to exclude from the definition of a deficit, pursuant to Section 36 of the *Memorial University Act*, any amounts resulting from the recognition of the liabilities related to recording vacation pay entitlements, severance and any other post-employment benefits.

12. FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are initially recognized at fair value and their subsequent measurement is dependent on their classification. Their classification depends on the purpose for which the financial instruments were acquired or issued, their characteristics and the University's designation of such instruments. The standards require that all financial assets be classified either as held-for-trading [HFT], available-for-sale [AFS], held-to-maturity [HTM], or loans and receivables and all financial liabilities to be classified as either HFT or other liabilities [OL]. Subsequent to initial recognition, the standards require that all financial assets and liabilities be measured at fair value with the exception of loans and receivables, securities classified as HTM, liabilities classified as OL, and AFS financial assets that do not have quoted market prices in an active market. These are measured at amortized cost using the effective interest rate method [EIM].

Classification of financial instruments

The University has designated its financial instruments as shown in the following table. The financial instruments are measured as follows based on their classification.

Asset/liability	Classification	Measurement
Cash, cash equivalents, restricted cash and short - term investments	Held-for-trading	Fair value
Investments	Held-for-trading	Fair value
Accounts receivable	Loans and receivables	Amortized cost using EIM
Accrued interest receivable	Loans and receivables	Amortized cost using EIM
Long-term receivable	Loans and receivables	Amortized cost using EIM
Accounts payable and accrued liabilities	Other financial liabilities	Amortized cost using EIM
Bank indebtedness	Other financial liabilities	Amortized cost using EIM
Long-term debt	Other financial liabilities	Amortized cost using EIM
Derivative liability	Held-for-trading	Fair value

Held-for-trading

HFT financial assets and liabilities are financial assets typically acquired for resale prior to maturity. They are measured at fair value at the consolidated statement of financial position date. Interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses from market fluctuations are included in the consolidated statement of operations.

Loans and receivables

Loans and receivables are accounted for at amortized cost using EIM.

Other financial liabilities

Other liabilities are recorded at amortized cost and include all liabilities and long-term debt.

Embedded derivatives

There are no embedded derivatives in the consolidated financial statements of the University.

Credit risk

The University is exposed to credit risk with respect to accounts receivable from students and clients. Services are provided to a large number of students and entities, which minimizes the concentration of credit risk. The University routinely monitors the receivable balances and establishes an appropriate allowance for doubtful accounts based upon factors surrounding credit risk, historical trends, and other information.

Interest rate risk

The University's exposure to interest rate risk relates to its floating interest rate bank indebtedness which utilizes BA's. The University has managed this floating interest rate risk by entering into interest rate swap agreements with the RBC Royal Bank to offset the movement in the BA rates. Any change in BA rates will be offset by a corresponding change in the interest rate swap. The fair value of these interest rate swap agreements are recorded in the consolidated statement of financial position and the change in value is reflected in the consolidated statement of operations.

Liquidity risk

The University is exposed to liquidity risk with respect to its contractual obligations and financial liabilities. This risk is managed by maintaining adequate cash and cash equivalents. The University believes that cash and cash equivalents on hand, future cash flows from government grants and student fees will be adequate to meet its financial obligations.

Market risk

The University is exposed to market risk on its investments due to future fluctuations in market prices. This risk is managed by a Statement of Investment Policy and Objectives approved by the Board of Regents which includes investment policy provisions for an acceptable asset mix structure and quality constraints on fixed income instruments.

13. CONTINGENCIES

(a) Canadian University Reciprocal Insurance Exchange [CURIE]

The University participates in a self-insurance cooperative involving a contractual agreement to share the insurance property and liability risks of member universities for a term of not less than five years.

In the event that premiums are not sufficient to cover claims settlements, the member universities would be subject to an assessment in proportion to their participation. For the year ended December 31, 2010, CURIE has a surplus of $9.2 million and a cumulative subscribers' equity of $41.0 million. The University's pro rata share is approximately 3% on an ongoing basis.

(b) Class action lawsuit

In 2007, a class action lawsuit was filed on behalf of all former employees of the University who retired or terminated employment on or before December 31, 1992 and were entitled to receive post-retirement life, health and dental group insurance benefits. The lawsuit alleges that this group of retirees was entitled to receive these insurance benefits for life, at no cost to the group of retirees. This action has been certified as a class action and the University has sought leave to appeal from the decision certifying the action. The University continues to defend its position and the potential exposure to this claim is indeterminable at the present time.

14. CAPITAL DISCLOSURES

The University considers its capital to be its net assets. Its restricted net assets consist of amounts restricted for endowment purposes. The University's objectives when managing its capital are to safeguard its ability to continue as a going concern in order to provide services to its students and research funding agencies. Annual budgets are developed and monitored to ensure the University's capital is maintained at an appropriate level. The University has no external restrictions imposed on its capital, excluding its endowments.

15. COMPARATIVE FIGURES

Certain of the 2010 comparative figures have been reclassified to conform to the consolidated financial statement presentation adopted for the current year.

To the Directors of the

Multi-Materials Stewardship Board

We have audited the consolidated statement of financial position of the Multi-Materials Stewardship Board at March 31, 2011, and the consolidated statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted auditing standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2011, and the results of its operations and its cash flows for the year then ended in accordance with the Canadian generally accepted accounting principles.

1. Nature of operations

The Multi-Materials Stewardship Board is a statutory corporation established pursuant to The Environmental Protection Act. This Board manages the Used Beverage Container Deposit Refund System, the Used Tire Recycling Program, and the Newfoundland and Labrador Waste Management Trust Fund in the Province of Newfoundland and Labrador and is mandated to support and promote the protection, enhancement and wise use of the environment through waste management programs.

The Board is exempt from income taxes under Section 149(1)(d) of the Canadian Income Tax Act.

2. Basis of consolidation

These consolidated financial statements include the accounts of the Multi-Materials Stewardship Board and the Newfoundland and Labrador Waste Management Trust Fund.

The Multi-Materials Stewardship Board - Newfoundland and Labrador Waste Management Trust Fund is a restricted fund, managed by the Board, and its accounts have been grouped in these financial statements for consolidation purposes. Separate audited financial statements have been issued for this Trust Fund, with an audit report date of June 23, 2011.

The March 31, 2010 comparative figures include the accounts of the Residential Backyard Composting Program for consolidation purposes. This program ceased operations effective March 31, 2010.

3. Summary of significant accounting policies

Fund accounting

Fund accounting is generally accepted as the basis of accounting for public sector organizations. A summary of significant accounting policies relating to fund accounting is as follows:

i) property and equipment are recorded at cost, net of proceeds on disposal;
ii) capital additions financed from the unrestricted funds are included in the net assets invested in capital assets account; and
iii) depreciation of property and equipment and gains (losses) on disposal are included in the net assets invested in capital assets account.

3. Summary of significant accounting policies (cont'd.)

Use of estimates

In preparing the Board's consolidated financial statements in conformity with Canadian generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

Foreign currency transactions

Transactions denominated in foreign currencies are recorded in Canadian dollars at exchange rates in effect at the related transaction dates. Monetary assets and liabilities denominated in foreign currencies are adjusted to reflect exchange rates at the statement of financial position date. Exchange gains and losses arising on the translation of monetary assets and liabilities are included in the determination of income.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short term deposits with original maturities of three months or less. Cash and cash equivalents also include a balance of $55,000 (2010 - $6,080) in restricted cash related to the performance bonds payable.

Revenue recognition

Deposit revenue is recognized when remittances are collected plus an estimated accrual based on subsequent receipts.

Byproduct revenue is recognized upon shipment and when all significant contractual obligations have been satisfied and collection is reasonably assured.

Revenue from the Household Hazardous Waste Program is recognized as the municipalities are invoiced and collection is reasonably assured.

Revenue from the sale of compost bins is recognized when the bins are sold and collection is reasonably assured.

Grant revenue is recognized in the period in which entitlement arises. Revenue received for a future period is deferred until the future period when related costs have been incurred.

Miscellaneous income (including interest income) is recognized as earned.

Inventories

Inventories, which are comprised of aluminium beverage containers, and PET beverage containers, are valued at the lower of cost and net realizable value. Inventory is costed based on net realizable value using current market prices.

3. Summary of significant accounting policies (cont'd.)

Long term investments

Loan term investments include guaranteed investment certificates with original maturities of greater than one year. At March 31, 2011 $349,888 (2010 - $349,147) of these investments are restricted to repay performance bonds at the end of the contracts if all conditions have been met by the parties involved.

Depreciation

Rates and bases of depreciation applied to write-off the cost of property and equipment over their estimated lives are as follows:

Rocaps equipment	30%, declining balance
Office furniture and equipment	20%, declining balance
Leasehold improvements	5 years, straight line
Computer hardware	30%, declining balance
Computer software	30%, declining balance
Bags and tubs	30%, declining balance
Vehicle	30%, declining balance

Impairment of long-lived assets

Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the value of the assets may not be recoverable, as measured by comparing their net book value to the estimated undiscounted cash flows generated by their use. Impaired assets are recorded at fair value, determined principally using discounted future cash flows expected from their use and eventual disposition.

Unearned revenue

Unearned revenue consists of deposits on containers yet to be returned for redemption and recycling. The amount recorded by the Board as unearned revenue consists of sixty days of deposits received from distributors, adjusted by an estimated recovery rate of 66% (March 31, 2010 – 68%).

Financial instruments

The CICA Handbook Section 3855, "Financial Instruments - Recognition and Measurement", requires the Board to revalue all of its financial assets and liabilities at fair value.

This standard also requires the Board to classify financial assets and liabilities according to their characteristics and management's choices and intentions related thereto for the purposes of ongoing measurements. Classification choices for financial assets include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings; b) held to maturity - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired; c) available-for-sale - measured at fair value with

3. Summary of significant accounting policies (cont'd.)

changes in fair value recognized in other comprehensive income for the current period until realized through disposal or impairment; and d) loans and receivables - recorded at amortized cost with gains and losses recognized in net earnings in the period that the asset is no longer recognized or impaired.

Classification choices for financial liabilities include: a) held for trading - measured at fair value with changes in fair value recorded in net earnings and b) other - measured at amortized cost with gains and losses recognized in net earnings in the period that the liability is no longer recognized. Subsequent measurement for these assets and liabilities are based on either fair value or amortized cost using the effective interest method, depending upon their classification. Any financial asset or liability can be classified as held for trading as long as its fair value is reliably determinable.

In accordance with the standard, the Board's financial assets and liabilities are classified and measured as follows:

Asset/Liability	Classification	Measurement
Cash and cash equivalents	Held for trading	Fair value
Receivables	Loans and receivable	Amortized cost
Notes receivables	Loans and receivable	Amortized cost
Long term investments, performance bonds payable	Held for trading	Fair value
Payables and accruals	Other financial liabilities	Amortized cost

Other statement of financial position accounts, such as inventories, prepaids, property, equipment, unearned revenue, and accrued severance pay, are not within the scope of these accounting standards as they are not financial instruments.

The fair value of a financial instrument is the estimated amount that the Board would receive or pay to terminate the instrument agreement at the reporting date. To estimate the fair value of each type of financial instrument various market value data were used as appropriate. The fair value of cash and cash equivalents approximated its carrying value.

Accounting policies adopted during the year

Accrued severance pay

Severance pay is accounted for on an accrual basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continual service, and accordingly no provision has been made in accounts for employees with less than nine years of continual service. Severance pay is payable when the employee ceases employment with the Board.

4. Risk management

The Board's policy for managing significant risks includes policies, procedures and oversight designed to reduce the risks identified to an appropriate threshold. The Board of Directors is provided with timely and relevant reports on the management of significant risks. Significant risks managed by the Board include liquidity, credit and market risks.

Liquidity risk

Liquidity risk is the risk that the Board will be unable to meet its contractual obligations and financial liabilities. The Board manages liquidity risk by monitoring its cash flows and ensuring that it has sufficient cash available to meet its obligations and liabilities.

Credit risk

Credit risk is the risk of loss associated with a counterparty's inability to fulfill its payment obligations. The Board's credit risk is attributable to receivables. Management believes that the credit risk concentration with respect to financial instruments included in receivables is remote.

Market risk

Market risk is the risk of loss that may arise from changes in market factors such as interest rates and foreign exchange rates.

i) Interest rate risk

Interest rate risk is the risk that the value of a financial asset will fluctuate due to changes in market interest rates. The Board is exposed to interest rate risk through its cash and cash equivalents and long term investments. Interest rate risk is managed through holding low risk cash and cash equivalents and long term investments.

ii) Foreign exchange risk

The Board is exposed to foreign exchange risk on fluctuations related to by-product sales to the United States. Subsequent to year end, foreign exchange is managed through the Board's USD bank account.

5. Capital management

The capital structure of the Board consists of net assets invested in capital assets and unrestricted net assets. The primary objective of the Board's capital management is to provide adequate funding to ensure efficient delivery of its services.

Net assets invested in capital assets represent the amount of net assets that are not available for other purposes because they have been invested.

Unrestricted net assets are funds available for future operations and are preserved so the Board can have financial flexibility should opportunities arise in the future.

	$ **(318,823)**	$ (949,113)

10. Commitments

The Board is committed to minimum annual lease payments for property and equipment for the next three years as follows: 2012 - $233,146; 2013 - $70,143; and 2014 - $13,793.

The Board has entered into the following agreements:

(i) processing and transportation of beverage containers up to July, 2014;
(ii) collection of used tires in Labrador West area to April, 2012;
(iii) collection and transportation of used tires in the island portion of Newfoundland and Labrador and the Labrador Straits to August, 2011;
(iv) collection of used tires in Happy Valley-Goose Bay area to February, 2013;
(v) collection and disposal of used tires to April 2011;
(vi) transportation of used tires collected in Labrador to May, 2011;
(vii) transportation and disposal of processed glass to March, 2011;
(viii) baling of used tires and crushing/removal of tire rims to December, 2011; and
(ix) household hazardous waste collection and disposal to December 2011.

11. Cost of sales

In June 2004, the Board terminated its contract under the Used Tire Recycling Program with its previous contractor. Subsequent to this termination, the Board assumed responsibility for the Program and implemented a contingency plan for the storage of used tires. The costs will be incurred until the Board is able to make alternate arrangements under the Used Tire Recycling Program.

INDEPENDENT AUDITOR'S REPORT

I have audited the accompanying financial statements for Municipal Assessment Agency Inc., which comprise the balance sheet as at March 31, 2011, and the statement of revenues, expenses and equity, and statement of changes in financial position for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements.

I believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion
In my opinion, the financial statements present fairly, in all material respects, the financial position of Municipal Assessment Agency Inc. as at March 31, 2011, and its financial performance and its cash flows for the year then ended in accordance with Canadian Generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

General:

The Municipal Assessment Agency Inc. (the "Corporation") was incorporated April 2, 1997, under the laws of the Province of Newfoundland and Labrador to carry out assessment services for various municipalities throughout the Province of Newfoundland and Labrador pursuant to the Assessment Act. Prior to this date, these services were performed by the Department of Municipal and Provincial Affairs, Government of Newfoundland and Labrador (the "Department").

The Corporation has one common share with a par value of $1.00 issued to the Minister of Municipal and Provincial Affairs, Government of Newfoundland and Labrador.

The Corporation is a crown corporation and, accordingly, is exempt from income taxes under Subsection 149(1)(d) of the Income Tax Act.

1. Summary of significant accounting policies:

The financial statements of the Corporation have been prepared within the framework of generally accepted accounting principles which require the use of estimates and assumptions that affect the amounts reported and disclosed in these statements and related notes. Any variations between these estimates and actual amounts are not expected to materially affect reported results. The more significant accounting policies of the Corporation are as follows:

(a) Capital assets

Capital assets purchased by the Corporation are recorded at cost. Amortization is recorded on a declining balance basis over the assets estimated useful lives at the following rates:

Furniture and equipment	20%
Computer hardware and software	30%
Integrated assessment system	30%
Buildings	4%

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

1. Summary of significant accounting policies (continued):

(b) Revenue recognition

Revenue for the provision of assessment and valuation services is recognized when the services are rendered.

Secondment revenue relates to employees who have been seconded out to government departments. The employee's salary is paid by the Agency and the government departments are invoiced on a monthly basis. Secondment revenue is recognized when the services are rendered. Secondment revenue is scheduled to end on March 31, 2011.

(c) Accrued severance pay

Severance pay is accounted for on an accrued basis and is calculated based upon years of service and current salary levels. The right to be paid severance pay vests with employees with nine years of continued service and accrues to a maximum of twenty years and, accordingly, no provision has been made in the accounts for employees with less than nine years of continued service. The amount is payable when the employee ceases employment with the Corporation. The cash amount of the accrued severance pay is segregated into a severance reserve fund.

(d) Redundancy pay

Redundancy pay is recognized as a liability when it is probable that employees will be entitled to benefits and the amount can be reasonably estimated.

(e) Fair Value of Financial Instruments

The company has evaluated the fair values of its financial instruments based on the current interest rate environment, related market values and current pricing of financial instruments with comparable terms. The carrying value of its financial instruments is considered to approximate fair value, unless otherwise indicated.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

2. Accounts receivable:

	2011	2010
Trade receivables	$ 50,003	$ 60,600
HST recoverable	62,959	58,106
Employee receivable	1,050	1,503
	$ 114,012	$ 120,209

3. Long term receivables:

The Agency has entered into a contract with several of its customers to receive payment on the outstanding amounts over a period of 48 months, provided all future fees are paid on a current basis.

4. Severance reserve fund:

The Agency has internally restricted funds for the accrued severance pay liability. These funds are to be used to pay any accrued severance and not to be used in normal business operations. The restricted funds are held in the Agency's operating account that bears interest.

5. Capital assets:

	2011			2010
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
Computer hardware and software	$ 454,365	$ 394,847	$ 59,518	$ 83,511
Furniture and equipment	279,466	199,081	80,385	102,191
Integrated assessment system	1,109,343	1,076,835	32,508	46,441
Buildings	1,028,653	128,033	900,620	944,269
Land	208,221	-	208,221	208,221
	$3,080,048	$1,798,796	$1,281,252	$1,384,633

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

6. Severance and vacation pay:

The provision for severance and vacation pay consists of the following:

Severance pay	**2011**	**2010**
Opening balance	$ 944,492	$ 886,920
Severance paid out	(33,699)	-
Current year expense	77,987	57,572
Closing balance	$ 988,780	$ 944,492

Vacation pay	**2011**	**2010**
Opening balance	$ 278,225	$ 231,713
Current year expense	27,467	46,512
Closing balance	$ 305,692	$ 278,225

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

7. Commitments and Contingencies:

The Agency has a lease for office space in Corner Brook, Newfoundland. The term of the lease is 5 years, starting October 1, 2007 and ending on September 30, 2012, with the option to renew for a further term of up to 5 years. The monthly rental fee is $4,174. Future minimum lease payments total $75,132 and include the following payments over the next 18 months: 2011 - $37,566; 2012 - $37,566.

The Agency has a lease for office space in Conception Bay South, Newfoundland. The term of the lease is 2 years, starting October 1, 2009 and ending on September 30, 2011, with the option to renew for an additional two year term. The monthly rental fee is $400. Future minimum lease payments total $2,400 and include the following payments over the next six months: 2011 - $2,400.

The Agency has a lease for office space in Clarenville, Newfoundland. The term of the lease is 5 years, starting May 1, 2008 and ending on April 30, 2013. The monthly rental fee is $350.
