

Department of Fisheries, Forestry and Agriculture

2022 SPRUCE BUDWORM CONTROL PROGRAM UPDATE

Date: June 15, 2022 **Time:** 3:30 pm

Message:

The Department of Fisheries, Forestry and Agriculture - Forestry and Wildlife Branch – is advising the public that the department will be carrying out a Spruce Budworm Control Program on the west coast of Newfoundland beginning in the middle of June 2022.

Information regarding the program, including maps of treatment areas is available at the Department of Fisheries, Forestry and Agriculture website at: [2022 Forest Insect Control Program - Fisheries, Forestry and Agriculture \(gov.nl.ca\)](#) or by calling the Forest Insect Control Program Update Line at: 1-877-636-2996.

Individuals with questions or seeking further information can contact the department by calling 709-637-2343 or by emailing: jeffmotty@gov.nl.ca.

Daily Update Information:

Assessments of insect development conducted over the week indicate that the spruce budworm treatment blocks are not ready for treatment tomorrow June 16, 2022. Field staff will continue to monitor insect development and treatment is anticipated to begin over the next.

An operator is available toll free during regular office hours (8:30 am to 4:00 pm) at: 1-877-636-2996 to provide information about the time and location of treatment activity. Individuals calling after this time can leave a voice mail message. Messages are checked daily.
