MOOSE MANAGEMENT AREA 17
MILLERTOWN

All that area of the Island of Newfoundland bounded by a line beginning at the northeastern extremity of Lloyds Lake at UTM coordinates 466110 metres east and 5363092 metres north; then following the southeastern bank of Lloyds River in a northeasterly direction to its confluence with Red Indian Lake; then following the southeastern shoreline of Red Indian Lake in a northeasterly direction to the Exploits Dam; then following the southern bank of the Exploits River in a northeasterly direction to Noel Paul's Steady at UTM coordinates 556596 metres east and 5390449 metres north; then following a straight line in a southwesterly direction to the northern extremity of Island Pond at UTM coordinates 547981 metres east and 5367922 metres north; then following the eastern shoreline of Island Pond in a generally southwesterly direction to a brook at its southern extremity at UTM coordinates 509389 metres east and 5351847 metres north; then following a straight line in a northwesterly direction to the point of commencement.

PACK IT IN - PACK IT OUT
Garbage and litter on our landscape is becoming a serious problem. The best and only alternative for garbage is a Pack It In, Pack It Out policy. You carried in all those containers, boxes - packages when they were full; it's a lot easier to carry them out when they are empty. Please take your garbage home with you and dispose of it in the proper manner.

The following map is crossed by the outline of the Millertown Moose Management Area 17.
