

MOOSE MANAGEMENT AREA 91 - KAIPOKOK

All that area of Labrador bounded by a line commencing at a point along the coastline located at 55° 50' 52" North latitude and 60° 53' 30" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 49' 30" North latitude and 60° 58' 40" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 49' 30" North latitude and 60° 58' 40" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 49' 30" North latitude and 60° 58' 40" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 49' 30" North latitude and 60° 58' 40" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 49' 30" North latitude and 60° 58' 40" North latitude and 60° 58' 40' Nort southwesterly direction to a point located at 55° 46' 26" North latitude and 61° 03' 13" West longitude; then following a straight line in a generally southerly by southwesterly direction to a point located at 55° 39' 00" North latitude and 61° 06' 41" West longitude; then following a straight line in a generally southerly by southwesterly direction to a point located at 55° 35' 41" North latitude and 61° 08' 18" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 29' 29" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42" North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42'' North latitude and 61° 11' 08" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42'' North latitude and 61° 11' 08'' West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42'' North latitude and 61° 11' 08'' West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42'' North latitude and 61° 11' 08'' West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 32' 42'' North latitude and 61° 41' 08'' North latitude generally southwesterly direction to a point located at 55° 20' 35" North latitude and 61° 23' 03" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 17' 13'' North latitude and 61° 26' 43'' North 55° 17' 13" North latitude and 61° 26' 43" West longitude; then following a straight line in a generally westerly by southwesterly direction to a point located at 55° 12' 24" North latitude and 61° 38' 24" West longitude; then following a straight line in a generally southeasterly direction to a point located at 55° 10' 09" North latitude and 61° 36' 49" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 07' 50" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 07' 50" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 07' 50" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 07' 50" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09" North latitude and 61° 44' 15" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 10' 09' North latitude and 61° 44' 15" West longitude; then following at 55° 10' 09' North latitude and 61° 44' 15" West l 55° 07' 49" North latitude and 61° 49' 04" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 01' 11" North latitude and 61° 51' 54" West longitude; then following a straight line in a generally southwesterly direction to a point located at 55° 01' 11" North latitude and 62° 07' 32" West northeasterly direction to a point located at 54° 57' 49" North latitude and 61° 59' 42" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 58' 40" North latitude and 61° 59' 42" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 58' 40" North latitude and 61° 59' 42" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 58' 40" North latitude and 61° 59' 49" North latitude and 61° 59' 49' North latit located at 54° 59' 38" North latitude and 61° 49' 11" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 55° 00' 59" North latitude and 61° 39' 50" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 55° 01' 51" North latitude and 61° 31' 28" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 59' 44" North latitude and 61° 29' 17" West longitude; then following a straight line in a generally southeast direction to a point located at 54° 52' 53" North latitude and 61° 27' 38" West longitude; then southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 16' 52" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 42' 48" North latitude and 61° 16' 52" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 42' 48" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 49' 53" North latitude and 61° 10' 19" North North latitude and 61° 02' 44" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 26' 22" North latitude and 60° 54' 56" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly by northeasterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly direction to a point located at 54° 26' 22" North latitude and 60° 37' 04" West longitude; then following a straight line in a generally easterly easterl easterly by southeasterly direction to a point located at 54° 18' 55" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 55' 16" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 55' 16" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 55' 16" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" West longitude; then following a straight line in a generally southeasterly direction to a point located at 54° 16' 33" North latitude and 59° 57' 31" North located at 54° 14' 24" North latitude and 59° 54' 51" West longitude; then following a straight line due south to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following a straight line due south to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southern bank of Main River in a generally easterly, then southeasterly direction to a point located at 54° 13' 09" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 13' 09" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21" North latitude and 59° 54' 51" West longitude; then following the southeasterly direction to a point located at 54° 14' 21' North latitude and 59° 54' 51' West longitude; then following the southeasterly direction to a point located at 54° 14' 21' North latitude and 59° 54' 51' West longitude; then following the southeasterly direction to a point located at 54° 14' 21' North latitude and 59° 54' 51' West longitude; then following the southeasterly direction to a point located at 54° 14' 21' North latitude and 59° 54' 51' West longitude; then following the southeasterly direction to a point located at 54° 14' 21' North latitude and 59° 14' 21' North latitude and 59° 14' 21' North latitude and 59° 14' 21' North latitude a 32" West longitude; then following a straight line in a generally southerly direction to a point located at 54° 12' 8" North latitude and 59° 49' 42" West longitude; then following a straight line in a generally southerly direction to a point located at 54° 12' 8" North latitude and 59° 49' 42" West longitude; then following a straight line in a generally southerly direction to a point located at 54° 12' 8" North latitude and 59° 49' 42" West longitude; then following a straight line in a generally easterly direction to a point on the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to a point on the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to a point on the coastline of Labrador in a generally northeasterly direction to Alliuk Bight; then following the coastline of Labrador in a generally northeasterly direction to a general northwesterly direction to the point of commencement; excluding all offshore islands.
