# Moose Reduction Zone (MRZ) 101

**All offshore islands are excluded from hunting with respect to MRZ 101.**

**PACK IT IN - PACK IT OUT**  
Garbage and litter on our landscape is becoming a serious problem. The best and only alternative for garbage is a Pack It In, Pack It Out policy. You carried in all those containers, boxes - packages when they were full; it's a lot easier to carry them out when they are empty. Please take your garbage home with you and dispose of it in the proper manner.

The Wildlife Act and Regulations and the Annual Hunting Orders published therein should be consulted for all purposes of interpreting and applying the law.
