

**Cases of Rabies Reported in Newfoundland and Labrador**

**1991**

Date animal died	Animal	Place	Rabies Confirmed?	Human Contact?	Comments
April	wolf	Nain	Yes	No	Hunters found dead wolf on shore ice about 15 miles NE of Nain. Old wolf, assume it came from inland.

Unless stated otherwise, all testing for rabies was done by the Canadian Food Inspection Agency or its predecessor department.
