

Cases of Rabies Reported in Newfoundland and Labrador

1993

Date animal died	Animal	Place	Rabies Confirmed?	Human Contact?	Comments
January 5	red fox (silver)	Labrador City	Yes	No	Followed a skier, circled him after he fell. Broke ski pole on it, eventually killed it with ski, no bite.
January 19 & 21	red fox(es?)	Labrador City	No	No	Reports of fox(es?) jumping at trucks at IOC.

Unless stated otherwise, all testing for rabies was done by the Canadian Food Inspection Agency or its predecessor department.
