

Home Heating Supplement Program

Apply before
January 15, 2027

You could be eligible for a Home Heating Supplement valued between \$200 to \$500 to help offset the cost of heating your home.

Who can apply? Residents of Newfoundland and Labrador whose 2025 adjusted family income was \$150,000 or less and have directly paid for furnace oil or stove oil to heat their principal residence.

Apply online: gov.nl.ca/fin
