

STANDING FISH PRICE-SETTING PANEL

LUMPFISH (ROE) FISHERY – 2011

The Standing Fish Price-Setting Panel, hereinafter referred to as "the Panel" issued its Schedule of Hearings for 2011 for the species, Lobster, Whelk, Lumpfish (Roe), Cod, Capelin, Squid and Mackerel on April 12, 2011. Pursuant to the *Fishing Industry Collective Bargaining Act*, hereinafter referred to as "the Act", the panel set Tuesday, April 19, 2011 as the date by which a collective agreement(s) binding on all processors in the province that process the species Lumpfish (Roe) must be in effect. In the absence of such collective agreement(s), the Panel set Wednesday, April 20, 2011 as the date on which the panel would conduct a hearing regarding prices and conditions of sale for the species Lumpfish (Roe).

The Panel also noted at that time that it had been advised by the Department of Fisheries and Aquaculture that there was no majority processor or processor's organization identified for the species, Lumpfish (Roe). Accordingly, in the event a collective agreement(s) binding on all processors in the province that process the species Lumpfish (Roe) have not been achieved by the date indicated, the panel would proceed with a hearing on the scheduled date, at which time it would hear presentations on price and conditions of sale.

For the purposes of reviewing and analyzing the market situation in 2011 for the species, Lumpfish (Roe), the panel had the benefit of a report from Gemba Seafood Consulting as well as a copy of a presentation made at the International Meeting on Lumpfish Roe Matters on February 4, 2011 in London, England.

The panel was advised at the time of the hearing by Mr. Butler of The Association of Seafood Producers and Mr. McCurdy of the FFAW, both of whom attended at the appointed time for the hearing, that they had reached an agreement on a price schedule for Lumproe for 2011, and requested the panel implement the agreement as a decision of the panel.

It is the decision of the panel that the 2011 Price Schedule-Lumproe, agreed upon by the Association of Seafood Producers and FFAW, dated April 20, 2011, (copy attached) will be incorporated with the Master Collective Agreement, which document will form a collective agreement binding on all processors in the province that process the species Lumproe.

Dated the 21st day of April, 2011.
