

March 12, 2014

The Panel, as it is obligated to do, has conducted an annual review of its Rules and Procedures. As a result of this review, there have been a number of changes. Please be advised that effective immediately, these (attached) are the new Rules and Procedures. The changes have been made with industry stakeholders in mind, and the Panel encourages input from industry stakeholders on a go forward basis.

Sincerely yours,

Joe O'Neill  
Chair

Standing Fish Price-Setting Panel
