Inspection Type and Date	Compliance Item Type	Code - Description	Observations and Corrective Actions
Food - Compliance Inspection Jun 10, 2026	Non-Critical Item(s)	505 - Food equipment and utensils that contact food are corrosion resistant	Please ensure that the panini press is used properly - no heavy use of oil and other lubricants on the plates - it produces toxic fumes that can cause public health hazards for the patrons and staff as the cafe lacks mechanical ventilation.
		506 - Equipment in good repair, cleaned and sanitized	Please clean and sanitize.
