For the Species Halibut, Shrimp, Crab, Lobster, Cod, Turbot, Lumproe, Whelk, Capelin, Redfish, Squid, Mackerel and Herring:

1. The Panel has been advised by the Department of Fisheries and Aquaculture that the Association of Seafood Producers (ASP) represents processors that process the majority percentage of the fish species Halibut, Shrimp, Crab, Lobster, Cod, Turbot, Lumproe, Whelk, Capelin, Redfish, Squid, Mackerel and Herring.
2. Under Section 19(11) of the *Fishing Industry Collective Bargaining Act*, in the absence of a collective agreement between a certified bargaining agent and a processors' organization representing processors that process the majority percentage of a fish species, the Panel shall hear and consider their submissions on price and conditions of sale and shall make a decision with respect to those submissions. The decision of the Panel is final and binding on the parties and all other processors that process the species Halibut, Shrimp, Crab, Lobster, Cod, Turbot, Lumproe, Whelk, Capelin, Redfish, Squid, Mackerel and Herring.
3. Should the hearings for these species proceed on the scheduled hearing dates, the parties before the Panel will be the Fish, Food and Allied Workers' Union (FFAW) and ASP. No other submissions will be accepted by the Panel and should any representative of this species wish to attend the hearing, concurrence from both parties to the collective bargaining process must be obtained.

For the Species Sea Cucumber:

There was no majority processor or processors' organization identified by the Department of Fisheries and Aquaculture for the species Sea Cucumber. Accordingly, in the event a collective agreement binding on all processors in the province that process the species Sea Cucumber has not been achieved when indicated, the Panel will hold a hearing on the scheduled hearing date at which time it will hear presentations regarding price and conditions of sale.

The parties before the Panel may include a processor, a processors' organization and FFAW. Presentations will be accepted by the Panel from a processor, processors' organization and FFAW union representatives at the hearing. The Panel shall decide on all matters in dispute between the parties relating to price and conditions of sale for

the fish species, and the decision of the Panel is final and binding on the parties and all other processors that process that species of fish to which the Panel's decision relates and constitutes a collective agreement or part of a collective agreement between them.

In the event of a hearing on Sea Cucumber, parties are to provide the Panel with written submissions not later than 24 hours before the scheduled hearing time and date by e-mail to GlennGeorge@gov.nl.ca or to the Panel's office at the Labour Relations Division, 95 Elizabeth Avenue, P.O. Box 8700, St. John's, NL, A1B 4J6.
