**RE: ONGOING RECOVERY OF MAY 20, 2020 ADVANCE PAYMENT**

For physicians who continue to have an outstanding balance from the May 20, 2020 advance payment provided under the Physician Work Disruption Program, the Department of Health and Community Services will continue to deduct directly from billings in the following pay periods:

Pay Period	Payment Date
20-18	December 2, 2020
20-19	December 16, 2020
20-20	December 30, 2020

The recovery amount is limited to the maximum of 20% of pay period billing submissions for affected physicians.

If necessary, any provider who continues to carry an outstanding balance from the May 20, 2020 advance payment after December 30, 2020 will have their file transferred to the MCP Audit Services for further processing. If a provider wishes to expedite the recovery of their outstanding balance, or request details about it, they should contact the HCS representative listed below and their request will be processed accordingly.
