**TO: FEE-FOR-SERVICE FAMILY PHYSICIANS**

**RE: HOLIDAY DATES FOR FEE CODES 139 – 2021**

Fee Code 139 was introduced to recognize Family Physicians who open their offices for regularly scheduled clinics on weekday evenings, weekends, and Statutory Holidays and thus relieve demands placed on hospital emergency departments. When a Family Physician holds a clinic on a day when a Statutory Holiday is observed and that date differs from the legal date, fee code 139 can be claimed in addition to the applicable office fee codes on the observed date.

The table below lists the dates which are considered Statutory Holidays for the purpose of claiming fee code 139.
