Please be advised that Canada-Ukraine Authorization for Emergency Travel (CUAET) Visa Holders (Ukrainian Newcomers) qualify for coverage of eligible dental health services under the Newfoundland and Labrador Dental Health Plan, specifically the Adult Dental Program component.

In advance of these patients presenting for dental services, please ensure the following documentation is available for review:

- Valid MCP Card; and
- CUAET Dental Letter – In the absence of a CUAET Dental Letter, a dentist or patient can obtain assurance of eligibility and/or confirmation letter of eligibility by calling the Newfoundland and Labrador Prescription Drug Program (NLPDP) Assessment Office, Stephenville, NL @ 1-888-859-3535.

For Youth aged 13-17 years inclusive, whose family is/are a CUAET Visa Holder will qualify for “Basic Services” only, as listed in the Payment Schedule. In the absence of CUAET Dental Letter, confirmation of eligibility for the Youth group can also be obtained from the NLPDP.

When submitting these claims to MCP Dental, the dentist providing the service must indicate in the comments section of the claim that this is a CUAET Visa Holder (Ukrainian Patient).

All children under the age of 12 qualify for the Children’s Dental Program with a valid MCP Card.
