

**Newfoundland & Labrador
Denturists Board
2022 Report**

ABOUT THE BOARD

As a regulatory body, The Newfoundland and Labrador Denturists Board supports the public's right to safe, competent and ethical Denturism care.

The NLDB does this by:

Setting the requirements that must be met for an individual to practice Denturism in Newfoundland and Labrador.

Issuing Certificates of Registration to Denturists who meet these professional requirements. Once an individual has obtained a Certificate of Registration they may practice Denturism.

Establishing comprehensive Standards of Practice and policies that every Registered Denturist must follow.

Developing and administering a Quality Assurance Program that helps Registered Denturists stay current and develop their knowledge and skills throughout their careers.

Giving the public a way to raise issues and hold Registered Denturists accountable for their conduct and practice.

With the NLDB's governing body and Committees, all working to serve the public interest first, the people of Newfoundland and Labrador can have confidence in the care they receive from Registered Denturists.

Newfoundland and Labrador Denturists Board

Board Members

Jason Johnson – Registrar

Jamie Fitzgerald – Chairperson

Bill Browne – Member

Sept 30, 2022 Jason Johnson and Bill Browne attended the NL Denturists Association Meeting in Gander, NL. It was agreed with the NL Denturist Association that continuing education points recognized for Association Meetings would be increased to 2 points. This is an increase of 1 point. Jason Johnson presented for the NL Denturist Board. Jason advised no new business from the NL Denturist Board since last meeting on November 11, 2021. Jason reviewed the financials for 2021 and 2022 YTD. Jason also discussed License renewals for 2023 year. Applications for licenses and list of education hours were distributed to all members in attendance.

In February 2022 and September 2022, NL Denturist Board met via teleconference. Members Jason Johnson, Jamie Fitzgerald and Bill Browne attended. At this meetings there were discussions regarding the 2021 and 2022 financials, 2023 license applications/fees etc.

No NL Board Members attended the 2022 National Denturists Conference October 2022 due to scheduling conflicts.

No formal complaints were received for 2022.

NEWFOUNDLAND AND LABRADOR DENTURIST BOARD

INDEPENDENT AUDITORS' REPORT

FINANCIAL STATEMENTS

DECEMBER 31, 2022

David N. Snow Professional Corporation

Chartered Professional Accountant

INDEPENDENT AUDITORS' REPORT

To the Board of **Newfoundland and Labrador Denturist Board**

Qualified Opinion

I have audited the financial statements of **Newfoundland and Labrador Denturist Board**, which comprise the statements of financial position as at December 31, 2022, and the statements of operations and changes in net assets for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of my report, the accompanying financial statements present fairly, in all material respects, the financial position of **Newfoundland and Labrador Denturist Board** as at December 31, 2022, and the results of its operations and changes in net assets for the year then ended in accordance with Accounting Standards for Not-for-profit Organizations (ASNPO).

Basis for Qualified Opinion

Newfoundland and Labrador Denturist Board does not account for its revenue on an accrual basis but records revenue upon receipt of cash. These financial statements do not reflect or provide for any such adjustments in relation to such as it is not practical to do so.

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of **Newfoundland and Labrador Denturist Board** in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing **Newfoundland and Labrador Denturist Board** ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going-concern basis of accounting unless management either intends to liquidate **Newfoundland and Labrador Denturist Board** or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing **Newfoundland and Labrador Denturist Board** financial reporting process. When individuals responsible for the oversight of the financial reporting process are the same as those responsible for the preparation of the financial statements, no reference to oversight responsibilities is required.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Newfoundland and Labrador Denturist Board** internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on **Newfoundland and Labrador Denturist Board** ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause **Newfoundland and Labrador Denturist Board** to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NEWFOUNDLAND AND LABRADOR DENTURIST BOARD

Notes to the Financial Statements

December 31, 202

1. Nature of operations

The Newfoundland and Labrador Denturist Board (the board) was established under the Denturists Act. The powers of the board include granting licenses in the practice of denture technology in the Province of Newfoundland and Labrador, keeping a register of persons licensed and prescribing the educational standards and other qualifications of applicants for a license.

2. Significant accounting policy

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations with the exception that revenues have not been recognized on an accrual basis of accounting but on a cash basis.

3. Statement of Cash Flows

A statement of cash flows has been omitted as it would not provide additional meaningful information not readily determinable from other financial information provided.

4. Income Taxes

The Newfoundland and Labrador Denturist Board is a Crown entity and as such is not subject to Provincial or Federal Income Taxes.
