

RECRUITMENT AND RETENTION INCENTIVES IN NEWFOUNDLAND AND LABRADOR

Put your skills to great use in a unique and remarkable part of the world. Urban or rural, coastal or inland, connected or remote, if you're looking to grow your career in a place with adventure around each corner, then let's put on the kettle and have a chat.

Healthcare professionals in Newfoundland and Labrador are nothing short of extraordinary. Their perseverance and commitment to the people of our province, every day, is truly one of a kind.

We think you will love our province. Our people. Our culture. So come, and be Extraordinary Every Day with us!

Registered Nurses, Nurse Practitioners and Licensed Practical Nurses

- + Signing bonuses of up to \$20,000 with two-year return-in-service commitment in a difficult to recruit area
- + Relocation Assistance
- + Educational Salary Advance which allows employees to finance a planned leave of absence, of between six and 24 months, to complete an education program on a full-time basis
- + Labrador Benefits Agreement (employee and dependent allowances, travel allowance, extra paid leave)

Take advantage of the following limited time offers:

- + Long-Term Care Recruitment Bonus of up to \$8,000 for registered nurses and up to \$5,200 for licensed practical nurses with a one-year return-in-service agreement
- + Come Home Incentive of up to \$60,000 for nurse practitioners with a three-year return-in-service agreement, and up to \$50,000 for registered nurses and licensed practical nurses with a three-year return-in-service agreement

Nursing Students

- + Nursing Bursary Program, 3rd and 4th years up to \$10,000
- + Bachelor of Science in Nursing Practice Course Grants up to \$1,500
- + Rural Nursing Student Incentive Program up to \$1,500
- + Nurse Practitioner Student Grant up to \$10,000
- + Licensed Practical Nursing Bursary up to \$5,000
- + Internationally Educated Nurses (IEN) Bridging Program and Supporting Bursary up to \$10,000

EXTRAORDINARY.
EVERY DAY.
