## RANIBIZUMAB

---

### **Byooviz (Samsung Bioepis Co. LTD)**

Biogen ONE Ophthalmology Support Program (“Biogen ONE”) launched on March 1, 2023.

The Program is designed to support patients prescribed BYOOVIZ™ (ranibizumab injection). The core services of Biogen ONE are:

- BYOOVIZ First Dose Program - Clinics can access an initial supply of First Doses to be provided to patients upon initial appointment to avoid delayed therapy starts
- Field Case Manager Support – The main point of contact for the clinic, available to provide PSP materials (e.g., enrolment forms), patient resources, and clinic training on PSP
- Reimbursement Navigation – A dedicated reimbursement case manager will help patients explore insurance coverage and coordinate documentation
- Financial Assistance – The case manager will evaluate financial assistance options available to alleviate out-of-pocket expenses
- Patient Resources - Patients receive a Welcome Call and Welcome Kit, featuring an Amsler Grid to self-check vision. Online resources available at: [www.biogentherapies.com](http://www.biogentherapies.com)

To enroll into the Program please contact your HCP to complete the Patient enrollment form.

For further information on the Program, please call 1-800-398-5552, open Monday to Friday (excl. holidays) from 8:00 a.m. – 8:00 p.m., EST, or via email at [info@BiogenONEprogram.ca](mailto:info@BiogenONEprogram.ca).
