

Give me a

boost!

Newfoundland
Labrador

**Keep them safe.
Give them a boost.**

Children in Newfoundland and Labrador must be secured in a booster seat, when travelling in most vehicles, if they:

- are four to eight years old (inclusive)
- weigh between 40 and 80 pounds (18 and 37 kilograms) and,
- are 4'9" tall (145 cm) or less.

A properly installed and appropriately used booster seat can reduce the risk of injury to children by 70% and the risk of death by 90%.

For more information on booster seat safety, please visit

www.health.gov.nl.ca/boosterseatsafety

It's the Law.
