This report contains papers on geoscience activities of the staff of the Mineral Development Division during the 1981 season. Work in areas 22, 25, 26 (on index map) and by Harris was funded by the Government of Newfoundland and Labrador. Area 9 work was mainly funded by the Government of Newfoundland and Labrador with some contribution from the Government of Canada. All other work was done under the Canada-Newfoundland Mineral Development Subsidiary Agreement (1976-1982) by contributions from the Government of Newfoundland and Labrador (10 percent) and from the Departments of Regional Economic Expansion (45 percent) and Energy, Mines and Resources (45 percent) of the Government of Canada.

Publications of the Mineral Development Division are available through the Publications and Information Section, Mineral Development Division, Department of Mines and Energy, P.O. Box 4750, St. John's, Newfoundland A1C 5T7
